To Ponder . . .

“What goes around... Comes around”

I'm not sure of the source of this proverb, but The Wise Teacher has much the same to say,

*Whoever diligently seeks good seeks favour,
but evil comes to him who searches for it.*

Proverbs 11:27(ESV)

We know that this is true and yet when we are hurt or angered...? We need to convince ourselves that to seek a person's good is *always* good, even when we are upset.

From the Headmaster . . .

Congratulations to the three rugby teams which travelled to Sydney on Saturday to play St Pius X from Chatswood. All reports indicate three excellent matches with three victories. The development in our Rugby this season has been a real highlight with much credit to go to Mr Mottram, our coaches and James McLaren for his excellent contribution as the School Rugby Development Coach. It has been a wonderful season and I wish all Rugby players and coaches the very best for the last match of the season against Oxley College from Bowral.

The Bathurst and Lithgow Open Days are coming up later this month and I encourage all parents and students to let friends and neighbours know so they are able to come and have a look at our great school. The Lithgow Open Day is on Saturday 17 August from 10am-12noon and the Bathurst Open Day will be held on Saturday 24 August from 11am-2pm. This is also the Term 3 Parent Weekend which features the Winter Season Presentation Dinners. The Foundation Day Chapel Service on the Sunday morning will also be the farewell to Col and Margaret Langford. Col has recently retired as Chairman of the Scots School Board after almost 17 years in the position. This occasion will provide an opportunity for us as a School community to recognise his commitment and dedication to the school and thank him for it.

The Scots School is a beautiful school with extensive grounds and a lovely range of predominantly deciduous trees that catch the four seasons of the Bathurst climate magnificently. The beauty of the school is something nearly always mentioned to me by visitors to the school when they first visit the school. Of course, what we have is due to the excellent foresight, planning and hard work of previous custodians of the school and it is our task to ensure the current generation of students, parents and staff does likewise.

To this end, the Foundation Day Parent Weekend has become a key focus each year to ensure that we also leave a lasting legacy for future generations. The idea of the Foundation Day Service is to consider our culture and heritage as a school along with our Christian foundations so it is an appropriate focus point each year for a tree plant.

The targeted area last year was around the new pool and the tennis courts. This year the Tree Committee has identified the following areas to plant trees: between Bulkeley House and the Dining Hall, the Year 12 Quad, between the Dining Hall and Workshop, the back drive near the Visual Arts Centre and to do some more planting around the Tennis Courts.

It is hoped that families will purchase a tree or trees and plant them on Sunday 25 August following the Foundation Day Chapel Service. The Tree Committee will plan and determine the trees to be planted. The trees will be purchased and available on the day for planting with most of the preparation of the ground completed in readiness. It is hoped that we will plant about 20-25 trees this year to continue the work commenced last year.

I hope many families choose to be involved in this school community event and enjoy working together for a little while following the Chapel Service.

If you wish to be involved by purchasing and planting a tree on Sunday 25 August, please email me personally at dgates@scots.nsw.edu.au. The donation of a tree will then be charged to your child's account at \$50 per tree to cover all costs.

Have a good week.

David Gates

From the Deputy Head . . .

This week I would like to address my remarks to students in Year 12, their parents and carers. We have 7 weeks left to go of Term 3, 7 weeks left as full-time students of The Scots School Bathurst. I have been very impressed by the conduct and demeanour of this year's Year 12 cohort. In many areas they have made significant contributions in leadership:

- * in learning
- * in sport
- * in pastoral care

Mindful of this contribution, I urge students of Year 12 to consider carefully their legacy in the way they deport themselves in these final few weeks of schooling. Specifically I ask that careful attention is paid to:

- * calm, composed application in the Trial Examination period
- * continued, uninterrupted application to learning in the post-trial period where teachers will be providing quality programmes for consolidation and improvement of result
- * care of school facilities
- * adherence to all behavioural expectations of the school, particularly safety in motor cars, school uniform and class attendance
- * maintenance of personal reputation
- * preservation of friendships and collegiality

All too often a quality group of young people may sully a splendid legacy through poor personal self-control or a failure of student leadership.

