**Amazing Year 7  
History Projects!**

## *To Ponder . . .*

We live with God's creation all around us yet so easily we can be caught up in the immediacy of the 'now'. Effortlessly we miss the nearness of God, yet the Psalmist recalls...

*O LORD, you have searched me and known me!  
You know when I sit down and when I rise up;  
you discern my thoughts from afar.  
You search out my path and my lying down  
and are acquainted with all my ways.  
Even before a word is on my tongue,  
behold, O LORD, you know it altogether.  
You hem me in, behind and before,  
and lay your hand upon me.  
Such knowledge is too wonderful for me;  
it is high; I cannot attain it ... Psalm 139:1-6 (ESV)*

I wonder how our lives would be different if we remembered just how close God is.

... Chaplain

## P&F meetings:

- Pavilion Committee Meeting: Wed June 4<sup>th</sup>, 5:30pm in the Library
- P&F Meeting: Wednesday June 11<sup>th</sup>, 5:30pm in the Library – This meeting will include reports from the sub-committees. If you have an item for the agenda please contact me.

---

## CWA Public Speaking

Last Wednesday ten students from Scots participated in the local round of the CWA Public Speaking Competition. Over the years we have enjoyed considerable success in this highly competitive competition and this year I am pleased to say was no exception. Zachary Telfser won the Year 11 and 12 division and John Mair was Highly commended. The Years 9 and 10 section was won by Aiden Telfser and in the Year 7 and 8 division we had a second place taken out by Andrew Knox. Aiden and Andrew will now go on to compete in the next round of the competition. Well done to all students who competed this year. The School was represented by Z Telfser, S Iwasaki, N Bowles, J Mair, A Telfser, S Ferguson, A Powell, M Bateman, A Knox and G Boshier.

Mr Richard Mottram (Co-ordinator of Public Speaking)

## *From the Headmaster . . .*

**One of the things I really enjoy is attending sporting fixtures on the weekend and training sessions during the week.** I have particularly enjoyed observing the skills sessions at Rugby and Netball in recent weeks. The students are being challenged to improve both fitness and skill through the series of drill tabloids organised by the Rugby and Netball Development Officers and the coaches. My aim is to see all teams at least twice each season and our Firsts' Teams more often. Sport is vital to our character mission at Scots and I wish to reiterate this once again:

*Sport is a very important aspect of the character mission of The Scots School. Students develop sporting skills and fitness, teamwork and resilience through playing sport. They also develop school pride through representing their school and enjoying the performance of others as spectators. The close attachment to team and school developed through a strong sporting program assists to develop their identification with team and school and their enjoyment of school itself. Students who enjoy school and want to be fully involved with it perform better academically through the close association and sense of pride developed.*

Last Saturday I enjoyed watching an outstanding game of Rugby where the First XV withstood enormous pressure to hold St Patrick's College before scoring two tries in quick succession to win the game. The commitment of the team in defense and the determination not to relax was clearly evident. I also enjoyed watching the Girls Soccer Team who enjoyed a very comfortable win against All Saints after a very tight first half. Their team work and creativity in attack was impressive. I am very grateful to Mr Adams and all the coaches for their commitment and passion for sport, the skills that are being developed and the significant improvement that is evident in our sporting programs. I encourage parents and students to support our teams by spectating at games.

**Congratulations to our Senior School Cross Country Team who participated in the AICES Carnival last week.** Four students have been particularly successful and will progress to Combined Independent Schools Carnival next week. They are: Emily Watts (Year 8 2<sup>nd</sup>), Zachery Telfser (Year 11 3<sup>rd</sup>), Emma Harley (Year 10 7<sup>th</sup>) and Robbie Hayward (Year 12 12<sup>th</sup>).

