Guardianship Requirements

Guardians act on behalf of parents for their children while they are away from home. The Scots College requires that parents who do not live in Australia appoint a suitable adult resident in Sydney as a guardian (to act in place of the parents). Every student with parents living out of Australia, especially those students who are residents of a Boarding House, must have a guardian who can be contacted by the College to give written, or in an emergency, telephone, permission for leave, outings or medical assistance. This adult must be appointed in writing by the parents and must sign the Guardianship Form attached accepting responsibility for the student.

Who Makes an Ideal Guardian?

All new students will be homesick. They are in a strange environment, experiencing a very different culture, making new friends and starting a new school, sometimes in a foreign language. Good guardianship can be a tremendous help in coming to terms with this new situation.

A Good Guardian is One Who:

- Takes an interest in children.
- Can provide the student with accommodation for boarders' free weekends and holidays.
- Has a compatible home environment, preferably with other children of a similar age group.
- Is willing to act as a parent by attending the College to support the student at Parent/Teacher evenings, concerts, plays, Speech Day and sports events, to name a few.
- Has the ability to deal with events as they arise, perhaps organising travel, advising on personal matters etc, visits the Boarding House and works collaboratively with Boarding Housemaster and staff.
- Takes the student out for a meal or excursion from time to time.
- Is willing and able to work with the College Clinic in looking after the student during a period of ill health.

Expectations

The College expects guardians to act in place of the parents. Among other things, guardians are expected to:

- Collect junior students from the Boarding House for any leave.
- Be the first point of contact when problems arise.
- Communicate information to the student's parents.
- Exercise proper care when the student is with them; e.g. by limiting the times he travels by himself on public transport, by restricting excessive socialising during the weekends so he returns ready and able to cope with his school work on Mondays.
- Sign all leave forms and take responsibility for the leave requested.
- Ensure that all extra tuition undertaken by the student out of school hours is valid and beneficial.

The Headmaster is the Chief Executive. In the Conditions of Enrolment, references are made to the School Board, the School and the Headmaster. In all cases, the Headmaster is the delegated authority for the School Board and for the School. All notices and advices should be directed to the Headmaster.

- The Booking Fee accompanying this application is non-refundable.
 - A deposit is required upon acceptance of enrolment. This deposit is refundable upon written application one month after the end of the School Term in which a student leaves. The School may, at any time, apply the deposit to meet any outstanding School Fee or charges. If the deposit, or any part, is so applied by the School during or after the termination of enrolment, then the balance, if any, of the deposit shall be refunded. The deposit will not be refunded if a place is accepted but the student does not subsequently attend the School
- The School Fee referred to in these conditions include Tuition Fees and Boarding Fees (where applicable).
 - The School Fee is an annual fee which, for the convenience of parents, is charged in four equal instalments (with the exception of Year 12 students who will be charged in three equal instalments). Fees are payable at the commencement of each term and shall be set from time to time by the School Board. Failure to pay fees, when due, may result in a student's attendance being suspended or enrolment terminated.
- For Overseas Students two Term's notice in writing of intention to withdraw a student from the School must be given to the Headmaster and such notice must expire at the end of a Term, unless such requirement is waived by the Headmaster. Such waiver will only be granted in the event that the Headmaster considers that unavoidable circumstances exist causing the termination of enrolment.
- Upon withdrawal of a student, the following rules shall apply:
 - where notice required by Clause 3 has been given, fees shall be payable in respect of the period given by the notice.
 - where less than the notice required by Clause 3 has been give, two (2) Term's fees in lieu of notice will be payable.
- A full Term's notice, in writing, of intention to change the status of a student from Boarder to Day student must be given to the Headmaster and such notice must expire at the end of a Term, unless such requirement is waived by the Headmaster.