7-12 Athletics Carnival

YEAR 12 Examinations . . .

TRIAL HSC EXAMINATIONS

Year 12 Trial Examinations – (Thursday, August 15th through Friday, August 23rd) – a study day will be provided prior to the trials on Wednesday August 14th. Students should continue with their steady application to their programme of study provided to them last term.

Illness and Misadventure: Should illness or misadventure occur in the examination period it is vital that the following protocols are observed:

- a. Notify Mrs Lynne Fleming **immediately** of the illness or misadventure. Mobile phone number 0412 910 861.
- b. Attend the examination if at all possible. The existence of **both** an examination mark (however affected by illness or misadventure) **and** an assessment mark provide the Board of Studies with the maximum amount of data to make a fair decision for the student.
- c. Notify the Presiding Officer of an illness or misadventure appeal for the current and upcoming examinations at the conclusion of the first examination affected by illness or misadventure. The Presiding Officer will keep his/her own documentation and provide the candidate with documentation pertaining to the illness or misadventure.
- d. Obtain all possible documentation regarding the illness or misadventure, e.g. doctor's certificate, accident report on the day of the illness or misadventure. This will support the illness or misadventure appeal for the examinations occurring in the period affected.
- e. Provide Mrs Lynne Fleming with copies of all documentation.

CWA Diamond Jubilee

Scholarship

Application are now open for the Bathurst Branch CWA Diamond Jubilee Scholarship to be awarded to a Year 10 student attending any secondary school in Bathurst as a DAY STUDENT, who wishes to continue into Year 11. The CWA is committed to the health and welfare of women, children and families. The scholarship is seen as a tangible contribution to a student undertaking senior secondary studies.

The amount of the scholarship is \$1000 for Year 11 and \$500 for Year 12, providing the student reflects the scholarship ideals. The scholarship will be awarded to a student, male or female, of proven ability. Financial circumstances will be taken into consideration in the awarding of the scholarship.

The student will be required to provide their most recent school report and a letter of recommendation from their school principal or Year 10 advisor. An interview is held at the CWA Bathurst rooms with a five (5) person panel. The panel includes 2 community representatives and 3 CWA members.

Applications close on August 31st. Mrs Shillabeer has application forms available at the staffroom.

Junior School Peer Support

Week 4

Children will review the bullying triangle and remember that bullying affects everyone, not just the person being bullied. Everyone in our school has the right to feel safe and there are lots of ways children can help to build a positive school environment. The children look at 3 responses to situations: anxious, angry and assertive and discuss which would be the most helpful for them. Ask your child how they are planning to be more assertive with others.

Junior School News . . .

Congratulations to the K-4 Speech and Drama group who performed an entertaining play at assembly called 'Kids Night Out.' They were awarded the class cup this week for their efforts. Michaela Jones took Scotty back to Stage 1 this week for her lovely assembly manners.

Welcome back to Mrs White this week, from her European holiday and long service leave. Mrs Mann has continued the busy learning program for kindergarten students

Athletics Carnival

Hopefully it will be a bright and sunny day for our athletics carnival on Friday. All students should wear their house coloured T shirt for the day, commencing with the marching on the McKibbin Oval as soon as possible after 9am.

We completed the 800 metre races and high jump at school on Friday allowing us more time for the relays and ball games at the end of the day.

Parent helpers will be notified of their duty and times before the day. If there are any parents who enjoy the experience so much that they would like to volunteer to assist at the WAS Athletics carnival on Wednesday 21st August at All Saints, we would love to hear from you.

Peter Pan

Thank you parents for your support in getting costumes together for our Peter Pan concert. The concert will be on Thursday 15th August at 6pm in the Aikman Hall. Entry will be by gold coin donation. There are some very elegant mermaids and stars as well as some scary pirates emerging from our rehearsals so it should be a fun night. We will perform again on Friday morning the 16th August for Pre Kindergarten and visitors from Elizabeth Chifley Pre School.

No Fresh Fruit? No Worries!

