Year

To Ponder . . .

*The way of a fool is right in his own eyes,
but a wise man listens to advice.*

... Proverbs 12:15(version)

I always feel that I'm right, but God expects me to open myself to the possibility that I may be wrong. In fact *I know* that I must be wrong on any number of things – it is a logical necessity. A wise person listens carefully to advice given without assuming automatically that the advice is not needed.

Easier said than done!

..... *Chaplain*

Farewell Mr Langford!

Mr Colin Langford was farewelled on Sunday after serving 17 years as Chairman of The Scots School Board. School Captains Iori Hashida and Elyse Owens presented Mr and Mrs Langford with a gift from the school.

**P&F Meeting this Wednesday,
28th August -- 5:30 pm in Library
-- see note on page 5**

From the Headmaster . . .

What a fantastic weekend we have just enjoyed! There was so much on but this speaks of a school with a strong community, a great diversity of opportunity and a parent, staff and student base which is committed to the school and enjoying the rich opportunity on offer. We must never take this for granted. Thank you to the staff, parents and students who gave so much this weekend to make it what it was.

I thoroughly enjoyed the Netball and Rugby Dinners on Friday and Saturday nights and Mr Adams and I were able to attend the presentations at the Girls' Soccer Dinner on Saturday night as well. The students enjoy the end of season celebrations and those who spoke on behalf of their team mates did so most impressively. The common themes through many of the speeches were about friendship, teamwork, never giving up, doing your best, dealing with disappointment, appreciation of their coaches, having fun and personal growth through sport. What was really obvious to me was the tremendous pride that each student had in their school and the enjoyment they experience through playing sport together and with their school friends. Also of note was the sense of gratitude expressed towards their coaches and also to Sharon Inwood (Netball Development Coach) and James McLaren (Rugby Development Officer). Both have had a tremendous impact in their respective roles this year. In Sharon's case this was her ninth season with the Netball teams and her last. She was farewelled by Mr Adams with some interesting reflections and great personal gratitude. Her impact on Netball in those nine years has been considerable and we wish her all the best for the future.

We were most fortunate to have Mr Tim Gavin as the guest speaker at the Rugby Dinner. Tim is an ex student from the Scots College in Sydney who played for the Wallabies in the late 80s and the 90s and was regarded as the best number 8 in world rugby in his time. He is currently the President of the NSW Rugby Union. He provided a most entertaining speech with reflections on his time in Rugby and some of the funnier moments he experienced. He also spoke with great passion about the values and relationships derived from team sport and Rugby especially and the importance of having clear goals and committing oneself to them. His address was very warmly received and he had a long line of autograph hunters from the students along with many dads.

I wish to thank the coaches and parents who made the Winter Sports Season possible for our students. A special thank you must go to Mr Justin Adams (Sports Master and MIC Netball), Mr Richard Mottram (MIC Rugby) and all the coaches. I also wish to acknowledge the tremendous commitment of Mr Bill Marshall and the Friends of Rugby for all the work they do to prepare for the Rugby Dinner and to raise funds for our marquee boys sport. The Rugby Dinner included an auction which had some amazing items to bid for and a great deal of money was raised. Thank you also to the parents, staff and students who helped organise and set up for the three dinners.

The Open Day from 11am-2pm on Saturday provided the opportunity for us to show off our school to the wider community whilst also allowing our current parents to view student work. We had lots of visitors with no connection to Scots, along with students, parents and grandparents. The attendance was most encouraging and I trust this bodes well for enrolments over the next few years.

I wish to thank the staff who set up displays, opened up their classrooms, conducted tours and answered questions. I wish to also acknowledge the Year 11 Tour Guides who did a fabulous job. Thank you also to Boarders P & F who ran the BBQ so well.

The Foundation Day Chapel Service was a very special occasion too. This Chapel Service provides a real opportunity to consider both our historical and Christian foundations. This year we were able to farewell Mr Col Langford and Mrs Langford after almost 17 years of service to our School community. The two School Captains, Elyse Owens and Iori Hashida, presented a framed photograph of Karallee which I know will hang with pride in their home as a reminder of their time at The Scots School. Thank you also to the new Board Chairman, Mr Adrian Lamrock, who delivered the Chapel Address with a moving reflection. His challenge to us was to consider ‘What price do we put on on a life?’

Mr Col Langford, Mr David Gates and Mr Adrian Lamrock following the Foundation Day Service

Following the Foundation Day Chapel Service we held the Foundation Day Tree Plant – something that will be a regular feature of this weekend each year. Just as many others before us have built this school to what it is now, so it is our responsibility to ensure that we leave a lasting legacy in terms of the presentation of the school.

