Ford or Holden? Panadol or Nurofen? HP or Toshiba? Asko, Smeg or Miele?  
A name carries with it all the reputation, history, and character of what or whom it represents.

This poem is a prayer for God to save the king of His people. Notice where the Psalmist's confidence lies? It is in the **name** of the LORD our God. We trust in a God whose name, whose reputation, character, and nature have been firmly established. We can trust in **who** God is and when we do, we will rise and stand upright through all things.

# *Highland Jazz Night*

Saturday, July 26th 2014  
(end of Week 2 - Term 3)

Celebrating the musical talent of The Scots School  
More details to follow in future Highlanders

## *From the Headmaster . . .*

**The Year 7 & 8 Music Night was a wonderful evening of entertainment with some outstanding musical talent on show.** Thank you to Mrs Garland, Miss Dunkley and the visiting music teachers for the work that went into preparing these students for the concert. It will be interesting to observe the development in talent over the next six years.

**Congratulations to the students who are representing the school in Public Speaking at present.** Jessica Morrison (Year 11) represented the school at the State Semi-finals of the Sydney Morning Herald Plain English Public Speaking last Friday. Aiden Telfser (Year 9) and Andrew Knox (Year 7) will represent at the Central Western, Oxley and Far Western Inter Group Finals at Cumnock on Tuesday. Public Speaking and Debating are significant opportunities provided for all students at The Scots School. Last Friday I was privileged

to be present when our very youngest students presented speeches at the Junior School Assembly and did exceptionally well. To speak confidently in front of a large audience is a wonderful life skill to develop.

**The P & F are in the midst of a fundraising program to raise \$150,000 as a contribution towards the building of the Pavilion.** I encourage all parents to support this initiative which will provide much needed facilities as a multi-purpose facility overlooking the main oval. Much has been written about this venture and recently all parents and Old Boys and Girls of the school received the Thistle and the Donation Card. Many of the wonderful facilities we have now are a result of similar work done by the P & F particularly in the 1980s. The following is an excerpt from the Chairman's Address at the 1982 Speech Day:

“While the Headmaster will detail the school's activities during 1982, I must, as chairman, refer to the wonderful support we have received from you, the parents and friends of The Scots School, Bathurst. The generosity and support given to the Parents and Friends Association, the benefits of which eventually flow to the boys, is much appreciated. For all those who supported the three point appeal -- what can I say -- the appeal was an outstanding success -- our target was \$275,000 -- we achieved \$281,000 and decided we would approach the parents of new boys in 1982. This approach has realised a further \$35,000, making the total sum promised \$316,000. To all those donors, workers and supporters, thank you indeed -- through your efforts we have a new mathematics centre and will have a new, all weather games area early in 1983 and a new technics complex before the end of the fine year appeal.”

This is an amazing amount of money and equates to approximately 1.4 Million dollars in today's dollars. I encourage everyone to consider the Pavilion Appeal and their capacity to give so that this project can be realized.

**Congratulations to the following students in Year 6 who were inducted as Junior School Leaders at the Junior School Assembly in Bathurst on Friday and at Chapel in Lithgow today:**

Sophie Morris and Prudence Inwood (Bathurst Campus)

Danika Tanning and Breeana Jenkins (Lithgow Campus)

**Congratulations to the following students who were announced as Winter Season Sporting Captains at last week's Assembly:**

Peter Deacon	First XV Rugby
Ellie Craft	Captain of Netball
Lucy Woods	First VII Netball
Meredith Spence	Second VII Netball
Maddison Hohnberg	First XI Soccer

Have a good week...

### **Year 12 Parent/Teacher Interviews and Information Sessions**

Advanced Notice -- Year 12 students and parents/carers Monday, July 14th will be our final session of Year 12 Parent/Teacher interviews beginning at 3:00 p.m. Additionally, on Monday, 14th July and Tuesday, 15th July I have arranged speakers for Year 12 and their parents to set students up for the Trial Examination period. I ask parents/carers to mark the dates on their calendars.

CSU information booth will be available for parents during parent/teacher interview time (3 p.m. to 6 p.m.) and then at 6 p.m. there will be a Parent Study Programme from Elevate Education Skills in Room 25.

The next morning, between 8:30 and 11:00 a.m. the students of Year 12 will participate in a study seminar with Elevate Education Skills.