Although fresh fruit or vegetables are the best choice for Crunch&Sip*, your child can snack on canned fruit in natural juice or with no added sugar or dried fruit (DO NOT send fruit straps, bars or rolls).

To save money, buy a large can of fruit and send to school in reusable containers. Good for the environment too!

August Reading Challenge

The children have commenced reading and recording their times for the annual August Reading Challenge. Mrs Mann has prepared a giant graph which will be placed in the main foyer to record our total each week and track our progress towards 1 000 hours for the entire month culminating in the fathers' day Book fair and barbecue breakfast on Friday 30th August where prizes will be awarded to the child in each class who has read the most during this time.

Public Speaking

The children have enjoyed preparing their story to tell which has linked beautifully with our work in other subject areas. Once again, thank you parents for supporting the children to do their best. It is wonderful to see the progress demonstrated by individuals over the year.

Musica Viva

Parents are invited to join us for the Musica Viva performance by Tigramuna on Tuesday August 13th at 12 noon.

Pre-Kindergarten Highlander Week 4 -- Term 3

Learning Program- This week we will continue our learning program with the letter 'u' and our theme for the term of 'In the Community'. You can expect to see some umbrellas, under the ocean, police, firemen and lots more.

Bathurst City Library- Last week the Gold class visited the Town Library for their 'Story Time' session with Natalie and Sarah. We had lots of fun exploring an 'under the ocean' theme. We sang songs, read stories and made some beautiful turtles. The children are to be congratulated on their wonderful manners!

Pedestrian Crossing- We are reminding all of our families of the importance of crossing safely on our school roads. We have several pedestrian crossings around the school and have noticed of late that they are not being used. The front drive is of particular concern with the heavy traffic with cars and buses at pick-up time.

August Reading Challenge- During the month of August we are setting our students the challenge of reading for at least 10 minutes each day. Notes have been sent home to each child, along with the green log sheet to be returned at the end of August. Good luck and happy reading!

Pie Drive- Thank you to all of the Pre-Kindergarten families who supported our P & F Pie Drive fundraiser. We were overwhelmed by the number of orders. These will be delivered to school on **Wednesday, 7th August**.

Health- We are reminding all of our families over the cooler months when we are likely to be stuck inside to keep an eye on their child's health and hygiene. Hand washing and using tissues are very important to ensure that coughs and colds are not spreading through the classrooms.

Life Education Visits- The Pre-Kindergarten students thoroughly enjoyed their visits to the Healthy Harold Life Education Van last Monday and Tuesday. It was great to reinforce the healthy eating habits, sun safety, exercise and good hygiene that is necessary each day. The children loved meeting Harold and even had the chance to give him a quick cuddle or pat!

Athletics Carnival- This Friday the Pre-Kindergarten students will join the children in K, 1/2 to participate in some fun gross motor activities to coincide with the Junior School Athletics Carnival. The children can look forward to egg and spoon and sack races, bean bag toss and relays. Please make sure your child has returned the lunch order form before **Tuesday** and wear a pair of running shoes for the days' events.

Portfolios- Just a reminder to the families who haven't returned their child's Portfolios to their classroom teacher to please do so, ASAP as we are always adding new work samples and need to keep them up to date.

Upcoming Events-

- **Musica Viva** **Tuesday, 13th August**
- **Peter Pan Performance** **Friday, 16th August**
- **Children's Book Week** **Friday, 23rd August**
- **Scot School Open Day** **Saturday, 24th August**
- **Blue Class Town Library** **Thursday, 29th August**
- **Book Fair & Father's Day BBQ** **Friday, 30th August**

Secondary School Sports Bulletin Week 4 Term 3

Athletics

The Inter House carnival is set down for the 13th of August. The 1500 metre and 3000 metre events will be held on Monday the 12th of August at lunch time (1500m) and after school (3000m).

Canteen – A canteen will be run on the athletics carnival which will be selling sausage sandwiches, drinks, etc. The normal lunch routine in the dining hall will be available for those who regularly eat in the dining hall. A lunch order system will be operating so that sufficient catering can be achieved. Students are asked to stay tuned to the daily notices this week for details. Students are also advised to bring some money along to buy drinks and treats (cakes, slices, etc) during the recess break.

