To Ponder . . .

One last Proverb on our words before we move onto the topic of wealth and generosity,

*When words are many, transgression is not lacking,
but whoever restrains his lips is prudent. ... Proverb 10:19(ESV)*

This restraint is not an absence of words it is an absence of words spoken thoughtlessly. So of my words I will endeavour to ask, "Will it build?" if not,

Is it True?

Is it Necessary?

Is it Kind?

(Miscellaneous Poems, M A. Pietzker, 1872)

K-12 CHAPEL SERVICE -- SUNDAY, 26th May **The King of Creation!**

On Sunday the 26th of May, 9:30-10:45am, our school community is having a K12 Family Chapel Service and morning tea as part of the Parent Weekend. It will be a showcase of our regular Chapel Services each Thursday with a little extra! Because this service involves all of the Junior students the talk will be modified and the Junior students will be leading two songs... If (K6) students would please arrive 15min early in full school uniform and sit together up the front I would really appreciate it!

From the Headmaster . . .

The Dubbo Boarding Expo was a tremendous event over the two days of 17 & 18 May. Gina and I were kept incredibly busy for all of the two days talking to families looking at The Scots School for next year and 2015 especially. Last week I asked the school community to assist by recommending us to people you knew. Thank you for your assistance with this because many families had very clear links to some of our current families and were able to reflect on what they had been told.

I encourage all families to continue to recommend our wonderful school by encouraging families looking for a school with strong community, excellent pastoral care and diverse opportunities to consider us. Families should be encouraged to contact Gina Jessett (gjessett@scots.nsw.edu.au) to arrange a visit to the school or to visit our stand at the Mudgee Field Days (12 & 13 July) or the next Boarding Expo at Tamworth (26 & 27 July) or The Scots School Open Day (24 August). Our enrolments for Kindergarten and Year 7 are very strong for next year which is incredibly encouraging and a strong endorsement of the work of our staff at Scots.

A few of our students had the opportunity of meeting **Her Excellency, Mrs Quentin Bryce, The Governor General of The Commonwealth of Australia** during her visit to Bathurst this week. Jonty Boshier (Year 11) welcomed her and presented her with flowers in his role as Mayor of Bathurst City Youth Council. Sophie Ireland (Year 11) is also on the Youth Council and was able to meet her at the Civic Reception too. The Governor General also attended the Bathurst Business Chamber on Tuesday night and spoke for a few minutes to the Headmaster. She was very interested to hear about The Scots School and reflected on her own time in boarding school in Queensland as a 'girl from the bush'. She said that there were ninety boarders at her boarding school and she could remember them all because of the size of the school and the strong sense of community. She was also interested to ask about our Pipes and Drums.

Her Excellency, The Governor General, Quentin Bryce is presented flowers by the Mayor of the Bathurst Youth Council Jonty Boshier (TSS-Year 11)

This weekend is the **Parent Weekend** for this term. Parent Weekends provide an excellent opportunity for the whole community to come together to celebrate who we are as a school. I encourage all parents to make an extra effort to watch your children play sport and to meet other parents who you may not know. On Saturday night the elective Music students are putting on a concert which is always a good night.

The Term Two **Parent Weekend Chapel Service** particularly focuses on the fact that we are a K-12 School. I want to reinforce the importance of such events as the Chapel Service, which is a compulsory event for all students, Kindergarten to Year 12, and ask that all parents of the School make it a high priority. Of course, on occasions, there may be an unavoidable clash. At these times, please apply for leave to the Headmaster via email with a clear explanation by the Wednesday before.

Please remember that a School of high quality needs to have a strong sense of community and that only occurs through strong commitment to all aspects of the school mission. Boarding parents are strongly encouraged to attend the Boarders' P & F at 4pm on Saturday in the Lamrock Performing Arts Centre. The main P & F will meet on the following Wednesday at 5.30pm in the School Library.

Have a good week.

Scary Scaling: Scaling in the HSC Parenting Information Night with the Board of Studies and UAC

Have you heard the following statements from your Year 10, Year 11 or Year 12?

“I’ve chosen that subject because it’s scaled up.”

“I’d really like to do subject A, but I’ve chosen subject B because the teacher told me it scales better.”

My ATAR is disappointing. If only I’d realized that most of my subjects were scale down,
I would have chosen different subjects.”

“I won’t do that subject, because it is scaled down.”

The NSW Parents’ Council and Orange Anglican Grammar School invite you to an information evening about scaling in the HSC and how your ATAR is calculated to dispel some of these myths! Carol Taylor, Chief Executive, Board of Studies NSW and George Cooney from UAC will be enlightening parents and students.

Mrs D Garland

From the Deputy Head . . .

