From the Headmaster...

I wish to acknowledge the tremendous achievement of the **First XI Cricket Team in making the final of the ISA Cricket Competition**. They travelled to Bowral on Saturday to take on Chevalier College in what turned out to be a very keenly contested match. Unfortunately, they went down to the leading side all season but bowled and fielded exceptionally well. I would like to commend them on their achievement and the way they played the match. The opposition coach commented to me on their sportsmanship and the positive manner in which they play the game on the basis of the three times we played each other this season. Such an approach is something we expect of our students but it is especially pleasing when it is commented on by your opposition.

I wish to acknowledge the leadership of the First XI Captain, Jack Ogilvy, and the Year 12 students who have given so much to Cricket in their time at the School. There are some excellent young cricketers coming through the school and this is promising for the future. I also wish to thank Mr Adams and Mr Maher for their commitment this season and the extraordinary commitment required of them this weekend with the annual fixture against the Old Boys on Sunday.

The Old Boys Cricket Match is always a very hard match with the Old Boys presenting a very strong team every year and winning this match on almost every occasion. The First XI did their best to chase down a big total and never gave up. Old Boys Captain, Greg Radford, and other players were impressed with their attitude and never say die approach. Mrs Betty Ives, Headmaster's Secretary and School Archivist from 1963-1991 and now esteemed visitor to the School, was present for most of the match to catch up with Old Boys and their families she knew so well and to present the Wiburd Shield to Old Boys Captain Greg Radford at the end. I was also able to speak about the contribution of Mr Jamie Saba who played in this fixture for many years and sadly passed away shortly after last year's match. The Jamie Saba Cup was on display for all the Old Boys to see and was first presented to the Best Junior Cricketer at last year's Speech Day with John Mair (Year 10(pictured)), who played in yesterday's match, the first recipient.

Yesterday also saw the very first **Old Girls' Netball fixture** which I hope will become a regular match on the same day each year. The students enjoyed a very keenly contested match to win by a small margin. Thank you to Tess McPhee (2008) who organised the girls; it is hoped that this fixture can grow with the Old Girls presenting two teams in future to enable a round robin event.

The Highland Gathering is on next Sunday. This is a very important event on the School calendar and is the perfect opportunity to invite extended family and friends to see the school in action. It begins with the Ceilidh from 5-8pm on Saturday evening with a relaxed social evening of music with the Pipes and Drums. The Old Boys and Girls Association are also promoting the event as a 'Back to Scots' occasion with a meeting tent. If you are an Old Boy or Girl please make an effort to support this aspect too.

The Highland Gathering itself on Sunday is a great day where parents, students and staff work together as a community to promote all that is good about our school and to raise funds to be used by the P & F. This is a very important community event and one that showcases our school in an extraordinary light. I wish to thank the Highland Gathering Committee under the leadership of Mr Ross Andrew and all the helpers who make this day a reality. If you are not involved, please follow the calls for assistance in The Highlander and give a few hours of your time as well as supporting the event with family and friends in attendance.

Chieftain for this year's Highland Gathering is Mr Tim Hector. Mr Hector's history with The Scots School Bathurst is longstanding and, along with his involvement with the Pipes and Drums, makes him worthy choice for Chieftain of our Highland Gathering. Please see Page 6 of this Highlander.

*Have a good week.

From the Deputy Head . . .

Highland Gathering

This is a very important occasion in the life of the school. Attendance for all students (K-12) is compulsory, with a rostered duty for each student in the Senior School. Students should wear full school sports uniform or full town leave uniform.

Parent/Teacher Interviews

Parent/Teacher interviews for Years 7 and 12 are scheduled for Friday, 22nd March from 3:30 pm. Students should make appointments with their classroom teachers, using the appointment sheets which will be distributed to students on Tuesday this week. These appointment sheets are collected and photocopied on Thursday, 21st March and returned to students.

The Year 12 Information Session will take place in Room 25 at 6:00 pm.

Year 7 Camp

My best wishes to the Year 7 students, accompanying staff members and Year 11 student leaders on their camp this week. I thank Mr Hayward for his coordination of this excellent programme.

1st XI Cricket

Jock Sinclair coming off the field after the Old Boys match on Sunday.

Thank you to Mr Adams, Mr Maher and the 1st XI Cricket Team for an extraordinary contribution last weekend. To reach the finals of the ISA competition is indeed a stellar achievement and to back up with a creditable performance in the Old Boys' match makes me very proud. The staff involved this year have provided passionate leadership and excellent character mentoring.

