To Ponder . . .

God's love for us is not principally demonstrated in our experience... how I feel can change with my breakfast menu or how much sleep I have had. No, God's love is established, not in our genuine ups and downs, but in the reality of His Son's life laid down for those who trust in Him.

By this we know love, that He [Jesus] laid down His life for us, and we ought to lay down our lives for the brothers. But if anyone has the world's goods and sees his brother [or sister] in need, yet closes his heart against him, how does God's love abide in him? Little children, let us not love in word or talk but in deed and in truth... And this is his commandment, that we believe in the name of his Son Jesus Christ and love one another, just as he has commanded us. Whoever keeps his commandments abides in God, and God in him. And by this we know that he abides in us, by the Spirit whom he has given us.... 1 John 3:16-18, 23-24 (ESV)

Love in deed and in truth as we are called to live a life given over to Jesus; the one who loves.

PARENT WEEKEND CHAPEL SERVICE

God is Faithful: David and Goliath!

On Sunday the 25th of May, 9:30-10:45am, our school community is having a K12 Family Chapel Service and morning tea as part of the Parent Weekend. It will be a showcase of our regular Chapel Services each Thursday with a little extra! Because this service involves all of the Junior students the talk will be modified to be more inclusive for the Junior students... If (K6) students would please arrive 15min early in full school uniform and sit together up the front I would really appreciate it!

Friends of Pipes and Drums Meeting

Meeting to be held at **5pm Wednesday 28th May** in the School Library.

As discussed at our last meeting, we are trying to organise phone/skype connection for those who are not able to be at the meeting in person. Please contact me on 0428 620693 if you would like to connect in.

Thank you,
Lynda Ireland

From the Headmaster . . .

It was a real delight to be able to attend the Bathurst Highland Society Debutante Ball on Saturday night. Our debutantes and their partners all presented well and clearly showed the benefit of attending rehearsals every Monday night for about eight weeks to prepare them for the formalities and to learn the dances. The Scots School also had a good contingent of support from family and friends who thoroughly enjoyed the night. Thank you also to Mrs Gillian Gates who transported all the boarders every Monday night to enable them to be a part of this special event.

Congratulations to the following debutantes and their partners: Chelsea McKay and Hamish Andrews; Jessica Morrison and Hikari Hashida; Sophia Iwasaki and Hugh Lennon; Alice Gates and Shinya Nakayama; India Toole and Tom Simcock; Ellie Fricker and Zachary Telfser.

It was also good to see Matilda Fitzgerald (Year 2) who performed a number of solo Highland Dances as part of the entertainment at the Debutante Ball. Matilda has enjoyed a good deal of success recently taking out five first places as well as overall aggregate winner at the Mclean Highland Gathering. Matilda also took part in the NSW State Championship late last term where she took out a state sash as beginners' point score winner while also winning two firsts a second and a third in her competition dances.

The Music and Drama Department has been working very hard of late in preparation for the School Musical for the Parent Weekend. The Musical is 'Summer Rain' with performances including a Friday afternoon Matinee, Friday Night and Saturday Night performances. Please support the students who have worked incredibly hard, under the guidance of Miss Alex Dunkley and Mrs Denise Garland, in preparation for the musical.

