To Ponder . . .

Know this, my beloved brothers: let every person be quick to hear, slow to speak, slow to anger; for the anger of man does not produce the righteousness of God. ... James 1:19-20 (ESV)

James identifies two types of anger; one form of anger brings about restoration the other destroys. Unfortunately our anger tends to destroy. We cease to listen for the whole picture; instead we use words to mow down our opposition leaving road-kill in our tracks.

However there is an anger that comes from the heart of God and leads to the kind of restoration that God desires. It is an anger that is slow to arrive, it resists the urge to make quick judgments but takes the time to listen for what really is going on to fully empathise and understand.

How do we move from one to the other? Righteousness belongs to God, we need to turn to Him and listen to how He would have us live to ensure our anger is just (cf. James 1:21).

Congratulations to our Prefects for 2013 who were inducted at the service on Sunday.

The Prefects' Induction Service was a very special occasion where the school community met together to celebrate and induct our new School leaders. Following this introduction and the listing of the new School Prefects, I have included part of what I said prior to issuing the Charge to the Prefects at Sunday's Prefect Induction service. I hope this reinforces the very important message I wanted to get across regarding leadership as service to others.

The new School Prefects for 2013 are as follows:

School Captains: Iori Hashida
Elise Owens

School Vice Captains: Lachlan Conyers Dougan House Prefect
Angus Dunn Senior Boy Boarder Prefect
Edith Lennon Prefect Coordinator

School Prefects: Benjamin Allen Junior School Prefect
Samantha Cowan Performing Arts Prefect
Jun Wei Huang International Prefect
Kanja Le Roux Chapel & Junior School Prefect
Annabel Shephard Senior Girl Boarder Prefect
Georgina Simcock Agriculture Prefect
Jock Sinclair Sport Prefect
Oscar Sobalirov Pipes & Drums Prefect
Megan White Service Prefect
Emily Zell Junior Girl Boarder Prefect

Headmaster and Emily Zell

Part of what I said to the Prefects at the Induction Service follows:

“It is my great pleasure to speak to you today on this very important occasion. We gather together to honour and induct the new School Prefects for the 2013 school year. The role of Prefect is a very significant one in a school. Of course it is not the only leadership position. There are many other opportunities provided for our students. These opportunities of leadership, right across the school, allow the opportunity for our students to develop and exercise leadership skills in the service of others and by so doing to grow personally.

The position of Prefect in any school is held in very high esteem, however, with that esteem comes great responsibility. At the heart of it, being a Prefect requires an attitude of service; the attitude of service clearly enunciated in the last verse of the hymn we have just sung:

*So let us learn how to serve
And in our lives enthrone Him
Each other's needs to prefer
For it is Christ we're serving*

Christ provides for all of us the supreme example of a servanthood model of leadership because “He gave His life that we might live”. This is clear in His death but is also beautifully symbolised in the washing of His disciples’ feet shortly before this. The 13th Chapter of John’s Gospel recounts the occasion when he gave His disciples a lesson in humility by personally washing the feet of each of them and then saying to them:

I then, your lord and Teacher, have washed your feet; you also ought to wash one another's feet. For I have given you an example, that you should do as I have done to you.”

He tells them that they are to follow his example by meeting the needs of others and sacrificing their own needs.

At times we can feel sorry for ourselves and be preoccupied with the things we have to do or the problems we are facing. But...one of the best things we can all do in this situation is to do something good for someone else. If we are

acting like Jesus, with a servant heart, it will probably cost us something – our time, money, energy, pride, perhaps even some ridicule as we do what is right not what is popular or easy.

The role of a School Prefect is to be first and foremost an exemplary role model in their attitude, example and conduct in all facets of their life at school and in the wider community. Their secondary, but also important role, is the specific area of responsibility they have been given. This is their focus in a practical sense and a particular area for them to serve. You will note that the School captains are the only ones who do not have a specific portfolio; they have many roles but paramount above all is to ensure that the Prefect body works well as a team, supports them and upholds the values, culture, traditions and reputation of the school and continues to build up the community of The Scots School; to encourage Truth, Honour, Freedom and Courtesy”.

