## To Ponder . . .

Jesus has begun his ministry, and not long after his first miracle of turning water into wine, he heads to Jerusalem for the Feast of Passover. However, when he arrives in Jerusalem and enters the Temple and drives out the people who are trading.

*So the Jews said to him, "What sign do you show us for doing these things?" Jesus answered them, "Destroy this temple, and in three days I will raise it up." The Jews then said, "It has taken forty-six years to build this temple, and will you raise it up in three days?"*

*But he was speaking about the temple of his body. When therefore he was raised from the dead, his disciples remembered that he had said this, and they believed the Scripture and the word that Jesus had spoken.*

... John 2:18-22(ESV)

From the very beginning – Jesus’ passion was for us to have access to God. First he clears out the Temple so all people would have a place to draw near to God in the Temple but ultimately Jesus would die and rise again so that anyone in Jesus can have free access to God.

### *From the Headmaster . . .*

What an amazing weekend for our school! The weekend commenced with our Cattle Team at Blayney Show where tremendous commitment from Mrs Libby Dawes and the Cattle Team was rewarded with some outstanding results. This was excellent preparation for the Sydney Royal in two weeks with Grand Champion Limousin, Grand Champion Steer, Grand Champion Parader with Tyler Comerford (Year 11) and Grand Champion Junior Judge with Stephanie Ferguson (Year 10).

The Old Boys and Girls Association held their AGM on Saturday afternoon with Ian Quant (1985) reelected as President and Tess McPhee (2008) reelected as Vice President. Committee members are Michael Inwood (1984) and David Flude (1986). The Old Boys and Girls Committee have many outstanding plans for the next few years including a very big 70<sup>th</sup> Anniversary celebration to be held at the Highland Gathering in 2016.

This was followed by the Ceilidh put on by the Friends of Pipes and Drums. The threatening weather forced us all indoors but the entertainment and food was first class.

Sunday was a glorious autumn day with only a 15 minute rain shower in the afternoon to dampen proceedings for a short while. I am very grateful for the enormous commitment of the Highland Gathering Committee lead by Lindsay Wilde (President of the Parents and Friends), the Friends of Pipes and Drums and the tremendous support of parents, grandparents, students and staff to enable the weekend to be the fabulous event it was. I wish to thank everyone involved who organised stalls and activities, put up tents and did a great deal more besides, often behind the scenes, to ensure the success of such a large undertaking.

One of the great things about Scots is its tremendous sense of school community and the commitment of so many people to this school. Such an example of commitment is a wonderful example to our children in terms of what it means to be part of a community and to give generously for the greater good. This is part of the important character mission of The Scots School which prepares our students for a life of service beyond school. We expect our students to do their best, to be a team player, to do things they don't necessarily want to do and to not be afraid of facing challenges. When children see the commitment of parents and staff of the school and the obvious alignment of values between the two, the message to them is clear.

There were many highlights at this years' Highland Gathering. Once again The Castle was a perfect backdrop for the Pipes and Drums with a big crowd in attendance to enjoy the competition. I wish to thank the team of dedicated parents, students and Old Boys who erected and dismantled the Castle. Our own Pipes and Drums under the leadership of Gil McKenzie represented the school admirably. I wish to thank Mr Michael Ireland as MC for the Ceilidh and Pipes and Drums Event Coordinator for the Pipe Band Competition on Sunday. The Equestrian Show Jumping was bigger than ever with competitors coming quite a distance to enjoy our wonderful event under the leadership of Mrs Libby Dawes. Other highlights included the mass bands performing together at the closing presentation, the role of our cadets in the Flag Raising Ceremony, the inclusion of a tent for the Old Boys and Girls Association under the leadership of President Mr Ian Quant and the graphics display of the new Scots Pavilion.

It was an honour for me to be able to share the day with Mr Mike Stubbings, the Chieftain for the 2014 Highland Gathering. It was also good to be able acknowledge Mrs Betty Ives' 50 year association with The Scots Schools and to reaffirm her value as 'Highly Esteemed Visitor to the School.'

It was a great weekend. Thank you everyone for the part you played.

Have a good week.

## *Letter from the President of the Scots School P&F*

I think we should all celebrate another wonderful Highland Gathering. It was a day full of activity and colour with the band competition, equestrian and field demonstrations of dance, gymnastics and martial arts.

I would like to thank all who took part in the day. This is a whole community event and does not happen without the help and participation of everyone. From the proud way the students take

to their duties and the professionalism and enthusiasm of our teachers, to the willing parents and grandparents pitching in on the BBQs, school stalls, band competition, equestrian and all the events that take place on the day and the girls of the OBGA who kept the crowd informed throughout the day. Also to all the people who came through the gate and shared this special day, even with the "Scottish Weather" we had for a while in the afternoon.

I'd like to thank the dedicated parents who prepared the grounds and organised the food and drinks for the Highland Gathering. Without this group the day would not be what it is. The castle building team once again provided the spectacular centre piece for the day and had great fun along the way. I also appreciate all those who helped at the end of the day with the important clean up and pull down to ensure the day comes to a clean end.

