To Ponder . . .

Look up!

The heavens keep telling the wonders of God, and the skies declare what he has done. Each day informs the following day; each night announces to the next. They don't speak a word, and there is never the sound of a voice. Yet their message reaches all the earth, and it travels around the world ... Psalms 19:1-4 (CEV)

With shoulder to the wheel, feet lodged in its rut and eyes fixed on obstacles ahead... it's a battle.

Look up! The play of light in the mist, the panorama of snow, the early blossoms, the mysterious warmth of a fire on a cold night... have you seen? Have you heard? Look up!

There is the wonder of God to behold, may the Lord give us hearts to see.

Mrs Lynne Fleming
Deputy Head

From the Headmaster . . .

I had the enormous privilege of attending the HICES Music Festival Concert last Wednesday in the Sydney Town Hall. The Music Festival Concert followed a three day intensive camp which Mrs Garland and six Scots students were able to attend. The music camp brought together 350 students and 35 staff from 25 HICES Schools across NSW in workshops, ensembles, choirs and orchestras to develop their music talent and provide an enriching experience in making music with other talented musicians. The level of musicianship was outstanding. Congratulations to Zoe Behrendt (9), Andrew Coles (11), Sam Flude (8), Bethany Hackfath (10), Hugh Lennon (9) and Jessica Morrison (9) for taking this excellent opportunity of musical enrichment last week.

The Parent Weekend is on this coming weekend. The respective dinners for Netball, Soccer and Rugby are an excellent opportunity to celebrate the winter season and acknowledge the effort and performance of the players. It is also an opportunity to recognise the contribution of our Year 12 students to the sporting life of the school and the effort of the coaches and managers who have made the season possible.

This is also the weekend of the Bathurst Campus Open Day with the school open from 11am to 2pm on the Saturday. Please come along and invite your friends to come as well. The Open Day offers a very important opportunity for us to showcase our wonderful school. Most of our new students come to Scots on the recommendation of current or past parents of the school so I encourage all parents to do your very best to promote Open Day and encourage people you know to come along on Saturday August 25.

On Sunday, we will have the Foundation Day Chapel Service followed by morning tea and then our Tree Plant. The Foundation Day Parent Weekend will become a key focus each year for a Tree Plant to ensure that we leave a lasting legacy in terms of the presentation of the school. I have had some interest so far and I encourage you to become involved by purchasing a tree or trees and planting on the day.

The targeted area for this year will be around the new indoor pool. The Tree Committee has met to determine the trees to be planted. Please refer to the list of trees, with purchase price, which is included in this week's Highlander. The trees will be purchased and available on the day for planting with most of the preparation of the ground completed in readiness.

If you would like to be involved, please email me directly at dgates@scots.nsw.edu.au as suggested in the promo later in The Highlander. I will need to know how many trees to order by Tuesday at the latest to allow time to prepare the ground for planting and order the trees. The response has been good with enough people involved to complete the area around the pool. Further tree orders will be to begin the plant around the Tennis Courts.

Have a good week.

Junior School News

Congratulations

To the students who have been selected to represent the school at the Western Areas Schools Athletics Carnival at All Saints College on Tuesday.

To Kyron Kirkpatrick who achieved a Credit in his 4th Grade Trumpet Examinations recently. This is an outstanding achievement for one so young.

Author Visit

It was a pleasure to have Ms Annette Kosseris at our school on Monday and Tuesday last week. Ms Kosseris worked with all classes in a workshop to assist in the preparation of their Verse Speaking for the Bathurst Eisteddfod next month. She also shared some of her poetry and introduced the students to some enjoyable speech and drama games. Everyone enjoyed the experience and came away inspired by the power of poetry. Ms Kosseris loved being at Scots and appreciated the warmth of her hosts so much she very generously donated a full set of her published books and CD's to the school library for all our students to enjoy.

WAS Athletics

We are looking forward to the Was Carnival at All Saints on Tuesday. This is an excellent lead up to the HICES carnival on the 4th September at Homebush. The emphasis at WAS is on friendly competition and gaining event experience. Place ribbons are awarded, however there are no points tallied, times recorded or trophies for the winning school.

Uniform

We have spoken at length with the children last week about the importance of wearing the correct uniform and wearing it properly at all times, whether at sport training, a special occasion or every day. We ask that you support our focus on uniform by ensuring that all items of uniform are clearly labelled with your child's name and in good condition. Assist younger children to polish shoes and hang up their uniform when it is removed. Uniform guidelines can be found in the front of the diary if in doubt about the requirements.

Open Day

The school Open Day will be held on Saturday 25th August between 10am and 2pm. If you know of families who may be considering a Scots School education for their children we ask that you encourage them to join us on Saturday to speak with staff, tour the school and view the displays in the Aikman Hall.

Homestay . . .

Keystone Visitors

We have a lovely group of Korean students from the Keystone Learning Centre spending this term at Scots. The school is arranging a home visit weekend for the weekend of 8-9 September (from Friday after school until return to school on Monday morning). This year we also have 3 students in Year 7 in the Keystone group. All the students are working very hard to improve their English speaking skills and the offer of a home visit would be greatly appreciated.