**Last Wednesday fourteen students from The Scots School participated in the local round of the CWA Public Speaking Competition.** Over the years we have enjoyed considerable success in this highly competitive competition and this year was no exception. Zachary Telfser won the Year 11 and 12 Division and John Mair was Highly Commended. The Years 9 and 10 section was won by Aiden Telfser and in the Year 7 and 8 Division second place went to Andrew Knox. Aiden and Andrew will now go on to compete in the next round of the competition. Alexandra Agustin (Year 3) and Jack Kiernan (Year 5) from the Junior School were successful in gaining a Highly Commended award in a very competitive field of almost 50 speakers from schools all over the Central West. The opportunities for Public Speaking and Debating at Scots are considerable and prepare students very well as individuals and for competitions such as this one.

Have a good week...

David Gates

## *From the Deputy Head . . .*

### **Exeat Weekend**

Students have worked very hard this term and achieved wonderful outcomes in many areas. Summer Rain and the developing performances of our sporting teams have been particular highlights. Students will certainly deserve their well-earned break over the weekend. However, it is important that school expectations surrounding academic leave are reiterated:

- the only students permitted early departure on the Friday of exeat weekend are far Western boarders and students on the approved list for travel distance.

- all other students are expected to arrange their travel after 3:20 p.m. on Friday, June 6th.

It is particularly important that the totality of the academic year not be interrupted through many requests for academic leave coincidental with an exeat weekend. Scots prides itself on the opportunities provided for students, but this places pressure on each academic day. Similarly, this school prides itself on consistency of decision making and it is important that leave arrangements are open and accountable.

Advanced Notice -- Year 12 students and parents/carers Monday, July 14th will be our final session of Year 12 Parent/Teacher interviews beginning at 3:00 p.m. Additionally, on Monday, 14th July and Tuesday, 15th July I have arranged speakers for Year 12 and their parents to set students up for the Trial Examination period. I ask parents/carers to mark the dates on their calendars.

CSU information booth will be available for parents during parent/teacher interview time (3 p.m. to 6 p.m.) and then at 6 p.m. there will be a Parent Study Programme from Elevate Education Skills in Room 25.

The next morning, between 8:30 and 11:00 a.m. the students of Year 12 will participate in a study seminar with Elevate Education Skills.

As usual, I will be structuring a major works/assessment task/study timetable for Year 12 in the June/July holidays. Teachers for each course of study will provide students with a revision pack to be completed during the holidays.

Mrs Lynne Fleming  
lfleming@scos.nsw.edu.au

### **Old Mobile Phones Wanted**

Please bring in your old mobile phones to help the Jane Goodall foundation.

Year 11 Biology are on a mission to collect and then recycle 100 mobile phones! But we need your help. Illegal mining of Coltan, a mineral ore used in the production of many mobile phones means forests where primates live, like gorillas and chimpanzees, are destroyed, exposing them to poaching, the illegal pet trade, and hunting for bushmeat.

By donating your old mobile phone, we can divert it from landfill and help raise funds for the Jane Goodall Institute to protect primate habitat in Africa. Please place your old mobile phone in the tub outside the staff room. Thank you for your help!

Mr Chris Harris

### **BATHURST PCYC CIRCUS CLASS**

Ever wanted to learn acrobatics? Aerial hoop? Juggling? PCYC Bathurst has a new exciting circus class for kids aged 12-15yrs. Wednesday nights at 6pm. First class is free so why not come down and give it a go! For more info call 6331 2191 or just turn up on the night!