Deputy Head/Director of Teaching & Learning

To Ponder . . .

Whoever walks in integrity walks securely, but he who makes his ways crooked will be found out.

... Proverbs 10:9(ESV)

I've been told by people in industry that eventually word gets out. To act with integrity may seem foolish, yes there will be dollars lost in the short term, but eventually a consistent and deliberate policy of integrity pays off. People find out... they just do.

2013 Chieftain of The Scots School Highland Gathering -- Mr Tim Hector

I wish to announce that **Mr Tim Hector will be the Chieftain for the 2013 Highland Gathering.** Tim Hector was the first day boy, at 6 years of age, enrolled in 1942 at The Scots College Bathurst Branch School. He started school on day 1 of the commencement of the School in Bathurst. He was also the first day boy enrolled in 1946 when The Scots School Bathurst was founded.

While at the school, he was always very involved in all activities of the school. Apart from his academic studies he represented the school in Cricket, Rugby, Tennis and Athletics. He was also a member of the School Cadet Unit in 1949 and 1950. He left Scots Bathurst at the end of 1950 and completed his education as a boarder at The Scots College Bellevue Hill, in 1954. He undertook his total schooleducation as a Scots boy!

After Tim Hector completed his education he returned to The Scots School in 1956 to assist in the formation of the Pipe Band. He did this with his good friend from The Scots College, Mr Hedley Taylor. They did this in conjunction with the School Headmaster of the day, Mr Allan Mitchell, the School Council and the P and F Association. After its formation, the Pipe Band was an integral part of the School's large Cadet Unit. For the first 20 months of the Band's existence Tim Hector acted as Drum Major, as well as instructing members of the Band in Drill, and Tenor Drum/ Bass drum usage. Together with his father, Tim also sponsored the first full time Pipe Band Instructor, Mr. Bill Durham, and his wife Cathy, to come from Scotland to Bathurst as part of the Bring out a Briton Scheme in 1958. The Band has gone from strength to strength since that time.

After leaving School Tim played representative cricket in the Bathurst district until 1979. He, also represented combined Western Districts and other Country teams. A real highlight was representing NSW Country against the touring MCC Cricket Team in 1964. He was also a senior Rugby referee in Western NSW from 1954 until 1975 and refereed some high profile matches between Western NSW and touring All Blacks and Fijian touring teams and served for many years in the NSW Country Referees' Association.

Tim Hector's son Andrew also attended The Scots School from 1981-1986 and was Vice-Captain in his last year. During this time Tim Hector was a tremendous contributor to the school including such significant projects as the design and construction of the school's Brick Entrance Gates.

Tim Hector has been involved in numerous local, State and Australian business and sporting events for many years. This includes being appointed in 2000 as the Local Volunteer Co-ordinator for the Sydney 2000 Olympic Torch Relay. He has been presented with many awards for his services to business and the wider community including being awarded the Australian Sports Medal in 2000 for his long term involvement at senior level in Cricket and Rugby Union Refereeing throughout NSW.

It is a real honour for me as the Headmaster to welcome Mr Tim Hector, a most distinguished Old Boy, original student and long term friend of the School as the Chieftain for the 2013 Highland Gathering.

HIGHLAND GATHERING

“GUESSING COMPETITION” TICKETS

As you know boarder parents have had a
“Guessing Competition” over the last few
years where great prizes have been offered as
the HG is the boarder parents’ major
fundraiser for the boarding houses and this
year is no different.

We have 3 great prizes on offer including
accommodation with breakfast for two at
Rydges Mount Panorama.

If you or your family and friends are overseas, interstate, too sick to travel or unable to make the Highland Gathering day for whatever reason, but you know they would still like to buy some tickets so that you or your friends don’t miss out on this opportunity, we now have these available for purchase prior to the 17th March.

Its just \$2 a ticket or 3 for \$5

This is also eligible for Lithgow School Parents, family and friends

Please contact Karen Quant on 0414 376 047 or email karen@sacredclearings.com.au and I can send some tickets out to you or you can get some ticket books from Henry Quant (Year 10 / Boarding). Just please give the stubs back to me prior to the day or on the morning of the HG, with money collected so they can be included in the draw

This is one of the great prizes in the Guessing Competition.

Junior School News

Congratulations

To Lana Eastment and Amber Rosin who are competing at the Evans Crown Equestrian event today.

To Kirrilee Scott for steadiness at assembly and Kindergarten for winning the class cup this week.