Records – So far we have three new records achieved in the 12s, 13s and 14s year girl's javelin events. Congratulations to Paris Holmes, Melissa Bateman and Jorgia Hibbins.

Bathurst Edgell Jog

The Bathurst Edgell jog is only 5 weeks away (September 8th). This gives our students plenty of time to prepare for the event. We hope to enter a large team of competitors so that we can continue our winning streak in the schools division. Entry forms will be sourced and handed out the students in the coming weeks.

Radio 2BS Junior Sport Report and Wet weather cancellations

We encourage everyone to tune into radio 2BS (1503AM) each Saturday morning from about 7.35am for the Junior Sport Report. Robbie Hayward, Jonty Boshier and Stephanie Ferguson all do a fantastic job reporting a range of events but mostly sporting achievements of our students. The program also is useful to get up to date information about cancellations in the event of wet weather.

Rugby . . .

16's v. St Pius

St Pius provided a very physical encounter which was close-fought the entire game. A penalty conversion to Luke Newman and an impressive individual try to John Mair saw Scots lead 10-0 at halftime. The arm wrestle continued in the second half but we remained composed to win 20-5.

Final score: TSS 20 to St Pius 5. A win!

Rugby reports continue on page 10

Hockey . . .

U17's v. Orange Rebels

A two-nill loss in a very even game. Teamwork stood out and we are showing stronger individual skills across the field. Passing securely in defence and attack is developing and we need to work on our mid-field competitiveness to increase our goal scoring opportunities. Play switches improving, mid-field tracking more disciplined and team talk strong.

Final score: 0-2 loss to Orange.

Scots U14's v. All Saints

Scots were out to an early 1-0 lead and this was maintained well into the 2nd half, then two goals by All Saints saw us down 2-1 with only 5 minutes to go. Melissa was supported in attack by good returns from the backs clearing kicks. The equaliser was made by Melissa. A great game with a healthy and enjoyable atmosphere. Well done!

Final Result: 2-2 Draw!

Scoring for Scots: Melissa Bateman and Paris Holmes

Best Players this week: Ella Brooking, Ashleigh Brooking, Paris Holmes

Netball . . .

1st VII

On Saturday the 1st VII played the undefeated Collegian Zirconias. The girls expected it to be a touch game and therefore had to bring their best game. Although the girls tried, the opposition's experience and skill meant they too the lead. All girls should be congratulated on their efforts.

by Laura Wright

Second VII

On Saturday the girls took the court with enthusiasm. Defence and attack held strong throughout the game, ending in a win of 46-18. A big thank you to India Toole for playing for us this week. Player of the week was Natalie Bowles.

by Annabel Shephard

Netball 16's v. Eglinton

We played well but unfortunately we lost. We had great defence by Pip and Mack and had excellent attacking by Emma and Daisy. All in all, it was a good game for all the girls.

Scots Lionesses Vs Collegians Titanium

The first half of the match was very even with scores level at both quarter and half time. Scots defended well in the first half and ran into spaces effectively to move the ball around the court. Our umpires were very strict so as the teams tired there were quite a few penalties. Collegians were able to score a few quick goals at the beginning of the third quarter to take a small lead which

they extended in the last quarter. Aly Cranston shows improvement every game and Jess Thomson was very solid in wing attack and thoroughly deserved the player of the week hot chocolate award. The girls gave their all throughout the match but Collegians were too good on the day and won the match 17 to 9.

Mrs Kerry Robinson

Scots Gold v. Collegians M&Ms

This week Scots Gold played Collegians M&Ms. It was a tough game for the attacking players but defence was strong. Unfortunately, another loss 18:10. Player of the week was Gwen Towart for her outstanding defence.

by Alice Powell

Scots Cuddly Cubs v Superstars Bluebirds

On Saturday the Cuddly Cubs played a challenging game of Netta against the Bluebirds. While their opponents were much older and bigger, the Cubs tried hard and played well.