If you would be able to have one or more students visit your home, please phone Mrs Jenny Donnelly on 6331-2766 to discuss arrangements.

Foundation Day Chapel

All students are expected to attend the Foundation Day Chapel Service on Sunday 26th August at 9:30am. They should wear full school uniform. If you are not able to attend please notify the school in writing before the end of the week. Following the service there will be morning tea and the planting of trees which have been donated to beautify our grounds.

August Reading Challenge

At assembly on Friday we announced that so far we have read approximately 135 hours with Stage 3 leading the way! This is a long way short of our target and we need to ensure that the reading is being recorded and returned to school on Friday so that time can be added to our total. The final tally will be recorded and announced at the Fathers' Day Breakfast and Book Fair on Friday 31st August. The student in each year who has read the most will be awarded a \$20 gift voucher to be spent at the Book Fair. **All blue sheets will need to be returned to school on Thursday 30th August to finalise our winners.**

Fathers 'Day

All dads, carers, grandfathers and special male family members are invited to attend the Fathers 'Day Book Fair and Breakfast on Friday 31st August between 8 and 9am. Complimentary bacon and egg rolls will be served to visitors, however students will need to pre order and pay for breakfast. It will be an excellent opportunity to chat with other dads, spend time with your children and enjoy the activities we have planned. Hope you can make it.

Olympics Afternoon

Unfortunately we had to postpone the Olympics activities on Friday due to the weather. It will be held on the Old Boys' Oval on Friday afternoon this week.

Keystone Visitors

Our Keystone students have settled in really well and are enjoying their time mixing in the playground, working with Mrs Mackay in their English lessons and working in classes after recess. They would dearly love to have a weekend with an Australian family, if you can assist please let the school know.

Bike Day

Our Bike Day is approaching and the Friends of Junior School have some fun activities in store for the day. The Keystone children will be still with us and it would be great if they could join in. If you have a spare helmet, scooter or bike you would be able to lend for the day, I am sure it would be very much appreciated. Please let Mrs Weal or class teachers know if you can assist.

Pies and Sausage Rolls

The Year 6 girls are thrilled with the response to their fundraising idea. They wish to notify that there will be NO pies or sausage rolls on Thursday 13th September as the Friends of Junior School will be organising lunch for the Bike Day on Friday.

Junior Athletics

On Friday 10th the Junior school had their annual Athletics carnival. The day started off with the traditional house Marching, which Mr Gates adjudicated on.

The tension was very high between the houses this year with Flynn going for 5 years in a row champions, and the other houses looking for an upset. We saw the 5-7 yr olds showing their houses what they have to offer in coming years with 100m sprints and then saw our older children battling it out to see who was going to be the next Usain Bolt. After a short recess to build energy levels we started our field events consisting of Shot put, Discus, Turbo Jav and long jump. Some amazing efforts were seen with some of our records falling. The day finished off with House relays and ball games.

Also a huge thanks to parents who took time out to assist with events and to the Friends of Junior School for putting on the BBQ.

Congratulations Browning Winner Junior School Athletics Carnival 2012

WAS Athletics Carnival

The WAS Athletics Carnival made a return this year as the previous two years had been cancelled due to poor weather. To everyone's good fortune we had very nice weather at Kinross Wolaroi which made the conditions for competitors and spectators very enjoyable. Our team comprised of students in the 12 to 16 years age groups.

The Carnival allowed our students to gain some event practice in readiness for the ISA carnival and the relaxed atmosphere of the day took a lot of the pressure of the need for success. Our students performed credibly with some pleasing results in both the track and field events.

An aggregate points tally was kept for the day with the aggregate point shield being won unsurprisingly by Kinross Wolaroi followed by St Stanislaus, All Saints, Scots and Orange Anglican.

2013 Bathurst Rep Netball Try Outs

Junior Sport Report on 2BS 1503

Just a reminder to tune in each Saturday morning from about 7.40am to listen to the Junior Sport Report. Last week Stephanie Ferguson did a great job and this week Robbie Hayward will have the honour.

Athletics Coaching and ISA Athletics Training

All students in the ISA athletics team are encouraged to attend sprinting and middle distance coaching on Monday afternoons from 3.45pm to 4.45pm. It is a very worthwhile program for the development of correct running techniques, mastering a crouch start, acceleration drills, plyometric training methods and developing power and flexibility. All field athletes are encouraged to attend practice on Wednesday afternoons on McKibbin Oval from 3.30pm to 4.45pm.

Presentation Dinners

This weekend we look forward to the Netball, Soccer and Rugby dinners. We remind all boys to dress smartly for the rugby dinner. Please wear neat and tidy pants and shirt (tie optional) with appropriate shoes. Please no thongs, ugg boots, and pants that ride so low that they reveal underwear! Girls are encouraged not to overdo their dress, it is not a ball, don't go overboard!