I'd especially like to thank the parents who came early and stayed late on the day and filled in all the tiny details necessary to make the day go smoothly. From keeping the grounds clean and running power to stocking stalls, manning gates and treasury and all the other jobs. They miss out on much of the fun of the day but without them the Highland Gathering would not be what it is.

Thank you all and see you all there next year.

*Lindsay Wilde*

The Scots School Castle -- once again, thank you to all the parents and sponsors who helped to construct our amazing castle. It looked wonderful on the day!

# Junior School News . . .

## **Highland Gathering**

Congratulations to the Scots School Community for a fantastic day on Sunday at the annual Highland Gathering. Thank you to the hard working committee who made it possible through months of planning and the parents who have contributed in so many ways to make it such a success. Apart from the raising of funds for our new sporting pavilion, it was wonderful to experience the shared sense of pride in our school and the team effort from everyone in the community including students, staff, parents, friends and family. The Pre Kindergarten and Junior School Art Gallery was visually stunning with an incredible display of art works by our talented children.

## **HICES Debating**

Our Stage 3 team will have several new speakers on Wednesday as they head into the next round of debating against Kinross. They will be attempting to convince the audience that social media sites are good for kids. We wish them well in this endeavour!

## **Cross Country and Fun Run**

This year we have teamed up with Relay for Life to raise money for the Cancer Council, with funds raised remaining in the Bathurst community. Sponsorship forms are attached to the Cross Country note and should be returned in a separate envelope with money enclosed. Relay for Life is very excited about our involvement and will come to our assembly next term to acknowledge our support. Children and parents may wear a touch of purple on the day to show their support if they wish.

## **A Review of Tashi**

On Tuesday 18<sup>th</sup> March, the Scots Junior School went to Bathurst Memorial Entertainment Centre to watch a play called Tashi. The first story they performed was

called Tashi and the Mountain of White Tigers. In the village where Tashi lived, their landlord the baron tripled the rent. Tashi battled boulders, dark tunnels and fierce white tigers to get enough gold to buy all of the houses and save the villagers. The second story was called Tashi Lost in the City, where Tashi was abducted and taken to the salt mine prison before escaping.

The setting was very simple and creative with a spotted background, Chinese lanterns around the audience and oriental poles on either side of the set. The scene changes were based on light and sound with patterns through the lights. The lights were enhanced by smoke as fog on the mountain and fire in the dungeon. There were four actors playing several roles, changed by one clothing item. The sound was created by the technician and actors. There was a lot of narration by Tashi to keep you up with the story and lead in to the next scene. It was made funnier by the actor's voices and dance scenes.

Overall, it was a funny play with good use of resources, comedian like actors and a good story line.

## **BOOK CLUB**

A BIG thank you to everyone who put in an order through Book Club. We have broken all records from the last 3 years and ordered an amazing \$1963.50 worth of books! All orders have been submitted and will be returned to students this week.

### Scots Black v. Best Friends

Last game of the season, and the last game for our Year 12 players. The boys continued on with their excellent play from the last few weeks. Whilst we were up against a tough opponent, the team played their hardest for the entirety of the match. Special thanks must go to Robbie Hayward and Peter Deacon for their long-term contribution to the sport and Matt Cheon for his dedication since joining the team last season.

*Mr Geoff Hayward (Coach)*

### Scots Razors v. All Saints College

A nail-biting game that we won in the last minute. Throughout the match the lead changed several times with neither team being able to get ascendancy. With the score at 25-all, we had two free throws, gaining a one-point advantage the boys successfully shut the game down until the clock ran out.

Result: a 26-25 win.

*Mr Geoff Hayward (Coach)*

### Scots Gold v. Fireworx

In our final game of the season the team came up against our old foes, Fireworx. It was always going to be a physical game and the girls stood up well in the first half. In the second half we ran out of puff and our opponents scored some quick points. Nat Bowles and Flick Walker defended strongly and Tyla Comerford found some open space under the basket. Thank you to all our regular supporters and to the girls for a wonderful season.

Final Score: 12-31

*Miss Rachel Hughes (Coach)*

### Scots Black v. This Court

In our final game of the season we came up against competition leaders. Lucy Blackmore, the shortest player on the court, contested the opening jump ball and to everyone's surprise, won it. Mollie and Ellie Fricker found some space early on, but this was eventually shut down. Congratulations to our six Year 12 girls: Mollie Harley, Ellie Craft, Maddie Hohnberg, Lucy Woods, Lucy Blackmore and Brooke Andrew, and our two year 11 girls, Jess Morrison and Ellie Fricker on a hard-fought season. Thanks to our regular supporters, especially Jack Bird and Angus Inwood.

Final score: 12-35

*Miss Rachel Hughes (Coach)*

### Scots Slammers V the Devils

In their last match of the regular season, the Slammers faced off against the Devils in a match of high intensity. The Slammers were slow to start, not making an impression on the scoreboard until Georgia Flude sunk a penalty shot. Points remained hard to come by throughout the first half and the girls went into the break trailing. Determined to take the match to their opponents in the second half, the Slammers managed baskets through Gwen Towart and Alice Powell. Sarah Driver and Kate Larkings were strong in defence and Rion Nebu, Nastasia Reynolds and Emelia Inwood were relentless in attack but ultimately the Devils proved too strong.