Thank you so much!  
Karen Nicholson

## ***GEOGRAPHY COMPETITION SUCCESS***

High Distinction Winners: Emelia Inwood, Zac Mackinnon-Braid, Hamish Andrews, Max Semmens, Lewis Wilde, and Brian Liang paused for a photo with Mr Ian Doney and Headmaster Mr David Gates

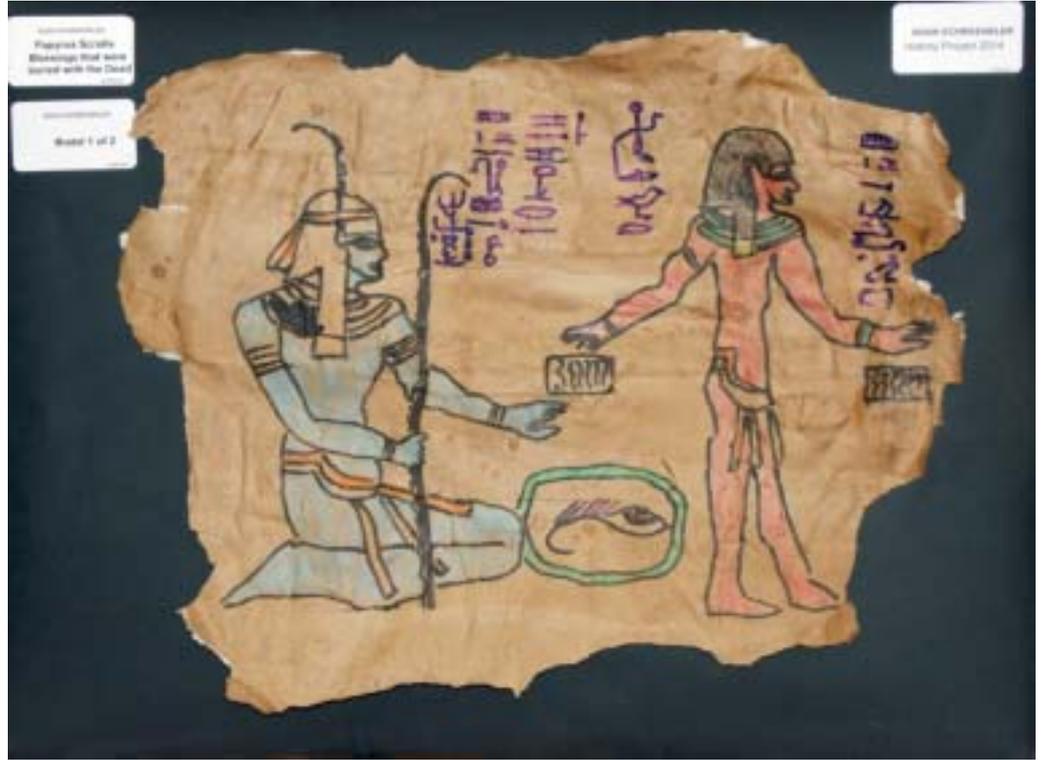

Maxwell Semmens (Year 8) was awarded Second Place in New South Wales and received a book prize

Zac Mackinnon-Braid (Year 7) was awarded a High Distinction

# YEAR 7 HISTORY PROJECTS

Above: The papyrus made by Noah Schraenkler; Ryan Hibbins modelled an Aboriginal Gunyah.

Year 7 completed some very nice projects for History this year. Mr Maher has been most impressed by the detail and variety of subjects chosen for the projects.

More photos later this week on the school website

Brody Munday made an Aboriginal axe

# YEAR 7 HISTORY PROJECTS

Stephanie Arpasi made a copy of Tutankhamun's death mask;

above right Finlay Eastment provided a model of canopic jars

Bailey Ryan created a chadouf (Egyptian water lifter)

Brooke Webb gave us a view of Evans Crown in pre-1788 days

## *Junior School News . . .*

### **CWA Public Speaking**

Congratulations to all of our representatives who spoke in the CWA Public Speaking Competition at All Saints on Wednesday. Alexandra Agustin and Jack Kiernan were successful in gaining a Highly Commended award in a very competitive field of almost 50 speakers from schools all over the central west. We are very proud of their achievements and reaffirmed of the value of our speech program in the Junior School.

### **Bathurst Show Awards**

Congratulations to Jack Kiernan who received the championship ribbon for the Under 19 Art section at the Bathurst Show.