Congratulations to the achievement of our Stage 3 Mighty Minds Muster Team who were superb in taking out this wonderful inter schools event during the week. Participants from Scots were: **Scots Gold** team consisted of Gabby Boshier, Ann Abraham, Paris Bennett, Genevieve Gates, Lizzy Woodhouse, Isabella Retallack, Olivia Warry and Amber Rosin. **Scots Blue Champions:** Hannah Crozier, Jorjana Micalos, Morgan Bennett, Andrew Knox, Lars Baxter, Angus Druitt, Makeeley Potter, Gabrielle Morrison.

Helpers: Jake Cranston, Bailey Ryan, Stephanie Arpasi, Aaron Callan, Grady Roach.

The Mighty Minds Muster is an interschool enrichment experience for Stage 3 students. Throughout the day students complete exciting and challenging tasks with emphasis on higher order thinking skills, creativity and originality. The aim of the day is for the children to enjoy participating in stimulating and challenging tasks.

There were teams from a wide variety of schools from Bathurst, Lithgow, the Blue Mountains, Orange and Dubbo. At the conclusion of the day teams were ranked according to their total score receiving Gold, Silver or Bronze certificates. One of The Scots School Teams was one of three teams to receive recognition at Gold Certificate level and they were also the overall winner – an outstanding achievement. Please read Mrs Robinson’s full report in the Junior School section of the Highlander.

Similarly, our Rural Fire Service Cadets had a wonderful day competing in the RFS Cadet Field Day in Lithgow against other schools from Oberon, Lithgow and Bathurst during the week. We entered two teams who both performed exceptionally well with the team of Riley and Gulliver Newell and Brooke and Sam Andrew taking out top position with an exceptional performance in all categories.

They competed in a range of drills and teamwork activities against other school units which showed the skills they had developed and refined over the last few months in regular training session with the O’Connell Rural Fire Service unit.

Thank you to the Parents’ and Friends’ Association and Dr Geoff Chew in particular for their organisation of a fabulous evening of fun at the Trivia Night on the weekend. The tremendous range of questions and activities that were able to include the youngest children, teenagers and adults was impressive. If you didn’t come this year – don’t miss next years’ Trivia Night. Thank you to Geoff Chew and Ross and Sam Andrew for the night.

Thank you also to the parents who attended the P & F AGM following the Chapel Service. The Executive were returned unopposed with Ross Andrew (President), Michael Ireland (Vice President), and Genevieve Spence (Treasurer). The P & F hasn’t had a Secretary for most of this year but Liz Lennon was elected as the new Secretary at the AGM to cover all positions on the executive.

The Boarders’ P & F also held their AGM on the weekend with Helen Woods elected President and Kath Harley and Donna George sharing the roles of Secretary and Treasurer. Thank you to Neroli Powell (President) and Jenny Shephard (Secretary) for all their past hard work in these roles.

We are very fortunate to have so many parents actively involved in the life of the school and contributing a great deal through the various sub groups of the P & F. To all of you; thank you.

Have a good week.

FIRE CADET FIELD DAY REPORT

On the 17th October 2012, 8 cadets and 3 instructors travelled down to Lithgow Showground to compete in the regional Fire Cadet Field Day. Scots had two teams competing on the day, Scots Alpha and Scots Bravo.

Scots Alpha was a team of four: Rebecca George, Natalie Bowels, Lucy Blackmore and Hugh Lennon.

Scots Bravo was also a team of four: Gulliver Newell, Riley Newell, Sam Andrew and Brooke Andrew.

Our teams were competing against eleven other school teams from around the region, in four events. Scots Alpha worked well as a team in all events keeping up great communication throughout the events. Scots Bravo competed well in all events to win the competition in what was described at the presentation as a convincing win. Gulliver Newell set a new record in the knapsack relay completing the event in just under a minute.

All students had a lot of fun competing and showing the skills they had acquired during the year.

The two teams would like to give thanks to Michael Ireland, Noel Redden and Ross Andrew for their help guidance on the day. A special thanks goes to Jim Pitcher for organising and training the Fire Cadets throughout the year.

Congratulations to all cadets who completed the course.

JUNIOR SCHOOL NEWS

Congratulations

To all students who were involved in the Mighty Minds Muster on Tuesday. The Stage 3 helpers were outstanding and the children in teams were a credit to themselves and their school. The teamwork and the determination on their faces during the day were fantastic.

