The Scots School Music Department,

The Pre-Kindergarten Students,

The Scots Junior School and The Scots Senior School.

All are welcome.

To Ponder . . .

*Whoever walks with the wise becomes wise,
but the companion of fools will suffer harm.*

... Proverbs 13:20(ESV)

For a long time psychologists have told us that what we believe and value is very contingent on the company we wish to keep. The Wise Teacher has been warning us of this well before Social Scientists began their work.

Who do I want to be?

Who do I keep company?

... Chaplain

From the Headmaster . . .

The Scots School Bush Fire appeal concluded on Thursday with the post examination Senior School Social. Thank you to Mr Dawes and the Year 11 monitors for your work in organising this event. Over the four weeks of the Bush Fire Appeal at The Scots School approximately \$5,500 was raised through a mufti day, three cake stalls, the P & F Variety Concert and BBQ and the Senior School Social. Our students were particularly proactive in this endeavour and I commend them for their enthusiasm. A cheque will be sent to Presbyterian Social Services this week as our school's contribution to the work they do to assist those in need following the recent bush fires.

Congratulations to Mr Adrian Lee who has accepted a position as Head of English at Orange Anglican School from the beginning of 2014. Mr Lee has been a teacher at The Scots School for 10 years and held a variety of senior leadership positions in his time here. Currently, he holds the positions of Stage 4 Coordinator and Head of HSIE. He has been a committed and enthusiastic staff member who has impacted on the lives of many students during his time here and made a very valuable contribution to the school community. I wish him all the best for this new opportunity.

I wish to thank all our parents who have supported our Country Visits this year. These visits allow us to catch up with current parents in their home town and to also meet prospective new families often invited to attend by parents happy to support The Scots School. This year we have made visits to Gulgong, Dubbo, Narromine, Cobar, Parkes and Cowra. Last Friday night Mrs Fleming, Mrs Ireland, Gillian Gates and I enjoyed a wonderful evening at the Japanese Gardens Café in Cowra. We will make a similar number of Country Visits to different towns next year and welcome any suggestions or invitations from our rural families. Please contact Mrs Ireland on lireland@scots.nsw.edu.au with any suggestions.

I encourage the school community to attend Drinks & Nibbles in the Quadrangle on Tuesday 19 November to thank Ross Andrew and Michael Ireland for their service to the school community as the outgoing President and Vice President of the P & F.

The Battlefield Band from Scotland is touring Australia and will be in Concert in the Aikman Hall at The Scots School on Wednesday 20 November at 7pm. The Battlefield Band has been Scotland's great flagship Pipe Band for four decades and has toured Australia and performed at The Scots School previously.

“Battlefield Band’s ever-fierce instrumental dynamic, with bag pipes and fiddles to the fore, exhibits the intuitive interplay and understanding between world class musicians, while their songs of social history, plaintive ballads and songs from the Scots Gaelic tradition are as powerful, relevant and moving as ever.”

This event is a Bathurst community event so please let others know so they don't miss out on this fabulous night of entertainment. Tickets are available from Lynda Ireland on lireland@scots.nsw.edu.au or by contacting her at school.

I encourage everyone to plan to attend the Cadet Ceremonial Parade and Carols on Thursday 5 December. The Ceremonial Parade is at 4.30pm and the Carols from 6-7pm. The Carols is earlier this year and shorter so it won't be a late night for little children.

The Friends of Junior School will provide a BBQ which will be available between 5-6pm and following the Carols at 7pm. The Carols are a community event so please invite your friends and neighbours to this event.

Have a good week...

David Gates

From the Deputy Head . . .

The last three weeks of term are a very busy time for us all. Staff will be continue to push through the academic programme and specific initiatives are in place for selected year groups and/or all students Years 7-11. Therefore, it is not expected that requests for early leave will be received.

Year 10 First Aid

Students in Year 10 have completed the on-line component of their first aid qualification and are, on Monday, 18th November, completing the practical component. This is a wonderful qualification for students to take into casual employment or a GAP year.

House Drama

All students Years 7-11 will participate in House Drama on Friday, 22nd November. This is a wonderful performance opportunity for every student in the secondary school and I urge all to participate with gusto.

Year 10 Peer Support

Peer Support training will occur at BMEC on Tuesday, 26th and Wednesday, 27th November. I think it is important that all students work towards this qualification

which is about mentoring others, personal decision making, and the development of leadership skills.