### **Tissues**

With the onset of winter and cooler weather we have begun to see the first signs of coughs and colds amongst the children. During these times we seem to go through an extraordinary amount of tissues in our classrooms. If you have not already donated a box of tissues can I ask that you put it on your shopping list and send in a box of tissues to be used in your child's classroom.

### **St Catherine's Nursing Home Visits**

Year 2 will be joined by four students from Stage 3 for their fortnightly visit to St Catherine's on Monday afternoon. They will entertain the residents by reciting poetry, playing guitar, violin, piano and singing. The residents look forward to our Year 2 students visiting each week and will no doubt enjoy being entertained by the older students as well.

Our students at HICES Cross-Country

### **Disco**

How exciting, wearing your pyjamas to school! Children are looking forward to pulling on their onesy's or PJ's and maybe a gown to have fun dancing and playing games at the disco on Thursday evening. Tickets should be prepaid by returning the note and money to school before Thursday. The disco will commence at 6pm and conclude at 7:30pm. Parents are encouraged to stay for a cuppa and chat with other parents.

### **Canberra Excursion**

Stage 3 students have been issued with information and permission notes for their upcoming excursion to Canberra which occurs every second year for Stage 3. The program is very full over 3 days and meets the requirements for our unit of work centred on Government.

### **Speeches**

Speech topics have been set for the major part of homework this week and were sent home on Friday. Stage 2 and 3 students should check the time limitations for this speech which are different to the CWA requirements.

### **End of Term Reward**

We have decided to introduce an end of term reward for children who consistently earn their lion stamp each week for good behaviour in and out of the classroom. This will replace the gold card morning tea as a positive reinforcement of good behaviour and excellent work habits. This will be a trip to the adventure playground on the last day of term 26<sup>th</sup> June.

### **Long Weekend**

School ceases on Friday 6<sup>th</sup> June and recommences on Tuesday 10<sup>th</sup> June for the long weekend.

# Dancing under the stars

(But nice and warm in the school hall)

## Pre-Kindy to Year 6 Disco Night!

Put on your PJs or onesie, Ugg boots or slippers  
for a slumber themed disco night

Thursday 5th  
June  
6pm to 7:30pm

\$10 per child or \$20 per family  
*(this includes a snack and a drink)*

There's face painting ... limbo ...and lots of dancing!!

Parents please come along for a chat, a cuppa and a slice for a gold coin  
donation **and** a dance if you dare! (PJs optional 😊)

Please cut off and return the slip below with your payment- RSVP 29<sup>th</sup> May  
Your tickets will be issued to your child/ children

## *Pre-Kindergarten . . .*

### **Pre-Kindergarten Highlander Week 6 Term 2**

**Sounds Program-** This week we will be revising all of our sounds covered so far throughout the year. This is a great opportunity for children to consolidate all of the fun Jolly Phonics sounds and actions to make sure children are retaining our learning program. We will also be focusing on writing names with a capital at the start and lower case for the remainder, tracing numbers 1-10, shapes, colour and position.

It is also a great opportunity to do lots of cooking and hands on manipulative experiences during our morning play session. So keep an eye out for some finger painting, play dough creations, mini muffins, rice cake faces and lots more!

**Pre-Kindergarten and Junior School Disco-** This Thursday the School will host their annual Disco in the Aikman Hall. Our fun theme of PJ's or Onesies will see everyone cosy and warm for a fun night of dancing! Please ensure you return your notes and money to your classroom teacher as soon as possible for catering purposes.

**Reporting and Interviews-** Classroom teachers are currently completing individual assessment activities in preparation for Mid-Year Reports and Parent/Teacher Interviews during week 9. Notes regarding times will be sent home during the next week.

