To Ponder . . .

Our first proverb on wealth and generosity.

How often does a product not match its glossy picture? Let's face it; the sense of loss is relatively small. We're used to it, so used to it that we can even begin to consider dishonesty in business as normal. However,

A false balance is an abomination to the Lord, but a just weight is his delight. ...

Proverb 11:1 (ESV)

I've heard that in industry word eventually gets around. Not only does honest business bear long term dividends it pleases our good God.

... Chaplain

Scots Cuddly Cubs played very well this weekend.

Cross-Country**

From the Headmaster . . .

The Parent Weekend just concluded was a wonderful School community event where so many parents were able to catch up with other parents and enjoy sport, music, and friendship with each other along with supporting the School Christian Mission at our Chapel Service on Sunday morning. The Boarders Pot Luck Casserole Night in Thompson House was a wonderful initiative. Our Rugby teams enjoyed a great day out winning the 14s, 16s and First XV matches against St Stanislaus College and our Netball Teams continued to shine. The Elective Music night in the Lamrock Performing Arts Centre showcased some wonderful musical talent and some young performers being very brave and performing solo for the first time. Thank you to Mrs Garland for what was a very enjoyable night.

The Parent Weekend Chapel Service is a wonderful feature of our school where we all come together as a School community to give thanks and honour to God as a very significant part of the mission of our school. Only yesterday I was reading the 1973 Headmaster's Speech Day Report where he outlined the significance of this event and the message from the visiting speaker on that occasion. I wish to thank all those parents who support this occasion every time and our Chaplain, Samuel Gittins, for preparing a service and message to reach across a wide age range with the focus on the fact we are a Pre-Kindergarten to Year 12 School.

On Tuesday the 21 May our public speakers from Years 3 through to Year 12 went to Kinross to represent the School in the annual **Country Women's Association Public Speaking Competition**. This year saw a greater number of entries than previous years with the region's best student public speakers delivering speeches on a range of topics. As in previous years our entrants both presented and spoke well and gained recognition for the school in each age division. Thank you to those students that were prepared to enter the competition. From Years 11 & 12 we had Meredith Spence, Jonty Boshier, Robbie Hayward (second place) and Cal Behrendt (Highly Commended). From Years 9 & 10 we had Zachery Telfser (Highly Commended), Stephanie Ferguson (Highly Commended) and Luke Im. From Years 7 & 8 we were represented by Aiden Telfser (First place), Emelia Inwood (Highly Commended) and Paris Holmes.

Junior School students were also involved with Andrew Knox (Year 6) gaining second place in the Years 5/6 Public Speaking. Other representatives of the Junior School were: Cooper Johnson from Year 3, Jack Kiernan Year 4 and Evan Smith from Year 5. All students from Kindergarten to Year 12 are involved in Public Speaking every year beginning at class level and moving up through various levels until they represent the school. The success of our Public Speaking and Debating is clearly a result of this program. Our students also competed in HICES Debating this week with our highly accomplished Year 6 team of Andrew Knox, Gabrielle Boshier, Gabrielle Morrison and Elizabeth Woodhouse successful once again.

The Junior School Science Day was a day of great learning and fun with education students from CSU last week. Several lecturers and 48 Education students from CSU worked with our students in hands on Science investigation in each stage using a range of instructional and cooperative learning approaches to accommodate students of differing abilities. The CSU students prepared units of work around the new Australian curriculum which will be available to our teachers for future use in their Science Programs. The children were engaged in a range of Science group activities all day in their respective classrooms or in the playground. The Scots School is very grateful to CSU and the Education students for all their effort. Our children certainly had a wonderful day and learnt a great deal.

The 2014 Kindergarten and Pre-Kindergarten Information Night will be held at 6pm on Thursday 13 June at The Scots Junior School. I ask all parents of the school who know any families with children in this age group to make them aware of this important Information Night. Our level of inquiry for Kindergarten entry for next year is very good and we wish to build on this.