Year 11 Resume Preparation

On Friday, 29th November all students in Year 11 will take part in a resume preparation and training day. On this day they will identify the key components of resumes, and prepare a personal resume. This is a vital part of their preparation for Year 12 placement and it is great that we can provide for this at school.

Ceremonial Parade

All students Years 8-10 and the Cadet Leaders are working very hard to present a splendid Ceremonial Parade on Thursday, 5th December. Reliable and enthusiastic attendance at cadet parade each Wednesday in the lead up to this date is vital to the success of the parade.

Carol Service

Mrs Garland and the musicians are hard at work preparing for the carol service scheduled for Thursday, 5th December.

Awards Assembly

I remind parents that they are cordially invited to the annual awards assembly for students Years 7-12 scheduled for Thursday, 5th December at 12:30 p.m.

Speech Day

Please book the date Friday, 6th December. Students are expected to be seated by 10:30 a.m.

Reverend Angus Ewin 50 Years of Ministry

A service to commemorate the 50th anniversary of the ordination of the Reverend Angus Ewin to the Presbyterian Church was held yesterday at the Old Bowenfels Church, Lithgow. Reverend Ewin is a past chaplain of our school and member of the school council, and was minister at St Stephen's Presbyterian Church in Bathurst.

Pictured here is Reverend Ewin with his grandson Robbie Hayward and Jock Mackenzie, former pipe band teacher at Scots, who piped the official party into and from the service.

Senior School Social . . .

Thank you and congratulations to the SRC and Mr Dawes for organising the excellent social held last Thursday evening in Aikman Hall. The Hawaiian theme seemed to bring out the best of those souvenir shirts everyone seems to have lurking in closets. So it was a bright and fun night for all the students who attended.

Peter Deacon and Mr Hayward - the height of Hawaiian fashion!

Intensive Swimming Lessons

Teachers report a huge improvement in their students swimming ability. Lots of bubble blowing and kicking in Kindergarten, stroke correction and water safety in Stage 1 and a focus on speed and swimming stamina in Stage 2. A reminder that all girls need a swim cap. Please remember to label all belongings. We look forward to another beneficial week.

Year 6 Activity Day

Plans are well under way and Year 6 are busy coordinating some great activities. If you have not done so please remember to return note and \$10 for lunch and activities.

Mexican Fiesta

We are all looking forward to visiting Lithgow campus on the 3rd of December. All class teachers will accompany their classes and we will all travel by bus. Please remember to return the permission note and \$5.00 to cover lunches.

Pre-Kindergarten Orientation.

Last Thursday Mrs Chapman, Mrs Fabris and Mrs Pryce welcomed the 2014 Pre Kinder Students. The Junior School had little visitors upstairs busy with activities. They were all so quiet we hardly knew they were there.

Kinder Fishing Trophy

Today we had the Western Advocate and Mr Jim Beatty from the RSL Fishing Club presenting the winning Fishing Trophy to Kindergarten boys. They received this for catching the most carp in the annual Carp Blitz.

Pre-Kindergarten

Pre-Kindergarten Highlander Term 4 - Week 6

Learning Program- We have now finished all of our sounds in the Jolly Phonics Program. The children have worked exceptionally hard throughout the year to learn the fun actions to help with the retention of the alphabet sounds. If you don't have a copy of the complete order of sounds with picture actions, you can collect one from the front sign-in table for holiday revision. This week we will continue to revise these sounds and number concepts. For morning craft we will be having lots of fun with paint, cooking, collage and maybe even some Christmas Concert props!

Orientation Program- This week we will continue with our Orientation Program. Pre-Kindergarten will welcome their new students for 2014. We are excited to meet all of the new children and have planned some great experiences for them. Our current students will have a fun-filled day of activities with Mrs Munday, Miss Holden and Mrs Horton.

Ice Blocks- For the duration of term 4 students are able to buy water ice blocks on Mondays, Wednesdays and Fridays at lunchtime for 50 cents.

School Hours- Just a reminder that our operating hours in Pre-Kindergarten are 8.30am-5.00pm. After-school care pick up time is **5.00pm**. We would appreciate a courtesy call if any parent may be running late. Thank you!

Milo Kanga Cricket- This week the children participating in the Milo cricket program continued with their skills-based rotation games and are becoming more accurate with their bowling and batting skills. We even had time to have a mini game of cricket to put all of our skills into action! Please remember to bring a hat and a drink bottle each week. Children without a hat will not be allowed to participate.

Pre-Kindergarten Christmas Concert - The school year is rapidly coming to an end and we would like all of our Pre-Kindergarten parents and friends to save the date for our Christmas Concert.