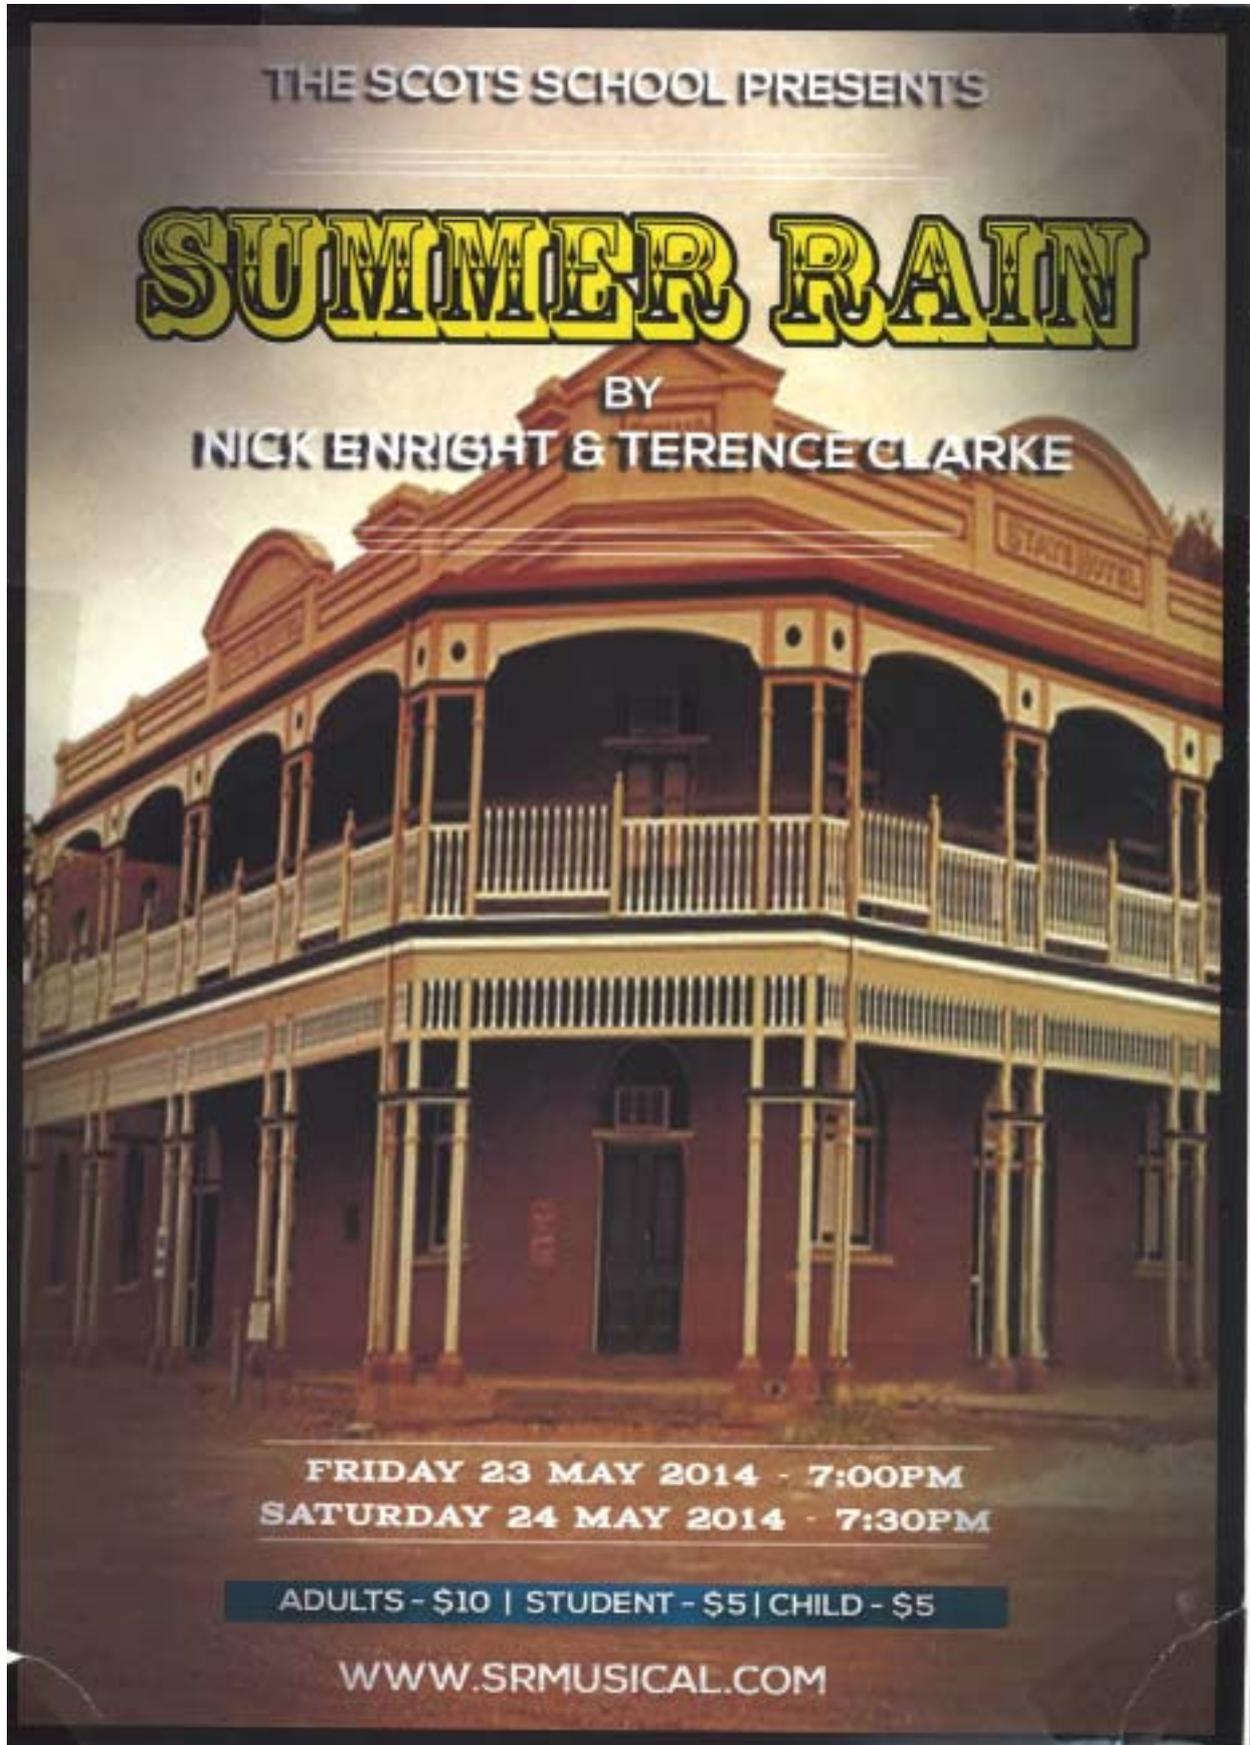

Mr Colin Langford, accompanied by Mrs Margaret Langford, will be visiting The Scots School on Thursday 22 May in his capacity as the Moderator of the Presbyterian Church in NSW. Mr Langford was the Chairman of the Scots School Board for almost 17 years until he stepped down from this position in May 2013 to take up the position as Moderator. He will be addressing the Senior School at Chapel whilst he is here.

Term Two is very busy with a myriad of wonderful opportunities available for our students and examinations for Years 7-11 over the next few weeks. Apart from the opportunities of the regular weekly sporting program, students are involved in the musical, HICES Debating, Inter School Chess, Junior School HICES Cross-Country, AICES Representative Girls' Soccer and the Equestrian Team are preparing for the North West Expo in Coonabarabran coming up shortly.

This weekend is the Term Two Parent Weekend. These are very important occasions in the life of our school. The Parent Weekend provides an opportunity for all of us to join together to watch sport, or for this weekend the School Musical, and to come together for the Parent Weekend Chapel Service at 9.30am on Sunday. I remind parents that this is a compulsory event for all students and leave must be applied for to the Headmaster well in advance, for very special circumstances.

Have a good week...

Upcoming Parent Weekend

I issue advanced notice of the Parent Weekend 24th and 25th of May. This weekend is very exciting because on the evenings of Friday the 23rd and Saturday the 24th the school musical "Summer Rain" will be staged.

I wish to commend the students involved in the musical. We have some marvellous voices this year and high level participation across both boys and girls Years 7-12. Mrs Garland and Miss Dunkley have been working very hard to present this musical to the school body.

Examination Notifications

This week students in Years 7-11 will be issued with their examination notifications for all courses. These examination notifications indicate the areas to be tested, the question types and mark allocation. Students are urged to consult these examination notifications and to institute an appropriate study programme. Examinations will be held beginning Thursday, 29th May for Years 10 and 11, and beginning Friday, 30th May for Years 7,8, 9. All examinations will conclude by Wednesday, 4th June.