The Information evening will be held in the Pre-Kindergarten and Kindergarten Classrooms in Coerwull House. Parents will have the opportunity to meet the Junior School staff who will outline the opportunities available at The Scots School. They will be provided with information about the literacy programs *Jolly Phonics and Jolly Grammar* and given an opportunity to see how the smart boards deliver the curriculum so effectively to the children. Further to this, Mrs Jennie White (Kindergarten Teacher) will be available to answer any questions parents may have about Kindergarten. We rely on good word of mouth from our current parents and greatly appreciate the parents who regularly promote our school.

The Scots School has been given the opportunity to host some Japanese Exchange Students. The initial visit is planned over a four week period for two students in early Term 3. The students would like to experience homestay with an Australian family for this time and attend school whilst here. Mrs Donnelly is seeking expressions of interest from families that would be interested to host one of the students for four weeks. The organization arranging the exchange will pay \$150.00 per week to the homestay family to assist with expenses. It would be expected that during the exchange students' stay the host family would take the opportunity to visit an Australia attraction such as Western Plains Zoo, Jenolan Caves or the Blue Mountains and Three Sisters. The Exchange students would also like to experience and enjoy family life as it exists in the Bathurst Region.

The students interested for this exchange are 12years of age, female and would like a farm experience. Interested parents please register your interest by contacting Mrs Jenny Donnelly; jdonnelly@scots.nsw.edu.au; Ph: 02 6331 2766.

Stuart Andrews (father of Hamish Andrews, Year 9) spent Sunday after Chapel working with a group of students from Years 9 to 11 on restoring the water course below Galloway House.

The restoration of this area will prevent further erosion rehydrating the landscape which will improve the water flow, water supply and plant growth around the creek and surrounding area. The students learnt a great deal from an expert in Natural Farm Management as he explained what was happening and what to do to restore the area. The

The students then worked very hard with the assistance of John Gordon (father of Ryan Year 8) who provided his time and Excavator to move the big rocks into place to slow the water flow. This was a wonderful learning opportunity which will continue with some planting to stabilize the area and assist the restoration. Thank you to Stuart, John and all the students who worked on Sunday.

Have a good week.

David Gates

From the Deputy Head . . .

This week I wish to thank the students of the school and their parents/carers for their extraordinary commitment shown during last week's activities. In just one week the WAS Cross-Country, CWA Public Speaking, HICES Debating, Salvation Army Collection and a full examination week came and went with students fulfilling their commitments responsibly and reliably. It was also a wonderful parent weekend with the full round of sporting fixtures and cultural events on display. Thank you also for the full attendance at Chapel service yesterday.

From this week (Week 5), we can look forward to the remainder of the term's activities. Students in Years 9 and 10 should make sure that they have prepared themselves adequately for the adventure camp in Week 8. Year 12 students have a golden opportunity for a settled five weeks of assessment tasks and study.

This week I will be issuing a study programme for Year 12 students taking them through to the Trial Examinations and beyond. Year 12 students should take every opportunity this term to work on their major projects. I use this occasion to remind students and their parents/carers of the due dates of their major projects.

CWA Public Speaking

On Tuesday the 21st May our public speakers from Year 7 through to Year 12 went to Kinross to represent the School in the annual Country Women's Association Public Speaking Competition. This year saw a greater number of entries than previous years with the region's best student public speakers delivering speeches on a range of topics. As in previous years our entrants both presented and spoke well and gained recognition for the school in each age division.

Thank you to those students that were prepared to enter the competition: Meredith Spence, Jonty Boshier, Robbie Hayward (Second Place Years 11/12), Calhan Behrendt (Highly Commended Years 11/13), Zachary Telfser (Highly commended Years 9/10), Stephanie Ferguson (Highly commended Years 9/10), Luke Im, Aiden Telfser (First Place Years 7/8), Emelia Inwood (Highly Commended Years 7/8) and Paris Holmes.

Well done to all our entrants

Mr R Mottram

Junior School News . . .

Congratulations

To Andrew Knox who gained second place from 48 speakers, in the CWA Public Speaking Competition at Kinross on Tuesday. This is a significant achievement for him and continues to build the reputation of our school as leaders in this field. Andrew will speak at a regional final in Forbes next month. Our other representatives Cooper Johnson, Jack Kiernan and Evan Smith all spoke very well and are to be commended for their efforts.