Challenges throughout the day were set around an Olympic theme, covering Engineering, Creative Arts, Mathematics, English, General Knowledge and Theatre Sports. Designing an Olympic Cauldron and tower that would take a boulder the longest time to reach the ignition switch at the bottom required some very creative thinking and clever problem solving skills.

The teams had to put together an Olympic Bid to convince the IOC that their country was the best venue for the 2020 Olympics. During assembly on Friday, our Scots teams performed their original songs, complete with sound effects. They had the audience laughing with their creative, catchy lyrics, actions and sounds! We were also shown the winning Olympic cauldron from the Engineering task.

Scots Gold was awarded a Bronze medal in the competition and Scots Blue was awarded a Gold medal and outright first place from 17 teams. Kinross came in second to secure the other Gold medals.

The teams travelled from as far away as Dubbo and the Blue Mountains including Macquarie Anglican Grammar School, Kinross Wolaroi School, All Saints College, St Philomena's School, The Assumption School, Holy Family Primary School, St Patrick's School and Blue Mountains Grammar School.

Feedback from staff and students who attended was overwhelmingly positive, with many comments such as 'It was challenging and fun!'

Thank you to all the families who cooked cakes and slices for the guests at the Mighty Minds. The sweet plates were adorned with a beautiful array of cakes for visitors to enjoy. Parents from Pre Kindergarten and the Junior School without children participating were very generous in their support to help make this a successful day.

Thank you to Mrs Lisa Knox, Mrs Sally Rosin and Robin Michel for their work in making sure everyone was suitably fed.

Thank you to Mrs Kathy Weal for the amazing work she undertook in organisation leading up to the Mighty Minds to ensure its success. Thanks also to Mrs Pringle, Mr Gittens and Mrs Inglis for their contribution to the challenges and smooth running of the day.

Scots Gold team consisted of Gabby Boshier, Ann Abraham, Paris Bennett, Genevieve Gates, Lizzy Woodhouse, Isabella Retallack, Olivia Warry and Amber Rosin.

Scots Blue Champions: Hannah Crozier, Jorjana Micalos, Morgan Bennett, Andrew Knox, Lars Baxter, Angus Druitt, Makeeley Potter, Gabrielle Morrison. Helpers: Jake Cranston, Bailey Ryan, Stephanie Arpasi, Aaron Callan, Grady Roach.

Public Speaking and Author/Illustrator Awards

We are looking forward to welcoming our Lithgow students and families and the Bathurst families for the Public Speaking Finals to commence at 9am in the Aikman Hall on Tuesday. Mrs Fleming, our Deputy Head and Head of English will be the guest adjudicator and we look forward to a wonderful morning of entertainment.

Orientation

The first week of orientation for Kindergarten on Wednesday and Pre Kindergarten on Thursday will occur this week. We look forward to meeting new students and their parents to the school over the next few weeks.

Assembly

We were very fortunate to have senior student Tim Burrey perform at our assembly on Friday. Tim began at Scots in Year 1 and is fondly remembered by the staff during his time in the Preparatory School. He began learning classical guitar in Year 3 he recalls and has gone on to achieve a Diploma, which is the second highest level in Australia. Music will be a major focus for Tim as he approaches the HSC next year. Tim captivated the audience with a beautiful piece from a French film, and left the Junior School students in awe of his skill. What an inspiration to our young musicians! Thank you Tim for sharing your talent with us.

Assessment Week

Next week all classes will be completing assessments tasks to enable teachers to gather information about children's learning throughout the year. To perform at their best, children need to be well rested, have nutritious meals, routines maintained and be drinking plenty of water. Please avoid unnecessary absence during this

BOOK CLUB - LATE ORDERS TAKEN UNTIL WEDNESDAY 24th OCT

All the students from Pre-K to Year 6 will have received their book club catalogues. It is a perfect time to do some Christmas shopping and support your school at the same time. There is a huge range of books and gifts for you to choose from.