Year 12

Year 12 appointments are being held after school and are continuing through the end of Term. These appointments have proven very valuable across the last eight years in providing assistance to Scots families in future planning for their students. There are only a few parents who have not yet made appointments and I would ask them to contact Mary Jo Shillabeer on 6333-4711 to book a time.

GAP Placement with Lattitude

Year 12 will be visited by Lattitude Gap programme during Stage meeting this week on Tuesday. Lattitude provides an excellent GAP opportunity and several past students from Scots have undertaken the programme with Lattitude.

Young Life - Term Two at Scots
Mondays @ 3:45-5:15pm

Young Life is a great opportunity for our school so please encourage your High School age children to be involved.

Young Life seeks to instil a sense of purpose, meaning and values in teenagers to grow resilience academically, emotionally and socially. This is achieved by giving young people the opportunity to connect with adults who model the love of Jesus Christ.

Apart from the cost of camps, everything Young Life Australia does is free of charge. And everything they do is driven by earning the right to be heard, and then providing friendship, leadership and guidance, when young people need it most.

Whether teenagers are seeking empowerment, answers, or just acceptance, Young Life is here for them, with a desire for fun, a compassionate understanding heart, and a powerful message of hope.

Young Life is an excellent opportunity for our students and their friends and I am very grateful for their service to our community.

Junior School News . . .

NAPLAN

Our students in Years 3 and 5 undertook tests in Numeracy, Language Conventions, Writing and Reading during last week. They managed the testing environment very well and all completed the tests without undue stress or pressure. The results of the tests will be sent to schools and parents in October this year.

HICES Cross Country

Our team is looking forward to having another run on the Kinross course after some intensive training. Congratulations to those children who took up the challenge to train every morning before school. This determined attitude to do one's best is to be commended and we wish all team members the best for their participation at HICES this week.

Canadian Visitors

We have enjoyed having our Canadian teachers with us for the past 3 weeks. Our programs have been enriched by the cultural exchange and we wish them well for a successful teaching career when they return home.

HICES Debating

Our Stage 3 debating team will debate against All Saints on Thursday at All Saints. Their topic is that there should be restrictions on junk food advertising on television. They are relatively new to debating but are relishing in the opportunity to be extended in their learning. This round, Austin Markwick, Aly Cranston, Jack Kiernan and Sophie Cox will be the team members.

Assessment Week

All students will undertake assessments during the week commencing Monday 26th May. It is important that children are well rested during this time and absence is avoided if possible. Results of tests, assessment tasks, along with informal assessments through the term will form the basis on which teachers write the end of semester reports. Portfolios will be sent home over the July holiday period and reports will be posted to parents at the end of the term.

Parent Weekend Chapel

All students from Kindergarten to Year 12 are expected to attend our Chapel service on Sunday 25th May in the Aikman Hall at 9:30 am. Students should wear full school uniform. Requests for leave should be made in writing to the Headmaster.

School Musical

Stage 2 and 3 will be attending the matinee performance of 'Summer Rain' a musical performed by students of the senior school. This will take place on Friday afternoon this week.

Computer Skills Competition

Students in Stage 2 and 3 will participate in the Computer Skills competition on Tuesday 20th May.

Cyber Safety Talks

Constable Bostock from NSW Police is the school liaison officer who will be delivering an information session to parents on Monday 19th May commencing at 4:30pm in the Performing Arts Centre. She will follow this with talks to all classes on Tuesday 20th May where she will cover stranger danger, bullying and cyber safety.

Junior School News . . . Farewell from our Canadian teachers

We have been so blessed to have been given the opportunity to teach at this wonderful school. For the past three weeks, we have enjoyed teaching our students about Canada and in return learning about Australia. On our last day we wanted to treat our students and teachers by hosting a Canadian lunch. We turned our lunch room into what we called a Canadian restaurant. Each table represented a Canadian province with some fun facts. We cooked and prepared two typical Canadian dishes: poutine and crepes with Canadian maple syrup. We hope they enjoyed the meal as much as we did making it for them.