To the HICES Debating team who argued convincingly that electronic games for children under 13 should not be banned, giving them a win against All Saints College.

To the helpers and participants in WAS Cross Country for a great effort in miserable conditions.

To Claire Halpin for winning Scotty this week because of her lovely assembly manners.

WAS Cross Country

Teams from Kinross, All Saints College, Orange Anglican School and Blue Mountains Grammar joined us on Wednesday for the WAS Cross Country Carnival. We managed to get all the races through even though a slight drizzle of rain persisted during the day. The Friends of Junior School provided lunch and morning tea for our guests at the canteen and many of our parents braved the weather to stand out on checkpoints enabling us to run the carnival safely. The Scots School children assisting and competing were outstanding. Thanks to all the parents and grandparents who cooked and worked on the day, this was a good practice run for the Big HICES Carnival on Thursday next week. Thanks to Mrs Weal and Mrs Inglis for their hard work leading up to and on the day, it ran very smoothly. A special mention of our maintenance team needs to be made, as their support in preparing the track and facilities was fantastic.

HICES Cross Country

On Thursday 30th May about 600 athletes from 16 schools will make their way to Bathurst for the HICES Cross Country Carnival. The forecast appears fine at this stage so we are looking forward to a great day. The back road will be closed between 10am and 3pm for the safety of the participants and visitors. The canteen will once again be operated by the Friends of Junior School who after valuable experience last year have it down to a fine art. If you can assist by cooking cakes and slices please drop them at the Junior School on Thursday morning.

CSU Science Day

Our students had a wonderful time participating in the Science activities conducted by Teacher Education students from CSU on Thursday. Our thanks to Mrs Melinda Mann, who teaches Science across K-6 at our school, for her role in organising the day. There has been a lot of excited chatter from the children and we look forward to reading Mrs Mann's full report and viewing some photos about the day.

Chapel Service

It was great to see so many families at Chapel on Sunday, with the children looking smart in their uniforms and singing enthusiastically. It is a very important part of what we do as a community at Scots and your support is appreciated.

Disco

The Friends of Junior School will be conducting their annual disco in the Aikman Hall on Thursday 6th June. The theme will be 'Flouro' which means that you need to start looking for items of clothing or accessories that will glow in the dark. Information about ticketing and details of the night will be advertised soon.

Public Speaking

Our next speech for the year will be sent home on Friday 31st may and will form the major part of Homework for week 6.

Cool Kids Crunch&Sip⁺!

Don't forget the bottle of water
and fruit or vegetables for
Crunch&Sip⁺ everyday!

Assessment Week

All children will be involved in assessments this week. We would appreciate avoiding unnecessary absence and ensuring that children are well rested and have plenty of nutritional food and fluids to optimise their concentration. Teachers will be working on the preparation of written reports to be posted to parents at the end of the term.

Bathurst Pre-Kinder News . . .

Pre-Kindergarten Highlander Week 5

Learning Program- This week the students will be learning the 'r' sound. For morning craft you can expect to see some; roses, robots, rockets, roosters, rabbits and lots more.

Our seedlings and plants are growing really well in our Vegetable garden, loving the rain that we had last week.

Backyard Photos- It has been great to see that some children have brought in photo/s of themselves in playing in their backyards. We are hoping to make a display and use these as a topic for the children's news. We will continue to collect these over the coming weeks, so please send them into your child's teacher.

Town Library Visit- The Gold class had a wonderful trip to the town library last Thursday. Our theme was 'Nursery Rhymes' for our stories, songs and craft. A special thank you to Mr Dawes and Mr Maher for helping with the bus trip to and from school. The blue will have their visit on Thursday, 20th June.

School Disco- On Thursday, 6th June Pre-K along with the Junior will be hosting a School Disco with a "Fluro" theme. It will be held in the Aikman Hall. More details will follow in the coming weeks.

Assessment Week- We will be starting to do some tasks with the children over the next two weeks in preparation for the Mid-Year reports and Parent Teacher Interviews. We will be revising our sounds from the first half of the year, some number recognition, shapes and colour work.