To Kindergarten and Stage 1 students who were presented with their first merit certificate for the year at assembly on Friday.

HICES Swimming Carnival

Congratulations to the HICES Swimming team who were successful in winning the percentages shield at Homebush on Thursday. Mrs Inglis reports that our children competed with enthusiasm, excellent sportsmanship and were well behaved throughout. It was a huge day with the bus leaving school at 5am to be there to warm up at 8:30am. Thank you to Mrs Inglis who managed the team, Lucy and Izzy our GAP students who acted in official positions and of course to our fantastic band of supporters. The level of competition is very high at HICES with approximately 14 schools from Sydney, Central Coast and Central West. Jake Cranston and Andrew Knox gained first and second place ribbons in several events which places them in a strong position to be selected to represent HICES at the Combined Independent Schools Carnival. These teams will be announced in the near future.

Speeches

Chelsea Pryce, Siritha Atluri, Nate Lee, Alex Augustin and Gabrielle Morrison who presented their speeches at assembly on Friday. We learnt about what's in a healthy lunch box, groups we belong to, our extraordinary senses and conforming to peer pressure. Without exception the children spoke with confidence and poise and entertained their audience with original content, humour and expression. We look forward to hearing some more speeches at assembly next week.

Highland Gathering

We are looking forward to our annual Highland Gathering on Sunday when the school comes alive with pipe bands, rides, stalls, equestrian events and loads of food to tempt! The children in Pre K to Year 6 have made planted items for purchase by parents and they can be found beside the garden stall. Children should wear their sports uniform with House T shirt.

Information Session

Our Kindergarten for 2014 information session was held on Wednesday evening in the Performing Arts Centre. Parents were given an outline of the educational and co curricular opportunities offered at the Scots School. It was wonderful to meet with prospective and current Pre Kindergarten parents and share what we believe is unique about Scots.

Fresh Fruit Friday

Thank you to the mums who organised platters of fruit and vegetables for us to enjoy at recess on Friday. This has been a great initiative by the Friends of Junior School and has been extended upon with the implementation of the Crunch and Sip program. Thank you to Mrs Inglis for registering our school and writing our policy to enable us to receive a \$400 grant and a plaque recognising our commitment to eating fresh fruit and vegetables and drinking lots of water.

Pre-Kindergarten Highlander – Week 7

Learning Program- This week we will be looking at the letter 'i'. The students will use a combination of Jolly Phonics and other learning programs to learn this sound for the week. Our rhyme this week is 'itchy insects i, i, i' and for Jolly Phonics we see lots of Inky mouse. For craft you can expect to see; igloos, insects, Indians, islands and lots more.

Highland Gathering- This Sunday The Scots School will host the annual Highland Gathering. Pre-Kindergarten have been busy making amazing Pet Rocks and decorating Pots to buy on the day. This is a great day out and we encourage all of our families and friends to come and enjoy all that is on offer on the day. Our Pre-Kindergarten and Junior School Stall will be located near the Garden Stall.

Easter Egg Guessing Competition- In the lead up to our infants Easter Hat Parade we will be having a Easter Egg Guessing Competition. The basket will be located in the Pre-Kindergarten classroom on the sing-in table. Each guess is 50 cents and the lucky winner will be announced at the Hat Parade!

Book Club- Our Term 1 Book Club catalogue has now been sent home. This is a wonderful opportunity to choose from a great selection of books and activities at a reasonable price. We would love our families to become involved in this exciting reading program. All orders must be returned by **Thursday, 14th March**.

Upcoming Events-

- Sunday 17th March- Highland Gathering
- Wednesday 27th March- Easter Hat Parade

Lithgow Pre-Kinder News

Pre-K News-Weeks 7 & 8

My goodness, we are half way through our first term ! I cannot believe how quickly it has gone. The students have all settled in tremendously well, and we are learning and laughing so much everyday. I hope they are telling you all about whats going on.

Ambulance Station Visit -After our weekly library morning, the lucky Monday class was invited to visit the Ambulance Station. We were greeted by Guy and Kelly who started our tour of the facilities, and then they had to rush off for an Emergency (which is what they do!). Matt took over our tour until Suzy (or Archies mum) could get to the station, where she continued the tour including letting us climb into the back and front of an ambulance!

We soon realised how much equipment is needed to keep people safe and how loud the siren is. We had a terrific visit and we thank all the Officers very much indeed.