On behalf of all of us, we would like to take the time to thank Mrs. Robinson, Mrs. White, Mr. Hunter, Mrs. Inglis, Mrs. Milligan and the rest of the staff and students here at The Scots School. This has truly been an unforgettable experience and we will cherish a life time of memories.

Sincerely,

Miss. Chopra, Miss. Prosser, Miss. Vicente, Miss. Wright, Mr. Faulknor

Pre-Kindergarten Highlander Week 4 Term 2

Sounds Program- This week we will explore the 'r' sound from our Jolly Phonics program. To make the sound we pretend to be a dog with a rag in its mouth and say 'r, r, r, r, r, r'. The students have loved using the Interactive Whiteboard to explore the letter formation and even play some fun matching games! Our craft will see us making Name Rockets, rabbits, rhinos, and lots more.

National Simultaneous Storytime- This Wednesday morning the students in Pre-Kindergarten will travel into the Bathurst City Library to take part in the National Simultaneous Storytime all around Australia. We will leave school at 10.30am and return at 12.10pm. Please ensure that you have returned your permission slip to your child's teacher before Wednesday.

Lunch Orders- Over the cooler months the children who attend on a Thursday have the opportunity to place a hot lunch order (pasties, pies or sausage rolls). Orders need to be placed on the Monday before to ensure numbers can be collated prior to Thursday. If you have not received any information regarding this, please collect a note from your classroom teacher.

Fun Day Treats- Due to inclement weather on both occasions set out for our Family Fun Day treats were purchased to raise money for our World Vision Sponsor Child Vannida. Yoghurt ice blocks and small mixed lolly bags will be sold on Friday 23rd May at Lunch Time. Both items are \$1.00 each. Thank you for your support.

Warm Clothing- As the weather is beginning to cool down we encourage our families to pack beanies, gloves and a coat for children. These items along with school jumpers need to be clearly labelled to ensure belongings don't get misplaced.

Upcoming Events-

- Wednesday, 21st May – National Simultaneous Storytime.
- Friday, 23rd May – Fun Day Treats Sold
- Thursday, 29th May – Town Library Visit Combined Classes
- Thursday, 5th June – Pre-Kindergarten and Junior School Disco

WAS Cross Country

Last Monday we hosted the WAS Cross Country. There were over 180 runners in attendance. We had some pleasing results including wins to Emily Watts, Emma Harley and Zachery Telfser, a 2nd place to Robbie Hayward and a 3rd place to John Mair. We have about 20 students that have qualified for the WAS team to attend AICES cross country on the 29th May. We thank the maintenance staff for their assistance with preparing the track and the tent, the Year 9/10 PASS class for helping to officiate the event, Mrs Watts for helping as a course marshall and Mrs Boshier for helping with the results recording.

ISA Rugby Trials

Last Wednesday Mr Mottram accompanied Ned Dawson and Hugh Lennon to the ISA under 16s rugby trials at Oxford Falls. The boys were put through a gruelling skills session run by ARU development coaches before being split into teams for some trial matches. Despite the boys being unsuccessful in making the ISA team which is at a very high standard, they had a great day and thoroughly enjoyed the experience.

AICES Soccer

Today the WAS girls soccer team plays at the AICES championships in Sydney. Miss Dunkley is coaching the girl's team which has five Scots girls in it. We look forward to their report next week.

Giamia Radice – Karate Update

Giamia has reported that there has been a change to the tournament rules to be held in Japan and as a result her events will no longer take place. Whilst this is disappointing to Giamia it is silver lined as she will now be going to a bigger and more prestigious event in Brazil.