Musica Viva- On Wednesday, 5th June Pre-Kindergarten will be participating in a Musica Viva Concert here at school. Students from Elizabeth Chifley Pre-School will also be attending and having some time to play with our students.

Pre-K and Kindergarten Information Night- On Thursday, 13th June we will be hosting our Information sessions for parents interested in making plans for next year. Staff from both the Junior School and Pre-Kindergarten will be on hand to discuss the program and other aspects of the school throughout the evening.

Lithgow Pre-Kinder News . . .

Lithgow Pre-K News weeks 5 & 6

Brrr!! Welcome to the cold weather. I think it's telling us winter is close by. Now is a good time to start packing jackets, beanies and if you like gloves and scarves. In Pre-K we can have any colour. With the weather so changeable packing these items in case is a good idea. We do try to go outside some time each day, unless of course it's wet. Please ensure all clothing is clearly labelled with YOUR child's name.

Please also note that with the colder weather, comes the inevitable coughs and colds and germs. If your child is sick please keep them at home. When they come to school they will infect others who in turn infect others. It's a circle that we would like to help stop. Please consider others if and when your child is unwell. A message about absences would also be appreciated if possible.

Sounds Programme

This week we will be revisiting the last 5 letters, FDRO & G. Expect to see an abundance of art works coming home. In Week 6 we will be learning all about the letter Hh. Our song is Hens With Hats On h,h,h. All children are encouraged to bring a "funny" or "different" hat from home (along with school one for outdoor) to hang up for our Hilarious Hat Display. I ask that these hats be able to stay at school for at least the week. This should make a great room feature and something most interesting to talk about.

Highland Dancing

Please note that Dancing is not on for the rest of this term as Kim our dance instructor is having a well-earned holiday. Dancing will resume as normal in term 3. All dancers will need to be collected by 3pm on Tuesdays.

Earn & Learn

If any families are shopping at Woolies, please collect stickers and bring them in as our school is collecting these. We were able to purchase many needed and terrific pieces last year and hope to again this time. Thank you to all those families who have been doing this.

Pizza Day

Staff and Pre-K kids would like to give a great big thank you to Aranka for all her hard work and efforts to make our delicious pizzas last week. All the children had a pizza and drink for lunch and they were truly scrumptious, particularly on a cold wet day. They must have been good as one little girl told Mrs Lang that "they were better than the ones mum buys!" I believe that's a great endorsement. Thank you to Henri too who helped out on the day also. Next term we look to be having a Spaghetti Bolognese day so watch out for notes in regards to this.

Healthy Harold Life Education Van Visit

Coming up for Monday and Thursday families Thursday 20th & Monday 24th May

Notes out this week Please return with money as soon as possible.

Til Next time Take Care Liz & Tracey

Senior School Sport

Secondary School Sports Bulletin Week 5 Term 2

Parent Weekend Sport Success

We send out a big thank you to all the parents, grandparent, siblings and other relatives that lent their support on the sidelines over the past weekend. The students obviously enjoyed the extra attention with some fantastic performances and wonderful team results. Congratulations to the 14s, 16s, 1st XV rugby teams and 14As and 2nd VII netball teams and the 14s soccer girls (first win of the season) on their victories.

WAS Cross Country

On Monday 20th May the WAS cross country was held at our school. We had approximately 45 runners compete from Scots. Students who finished in the top ten of their race have gained selection in the WAS team to compete at the AICES cross country on Thursday the 6th of June. We had 24 students qualify and the best results were achieved by;

1st place getters were Emily Watts (13 years), Emma Harley (15 years) and Jock Sinclair (Seniors),

2nd place getters were John Mair (16 years) and Zachary Gates (Seniors)

3rd place getters were Hugh McKay (17 years) and Jonathan Griffiths (Seniors)

4th place getters were Ben Chow (12 years) and Zachery Telfser (16 years)

And 5th place getter was Ed Simcock (12 years)

Well done runners and thank you to the PASS class students, the Year 10 girls, Mrs Dawes and Mr Bailey who assisted with the running of the cross country.