Bathurst Edgell Jog

The Edgell jog is on the 9th of September. Students need to consider preparing for the 7.5km fun run over the next few weeks. We intend entering a large team for this fantastic community event. Entry forms were issued last week and can still be collected from Mr. Adams this week. They will need to be returned with the correct entry fee by the 5th of September.

Summer Sports Choice

My apologies, they were not issued last week but will go out this week. There will also be 1st XI cricket trails at lunch this Thursday in the sportsbarn and 1st V basketball this week also (please check with Mr. Hayward).

Hockey . . .

Under 11 Hockey

The Under 11 Hockey team braved another cold night of hockey on Friday afternoon and played a very skillful St. Pats side.

The final score being St Pats 2 and Scots 1.

Our goal was scored by Hannah Crozier who also suffered a heavy fall in the second half and after a few minutes on the side line continued to finish the game, well done Hannah.

The team displays good passing between players and their team work is improving.

Gabrielle Boshier tried very hard in the goal.

The "Player's Player" was awarded to Belinda Kidd who played a very good centre forward position.

U15's v. Orange

Excellent games from Eliza Crozier, Sam Flude, Laura McFawn, Meghan Booth and Jack Baxter ably assisted by the rest of the side. We are competitive and playing well but lacking the strike power required. Well done to all players in tough conditions.

Final result 0-2 loss.

Mr Ian Doney

1st XI

The opposition coped with very difficult conditions much better than us, and took advantage of their chances in the first half. We executed good teamwork across the field, but are still struggling to finish off. I am very proud of the mature teamwork skills and attitudes this side is showing.

Final score: TSS 0 to Orange 6

Mr Ian Doney/Mrs H. Taylor

Soccer . . .

Girls Senior Soccer - Scots Spirit

On a cold Bathurst morning at Proctor Park our Senior Soccer girls were on fire! Although for many in the team it was a sacrifice to compete because of the pressure they were feeling with their Trial examinations, they organized themselves to play two games in the one day. They demonstrated their skills by winning 2-0 against the City Red Tops and then followed up to win 1-0 against the Mudgee Wolves. All of the girls gave it their all. We are all very proud of them.

Mrs Anne Denmead

Girls 14's Soccer v. Bathurst 75's 14's

Given that most of the play took place within 30m of our goal, the close defence was excellent. Attacking chances were limited but showed considerable flair when they occurred. The lack of reserves, the very cold weather and illness all took a toll. Despite the scoreline, the team can be pleased with their performance.

Final result: a 0-8 loss.

Mr J. Garretty

Indoor Soccer . . .

Scots Blue Vs Rebels

What a great match! The teams were very evenly matched and there was plenty of action as both teams had frequent scoring opportunities. Lachlan Micalos had an excellent game taking the ball up skilfully, controlling the ball and passing or shooting effectively. Once again Jorja Hazell kept herself in attacking scoring positions but unfortunately all her attempts narrowly missed or were saved by the keeper. As always, Joshua Kidd had an excellent match and received the Most Valuable Player.

Scots Spirit enjoy a well-earned break after their TWO AMAZING WINS on the weekend!

Little Rugby

Dear The Scots School - Bathurst & Lithgow,

Everyone at advancedlife enjoyed the opportunity to be a part of your school community in 2012 and we're looking forward to an even bigger and better 2013. As you may be aware 2012 was the first year we have made a digital copy of every child's school portrait available to all parents that purchased a portrait image as a part of their pack for free!

It has come to our attention that many parents are unaware of this great service and to promote the take up of this opportunity we are currently running the advancedlife Photography School Download Competition. You may have already received an email from us in regard to this offer however I would like to further clarify what a great offer this is. As a part of this competition we will:

A promotional poster for the Advancedlife Photography School Download Competition. The background is dark blue. At the top left is the 'advancedlife' logo in white and orange, with 'photography . design . printing' in smaller white text below it. The main text is in yellow and orange: 'Download your child's image now and help our school WIN \$10,000 CASH!'. Below this is an image of several white money bags with dollar signs, overflowing with Australian banknotes. To the right of the money bags, the text 'PLUS \$1000 CASH for you!' is written in white and orange. At the bottom, a dark blue rounded rectangle contains the text 'DOWNLOAD YOUR IMAGE AND ENTER COMPETITION' in white. Below this rectangle, in small white text, is the instruction 'Click the link above to view full terms and conditions'.

How it works

1) Parents go to our website and download your child's image using the nine digit SIC number on the back of their photobook (A,B,C or D Package) (www.advancedimage.com.au) Found on the back of their school photography package.

Email address provided MUST be that of parent or guardian.

2) For every child's image that is downloaded (1 entry per student) a ticket will be entered into the draw on behalf of your school and the student involved.

3) A single entry will be drawn by DrawmyComp.com on the 7th of December and the school at which the winning student was photographed will be awarded \$10,000 and their parent/s \$1000 by advancedlife Photography.

It's that simple!