Mrs Fleming is away today but would like all students and parents to be aware of the K-12 Chapel Service on Sunday, 26th May which is a **compulsory attendance activity for Scots.**

I wish to remind all Scots School families of the upcoming Parent Weekend - Friday, 24th May through Sunday, 26th May. Sunday Chapel will be a K-12 compulsory chapel service. In the unlikely event that there are unique and extraordinary reasons for a student seeking leave from chapel, a reminder is issued that leave must be sought from the Headmaster, in writing, prior to the event.

PUBLIC SPEAKING

The other week the school hosted the Regional Finals of the Sydney Morning Herald Plain Speaking competition. Our school was represented by Lucy Blackmore and Jonty Boshier. Both speakers spoke very well in a theme of media influence.

I am pleased to announce that Jonty Boshier was the winner on the day and he will now go on to compete in the state finals in Sydney.

Thanks goes to the students that helped in the administration of the competition by taking on the role of Chairperson, Time Keeper, ushers and audience.

Assembly

Congratulations to Lana Eastment for winning Scotty this week and to Years 3 and 5 for winning the class cup for the way in which they approached the NAPLAN tests this week.

Andrew Knox shared his 'destruction of the rainforest' animation with us, showing outstanding IT skills in producing such a creative and engaging piece of work.

NAPLAN

Testing in Language Conventions, Writing, Reading and Numeracy were conducted across the school this week in Years 3, 5, 7 and 9. Our students are to be commended for their efforts throughout the test period. Results will be sent to the school in October.

Jolly Phonics

Our entire Pre Kindergarten and Junior School staff have now completed their initial training in Jolly Phonics and Jolly Spelling and Grammar. It is an exciting program and we are looking forward to continuing its implementation in Pre K and the Junior School. It is a multi sensory approach to firstly learning the sounds for Reading and then moving into Spelling and Grammar required in Writing.

WAS Cross Country

We are looking forward to hosting the WAS Cross Country on Wednesday with visitors coming from All Saints, Blue Mountains Grammar School, Kinross and Orange Anglican. The course has been marked out and the children have had several training runs to familiarise themselves with it and work on their endurance. We will need as many helpers as possible for WAS and HICES so if you can assist it is not too late to volunteer. The Friends of the Junior School will be running the canteen on both days which will be a great fundraising opportunity. The HICES Carnival will be held at Scots on Thursday 30th May.

CWA Public Speaking /HICES Debating

We wish our school representatives well at Kinross on Tuesday as they compete in the CWA Public Speaking Competition. Cooper Johnson, Jack Kiernan, Evan Smith and Andrew Knox all delivered fantastic speeches at school to gain selection and we are very proud of their achievements.

Good luck also to the students in Stage 3 who are debating against Kinross on Tuesday. Andrew Knox, Gabrielle Morrison, Gabby Boshier and Elizabeth Woodhouse comprise the Scots team and they will be arguing that electronic games should not be banned for children.

Jump Rope for Heart

We will be receiving a visit from a representative from Jump Rope for Heart on Monday 27th May to demonstrate some skipping moves and tell us more about the Heart Foundation. This visit will get us started on our skipping program leading up the Jump Off on the last day of the term. Thank you to Mrs Milligan for organising the visit.

The School disco will be held in the Aikman Hall on Thursday 6th June. More details will be published shortly however the theme for the night is 'Flouro.'

Pre-Kindergarten Highlander Week 4

Learning Program- This week the students will be learning the 'h' sound. For morning craft you can expect to see some; hearts, houses, horses, hens, hands and lots more.

We have started making our Scarecrow to watch over our Vegetable garden along with planting some broad beans and rosemary brought in by Gabby in the gold class.

Backyard Photos- It has been great to see that some children have brought in their photo/s of themselves in playing in their backyards. We are hoping to make a display and use these as a topic for the children's news. We will continue to collect these over the coming weeks, so please send them into your child's teacher.

Town Library Visit- This Thursday the Gold class will have their visit to the Bathurst City Library for our "Story Time" session for Term Two. Travel will be via the Scots School bus. We will leave at 10.45am and return just after midday.

University Student- This will be the final week of teaching and learning for our Prac student Jennifer Arnold. We have loved having her in Pre-Kindergarten over the last three weeks. The children have enjoyed her learning experiences, songs, games and construction activities.

Cold Weather- Children are advised to bring coats and beanies for the cold days playing outside. These can be any colour and need to be clearly labeled with a name.

Secondary School Sports Bulletin Week 4 Term 2

Cool Weather and Sports Uniform

All students are reminded of the correct sports uniform to wear during cold weather to sports fixtures on weekends and representative occasions whether they are players or spectators. That is the Scots school sports tracksuit which includes the tracksuit top and pants. If you are still cold, we encourage you to wear layers of clothing underneath. Too many students are wearing alternate track pants, black tights and various tops which are not sanctioned uniform items. Students in future will be asked to remove non uniform items or remove themselves from the sideline. The alternative uniform is full town leave uniform including blazer.