**Mineral and Fossil Museum-** On Tuesday, 17<sup>th</sup> June our students from the Gold and Blue classes will combine to visit the Dinosaur Museum. This is a great opportunity to explore and have a guided tour of this wonderful Museum and maybe even see a volcano erupt!! Notes have been sent home, please ensure permission slips and money are returned to your child's teacher.

### **Upcoming Events-**

- Thursday, 5<sup>th</sup> June – Pre-Kindergarten and Junior School Disco
- Monday, 9<sup>th</sup> June- Queen's Birthday Long Weekend
- Tuesday, 17<sup>th</sup> June- Dinosaur Museum
- Week 9- Parent/Teacher Interviews
- Thursday, 26<sup>th</sup> June – Term Two Ends

# Secondary Sports Bulletin --

## Secondary School Sports Bulletin Week 6 Term 2

### AICES Cross Country Results

Last Thursday 15 Scots students representing Western Associated Schools (WAS) attended the AICES cross country at McArthur Anglican (Cobbitty). We had great weather and some brilliant results. Four of our runners gained selection into the AICES team for the NSW CIS cross country on the 12<sup>th</sup> of June.

Robbie Hayward finished 12<sup>th</sup> in the Senior Boys, Zachery Telfer finished 3<sup>rd</sup> in the 17s boys, Emma Harley finished 7<sup>th</sup> in the 16s girls and Emily Watts finished 2<sup>nd</sup> in the 14s girls. Well done kids!

This Tuesday Madeleine Ogilvy represents AICES at the NSW CIS touch football championships. We wish her all the best for the trials taking place at the Penrith touch association fields.

### Upcoming Sport Dates

12<sup>th</sup> June NSW CIS Cross Country (Eastern Creek, Sydney)  
 18<sup>th</sup> June AICES Open Netball Championships (Castle Hill)

Mr. Justin Adams (Sportsmaster) [jadams@scots.nsw.edu.au](mailto:jadams@scots.nsw.edu.au)

AICES Cross-Country place winners with their medallions. Emily Watts finished in 2nd place in the 14's girls.

## *9/10 PASS Relaxation Exercises . . .*

Over the past five weeks the Year 9/10 PASS class have been experiencing and researching various relaxation exercises as part of our course. In many of our lessons we have relied upon video instruction. Luckily for the class we were very fortunate to have Mrs Bev Walker (mother of Felicity, Yr 12) come in and take the class through a Tai Chi class. Bev introduced the students to a form a Tai Chi that uses a 'bang'; which is a wooden stick used in various ways. It was both challenging and relaxing. Bev also demonstrated a beautiful sequence of movements using fans which the students enjoyed experimenting with. Last week the students were taken through a Pilate's session delivered by a local instructor (Mel Kastelein) who is also helping out with our fitness group on Tuesday afternoons. Despite the unit being somewhat less energy expending than many of the students would like, I am sure that they have enjoyed learning about these valuable forms of exercise and their role with injury rehabilitation, disease control and stress management.

Mr. Adams

*Pilates*

*9/10 PASS Relaxation Exercises . . .*

*Tai Chi*

## Rugby . . .

Date: Saturday 31<sup>st</sup> May  
Opponent: St Patrick's College Strathfield  
Score: TSS 33 St PATS 17

Tries: Peter Deacon (2), Robbie Hayward,  
Sam Pateman, Jack Bird  
Conversions: Nathan Smith (4/5)

Both teams had difficulty sustaining any pressure in the opening minutes of the game due to a high number of infringements. Once Scots settled down and played some football they managed to progress into opposition territory. Some impressive scrummaging saw us gain possession against the feed which led to our first try. Peter Deacon ran the ball down the blind side in the 17<sup>th</sup> minute and went over in the corner. Scots maintained the pressure and soon after were rewarded with their second try. Sam Pateman found some space on the fringes and gave a lovely inside ball to Robbie Hayward who finished off with a strong run and a try under the posts in the 25<sup>th</sup> minute. Several back to back infringements from Scots gave St Pats possession on our line. They managed to maintain possession over a number of strongly contested breakdowns and were rewarded with a try in the 30<sup>th</sup> minute. The half time score was TSS 12 St PATS 5.