1st VII and 2nd VII Netball Reports 10th May 2014

The 1st and 2nd Netball teams played well in the first games for the season. The 2nd's had a very comfortable win with the girls dominating each 1/3 of the court. Our players of the week were Tyler Comerford in defence, Meredith Spence through the centre court and Chelsea McKay in attack. The final score was 38-16. The 1st's had a very closely contested first match against CSU. At the end of the first quarter the girls had 4 goal lead thanks to some great turners in defence and accurate shooting from Ellie Craft. We squandered this lead in the second quarter with some very nervous passing, shooting and footwork to then go behind at the half. To the team's credit we turned this around in the 3rd quarter and were close to even on the scoreboard. It basically went goal for goal up until the final 5 minutes when an injury time stoppage took away our momentum and we fell 2 goals behind. The final score was a loss 25-27. Players of the week were Madeleine Ogilvy and Ellie Fricker.

Scots v. Eglinton Wahoos

This opposition team was young but very fast and skilled, pressuring Scots defence often. Lucy and Emma made frequent escapes into their goal zone. Lucy scored after 6 minutes, but then the score remained up until a broken wrist in opposition halted play. Wahoos goalie was very strong, however Lucy, Ella and Emma went on to take another goal --1 each. Wahoos came back with 2 late second half goals. A great match with good attacks by Ella, Fiona, Zari and Leanka.

Final result: a 4-2 Win!

Scoring for Scots: Lucy Blackmore, Emma Harley, Ella Brooking

Under 13s vs Oxley College Under 13s

Result: TSS 340 Oxley 19

Scorers: Nick Wald (4), Joe Harley, Hamish Christie tries; Nick Wald 5 conversions

Best Players: Nick Wald, Joe Harley, Hamish Christie, Ben Brunton

Comments:

Another excellent match up saw our boys pushed to the wire in order to secure the win on the weekend. The final margin does not indicate the closeness of the game – with just eight minutes to go, scores were locked at 19-all before Nick Wald cut loose, scoring three long-range tries in the final minutes.

The areas for development last week at training included defensive alignment and tasks for the forwards at the breakdown. It was very pleasing to see these two aspects put into play to great effect during the match.

Backs Joe Harley and Ben Brunton had excellent games, fully involving themselves in both attack and defence, while forwards Hamish Christie, Zac McKinnon-Braid

and Ed Simcock (before his injury in the second half) were all conspicuous in their workloads.

Another area to highlight is the growth in skill and confidence displayed by many of our debut-season players, particularly Jacob Lloyd, Bailey Ryan, Tim Powell and Noah Schraenkler.

However, the most pleasing aspect of the boys' play today was the commitment shown by all players to support the ball-runner, instead of standing back to watch the action. In this way, half-breaks became deep incursions beyond the Oxley defensive lines. I hope that the satisfaction brought on by the victory serves to lock this very important component into our future gameplay.

Mr Tom Van Gend (Coach)

Rugby . . .

15's Rugby Report TSS VS OXLEY

A tough battle on Saturday against one of our more formidable competitors in Oxley College. Unfortunately Oxley could only field 12 players and requested an uncontested scrum; we matched numbers with them to have a competitive game. This was off putting for our team as we work on developing our game plans based on a game of 15 players and a contested scrum. The boys had difficulty maintaining any consistency at the ruck and allowed our competition to, at times dominate in the forwards. We had difficulty getting off the line in the backs with any urgency and this too did not help our attack or defence on a number of occasions.

The boys did start to get things together about 15 minutes into the first half where Billy Walsh scored a try in the corner after some excellent passing and support play from the backline. Zane Rowlandson scored about 5 minutes later on an outstanding individual run to give us some cushion going into the second half where we held the lead at 12 to 0.

We didn't start the second half very well where we immediately let Oxley back in the game where they scored on a sloppy start from the kickoff.

Luckily the backline finally put some pressure on their backs and forced a crucial mistake by one of their players where they coughed up the ball, Connor Willmott quickly scooped it up to make a 15 metre run in for the eventual game winning try. Oxley was able to get one more try and convert with minutes remaining. The final minutes were a nail biter with Oxley showing excellent commitment to the ruck and securing possession for a number of phases, however our boys were not deterred and would not give up and continued to put pressure on Oxley until eventually we were able to force them into a penalty.

We were able to maintain possession for the final minute to end the game with a score of 19 to 14.