Sounds Program

This week we will be looking at the letter I i, and our song is I tchy I nsects i, I ,i. Look out for them in the room. In week 8 we will be revising the 5 letters we have already done- a,m,s,t and i. The children will be bringing home extra artworks to decorate homes. Please keep talking about where we can find these letters all around our town. This is an excellent way to keep them fresh in your childs mind, (and busy when shopping!!!)Also, have we all been practising with our pegs??? Strengthening fine motor muscles helps promote skills and control.

Teddy Visits

Over the next couple of weeks all the Pre-K children will be 'Adopting a Teddy. Please read the notes sent home in regards to these visits. The more you involve them into your home routines the fuller the experiences will be for all. It should be good fun, and the diary will be a great way to reflect on "happenings" throughout the year.

Book Club

New book club out now-all orders and money due back to teachers by 14th March please.

Dates to set Aside-

Harmony Day Luncheon

Notes for this luncheon to be held on Thursday 21st March from 12.30pm are out this week. All Thursday families are invited to join us for lunch- wear something orange and bring a plate (to share) that reflects your family and its heritage. This great event lasts around an hour and we would love to see you all there-mums, dads, nans, pops aunties and all. If you see/have anything orange that we could use or decorate the room with we would appreciate their donation. (Plates, cups napkins, table cloths etc) children are encouraged to wear anything orange on the day too. Thank you.

Easter Hat Parade

All families are invited to join us on Wednesday 27th March for our annual Easter Hat parade and BBQ lunch. We are making our hats at school and will be singing a few little songs to keep you entertained. All families are invited to join us for this day from 12. Noon.

After the parade and lunch families are to leave and 'Wednesday kids can leave with families if they choose, or stay with staff until 2.30-3pm as normal. All BBQ orders need to be pre-ordered and paid for by the closing date so we can correctly cater for numbers. More information will be out with a separate note soon.

Helpers for both these events are needed. Please see me if you can donate some time to help out.

Ice Cream Day

Wednesday 13th March is ice cream day. All Wednesday children will be given an ice cream unless otherwise specified by parents. They are asked to bring 50 cents on this day to help cover costs of buying ingredients.

Easter Break

Please note that the school will be closed on the following dates-

Thursday 28th MarchFriday 29th MarchMonday 1st AprilTuesday 2nd April

Classes will resume on Wednesday 3rd April

Our last class day for this term is on Friday 12th April.

Church Service

Monday 8th April

All Monday families are invited to join us from 9.30am for our Term Church Service at the Bowenfels Presbyterian Church. (This is on the highway past Inzitaris service station), the children sing a few songs, we have a short service and then are invited for morning tea. The children return to school around 11am.

Secondary School Sports Bulletin Week 7 Term 1

1st XI Cricket Final

The 1st XI travelled to Chevalier College early Saturday morning to play in the ISA Division 3 cricket final. This is the first time that our 1st XI has made the final since 2005. The boys were ordered to field first after losing the toss. Our bowlers bowled very accurately and without luck in the first session limiting Chevalier to less than 2 runs per over. We then took wickets consistently during the second and third sessions and dismissed Chev for 101. Iori Hashida, Michael Hubbard and John Mair all took 3 wickets and Patrick Harris took 1. Our fielding was at its best for the season with two good catches made by Jonty Boshier and fantastic wicket keeping by our team captain Jack Ogilvy.

After the lunch break our team struggled to get any rhythm with their innings losing top order wickets cheaply as each batsman struggled to hit the ball through the lush outfield. John Mair looked good and hit two boundaries (double the total for Chev!) before running himself out after a misfield. Another good knock from Iori Hashida (23 runs) in partnership with Jack Bird provided hope until another run out (Bird) and the dismissal of Hashida exposed out tail who fell soon after with our total on 67 runs.

Overall, this season has been a great success and very enjoyable. In all honesty our boys improved as individuals and as a team with each match and almost won the competition. My congratulations are extended to each member of the 1st XI squad for making the final. I thank them for making the season very fun and worthwhile. We wish to thank the parents and Headmaster Mr Gates who travelled down to support the team in the final and also thank them for their support throughout the entire season.

Our team have been great ambassadors for our school and each boy has been a pleasure to coach. The future also looks very promising for Scots cricket with a great legacy left by the terrific role modelling of our Year 12 boys. I would also like to thank Mr Maher for his role as the team manager, scorer and bus driver. Mr. Adams (1st XI coach)

Old Boys Cricket and Old Girls Netball

On Sunday the traditional Old Boys Cricket match and the Inaugural Old Girls Netball match were played at the school. It was another brilliant day (we have not had a wet one in 8 years) with good representation from our past students.