Scots were on the back foot from the kick-off with a penalty for contesting the player and not the ball. From this St Pats gained valuable field position and scored a converted try in the 35<sup>th</sup> minute which made the score 12-10. In the 10<sup>th</sup> minute William Huang was yellow carded for a shoulder charge and Scots were down to 14 players. The next 10 minutes was an arm wrestle where both teams failed to string any sustained possession and pressure. Finally the stalemate was broken from an exhibition of strength and speed from Sam Pateman who beat several players through the line and then for pace to take Scots to 19 with the help of a Nathan Smith conversion. This seemed to open the shackles for Scots and with William's return to the field they went from strength to strength. Scots grew in confidence and scored two more entertaining tries in succession. In the 47<sup>th</sup> minute Peter Deacon received a quality ball and showed great strength and speed to take the game from St Pats grasp at 26-10. In the 51<sup>st</sup> minute Jack Bird showed great skill in kicking, regathering and racing under the posts to take the score to 33-10. To their credit St Pats never gave up the fight and were rewarded with a late try in the corner after what seemed to be a dozen penalties in their favour. The final score was Scots 33 St Pats 17.

My three points goes to Jack Bird who showed his versatility in playing no less than 5 positions during the game. His ability to run to and through the defensive line was crucial to our win. Two points goes to Robbie Hayward and Sam Pateman. It was hard to separate these two players who lead their respective groups. Sam is Mr resilient and, like Jack, kept hitting the line both in attack and defence. Robbie showed great composure and played an intelligent game of football. One point goes to Henry Quant who was back from injury and really stepped up when the boys needed him. Well done to the entire squad who worked well as a team and persevered when things could have easily gone either way.

This was an important win for Scots after their close loss against St Augustine's last week. They have the ability to compete against the best of the competition and I am very confident they can continue to impress throughout the remainder of the season. Our next game is always a heartfelt contest against Blue Mountains Grammar on June 14.

### LEADING TRY SCORER

Sam Pateman	5
Peter Deacon	3
Jack Bird	2
Robbie Hayward	1
Matt Cheon	1

*Mr. Dawes.*

### TSS 15's vs. St. Patrick's College Strathfield

The boys worked hard in training this week as we knew we would be up against a formidable opponent in such a big school as St. Pats. Unfortunately our opposition was only able to field 11 players in which we gave them two of ours so we could have a game of 13 per side. Jack Morrissey and Wataru Inoue both played admirably for St. Pats in the first half, and Connor Willmott had an outstanding game for both teams as he took over for Jack and played in the centres for St. Pats in the second half.

We came out a bit slow at the start and didn't play with the edge the boys normally do. But after the first few rucks the boys woke up quickly and began to dominate the game putting our opposition on the back foot for the remainder. Pat Harris started the scoring frenzy with a set play through the hands of the backline where he ran past the winger and put the ball down in the corner using his excellent speed. Josh Woods followed with his second crafty try of the season from about a metre off the line. Zane Rowlandson once again zig zagged his way through the forwards and backs to score under the posts. From here the tries kept coming with some fantastic support

play from both the forwards and backs where Jason Corliss, Wes Standfield, Pat Harris (2) and Connor Willmott all scored. The score at the end of the first half was 41 to 0. Andrew Owens (one conversion), Billy Walsh (3) conversions and Jason Corliss (1) conversion.

In the second we swapped our players around giving some of the forwards time in the backs and our reserves came on to also play an outstanding game. Connor Willmott graciously replaced Jack Morrissey to play for St. Pats at inside centre. Ironically Connor was to score the only try for St. Pats in the game.