It will be held on **Tuesday, 3rd December at 6pm** on the grass in front of the Performing Arts Centre. Invitations have been sent home and we look forward to seeing all of our families and friends for this celebration.

Secondary School Sports Bulletin Week 6 Term 4

Smartplay Sports Medicine Series

This week is our final sports medicine sport safety fact sheet for the year relating to Protective Equipment. At assembly last week I addressed the students about the importance of remaining safe when training for and participating in sport. Our main goals for this term are for all students to have a hat and sunscreen on for outdoor sports training and games and that all students have a water bottle for training.

Gear Up - Your guide to protective equipment

Don't put your body on the line for sport when protective equipment can save you from injury.

The facts

- Protective equipment should be worn at all times (training and games).
- It should fit correctly.
- It is important to regularly check and maintain protective equipment.
- Try out equipment prior to using it in competition or training.
- Equipment should be specific and appropriate for the sport, size, and age of the athlete.
- Equipment should always be used according to the manufacturer's guidelines and the recommendations of the sporting body concerned.
- Remember injuries usually mean time on the sideline - prevention is the key.

Examples of protective equipment: Summer sports

- Padded body protectors help to protect the trunk, particularly the chest area, from impact injury in sports such as cricket (wicket keeper).
- "Boxes" for boys in sports such as cricket and hockey are essential to protect the genitals.

Helmets

- In sports where high-speed collisions are likely (e.g. motorcycling, cycling) hard-shell helmets are of proven value.
- In sports that have the potential for missile injuries (e.g. cricket) or for falls onto hard surfaces (e.g. cycling and equestrian) specific helmets can reduce head injuries.
- Helmets should be approved by the sporting association concerned.

Ankle taping and braces

- Ankle taping and braces can protect the ankle from injury when an athlete lands awkwardly.
- They can be used to protect a previously injured ankle when a player returns to sport.
- Ankle braces and tape can be purchased from your local pharmacy or sports store.
- For advice about what type of braces to buy and how to tape effectively, contact your local sports physiotherapist, sports doctor or sports trainer.

Gloves

- Protective gloves help to prevent bruising and fractures of the fingers, thumbs and hand in sports such as cricket, baseball and softball.
- Gloves can also protect the hands from blisters in equestrian sports.

Mouthguards (basketball)

- If participants are involved in sports where they are at risk of a blow to the head or face from either opponents or equipment, they should wear a properly fitted mouthguard.
- A mouthguard correctly fitted by a dentist will protect teeth, stop biting into the lips and act as a cushioned layer between teeth to reduce the risk of concussion and jaw fracture.

Mouthguards should ...

- Fit the mouth accurately.
- Allow normal breathing and speech.
- Be custom designed and fitted by a qualified professional.

Footwear

- Footwear that fits correctly and is designed for the specific sport or activity is essential to prevent many injuries. Important features of correct footwear include:

Fit, cushioning and stability

- See a sports podiatrist for more advice on specific foot problems and the correct footwear for you.

Game v St Pats at Eglinton

TSS94 & 6/116 (45), St Pats 4/306 (50)

1ST innings win to St Pats

Although in a very strong position to push for an outright win this week St Pats choose to continue to bat out their 50 overs. This week our bowlers were much tidier and bowled generally better line and length. Hamish (4.0.0.8) led from the front again Oli (4.0.0.12) bowled with increased pace and Wes (3.0.1.7) put in a great come back spell after a wayward performance last week. The stand out bowler of the day however was Jack Morrison (3.0.2.16) who bowled some lovely leg spin including bowling a batsman around his legs as he tried to sweep; the classic leg spinners wicket.

When our time came to bat the key issue was to remain not out at the end of 25 overs in order to avoid the outright defeat. Sam Flude (23) & Oli Simpson (27) batted well although Mr Lee discovered some new grey hairs after our middle order jitters came to the fore again! Aiden Telfer batting down the order this week strode to the wicket and took the game away from St Pats with a quick fire 40 (including 7 fours and a six) before he closed up shop and he and John Oh saw us through to stumps.

A much improved performance this week and lots of encouraging signs for our next game although we really need to work on shot selection for the top order batsmen to capitalise on good starts.

Mr A Lee
Coach

1st XI vs St Stanislaus College

A cool Saturday for the boys was a welcome change and the whole team was eager to improve on the past game against Stannies. Losing the toss and being sent into bat, the boys once again struggled in our top order, giving the opposition far too many catching opportunities - opportunities they took! It was not until Tristan Baker came out to save the day with his awesome 'big bash' style, that we began to see some runs on the board. Then Josh DeBoos came to the crease and in combination with Tristan they made a good team with Josh hitting arguably the best 4 of the day.