A great game by both sides.

Outstanding performances: Nathaniel Couchman, Zane Rowlandson, Connor Willmott, Andrew Owens and Billy Walsh.

We will hit training hard this week as we know we will be in for a tough contest against St. Augustine's this coming weekend. I felt throughout the game we were the better team, however unforced errors and our own

decision making got the better of us but we persevered and never gave up and came away with the victory. Well played boys.

Mr D. Bailey (Coach)

1st XV v. Oxley College

Result: TSS 20 OXLEY 26

Tries: Peter Deacon 2, Sam Pateman 1

Conversions: Nathan Smith 1/2

Penalty Kicks: Nathan Smith 1/1

Players of the match: Sam Pateman (3), Hikari Hashida (2), Nathan Smith (1), John Mair (1)

Scots got off to a flying start with a try in the corner to Peter Deacon in the 2nd minute. Oxley hit back quickly in the 5th minute through some strong work in the forwards. They soon scored again in the 17th minute and lead 14-5. Another try to Peter Deacon just before half time saw the score 14-12 at the half time break.

An ankle injury to Peter Deacon, a badly corked thigh to Robbie Hayward and an elbow injury to Tom Fitzsimmons early in the second half saw us without these key players for the remainder of the game. Despite this Scots maintained pressure and Nathan Smith put us in front with a penalty kick in the 50th minute. Oxley weren't done yet and hit back with a try in the 57th minute and another in the 65th minute.

Despite the scoreline Scots were not about to give up and another strong game to Sam Pateman was rewarded with a try in the 68th minute. Soon after he almost set another try up to Shinya Nakayama but was judged to be out in touch. Time beat us and Oxley enjoyed a narrow victory 26-20.

My three points go to Sam Pateman this week. He was outstanding throughout the game and exhibited extraordinary leadership of our young team in Peter's absence. Two points goes to Hikari Hashida who puts his body on the line week in week out to secure possession for the team. One point goes to both Nathan Smith and John Mair. Nathan played his first full game this weekend and showed that he is a very skilful player who will develop into an outstanding fullback. John Mair was solid under the high ball and showed that he can handle pressure when moved to Fly-half during the second half in Robbie's absence.

I was very proud of all the boys for their never give up attitude and their ability to always fight above their weight. There a lot of positives we can take out of this game and into next week's game against St Augustines.

Scots Cubs v Collegians Magic -- 0:56 (loss)

On Saturday the Scots Cubs played Collegians Magic, which is the team ranked first on the ladder. While it was a convincing defeat, the girls tried hard and played well. This week we focused on the centre pass, working on speed and positioning. The girls applied what they had practised at training and did a fantastic job. Laura and Kirilee were both great in Centre, providing quick strong passes. While Madison, Jorja and Sarah made sure they were positioned well to catch the ball.

Ms. Wright gave Player of the Week to Laura Scott for moving around the court quickly and positioning herself well.

Sarah Milligan (coach)

2nd VII

On Saturday, the girls had a victory of 33-25. Brooke Andrews worked well in the circle with Alice Powell, and our strengths in this game were our speed and intercepts. We were strong in the centre court, thanks to Sarah Driver for playing up in WD. Player of the match goes to Tyla Comerford for her amazing intercepts and work with Britney Dunlop in the defensive circle. Thanks to all the parents and friends who came to support!

Scots 3rd VII v. ASC 4th VII

Win - 29-28

Scoring by Matilda Ryan, Nastasia Reynolds, Lily Ross

Best players this match: All the team; great team performance

A very close encounter with 1 or 2 goals in it the whole game. The team showed great determination and never say die attitude -- with disruptions to the team and 3 players from the 16's playing up. The team stood up to pressure in both attack and defence. Thank you to Matilda Ryan, Katrina Larkings and Georgia Flude for playing for the team. They all had fantastic games. Nastasia, after a tumble early on, played an excellent game in both attack and defence. All other members of the team, Pip, Ashley, Emma, Lily, had great games even when they were not playing in their usual positions. Well done!