The Tree Plant focused on the back of the school from Bulkeley around to the School Pool. I wish to thank those parents, students and friends of the school who donated and planted trees. Twenty trees were planted this year.

Finally, I would like to wish Year 12 all the best for the closing weeks of study leading up to the HSC Examinations. HSC Practical Examinations are about to happen and Major Works have just been completed. The effort put in over the next two months can make a tremendous difference. Stay focused, work hard, spend your time wisely, stay healthy and work closely with your teachers.

Have a good week...

David Gates

Mrs Betty Ives enjoyed the tree planting with her niece Pheobe Cutting (Y7) and Michael Hubbard (Captain of Ives House (Y12)

Even our younger students were keen to help get the trees planted in the Spring-like weather on Sunday.

From the Deputy Head . . .

I wish to extend my thanks to students, boarding house staff and parents/carers and for the extraordinary contribution demonstrated on Saturday's Open Day. As I walked around each activity I was so proud of the presentation of our students and of their committed demeanour. Any visitors to the school could not help but be impressed at the wide variety of opportunities available to our students. The confidence of our young people speaks volumes for their loyalty to the school. Similarly on Sunday, Chapel attendance was very pleasing. I thank everyone for the success of what was a tiring but satisfying day.

Subject Selection for 2014

I issue a reminder to students in Year 8 (Year 9/2014) and Year 10 (Year 11/2014) to return to myself or Mrs Shillabeer their subject selection sheets. **The final date for return of the sheets is Monday, 2nd September.** I will be posting to parents in Week 8 (commencing Monday, 2nd September) advice regarding final subject selections and subject lines.

Year 12

Year 12 students have been personally emailed an appointments schedule for:

- *Early entry application sessions for CSU, Wollongong, UNE, Southern Cross, Canberra
- *UAC application sessions

I urge Year 12 students to consult this email or the daily notices or the personal scaffolds issued to them to ensure that they have provided for as many possible paths of study as are available to them. Similarly students with issues for EAS applications need to consult with Mrs Fleming this week regarding completion of these applications.

Jack Brien-Rowlandson at Open Day
Steph Ferguson and Zari Newell (Rural RFS)

*Mrs Lynne Fleming
Deputy Head*

Calendar - Senior School Term 3

AUGUST

Tue 27 7-12 Athletics Reserve Date
Wed 28 TSS P&F Meeting – 7:00 pm Library

SEPTEMBER

Mon 2 HICES Debating Grand Final
Tue 3 WAS 7-12 Athletics
Mon 9-Fri 13 Y11 Preliminary Final Examinations
Tue 10 ISA Athletics @ SOPAC
Wed 18 NSWCIS Athletics @ SOPAC
Fri 20 VALEDICTORY DAY
Valedictory Assembly – 12:30 pm
Classes Cease 3:20 pm/End Term 3

CWA Diamond Jubilee Scholarship

Applications close on August 31st. Mrs Shillabeer has application forms available at the staffroom.

Application for the Bathurst Branch CWA Diamond Jubilee Scholarship to be awarded to a Year 10 student attending any secondary school in Bathurst as a DAY STUDENT, who wishes to continue into Year 11. The amount of the scholarship is \$1000 for Year 11 and \$500 for Year 12, providing the student reflects the scholarship ideals. The scholarship will be awarded to a student, male or female, of proven ability. Financial circumstances will be taken into consideration in the awarding of the scholarship.

News from the Parents & Friends Association

- The **next meeting of the P&F** will be this **Wednesday, August 28th at 5.30pm** in the Library. Everyone is most welcome to attend. If you have any item you would like discussed at the meeting, please forward it to the secretary by email by Tuesday 27/8.
- **Highland Gathering 2013:** You might be interested in how your stall did financially at the HG –here is a breakdown of the takings for the stalls

BOARDERS	1,481
BOOKS	618
BBQ	4,506
CAKE STALL	1,389
DEVONSHIRE TEAS	1,498
DRINKS / ICE CREAMS / FAIRY FLOSS	636
FACE PAINTING	97
FRONT GATE	2,477
GARDEN STALL	549
JUNIOR SCHOOL	363
RAFFLES	636
TICKET BOOTH	1,125
TRASH & TREASURE	1,267

We are looking at about \$11,000 profit (still a couple of bills to come in). This represents a wonderful effort by all involved – parents, students, staff and sponsors. Thank you all.