Unfortunately, with our top order out far too early, we only reached a score of 70 when our last wicket fell.

An hour long session before lunch was announced so the 1st XI went out to field. Opening the bowling was Lachlan Marshall who began with a maiden. Luke Newman, Jonty Boshier and Patrick Harris bowled also but were unable to find elusive wickets. Lachlan Marshall in his fifth over of bowling had a breakthrough, as did John Mair, well done to the boys.

Best bowling figures went to: Lachlan Marshall (1/15 off 8) and John Mair (1/7 off 2)

Well done to all the boys for keeping their heads up and putting in a solid effort in a hard game. Lots to work on in the nets!

Thanks to Mr Mair, Mr Marshall and Mr Adams for their efforts on the day.

Second Hand Cricket Gear and Uniform Items

Are you looking for cricket gear? Remember the uniform pool has supplies of shirts, pants, bags and some junior bats and pads that might make good spares or training gear.

There is also good stock of all other major uniform items such as pinafores, kilts, blazers, grey pants, jumpers and sports uniform.

See Kathy Weal in school hours at the Uniform Shop, or contact Genevieve Spence for more information (0400 446 219; treasurerscotspfa@gmail.com)

Basketball . . .

Scots Black v. This Court

After a slow start the girls found some form and spent most of the game around 10 points behind our opponents. This was a much improved performance compared to our last encounter with this team. Lucy Blackmore found some excellent space and Ellie Fricker grew in confidence as the game progressed. The girls are improving week to week. They know they need to stick to the game plan for the entire game and are working towards this. Thank you to Angus Inwood and Jack Bird for doing the bench.

Result: a 42-27 loss. Best player Ellie Fricker.

Ms Rachel Hughes (Coach)

Scots Gold v. Hopscotch Mafia

In a very physical game the girls played well against much bigger and stronger opponents. Pip Shephard and Mem Spence took some very heavy knocks and were fouled for their trouble. Natalie Bowles found some space around the key and kept us in the game. Our defensive effort continued to turn the ball over but we couldn't capitalise with points. Stronger passing and shooting to score are the two areas where we may improve.

Result: 36-22 loss Best player: Natalie Bowles

Ms Rachel Hughes (Coach)

Scots Razors v. Hurricanes

The team played well but need to implement the skills and structures worked on in training. It is good to see a building of team structure with players starting to learn each other's play.

Result: a 39-19 loss

Scots v. Kinross 2

Although they did not win their matches, Joshua Woods, Joshua Rosin, Joe Harley, Ben Dickenson and Junsu Jim all managed to win games against a very strong Kinross-Wolaroi side. This was very pleasing indeed.

Result: A win to Kinross 2

Scoring for Scots: Jack Bird (won his singles and doubles)

Mr Maher

Touch . . .

Scots v. Kinross

On Saturday the junior and senior girls played against Kinross Wolaroi in Orange. It was a difficult day against the strong Kinross teams.

The junior team which is predominantly Year 6 and & Year 7 girls played very well against much more experienced Kinross girls. Despite not managing to score a try they worked very well together moving the play down the field and defended strongly. The flare, evasive skills and speed were the difference in the end with the score being about 6 nil. Most outstanding performers were Gabby Boshier, Gab Morrison, Matilda Ryan and Genevieve Gates.

The seniors had a very tough match. The speed and skills of the Kinross girls torn us up through the middle and we seemed stationary in attack. The score was very lopsided but Mickaela Warry did manage to record a try for us. Best players were Daisy Hibbert, Rachel Hibbins and Maddy Hohnberg and they were well supported by Zoe Behrendt and Emma Harley.

Adopt a Hero

o u " O domestic Twenty20 competition.

Australian players such as Michael Clarke and David Warner are Thunder players. The Thunder have a new

program called adopt a hero for schools.

Our allocated player is Daniel Hughes a young player from country NSW who is just starting out on his big time cricket career. You can read more about Daniel at <http://www.sydneythunder.com.au/team/player-profiles/daniel-hughes>

Soon we will be receiving a schools pack from the Thunder and we hope to spread the good word about cricket even more.

Fishing . . .

The Scots Kindergarten team won the Bathurst Carp Blitz last week and were most excited to receive their trophy. Well done to all our little fishermen! And thank you to the parents who supported the team.