Radio 2BS

We encourage everyone to tune into radio 2BS (1503AM) each Saturday morning from about 7.35am for the Junior Sport Report. Robbie Hayward, Jonty Boshier and Stephanie Ferguson will be sharing the responsibilities this term so tune in and give them your support.

Sports Taping courses in Bathurst

Sports taping is an important skill for coaches, trainers, teachers, parents and players involved in sport. Correct sports taping can help prevent injury and also help with injury rehabilitation. Level 1 covers beginner technical and practical advice of taping including wrists, ankles, fingers and thumbs. Level 2 covers advanced techniques for the shoulder, elbow, wrist, Achilles tendon, knee, shin and soft tissue techniques - hamstrings and quadriceps.

Participants receive a certificate of attainment upon successful completion of the course. Call Sport and Recreation on 6362 6623 for more info or visit www.dsr.nsw.gov.au

1st XV -- TSS 22 Oxley 27

Scores made by: Conversions to J. Sinclair. Tries to P. Deacon, T. James and A. Fisher.

Despite the final outcome our boys put in a sterling effort against a very well drilled Oxley team. Unfortunately, again this week we put ourselves under pressure by allowing Oxley to score first then again until half time when we were down but not out though the first half was clearly Oxley's.

The second half was a different story. Our boys were determined not to let our supporters or themselves down. It wasn't long into the second half when we managed to cross the line and score. This lifted the boys who were over again not long after. A field goal by Lachlan Conyers saw us take the lead with about 10 minutes to go. Unfortunately, an injury stopped the game for about 20 minutes and after the restart Oxley was in for a try and a penalty on full time to Oxley saw the final score go Oxley's way.

Our boys played a fantastic game and both Bill and I are very proud of what they achieved. Well done.

TSS 67 VS OXLEY 7

A strong performance over the weekend by all of the boys led to a decisive win against Oxley College. Refinements to our play during training this week helped the boys maintain their composure, structure and commitment at the ruck. Both the forwards and backs were outstanding in attack and defense. We started the game on the back of our win last week and we wanted to keep the momentum. Oliver Simpson scored early on to give us the lead (3 tries) and Pat Harris scored not long after with some strong passing and running by our backline. Oliver then scored his second on an outstanding individual run. Jason Corliss and Billy Walsh both scored tries from our backline with some excellent support play and passing out wide. We led at the half 31 to nil. Some forwards who were outstanding during the first half as included Wesley Standfield, Aidan Telsfer and Jack Morrison. Ryan Gordon continues to improve after coming off injury with some excellent runs from Number 8.

In the second half our backline continued to dominate with strong support from our forwards. We maintained a varied attack with our forwards dominating at the ruck and our backline quickly getting excellent ball from our halves combination of Joshua Woods and Andrew Owens. In the second half Zane Rowlandson scored two tries from outside centre, Hamish Andrews ran in another stellar try from the breakdown. Pat Harris, Andrew Owens and Oliver Simpson rounding out the scoring.

We performed extremely well and look forward to playing SSC this week. The boys continue to impress and improve from week to week. Well done boys.

Notable performances Jack Morrison and John Oh.

Points:

Oliver Simpson 3 tries

Zane Rowlandson 2 tries

Pat Harris 2 tries

Andrew Owens 1 try and 6 conversions

Hamish Andrews 1 try

Jason Corliss 1 try

Billy Walsh 1 try.

TSS 5 Oxley 45

Scores made by: Nathaniel Couchman

Another hard day at the office. It is pleasing to see an incremental developmet in individuals and the team towards becoming rugby players and thinking like a team.

Outstanding effort by Nathaniel Couchman and Sam Barton both in attack and defence. A big effort by Ed Simcock making some charging runs.

Coach G. Hayward

U15's TSS Rugby Date:

Best Players/Performances: Zach Telfser, Lachlan Marshall, Hikari Hashida.

Oxley forfeited due to lack of numbers. Scots lent Oxley 5 players so a trial match could proceed. Scots lacked focus early on and did not show Oxley the respect they deserved and the only reason they did not score more points was the excellence defensive effort from Zach Telfser in the back line. A very poor game in terms of our preparation for next weeks' game vs Stannies. Unfortunately we will be without Josh DeBoos for some time who dislocated his shoulder during the game. A special thank you to Josh, Tristan, Sean, Luke, Will and James who agreed played for Oxley.

Thanks to Mrs Louise Fisher for photos of the 1st XV this week.