Mr Paul Cameron (Coach)

Scots Lionesses Vs Eglinton Fireflies

It was a beautiful day at the Netball on Saturday and our team was almost at full strength, although we look forward to the return of Jess Thomson from injury in the near future. We arrived at Court 6 to find a team of very tall girls warming up. Thinking they were in the 14's we did not panic until it became obvious that they were our opposition! The girls quickly regathered their

composure and took the courts determined to play their best. Despite the score line it was a good contest where we had a good share of the ball and quite a few shots at goal. The girls stuck to their opposite players throughout and made it difficult for them by applying constant pressure in defence. We wasted many of our chances in attack by trying to go over the tall girls' heads rather than looking to vary our passes and get in front. Once again the improvement from our new players was outstanding. Sophie was menacing in defence and Maya used her height well to get rebounds and reduce their scoring opportunities. Claire showed her versatility by playing strongly in attack and defence and Simi, despite being dwarfed by her opponents, never gave up. Emma gave us some heart stopping moments in the goal circle and Lana, Prue and Aly played excellent games in the centre court. Player of the week was Maya, well done. Next week we play at 9:55am on Court 6 against Panthers 12.

Kerry Robinson

Scots Karalee vs. Bulldogs Flames

Scots Karalee played a wonderful game with great defence by Gwen and Georgia and Sarah. Also some fantastic passes. Amazing centre court play from Millie and Emily.

Scots Black v. 11 Reps

Scots Black had a great game this weekend against the 11s Reps. After a great training session with Maddie Ogilvy on Thursday, Scots Black have really began to play as a team with great performances all round.

Scoring: Genevieve (1); Chelcie (2); Montana (3)
Final score: TSS 6 to 11 Reps 11

Best players this match: Phoebe and Montana

Netta ...

Scots Cuddly Cubs v. Superstars Shooting Stars

All the girls played well and kept the ball moving quickly around the court to help Mia, Tilly, Snitha, Lilly, Charlotte and Morgan keep the press on. Chelsea, Jessica, Claire M. and Claire H. showed great defence during the game and worked hard to keep the opposition from scoring. The girls are playing really well as a team. Keep up the hard work. We had a 3-0 Win!

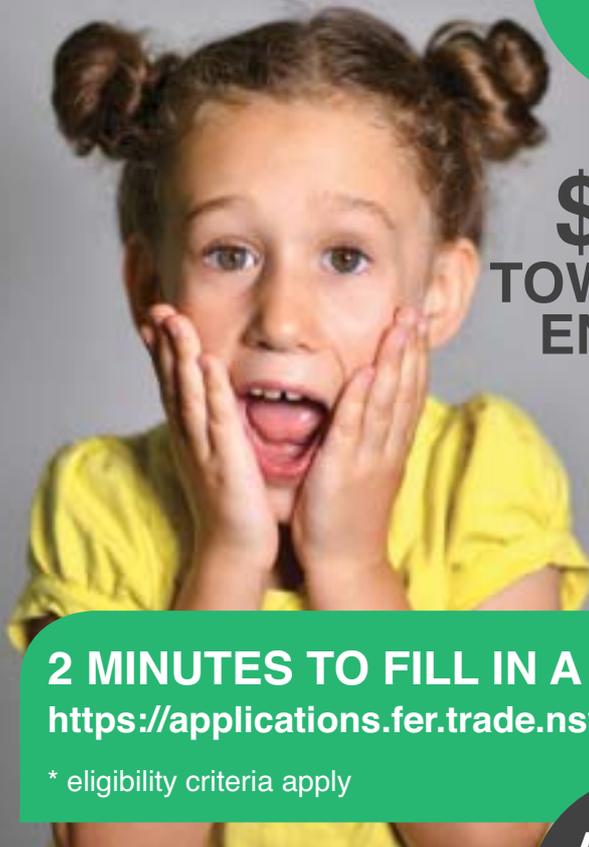

Best Player: Claire Halpin was awarded player of the week after playing an amazing game in attack and defence.

Scores: Mia Hobson scored three fantastic goals to give the Cuddly Cubs their second win for the season.