Player of the Week was award to Evie Adams, for looking for the gaps and making clever passes.

Scots Cuddly Cubs v Bulldogs Beauties

4:7 (loss)

On Saturday the Cubs played a great game of Netta against the Beauties. The girls demonstrated strong passes, impressive intercepts and good shooting. Player of the Week was awarded to Sarah Knox and Laura Scott for great team work during the centre pass.

Rugby . . .

1st XV v. St Pius

This was another great performance by our boys, who again gave all they had for the school, the team and themselves and echoing "What benefits the team". I have been so impressed with the unity that this team has shown and that our boys are prepared to put the team in front of themselves. As with the previous week, we scored first with a penalty, although this was quickly followed by an excellent St Pius try. Fortunately we were able to counter not long after with a try and conversion to put us in the lead again at 12-5. Though we were by no means safe as St Pius had a number of very strong attacking players and pressured us on our line on numerous occasions, fortunately our defence was strong.

The second half saw us again score first to put us out to 17-5 and again our defence was put to the test with a strong St Pius attack. St Pius was also quick to capitalise on our mistakes. With about 10 minutes to go, they scored and converted, bringing the score to TSS 17 to St Pius 12, which again put vigour into the Pius attack and tested our defence. However, our defence held strong to the end, giving a final result of TSS 17 to St Pius 12.

Congratulations to the boys for putting in an impressive performance in a game that could have gone against us if we hadn't maintained our composure and displayed confidence in each other. Well done!

Scoring for Scots:

Jack Ogilvy (1 try); Iori Hashida (1 try); Jock Sinclair (1 conversion; 1 penalty); Lachlan Conyers (1 conversion).

14's Rugby Report - TSS v. St Pius

An early start to the day saw us leave at 5 am and begin our trek to Oxford Falls to take on St. Pius College. We arrived to a beautiful day on the North Shore with a variety of schools taking the field in a number of age groups which gave our boys an opportunity to watch some fantastic rugby.

We started the game well scoring the first try with a bulldozing effort by Joshua Rosin, so far this has been the most exciting individual effort turned into a try this year in the 14's. St. Pius was able to hit back straight away with a try of their own whilst securing the conversion going ahead 5 to 7. We battled early with a new half back in Aidan Telsfer who quickly realised breakaway was his preferred position. He graciously relinquished his role as half back to Sam Bowles who was absolutely stellar throughout the game in his first full game in this position. Quickly after the change was made Aidan was able to pick up a loose ball from a ruck and make a speedy run up through the middle to give us a score of 12 to 7. However just before the half St. Pius was able to once again score even things at 12 to 12 at the break. St. Pius was particularly strong in the first half in the scrum and were using their size advantage against us.

The second half we woke up and began to demonstrate our strong skills at the ruck, retained the majority of possession and began opening up holes in their defence. Zane Rowlandson had a strong run up the sideline after some slick passing by the backline to give us the go ahead where we didn't look back. We were absolutely solid in defence and not allowing St. Pius to score in the second half. Our forwards continued to punish our opposition with their commitment at the breakdown creating havoc in attack. Oliver Simpson was able to put away two more tries with one being a brilliant 50 metre run down the sideline. Pat Harris also demonstrated his speed and confidence from fullback after receiving some selfless passing from Jason Corliss where Pat added another two fantastic tries to seal the win. Andrew Owens added three conversions to round out the scoring.

Final Score TSS 41 to ST. PIUS 12

Best Performances

The number one star on the day had to be the inspiring play of Joshua Rosin who was closely followed by an enthusiastic Sam Bowles. Other outstanding performances included Oliver Simpson, Ryan Gordon, Andrew Owens, Jason Corliss and Wesley Standfield.

Overall, an impressive team performance and special thanks to Nathaniel Couchman, Sam Barton and Rhabi Welsh-Elsage who came along as reserves.

Well done boys!

One more game to go.

Let's keep up the intensity and have an enthusiastic and enjoyable final week of training for 2013 before we head to Bowral this weekend.

Thank you to all the parents who came along to support the boys.