MARTIN COYTE EXHIBITION

Orange Regional Gallery

The school community knows Mr. Martin Coyte very well from his endeavours in the Art Room. He is also to be found in his favourite chair in the staffroom delivering witty observations on chromatic intensity, computers, life, the universe and everything. Those with long memories will recall Mr Coyte's three sons as former students of the school: beginning with Matthew (now Editor-in-Chief of Rolling Stone Australia, Leo (an artist with several exhibition credits of his own), and more recently Gene. Many in the school are also delighted to have met youngest son Lewis.

At the same time that he has been modestly toiling away in the Art Room, Mr. Coyte has also established quite a reputation as an artist. A search of Google showed that he has had his work exhibited on a huge number of occasions over the years. As one would expect, there have been exhibitions of his work at the major galleries in Bathurst and Orange. There have also been exhibitions in other regional centres such as Muswellbrook and Shepparton in Victoria, the capitals of Melbourne and Sydney and even London! In 1999 he was commissioned to provide the wattle paintings that the Scots community sees in the Bathurst Entertainment

Centre on Speech Day. Again, as expected, his works are in the collection of the Orange, Bathurst and Cowra galleries. Perhaps not so well known, is that he is also represented in the Australian National University Art Collection, and the Patrick White Collection of the Art Gallery of New South Wales.

The Orange Regional Gallery is presenting an exhibition of Mr. Coyte's work called *Looking Back*. Louise Doyle, a former director of the Bathurst Regional Art Gallery, opened *Looking Back* last Friday night 23rd August. Ms. Doyle is now director of the National Portrait Gallery in Canberra. *Looking Back* is on until 6 October. Anyone going to see Mr. Coyte's exhibition should also go upstairs to an exhibition in Gallery 3 curated by Orange Regional Gallery director Alan Sisley, entitled *Director's Choice*. I enjoyed the Dame Edna Everage teapot!

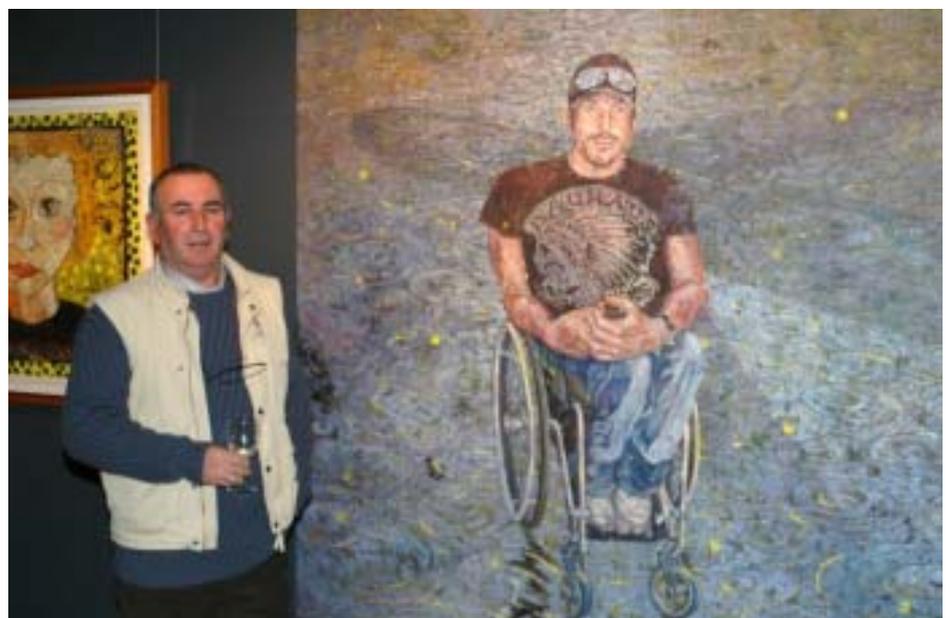

A. Maher

A selection of photos of Mr Martin Coyte's portraits which are on display at Orange Regional Gallery until 6th October.

Junior School News . . .

Open Day

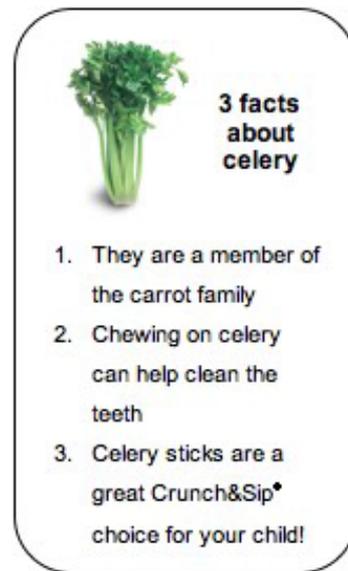

Mrs White reports that there were an encouraging number of visitors to the school on Saturday with enrolments in to Kindergarten for 2014 and 2015 looking extremely strong. My thanks to Mrs White and the Junior School staff for managing the weekend events during my absence on sick leave. I hope to be back at school this week.