This term we are including a new book club, called Koorong Kids. This is from Australia's major Christian retailer, Koorong. Koorong Kids orders must be separate from the Scholastic Book Club orders. Please pay for Koorong Kids orders with cash only. Scholastic orders can be paid for with cash, cheque (payable to Scholastic Australia) or credit card directly to Scholastic.

If you would like your order to be for Christmas presents and not returned directly to your child, please mark on your order form "Christmas" and you can pick up your orders from the Junior School office when orders are returned.

> This is our last book club order for the year, so let's make it our best!

Term 4 - Week 3

Sounds Program- This week we will be learning about the letter “y”. Our song this week is “yabbie yawning y,y,y” and in Letterland we will be meeting “Yo-Yo Man”. For our craft this week you can expect to see some yo-yo’s, yabbies, yachts, yaks, things that are yellow and lots more!

Hats- There are still a few students who haven’t been bringing their school hats in for outdoor play each day. It is compulsory for all students to wear their hats during Terms 1 and 4, so please assist in bringing them each day. **“No Hat No Play”**

Orientation Program- Our Kindergarten and Pre-Prep Orientation Programs for 2013 commence this week. Our current students will have a fun morning of activities Mrs Johnstone and Mrs Horton along with our Gap student Lucy. If there are any families who are interested in finding out more about enrolling in Kindergarten they could contact Megan in the main office.

Healthy Lunch Boxes- Coming into the warmer months it would be great to see lots of healthy choices in the children’s lunch boxes. Fruit, yoghurt, vegetable sticks, cheese and crackers and other options are fantastic to keep energy levels high. We also ask that spoons are put in your child’s lunch box if they have yoghurt, fruit tubs etc.

Tissues- Thank you to the families who have donated a box of tissues to their classroom. We appreciate this and would love a few more for the cooler mornings and hay fever season.

Missing- Last Wednesday a new school jumper went missing in the Gold class room. It is labeled with William Ridings name on it. We would appreciate if everyone could check their children’s jumpers and return it to Mrs Hallahan or Mrs Chapman. Thank you.

To the Primary Schools and Children of the Bathurst Region,

Skillset in partnership with the Bathurst Regional Council and Rahamim are proud to present **“I’m Dreaming of a Green Christmas”** Christmas Decoration competition. Children aged between 5-13 years (in two age categories 5 – 8yrs and 9 - 13yrs) are encouraged to re-use household recyclables to make Christmas decorations. Materials such as egg boxes, old CD’s, yoghurt tubs, cereal boxes, lollipop sticks, broken toys, old socks & imagination can be used.

Skillset’s Flannery Centre will house the entries and they will be on display for public viewing from the 28th November – 18th December 2012 during office hours (830am -5.00pm Monday to Friday).

A note will be send to Junior school families this week with further information.

LITHGOW Pre - Kinder News

Weeks 3 & 4

Sounds Programme

This week we will be looking at the Letter Yy. Our song is Yabbies Yawning y,y,y. Expect to be amazed by yachts, yawning yaks and all things yellow. Next week we will be learning all about Xx, where the song focuses on Fox in a box x,x,x. If you have any appropriate X-Rays at home please send them in, labelled with child's name and body part.

Orientation Days

Over the next 3 Thursdays, Mrs Lang will be hosting some of the children from our 2013 class from 9.30 until 11am. Mrs Hart and/or Mrs Bradford will be taking turns in teaching our current children for these times. If you know of any families that are interested in bringing their children to Pre-K next year then please tell them to contact the school for details. Daily positions are filling quickly.

Mini Fete and Concert Day

I hope families are busy getting organised for this special day which will be held on Friday 30th November from 11.30am. (Remember the Pre-K kids are "elves" this year so green, red and white clothing and hats are needed). We will be sending food trays home in next couple of weeks, so you can cook something delicious for our Cake Stall. We desperately need a volunteer who would be willing to give up a little of their time on this day to help co-ordinate this stall. You would need to serve behind the table until cakes were sold. (You wouldn't miss out on seeing our great concert!) Also if you are handy at making jams, chutneys, pickles and anything else that we can sell, please think about starting to get organised

to send these in too. Anyone who can donate a little time to help out please let me know.

Thursday Families

If your child is arriving at Pre-K after Kindy Pathways, please remember that you will need to pack lunch for them as our lunch orders usually go prior to morning tea. Also please remember to sign them in as normal.