Radio 2BS

We encourage everyone to tune into radio 2BS (1503AM) each Saturday morning from about 7.35am for the Junior Sport Report. Robbie Hayward, Jonty Boshier and Stephanie Ferguson will be sharing the responsibilities this term so tune in and give them your support.

Rugby continued . . .

14's Rugby Report (TSS 43 VS SSC 0)

A beautiful day in Bathurst for a local derby between an old rival in St. Stanislaus College. Our boys were looking forward to the game and prepared themselves for a difficult contest. We began the game with strong defense through our backline and contained our opposition to the middle of the field. The forwards struggled at times with discipline and structure however they quickly gained form and improved as the game progressed. Pat Harris opened the scoring with an excellent try scoring effort. Joshua Woods quickly replied with a short placement over the line for our second try after some excellent work through our pick and drive and short ball from the forwards. Josh Rosin rounded out the scoring with his first try of the season with some strong runs early on to set up his own final effort to get over the line. Andrew Owens completed one conversion in the first half to complete the first 25 minutes at 17 to 0.

At the break we discussed the importance of structure and patience at the breakdown. We were trying to offload on every play and we just needed to settle down, maintain our composure and secure possession at the ruck. The forwards in the second half were outstanding and played with continued confidence and commitment at the breakdown, securing the ball continually for our backline. The backline for the majority of the game was phenomenal. They were selfless in their passing and worked extremely well together with outstanding passing, running and kicking. They were mesmerising and extremely enjoyable to watch. They moved the ball effortlessly and used their speed and skill to dominate the Stannies backs and continually opened up holes for scoring chances. Zane Rowlandson, Jason Corliss X2, and Pat Harris completed the try scoring in the second half. Andrew Owens added another 3 conversions to complete the scoring. Final Score TSS 43 SSC 0.

The boys played extremely well, a wonderful game of rugby to watch on Parent Weekend. I know all of the parents greatly enjoyed watching the game and had nothing but positive encouragement for the team.

Players of note in the game were John Oh, Jason Corliss, Joshua Rosin, Oliver Simpson, Zane Rowlandson and Shaun Kitson.

All of the boys played as a team and this why we have been so successful this year. Our support play is simply outstanding both in the forwards and backs.

This week we will continue to work hard in training and look forward to one of our most challenging games this year in St. Augustine's College.

Coach: Mr. Bailey

1st XV v. SSC 3rd XV

It was so pleasing to see the boys going into this weekend's game with confidence after last week's loss to Oxley. However, the boys knew that this week's game against Stannies was never going to be easy. Both teams played a very physical game, particularly up front in the forwards, where we experienced some difficulties as the Stannies boys were much quicker to the breakdowns than us. This is an areas we will need to address before our game against St Augustine.

An early try to our boys put us in the lead with only 5 points the difference for most of the game was particularly nerve wracking for the players and coaches alike, as this game was one where a mistake at the wrong time could have easily tipped the balance.

Fortunately for us, we got a break in about the last 15 minutes of play with Peter Deacon going over for his second try. This gave us a little bit of a margin which we needed as the Stannies boys came back hard again. Another try by Peter Deacon in the final moments of the game sealed the match, through this was a game that was much closer than the result indicates. Well done boys!

Scoring: Peter Deacon (3 tries); Jock Sinclair (2 conversions) Final Result: TSS 19 to SSC 0

Mr R. Mottram

13's v. SSC

A very good game by the team this week. Down by 20 nil at the end of the first half, the team put in a big effort and clawed their way back into the match. After three close attempts the opposition turned the tables and scored. The boys tried hard to the last minute, but could not get that last elusive try. Final result: 25-20 loss.

Best performances: Ben Brunton for great defence and a number of good breaks.

Mr G. Hayward

16's v. SSC 16C's (TSS 34 to SSC 16C 5)

Scots played with a high level of intensity throughout the game, controlling the play in the first half. Improvements were made in our composesures at the breakdown and our backline defence. A lapse of discipline led to Stannies' only try. Congratulations to Sam Pateman who led from the front and scored an impressive 4 tries. We now prepare for a challenging game against St Augustines this weekend.