### **Year 12 Holiday Study Procedures**

As usual, I will be structuring a major works/assessment task/study timetable for Year 12 in the June/July holidays. Teachers for each course of study will provide students with a revision pack to be completed during the holidays.

### **Adventure Camp**

Students who will be participating in the upcoming Adventure Camp should check the list of items required and do a tick list to make sure they have everything they will be needing for warmth during their trip to the Snowy Mountains.

# Creative Arts Performance Evening - Friday, 13th June

The Music Department Years 7 and 8 staged an evening performance opportunity on Friday and thoroughly amazed the audience by the talent displayed by our younger students from the senior school. Heming Luo gave an outstanding performance on the piano (we thought we were hearing a performance in the Opera House!), Brody Munday's performance on the saxophone was very pleasing, and the Year 7 girls sang beautifully in tone. What a lovely evening for all present! Thank you to the students involved.

# Junior School News . . .

## Leaders Induction

Our Junior School leaders for this year were inducted at our assembly on Friday when Mr Gates presented the students with their badges. Congratulations to Dannika Toning and Breeana Jenkins from Lithgow campus and Sophie Morris and Prudence Inwood from the Bathurst campus. Mr Gates also presented the Year 5 monitors with their badges reminding them of their role in supporting the leaders and carrying out their duties in preparing them for a possible leadership position next year.

## Speeches

Wednesday was the highlight of the week as all students delivered their speeches to their peers. The standards across the school were incredibly high and the confidence growing with every speech. The topics were related to classroom units and provided us with a wonderful array of interesting speeches from what floats and sinks, water, transport and shopping in the future, if money grew on trees and what would happen if I was the Prime Minister. There were some very creative ideas and evidence of research which was incorporated into the speech very cleverly. We will have some more speeches at assembly next week. Thank you parents for your support it is well worth the effort.

**Congratulations** to Stage 1 who were awarded the class cup this week for their Science experiments this term.

**Thank you** to Mr and Mrs Trimming who have donated large amounts of interesting contact off cuts we can put to good use in art and craft activities.

## Sponsor Child Support

Our sponsor child Vannida from Cambodia requires our continuing support and we thought that children may like to do a small job at home to earn a coin to donate to this fund each Friday at assembly. By earning the money themselves we hope that children will gain a deeper understanding of looking after the underprivileged in the world and how easy it is to give someone else's money. I have spoken to children at assembly today about how they can assist Vannida and we will begin our first collection at assembly this Friday.

We will put up a poster in the hallway showing where Vannida lives and some recent photos. She is now seventeen years old and completing her high school education which is an opportunity she may not have had without our support over so many years.

## Debating

Our Stage 3 debaters will take on Kinross A team at Kinross on Tuesday. We wish them well in their attempt to convince the adjudicator that School Hours Should Not Change with the Seasons. The team has found this a challenging topic to prepare for but will go into the debate with confidence following their recent successes. Rebuttal of the arguments will be the key I think to this debate. Our best wishes to Austin, Sophie, Jack and Simi.

## Bus Safety

Parents of children travelling on buses are asked to remind children of the rules which need to be adhered to when travelling on the bus. Seatbelts must be securely fastened and children need to remain quiet, steady and seated in the forward facing position for the entire journey. Entry to the bus should only be when the bus has completely stopped and the doors are opened. Food and drinks should not be consumed on the bus.

## End of Term

The final day of Term 2 will be Thursday 26<sup>th</sup> June. Classes recommence on Tuesday 15<sup>th</sup> July.

Please note the **Waratahs Rugby Camps for ages 8-12** -- see page 12 of this *Highlander*.

## Holiday Tennis Camps

'Entertain your kids these school holidays! The Bathurst Tennis centre will be running a school holiday tennis clinic these school holidays. It will run from Monday 30<sup>th</sup> June – Wednesday 2<sup>nd</sup> July 2014 from 9am – 1.00pm each day. Bookings are essential.

Please call the centre on 6331 3786 to book your place and get your kids moving these school holidays.'

### No Fresh Fruit? No Worries!

Although fresh fruit or vegetables are the best choice for Crunch&Sip\*, your child can snack on canned fruit in natural juice or with no added sugar or dried fruit (DO NOT send fruit straps, bars or rolls).

To save money, buy a large can of fruit and send to school in reusable containers. Good for the environment too!