Toy Catalogue Orders

Thank you to those families who supported this fund raiser this term. The orders have been processed and will be returned to us before the end of the year. They do come in labelled packages per family, but are in white plastic bags which can be seen through when pressed down. I will contact each parent individually to let them know when they are back and we can make arrangements for them to be collected at mutually convenient time.

Summer Uniforms

Now that the warmer weather has arrived (well most of the time!) it's a good idea to send your children in shorts, skirts, polo shirts and jumpers. Also sending spare clothes is still a really wise idea, as accidents although rare can still happen. Please remember your broad brim hat !

New Classmates

Mrs Lang, Mrs Bradford, Mrs Hart and all the Pre-K Kids would like to welcome all of our new students who have joined us this term. They have all settled in really quickly and we hope all their families have a long and enjoyable journey with us.

THE SCOTS SCHOOL SUMMER SPORTS

Weekly Schedule Week 2 Term 4

Secondary School Sports Bulletin Week 3 Term 4

Summer Sports

Thank you to all the parents who came along and supported at the sports fixtures during last week's parent weekend. It was a full round of summer sports with some great performances. We remind students of the importance of wearing the correct uniform at your sports matches and also the importance of wearing hats and sunscreen. We reminder basketball players that you are to wear your Scots blue sports polo shirt to and from the basketball stadium. Have your playing singlet on underneath. Please do not wear your playing singlet to training.

Rugby and Netball Tours 2013

We have had sufficient interest from the students to conduct the 2013 rugby and netball tours to the Gold Coast. Any students still interested are urged to return their application forms this week. An acceptance letter will be sent home in coming weeks outlining the draft itinerary, information about tour uniform and clothing sizes and a request for the deposit to be paid.

Radio 2BS Junior Sport Report

Please tune into 2BS (1503 AM) each Saturday morning from 7.40am to catch the Junior Sport Report. This term expect to hear reports from Jonty Boshier, Stephanie Ferguson, Robbie Hayward and Jock Sinclair. Details about cancellations due to wet weather will also be given to this program.

CRICKET . . .

Scots 13s Cricket

Game v ASC at ASC

ASC 2/170, TSS 9/152

ASC win on first innings.

Week Two of our season opener began with Andrew (18) and Patrick (53 n.o.) batting on for a fantastic 56 run partnership. Under the rules of the competition batsmen must retire at 50 but can come back for the last wicket. Pat batted chancelessly throughout his innings and played some wonderful shots all around the wicket. His brief return in the 50th over let him get just a few more runs and remain not out. Isaac W (16) with Pat and then Wes (5), after Pat retired, put on another 40 for the 6th wicket but some good line and length bowling meant that All Saints were able to restrict our score to 9/152.

Their batsmen were able to make the remaining 50 runs fairly quickly but our spell at the crease was characterised by some aggressive left arm fast/medium bowling by both Wes (8.1.0.28), who has an action reminiscent of former England captain Bob Willis, and Hamish (7.0.1.23) sending down some lovely in-duckers from around the wicket including bowling one batsman right on the top of the off bail.

Again sundries are an issue for us (38!!!), our catching and ground fielding is improving and we will work on line and length bowling over the coming weeks but overall this was a positive start considering we have a number of new players who have never pulled on the whites before.

Thanks to all our supporters over the last couple of weeks, it was great to have the Bylong and Wannaring crew with us this week. Special thanks to Mr Morrison for scoring. Next game (27.10/03.11) is at home against Stannies White at Lee St Oval. Play begins at 8.45.

UNDER 15 CRICKET REPORT.

Our first Saturday back into the fold and very much a case of expurgating a few cobwebs from the system !!!! Winning the toss, reigning premiers elected to bat. After their allocated 25 overs, they had reached 1 / 125. Whilst this total was imposing, our bowlers generally maintained their efforts. We do need to work on controlling our length, too many short balls took the pressure off our opponents. Our ground fielding was also very good, with Sam Pateman, Nick Thompson and Luke Newman saving many runs with their speed. In his first game for the team Sam Flude gave a competent display behind the stumps. "Pick" of the bowlers were Hugh Lennon and Lachie Marshall who appreciated the necessity to keep the ball "up" to the batsman.