In the second half the boys demonstrated their versatility and played with sound structure, patience and communication. They continued to dominate and Oliver Simpson was a great replacement at 5/8<sup>th</sup> scoring three tries. Billy Walsh, Jason Corliss (2) rounded out the scoring with solid tries. Score in the second half was 29 to 7 with conversions from Billy (4) and Jason (2)

**FINAL SCORE**  
TSS 70 TO SPC 7

Sam Barton (best game of the season) and Joel Maxwell played extremely well from the bench. Best Performances, Pat Harris, Wes Standfield, Oliver Simpson, Nathaniel Couchman, John Oh and Ryan Gordon

The boys continue to impress me week after week with their communication, consistency and hard nose attack and defense.

Well done boys.

*Coach: D. Bailey*

### **Under 13s v. St Patrick's**

**Result:** TSS 20 St Patrick's College 10

**Scorers:** Nick Wald (3), Charlie Flude tries; Nick Wald 3 conversions, Ryan Hibbins 1 conversion.

**Best Players:** Zac McKinnon-Braid

#### **Comments:**

While it was good to record our first ISA competition win, our performance against St Patrick's College, Strathfield was well under par, given the number of games now under our collective belts.

The first half saw very lack lustre performances turned in by the majority of players, who seemed more than happy to be spectators to the action, and wander around the field at little more than pedestrian pace. Their reliance on the few individuals who were

putting in meant that Scots were lucky to go to the break with a 14 – 5 lead.

The second half saw a better team performance, in which the majority of players chose to shoulder the burden in attack and defence. Our scrums in particular were rock solid under a great deal of pressure applied by a St Pat's pack with quite a few extra kilograms on their side.

The match highlighted that, while we have come a long way since most of the boys played their few game of rugby at the end of Term 1, we still have many attacking and defensive skills to master. In addition, we need to work on our match awareness in order to dictate play, rather than constantly reacting to the initiative shown by our opponents.

*Mr Tom van Gend*

## **Soccer . . .**

### **Scots U17 v. All Saints U17**

A slow first half with only one goal scored, and passing and communication appearing rusty -- Play picked up considerably in the second half with greater emphasis on working as a team, passing and clever plays in the goal box. Lucy Blackmore was on fire, scoring goals that were perfectly set up by Emma and Zari. Giamia had a stunning attempt at goal, heading the ball impressively, missing by only a millimeter. A great second half and a well deserved win.

Final Result: an 8-0 win!

Scores made by: Lucy Blackmore (5); Emma Harley (2); Zari Newell (1)

Best player for this match: Emma - crossing the ball brilliantly to set up a number of goals.

*Coaches Miss Dunkley and Mr Dundon*

## *Netball . . .*

### **Scots 2nd VII v. CSU Cheekies -- Win: 35-16**

On Saturday the Scots 2nds played CSU Cheekies and won 35-16. We were able to keep the lead for the whole game and the girls all worked well together both in attack and defence. Best player this week was Alice Gates for her strong, committed drives in the circle. Thanks to all the parents and friends who came to support!

*Meredith Spence*

### **Scots Black v. 11 Reps**

This week Scots Black welcomed Gabby Morrison to our team and we played the 11 Reps. Over the last 4 weeks the team has improved immensely and had a much better game this week. Communication and passing have improved and the girls are finding their rhythm. Well done girls!

Best players this week: Genevieve Gates and Gabby Morrison

Scoring: Genevieve Gates scored 2 goals

*Mrs M. Simcock*

### **Scots Karralee vs. Collegians MnM's**

Karralee played a great game with outstanding circle defence by Georgia, Gwen and Sarah. After some panicked passing, centre court picked up to delivering the ball into our shooters smoothly. A hard match for Karralee coming out with a 27-14 loss. Player of the match is Georgia Flude (amazing circle defence).