Eisteddfod

The Junior and Primary Choirs will perform at the eisteddfod on Thursday this week. Notes were sent home last week indicating times.

HICES Athletics

Our athletics team is looking forward to competing at Homebush on Tuesday 3rd September. Parents are encouraged to travel on the bus with their children for the minimal cost of \$10. It is always a great day and being there to support the team is much appreciated.

Junior School Peer Support

26/8/2013

The number of children directly involved in bullying behaviours is usually quite low, however the number of children who know that bullying is occurring is significantly higher. For the next 2 weeks in Peer Support, children will have the opportunity to discuss the ways they can speak up against bullying behaviours in our school and make a difference. This week they examine their role as bystanders and how to seek help for someone who is being bullied.

BOOK FAIR and FATHER'S DAY BBQ BREAKFAST

All fathers, grandfathers and special male friends are invited along on Friday morning for a very special morning with the children. RSVP's for the breakfast should already have been returned.

The Book Fair is a major fundraiser for bringing in new books for the Pre-K to Year 6 classrooms and the library, as well as helping each child get some wonderful new books to enjoy at home. Please note payment is by CASH or CREDIT CARD. We have arranged a Sponsorship form and would love each family to try to get one or two sponsors from family, friends, neighbours, local businesses or your own business. Please fill out the form and return ASAP so sponsors can be included on the sponsors list at the Fair and details can be finalised.

The Book Fair marks the end of the Reading Challenge. We will be awarding book fair voucher prizes for the student in each **year** group who has read the most, as well as Pre-K Gold and Pre-K Blue. Vouchers need to be spent at the Fair. Prizes are kindly being sponsored by Scholastic and the Friends of Junior School. Please remember to **RETURN THE READING CHALLENGE SHEETS ON THURSDAY** to the teachers for the final tally.

We are looking forward to a great morning on Friday. See you there!

Lynda Scott
Book Fair Coordinator

WAS Junior School Athletics Carnival.

Last Wednesday the WAS Athletics Carnival was held at All Saints College. It was a freezing cold day with spurts of rain throughout the day. However, as our students always do they fronted up ready to compete and do their very best. Due to illness, some students were away and other students willingly stepped up into relays teams at the last minute. Many ribbons were bought home which were handed out at Assembly on Friday.

I would like to commend every student for their excellent behaviour, their encouragement and cheering for their peers and general helpful attitude in setting up of our site. A very big thank you to all the parents who were able to come and support the students on such a cold day. It was a pleasure to take such a wonderful group of students to represent our school. We now look forward to HICES on Tuesday 3rd September, and may need to put in a little training in the next week!

Mrs White.

Open Day - 2013 - Pre Kindergarten

Pre-Kindergarten Highlander Week 7- Term 3

Pre-Kindergarten Highlander

Week 7

Learning Program- We will continue our Jolly Phonics single sounds this week with 'f'. Keep an eye out for some fish, flowers, frogs, friends, firemen and lots more with our morning craft. Our classroom focus this week is exploring our feelings.

On Monday the children were very excited to have a visit from the Bathurst Fire Brigade. We all learned how to be safe in the emergency of a fire and saw all of the equipment on the real Fire Engine! Thank you to Georgia's dad from the Gold Class and all of the other officers who came out to speak to us.

Gruffalo- All of the children had a wonderful day last Friday, dressing up and going into the Library to meet the Gruffalo. The book character costumes looked fantastic and it was a fun day for all. Thank you to Mrs Weal for driving the bus for us and to the students for having such lovely manners representing our school.

Pedestrian Crossing- We are reminding all of our families of the importance of crossing safely on our school roads. We have several pedestrian crossings around the school and have noticed of late that they are not being used. The front drive is of particular concern with the heavy traffic with cars and buses at pick-up time.

August Reading Challenge- Our reading challenge is drawing to a close with just one week remaining before we tally all of our hours. Please return your child's reading log sheet before the end of the week. Thank you.

Portfolios- We are just waiting on a few last Portfolios from some students and would love to see them back ASAP so that we can continue collating each child's work.