In reply we reached 6 / 110 at the end of day one. Ned Dawson batted soundly until "falling" to a dubious L.B.W. decision. Zac Telfer made a hard hitting 16 with Luke Newman making a breezy 46, until falling to the last ball of the day. Next week we will have to concentrate hard on all aspects to ensure we remain in touch.

B.J.Mair

1st XI versus Chevalier

The 1st XI travelled to Chevalier College (Bowral) for their first ISA game for the season. Our captain Jack Ogilvy won the toss and elected to bat on a greenish wicket. Our team goal was to bat the 50 overs and attempt to accumulate runs slowly rather than simply going out with the cavalier 'six or out' mentality that is common in current forms of entertainment/cricket. To this end the boys did quite well lasting 44 overs and being dismissed for 88 runs. John Mair demonstrated maturity beyond his years in his debut match scoring 15 runs, Michael Hubbard bashed 13 runs and other useful contributions were made by Cameron Chew, Oscar Sobalirov and Jock Sinclair.

After the lunch break the boys bowled quite well early and took quick wickets. The opening pair of Jock Sinclair (4 wickets) and Iori Hashida (1 wicket) were well backed up by Michael Hubbard (2 wickets), Cameron Chew (1 wicket), John Mair (1 wicket) and Jack Bird (1 wicket). Chevalier managed to creep past out total with 8 wickets down.

We then gave others in the team an opportunity to experience bowling on the turf wicket. The team was eventually dismissed for 110. Our player of the match was John Mair who held the batting innings together, who bowled tightly and who also took a screamer of a catch at 2nd slip. Next week we face St Andrews (away) and will continue to work on patience at the crease, shot selection, catching and backing up in the field and running between the wickets.

Mr. Adams (coach)

Tennis . . .

The tennis team enjoyed a beautiful morning on our home courts against KWS 2.

Our senior players had a convincing 6 to 0 win over KWS, the intermediates continued with strong performances, however they narrowly went down and the juniors continued to improve and thoroughly enjoyed themselves, however also finished with a loss.

Strong performances from Ben Allen, Lachlan Conyers and Madeline Miller in the seniors, and sound performances from Andrew Coles and Joshua Woods in the intermediate and junior teams respectively.

Overall a great day of tennis and all students displayed excellent sportsmanship and enthusiasm.

Thank you to Peter Driver for his assistance on the day with umpiring and general duties.

Well done team.

Touch Rugby. . .

The Juniors played well. We lost to All Saints 5-2. Bronte Doyle scored 1 goal and Emma Harley scored 1 goal. The whole team was a little sliggish for their first game. Thanks to Emma Harley, Teagen Brunton and Gwen Towart for their generous contribution.

The seniors played well and beat All Saints 7-5. Scoring for Scots: Alyssa Weekes, Giamia Radice (2); Bronte Doyle, Felicity Walker, and Natalie Bowles (2).

The whole team played very well and capitalised on what they had learned in training from Mr Weekes.

Scots Gold v. ASC Silver

Our first game for the season was a trial game against ASC. The game started well but ASC began to pull away. The girls seemed to get back on track late in the game but were unable to eat into the lead that ASC had established. This week we need to work on sticking to our game plan in offence and defence and making sure that we all know our roles on the court. Thank you to Mr Andrews and Sam Andrews for assisting with the bench.

Final score: 16-25 loss.

Ms Rachel Hughes (coach)

Scots Silver v. ASC Red

The first game of the season was a solid performance for Scots Silver. They established a strong defensive zone early on and as a result produced numerous turnovers. It was a pleasing first effort by the girls who are beginning to put into place our offence and defence as a team. We have still many areas for improvement including our transition play. Thank you to Mrs Woods and Bethany Hackfath for assisting with the bench.

Score: a 22-10 win for Scots Silver!

Best performances: Jessica Morrison, Elyse Owens, Georgina Simcock

The Scots Junior School Basketball Report Scots Blue

On Wednesday our team met at the Basketball Stadium for our first grading session. It was so much fun, and we have so much to learn! We had a training session the next day and worked on ball handling, dribbling and goal shooting. Next Wednesday we will have our next grading session.