Scots Cuddly Cubs v Superstars Bluebirds

On Saturday the Cuddly Cubs played the Bluebirds in Round Three of Netta. Despite the colder weather and the much older and taller opposition, the girls tried their best. Chelsea, Jessica, Tilly and Evie worked very hard in defence during the game. Lily did a great job looking for the best spot to position herself on the goal circle, so that she was able to assist her team. All of the girls are gaining confidence and improving their skills every week.

Player of the week went to Jessica for her huge effort in defence in the first half.

Scots Cubs v Bulldogs Beauties 0:5 (loss)

The Cubs played a good game on Saturday. The ball moved quickly up and down the court throughout the game. We had a strong defence from Kirilee, Sarah and Jorja, who prevented many of the Bulldogs' potential goals. The girls had a number of attempts at goals. We are getting really good at looking for gaps and breaking away from the crowd.

Player of the week - Kirilee for a great job in defence.

Mrs Sarah Milligan

TSS 16's

This week's game saw a huge improvement in all the girls' skills and efforts. Bell and Brittany played well in defence attaining the majority of the rebounds. Meredith, Emily and Nat all got some fantastic rebounds winning the ball back many times. Issy Ham played for us scoring countless goals and we ended up with a win of 71-14! Hopefully this win will give the girls increased confidence in weeks to come.

Mrs Simcock

TSS 1st VII Netball

On Saturday the first VII came up against much the Collegians Zirconias, a much older and tougher competition. All the girls gave it their all for the whole four quarters although the experience and skill of the opposition meant that unfortunately we had our first loss of the season.

Laura Wright

Scots 16's Vs Eglinton Scoundrels

On 16 May Scots 16's versed the Eglinton Scoundrels. Scots defence was great and so was our attack. The team worked well together in the circle. Despite our best efforts Scots didn't come away with a win with Eglinton scoring 21 to 9.

Player of the week is Mackenzie Passeri.

Pip Shephard

Scots Lionesses Vs Collegians Titanium

Despite a very cold morning and low numbers, the Lionesses were able to fend off a last quarter burst by Collegians to take a narrow victory. We were able to build a small lead in the first part of the match with good passing and teamwork. Isabella Retallack was dominant in Goal attack and had great accuracy shooting almost all the goals to earn the Player of the Week award. Lana Eastment had her first experience in the Under 12's and did an excellent job.

Lionesses 16 defeated Collegians 15

Mrs Kerry Robinson

Scots 3rd VII v. OOT Sunbirds

Win -- 40-14

The girls played exceptionally well as a team in both attack and defence. OOT Sunbirds had no answer to our good play and excellent shooting.

Scores made by Chelsea McKay, Alice Gates and Nastasia Reynolds.

Excellent defence displayed by Izzy, Lucy, India Toole, Nastasia Reynolds. Excellent attack and centre court play by Nicole Rowlandson and Daisy Hibbert.

Scots 0 All Saints 2

A good game with the first half remaining scoreless after strong defence by Stephanie Ferguson, Ashleigh Brooking, Tegan Brunton and Jorjia Hibbins combining well in the backs to clear the ball from All Saints' repeated attacks at goal. The second half remained scoreless until the thirteenth minute. Scots attempted a quick reply with Olivia Wary, Melissa Bateman, Julia Ross and Libby Balzke. (thank you Balzke's for the half time oranges). Two minutes to go and All Saints scored a decider – two zero down but a great performance.

Boys Day Out

On Saturday after our rugby games at home Mr. Bailey took a bus of 25 Bulkeley Boys and their fathers to see the Waratahs versus Brumbies game at ANZ Stadium in Sydney. We were looking forward to a close contest and we were not disappointed with the Waratahs narrowly winning in the final minute.

Special thanks to Stuart Ogilvy who was able to get the boys onto the playing field to see the players warming up before the game. They were also able to meet Michael Checker the coach of the Waratahs prior and get some inspirational advice for the season ahead.

After the game many of the boys met the players and came away with numerous items signed by the players. Sorry about those school polos with signatures on them!

We had a fantastic night out and the boys were buzzing with excitement, so too were the dads who greatly enjoyed themselves.

On Sunday, 12 May six players and their coach celebrated Mother's Day by travelling to Newcastle for the annual WAS carnival. With a big turnover of players in the last two years the WAS team was on a "learning curve". We did not win any of our three games and it was an educative experience. I was very pleased how we overcame disruption and injury to as a team and overcome disadvantage. All players dug deep and we rose in statue in our second and third games to play strong team hockey and develop significantly their individual play. A very satisfying day from a coach and players perspective.

Scots 0 St. Pats 10

A tough game against the top of the ladder team. A sound defeat but still a cracker game from our team – particularly Kalyan Manning in goal – thankfully. Good games from Manning, Behrendt, Morrison and Baxter in particular. Competitive and prideful play – despite the score, it was an active quality game for both sides.