After School Care- We are reminding all of our families that our After School Care service is just for our working parents. The numbers have been increasing of late. The official teaching day finishing at 3pm and after school care commences at 3.20pm until 5pm.

Toy Catalogue Orders- Pre-Kindergarten are organising a Toy Catalogue Fundraiser again this year. Each family should have received their bundle of three magazines with a cover letter. There is a huge selection to choose from and these wonderful quality toys make fantastic Christmas gifts that can either be delivered to your home or school. We appreciate all of our families support. If you have not received catalogues please see any of the Pre-Kindergarten staff.

Lunch Boxes- Just a reminder to parents to provide a spoon for their child if they are having yoghurt or fruit tubs at morning tea. We have a limited supply.

Upcoming Events-

- | | |
|--------------------------------|--|
| • Blue Class Town Library | Thursday, 29th August |
| • Book Fair & Father's Day BBQ | Friday, 30th August |
| • Pre-Kindergarten Photos | Monday, 9th September |
| • Bike Day | Friday, 13th September |
| • Last Day of Term | Friday, 20th September |

Senior School Sport

Secondary School Sports Bulletin Week 7 Term 3

Winter Sports Presentation Dinners

Last weekend we enjoyed the annual netball, soccer and rugby dinners. We thank the parents and friends that supported the events and congratulate the students that were awarded prizes. I was lucky enough to be present for the presentations at all three dinners and thought that our students not only presented very well but behaved with real class during the numerous speeches and presentations. The students that were given the opportunity to make speeches also did a wonderful job speaking confidently and honestly about their respective winter sport season. We are very mindful and extremely appreciative of all the behind the scenes organisation done by many of our parents. Without their dedication the nights would not have been such a success. We are also very grateful for the dedicated staff that we have at the school that not only attended Open Day and many of whom also coached on Saturday and attended the dinners. I know that they get a lot of satisfaction from the presentation dinners. From a Sportsmasters perspective I am very thankful and very proud of all the work that they have done with their teams over the season and with the presentation dinners.

Bathurst Edgell Jog

The Bathurst Edgell jog is less than 2 weeks away (September 8th). There is still enough time to prepare for the event which is 7.5 km. Those in training to run the race should be doing training runs of at least 4km and three times a week and then they should build up to the event by increasing the distance of each training run by 2km so that by race day they are able to run the full distance. We also encourage those who would prefer to walk the event to consider some training before the day. We hope to enter a large team of competitors so that we can continue our winning streak in the schools division. More Entry forms can be collected from Mr. Adams this week as I was inundated last week and ran out. They need to be returned to school with the correct entry fee included.

Athletics

Sadly there will be no WAS athletics carnival this year. Scheduling a date to suit all four schools proved extremely difficult due to Year 11 and Year 12 exams at different times in all WAS schools.

The ISA team will be posted on the noticeboard this week.

Training- Mr. Bailey will be available on Tuesday afternoon for any students who do not have sport training to practice for the ISA carnival. Next week when most teams will have finished their winter seasons there will be athletics training on both Tuesday and Thursday afternoon.

2014 Bathurst Rep Netball Nominations

Any girls that are interested in trialling for the 2014 Bathurst Netball Association Rep teams are encouraged to complete and submit a nomination form. The forms and trial information can be found at the Bathurst Netball Association website <http://www.bathurst.netball.asn.au/> or they can be collected from Mr. Adams.

Radio 2BS Junior Sport Report and Wet weather cancellations

We encourage everyone to tune into radio 2BS (1503AM) each Saturday morning from about 7.35am for the Junior Sport Report. Robbie Hayward, Jonty Boshier and Stephanie Ferguson all do a fantastic job reporting a range of events but mostly sporting achievements of our students. The program also is useful to get up to date information about cancellations in the event of wet weather. This week's program promises to be a cracker as all three of our students are going into the studio to play their pipes and drums. The presenters have been suggesting that the students should do it and they are going to deliver this Saturday morning. Please tune in from 7.35am.

Netball Dinner . . .

The 2013 Inwood Trophy for Scots Netballer of the Year was awarded to India Toole. Mrs Sharon Inwood was on hand to make the presentation to India.

Hockey. . .

1st XI Hockey

A charming winter's eve for our last game of the season and for several players, their last game for Scots after many years of 'penance' on Friday nights! Not quite rain, not quite sleet - a picturesque soft fluorescent light snow falling -- Oh yes, and a game of hockey.

We played well, individually and as a team but lacked the final touches in both circles. Team talk was clear and we made more conscious strategy decisions. As against the occasional unconscious decision.