Scoring for Scots: Tilly, Maddi and Alice

Final score: a 27-14 loss

*By Alice Powell*

### **Scots 1st VII v. Panthers Bombers**

On the weekend the Scots 1st VII played their second game of the season against Panthers Bombers. The game resulted in a strong win with the final score 40-20 and a WIN for Scots. All girls are to be commended on the great game they played. Thanks to the support we had on Saturday and thanks to Mr Adams and Mrs Coombes. Best player for this match: Mikaela Warry

*by Mollie Harley*

### **Scots Lionesses v. Kookaburras**

The girls began the game positively and quickly realised that they could win the match with disciplined play and teamwork. At three quarter time we were only a few goals behind. Every one defended well and made attacking breaks in the final quarter to allow us to dominate possession and score repeatedly and hold the opposition scoreless. An encouraging 13-11 win. Well done girls.

Player of the match: Lana Eastment

Scores made by Claire Ferguson and Maya Brooking

*Mrs Kerry Robinson*

### **Scots 3rd VII vs Eglinton Flames**

The girls lost in a close game, but played very well as a team. Thank you to Alice and Gwen who played up for us to cover our injured and absent players. Great game from India. Well done by all the girls.

Scoring for 3rds: Nastasia Reynolds and Lily Ross

*Mr Paul Cameron*

### **Scots Cubs v Collegians Mermaids -- 7:6 (win)**

On Saturday the Scots Cubs played an excellent game of netball against the Collegians Mermaids. This week's captain, Sarah, won first centre. After a shaky start the first quarter ended 0:4. In the second quarter the girls tightened their game, moving into the spaces and delivering strong passes. Jorja scored three goals, assisted in the goal circle by Alex. Great defending from Kirilee, Maddy and Joanna meant that no goals were scored by the Mermaids. By the end of the third quarter the score was 4:6. Two beautiful goals by Laura at the beginning of the fourth quarter levelled the score. Then a goal from Maddy put the Cubs in the lead. Excellent defending allowed the Cubs to maintain their lead until the end of the game. It was a very exciting game and a huge team effort.

Player of the Week was awarded to Madison Whitley, who is very quickly learning how to play netball and is doing a fantastic job.

The umpires named Laura Scott Best and Fairest.

Thank you to Mollie Harley for volunteering her time last week to help teach the girls shooting techniques. There is no game next weekend due to the long weekend.

*Sarah Milligan (coach)*

## *Netta . . .*

### **Scots Cuddly Cubs v. Out of Touch Chicks**

Result: 0-6

The cuddly Cubs defended well throughout the game and did some great passing to get the ball back to the attacking players. The girls had some great shots at goal during the game. The whole team played an amazing last two quarters and should be really proud of the effort they put in

Player of the week: Morgan Still was awarded player of the week for great defence during the game.

Just a reminder no Netta this weekend. Our next game is on 14/6/14 at 11:05 a.m. But training is still on Wednesday after school.

*by Mrs Kylie Price*

## SCOTS 2nd VII

Chelsea McKay,

Rebecca George, Chelsea, Britney, Daisy (half hidden)  
with ball.

Alice shooting the goal.

We won against CSU 35-16.

## 2014 Netball Rookie Camp

*The WRAS netball rookie camp provides junior players the opportunity to enhance their skills and knowledge in a fun learning environment*

Athletes attending this residential camp will receive expert tuition by WRAS coaches, coaches from the local region and special guests.

### Who is eligible to attend?

Athletes born in 1999, 2000 and 2001

### When:

4, 5 and 6 July 2014  
(Friday evening, Saturday, Sunday)

### 2015 WRAS scholarships

The rookie camp is also used to identify talented players to be invited to apply for a 2015 WRAS scholarship which will run from September 2014 to August 2015.

### Coaches interested in attending

To assist with the development of coaches throughout the region, coaches are encouraged to enrol for the rookie camp and get involved in the WRAS program.

The cost of the rookie camp covers:

- Professional coaching
- Skill development
- Physical testing
- Accommodation and meals
- #
- Camp photo
- Polar fleece