In a brief review of the matches the Old Boys batted first and set a very large score from their 40 overs. In reply the 1st XI scored 160 runs falling well short. In the netball, the match was played in great spirit and was closely contested with the Scots team beating the Old Girls by four goals. A more comprehensive report of both matches will follow. We wish to thank the supporters on the day and in particular our staff, Mr Maher

Winter Sport training transition

As we draw to the end of the summer sport season the transition to winter sport training will commence. We do however have to be mindful of the basketball teams who may still have finals in the later weeks of the term. The procedure will be as follows:-

Week 7 Tuesday the 12th of March will be **Summer sport photos** (playing uniforms required) followed by basketball team training, Thursday the 14th of March will be rugby, netball and soccer training only.

Week 8 - Tuesday the 19th of March will be the first Winter sports training session for all sports and activities. Thursday the 21st of March will be basketball training for teams in the finals and winter sport training for netball, rugby, and soccer for students not playing basketball.

Week 9 – Tuesday the 26th of March – Winter sports training for all sports and activities.

Weeks 10 and 11 will be Winter sports training for all students.

Under 15 cricket report

Once again the Under 15's faced a huge challenge playing an Open age Stannies team in their penultimate match for the season. Batting first in a match reduces to 24 overs a side due to a washout in week one, we managed to score 9 for 111. Valuable contributions were made by Luke Newman and Sam Pateman. Sam top scored with 27 not out.

In reply Stannies "bludgeoned" their way past our total, with a very aggressive and carefree approach. Despite the onslaught our bowlers stuck to the task well.....it is difficult to bowl when good length balls are being dispatched to the mid wicket boundary (or over it!!!!) Lachie Marshall captured 2 early wickets and Matt Cheon was ecstatic with his first ever wicket!

In his first full match for the school Tristan Baker had the rare feat of hitting the first ball he faced for 4, then capturing a wicket with his first ball. Well done, Tristan.

Scots 13s Cricket -Game v Blayney at Blayney TSS 6/123 (25), Blayney5/153 (25)

After week one was rained out we faced Blayney in Blayney for a one day game. Heavy dew in the morning counteracted the very short boundary on one side of the field. Blayney sent us in to bat; Hamish A maintains his record as captain of not having won a toss so far! Wes and Aiden opened the batting and got away to a good start. Aiden followed up his fifty last game with a lovely 48 including a six on the short boundary. There was a vicious rumour floating around about a new bat . . . Although Aiden was the main run scorer some of the other boys showed how far their batting has come this season with Jack M, Luke I (13 n.o.) and John O (6 n.o.) showing good resistance and batting out our overs when it looked like a collapse was going to skittle us. Jack M had a great day making his highest score with the bat (5), taking a good catch at mid-wicket and a wicket from his loopy leg spinners.

We had set Blayney a reasonable total in the 25 and although they got off to a quick start (37 from 4) we pegged them back with good bowling, catching and fielding. Ollie S (4.0.1.11) and Wes (3.1.2.14) bowled really well backed up by Hamish in his second spell as well as Ed, Luke, Jack, John and Zane. With two overs to go the game was tight, they needed eight to

BASKETBALL ...

The Scots Junior School Basket Ball Report

All team members really worked hard during this game. The object was to try and put into practice some of the drills that we had worked on during training. It was evident throughout the game just how improved we are as a team.

We enjoyed the game and came away with a win.

Scots Gold v. Glitterbugs

The girls were keen to keep their season on track and had another strong game this week. Maddi Hohnberg returned to give us another option in our offence. Mollie Harley, Ellie Fricker and Laura Wright continue to provide us with strong rebounds. Lucy Blackmore again played well both in offence and defence. Brooke Andrew and Alyssa Weekes worked well together putting pressure on our opponents. Overall, the team played well together, communication is getting better between the girls as is their passing and their understanding of the need to play in their position.

A 23-9 Win. Best Players for this match: Lucy Blackmore and Maddison Hohnberg
Ms R. Hughes (Coach)

Scots Silver v. ASC Gold

After not having played for three weeks the girls found it difficult to get going. Although having possession often we found it difficult to score and were too stationary in our offence. Jessica Morrison, Elyse Owens and Georgina Simcock tried to break our opponents defence but it was just too tight for us, resulting in us coughing up the ball. The girls, to their credit, kept trying under very difficult circumstances.

A 26-7 loss.

Best performances: Elyse Owens, Georgina Simcock, Jessica Morrison
Ms R. Hughes