The Year 12's to finish this season are: Hayden Callan (6 years), Kieran Ball (Year 13!), Kalyan Manning (6 years), Andrew Coles (4 years) and Calhan Behrendt (who has played for Scots for 9 years). It is always a big last night farewelling these players as the team leaves the field for the last time. Each of these Year 12's have the opportunity to speak and each is greeted by the other players.

Many thanks to these boys for their loyal service and I can see the possibility of them continuing this sport into the future. Thanks for the generous support of their families and friends. It has been a special time and undoubtedly built resilience to climate and fostered skill development.

Mrs Taylor and I wish them all the very best.

Mr Ian Doney, Mrs H. Taylor

Netball . . .

Scots Cuddly Cubs v Bulldog Sparkles

On Saturday the Scots Cuddly Cubs played a good game of Netta against the Bulldog Sparkles. Jess, Mia and Lily played the centre passes well, remembering to run forward on the whistle and meeting the ball half way. In defence Evie timed her passes well and Lily did a great job getting away from her opponent. They were well supported by Mia and Charlotte. In the second half Michaela and Tilly showed great teamwork and a good ability to read the game.

Well done girls on one of your best games this season. Player of the Week was awarded to Lily for fantastic defending.

Scots Cubs v Bulldog Little Gems (0:8 loss)

The Cubs had a tough game of Netta against the Little Gems on Saturday. The girls played well, using strong passes and making great intercepts. They moved quickly around the court and worked well together as a team. The girls are demonstrating a good understanding of the game and the Netta rules.

Player of the Week was awarded to Jorja and Simi. Both girls played hard, moving swiftly and making impressive intercepts.

A notice for all Netta players

There will be a netta presentation this Saturday at 1pm on court 3 after the Cubs' game. This is for all girls who have played in the netta competition this year. The girls will receive a gift, a popper, lolly bag and sausage sizzle. A team photo will also be taken.

A jumping castle will be operating between 10am - 2pm, which is free for the netta players. If any siblings would like to go on the jumping castle it will be \$2 for the day.

Scots Lionesses v OOT Eagles (15:25 loss)

On Saturday the Lionesses played an exciting game against the OOT Eagles. The Lionesses started strong, scoring three goals in the first few minutes. The first quarter finished 5:2. This panicked the Eagles as it was the first quarter they had lost all season, forcing them to rearrange their players. The girls continued to play strong in the second quarter; however the Eagles started catching up. At half time the score was 8:8. The girls moved swiftly, making strong passes, amazing intercepts and impressive shots. Unfortunately the Eagles got ahead in the third quarter and managed to maintain their lead until the end of the game.

Player of the Week was awarded to Amber for tight play and great shooting.

Scots Gold v. Collegians Fireworks

A 34-21 WIN!!!

This week Scots Gold played Collegians Fireworks. It was a game we needed to win. With strong defence and excellent attacking the team was able to come away with a pleasing win of 34-21. Great effort Gold! Best players this week to the WHOLE TEAM!

by Alice Powell

Soccer . . .

U16 Scots v. U14 Scots

The Under 16 girls played a great game of soccer. The game was a fun, enthusiastic game and the girls showed great sportsmanship. They have had a wonderful season and will do well in their last few games. Well done and best wishes!

Best performances this match: Kanja LeRoux for excellent attack of the ball in mids and Edith Lennon for trying forward and having a few excellent shots.

Scoring for Scots: Maddison Hohnberg (1); Lucy Blackmore (2); Emma Harley (1)

Miss A. Dunkley (Coach)

Rugby Dinner

Rugby Dinner

Last Saturday's Rugby Dinner was another great success and a credit to the hard work of the Friends of Rugby and all the other parents who helped to make the evening a special event for the boys. Thank you to all the parents involved in collecting things for the auction, which was also very successful. Thanks goes to Mr Stuart Ogilvy for arranging our guest speaker, Mr Tim Gavin to come to speak to the boys. His talk was amusing, though also showed the real value of playing rugby and the benefits it brings throughout life. I would also like to thank Mrs Shillabeer for her work with preparing the programmes.

I would also like to take this opportunity to thank all the parents who have helped out during the season at the canteen and BBQ.

Thank you to Mr Adams for his support of the Rugby programme along with the coaches Mr Dawes, Mr Bailey, Mr Hayward, Mr Marshall and Mr McLaren, and to all the players who have been so committed throughout the season which has contributed to a successful season.

Mr Richard Mottram