Scores: Sam Pateman (4 tries); B. McGrath (1); H. Quant (1); Conversions: Jono Gates (2/5); Tom Fitzsimmons (0/1)

Best players this match: Sam Pateman, Luke Newman, Luke Im, John Mair, Sean Grabham

Mr N. Dawes.

Netball . . .

Scots Cuddly Cubs v Eglinton Mermaids (Netta)

On Saturday the Cuddly Cubs played netta against the Eglinton Mermaids. The girls are quickly learning how to play and are developing new skills every week. They are very good at stopping when they get the ball and look carefully for their passes.

The player of the week went to Michaela Jones for improvement, chasing the ball and great catching and throwing.

Scots Cubs v Bulldogs Pearls (Netta)2:2

The Scots Cubs played a strong game of netta on Saturday. The pace of the game has increased significantly this season as the girls' skills develop. Sarah and Laura worked well together in the goal circle, scoring a goal each in the last quarter.

Player of the week went to Simi for positioning herself well on the court and great passes.

Sarah Milligan

Scots Lionesses Vs Snowflakes

The teams were very evenly matched which provided an exciting match right until the final whistle. Scots girls took some time to settle into a rhythm and were constantly put off by mistakes, especially with stepping, resulting in a lot of lost possession and tentative play. Our shooters did a great job in the circle but it was the strong defence which proved to be the winning factor. Gab Morrison received the Player of the Week for outstanding defensive play and determination.

Next week we play at 8:45am and all girls must be at the courts at 8:30am to warm up and prepare for every match.

Final score Scots Lionesses 10 Snowflakes 8.

Mrs Robinson

Scots 2nd VII Netball

The girls played a brilliant game this week, taking the lead from the very beginning. Working together as a team both defenders and attackers managed to turn our shooters Georgie Simcock and Brooke Andrew are to be congratulated on their tremendous effort this week. All in all, a very well played game by the whole team. A WIN 57-9!

by Annabel Shephard

Scots 1st VII Netball

The First VII girls had an extremely close match against OOT Rosellas, with everyone putting in 100%. Laura and Ellie F. should be commended on their excellent defence followed by Elyse and Mollie, shooting. But unfortunately, we lost by 4 points in the last few minutes.

by Maddie Miller

Scots Gold v. All Saints (A 15-14 Win!!!)

Gold came away with their first win of the season winning 15-14 in a close game against All Saints. With improved shooting from Tilly and Alice, it was a great overall team effort. Player of the match went to Sarah Driver.

Scots Cuddly Cubs posed for a photo before their game.

Hockey . . .

TSS Seniors

Another tough night at the office. However, good parent support, return from injury and good team spirit are all encouraging. Quickness of response, sticking to the basics and man marking remain important. Good games from Kalyan Manning, Sam Andrew, Cal Behrendt, Peter Driver and Natalie Barton. Plenty to work on in training.

Mr I Doney/Mrs H. Taylor (Coaches)

Soccer . . .

U14's Girls v. Churches United Rebels (14's)

Started with a full team and 1 reserve, "The Terrier" Melissa Bateman lived up to her Ref. award last week. She scored at the 5 minute mark after good support from Olivia Warry, Tegan Brunton and Paris Bennett. Paris went on to put one in the net early in the second half but it was disallowed offside. Stephanie Ferguson, Julia Ross and Libby Baltzke were strong in defence supporting Jorjia Hibbins' fantastic goal keeping and strong second half sweeping defence, backed up by Ella and Ashleigh Brooking.

Well done on our FIRST WIN!

Final result: 1-0

Scoring: Melissa Bateman

Best performances: Melissa, Stephanie Ferguson

Mr S. Dundon

U16's Girls v. Bathurst 75's (16's)

The girls had a great game, holding strong at 1-all for the majority of the first half. Megan White took a great penalty shot with such strength, causing the goalie to stumble into the goals. Unfortunately, the opposition had strong tactics and experienced forwards ultimately resulting in a 4-1 loss. Overall, the girls played a great and thoughtful game and should be proud of their efforts.

Scoring: Megan White scored off a penalty shot

Best performances: Rachel Hibbins was an outstanding all-rounder, dominating the field.

Miss A. Dunkley (Coach)