## *Pre-Kindergarten . . .*

### **Pre-Kindergarten Highlander Week 7 Term 2**

**Sounds Program-** This week we will be learning all about the 'g' sound. Our Jolly Phonics action sees the children pretend to turn their hand like the water gurgling down the drain and say "g,g,g,g,g,g". We will be making ghosts, goblins, goats, glasses and lots more.

**Parent/ Teacher Interviews-** Pre-Kindergarten Parent/Teacher Interviews will be held in Week 9 of this term. The Blue class interviews with Mrs Price will be on Monday, 23<sup>rd</sup> June and the Gold class interviews with Mrs Chapman will be on Tuesday, 24<sup>th</sup> June. Notes have been sent home, so please return to your child's teacher with a preferred time.

**Mineral and Fossil Museum-** This Tuesday morning we will travel to the Mineral and Fossil Museum to explore the Dinosaur exhibit and other interesting aspects of the Museum. We will travel via the school bus. Children will not be able to attend without a permission slip.

**End of Term-** Term 2 ends on Thursday, 26<sup>th</sup> June. We have had a very busy and eventful term. We have seen all of our students grow and develop in many aspects of the program. All students will receive their Individual Student Portfolios at the end of term to take home and share over the holiday break. These need to be returned to classroom teachers during the first week of term 3.

### **The Scoreboard is Up and Operational**

The electronic scoreboard that has been donated to the school by the Friends of Rugby has finally been installed on the Main Oval. Reports are that it looks quite attractive and can be easily read at quite a distance. For such a project to be completed a lot of people have donated time and/or materials. Sincere thanks must go to

- \*John Gordon (trench digging),
- \*Paul Bunton (all electrical materials and installation),
- \*Avis Truck Rental,
- \*John Harris,
- \*Clifton Engineering at Oberon (erection),
- \*the workies at the school,
- \*Justin Adams and,
- \*especially Frank Telfser, for picking up the scoreboard and overseeing the installation.

Once again, a big thank you to these people for their assistance.

I would like to have a meeting of Friends of Rugby early next term (Tuesday of Week 2) so that we may begin preparations for the Rugby Dinner.

### **1st XV v. Blue Mountains Grammar School**

Score: TSS 21 BMGS 24

Tries: Nick Thompson, Tom  
Fitzsimmons, Tristan Baker  
Conversions: Nathan Smith (3/4)

Blue Mountains Grammar School are always a formidable opponent especially when they are playing in front of a home crowd. They started the game strongly. Conversely Scots started the game in a state of apathy, allowing Blue Mountains to dominate in the opening 10 minutes. A well drilled backline move and a skilful but very fortunate chip and chase saw Blue Mountains go to a 14-0 lead in the opening 12 minutes. Scots reacted accordingly but nothing seemed to gel; passes were going to ground, possession was lost at the breakdowns and communication was virtually non-existent. Scots managed to go into half time down 14-0.

The second half was a completely different story. Nick Thompson was moved into the centres and had an immediate impact in the backline both in defence and attack. He scored in the 5<sup>th</sup> minute through a good backline move and strong ball running. Nathan Smith converted and the score was 14-7. Scots continued to dominate at the breakdown and it wasn't long before we scored another try through Tom Fitzsimmons picking an driving over the line. Nathan Smith secured the two

extra points to see scores locked at 14-14. The momentum had certainly swung the way of Scots and it wasn't too long before we were over the line again with a barnstorming run from Tristan Baker who scored under the posts. Nathan extended the lead with a conversion to lead 21-14. The challenge from this point was to maintain the momentum and not let Blue Mountains back in the match. A number of simple errors and poor decisions kept allowing our opposition opportunities and it didn't take too many for their fullback to open our defensive line up again and score a match equalling try 21-21. With seconds remaining we conceded a crueling penalty on our line and Blue Mountains had no trouble converting the points to win the match. The final score was a disappointing 24-21.

I was very proud of the way the boys responded to what was an awful first half of football. They blocked it out of their minds and set to task fixing the problems. In doing so they created momentum and it was nearly enough to win the match. My three points goes to Nick Thompson who played utility role and was impressive in defence and attack. Two points goes to Jono Gates who had a tough day defending the Blue Mountains back line and did an remarkable job. One point goes to Tristan Baker who played the second half with purpose and aggression.

The boys now have a well earned rest until next term.

## **15's Rugby**

TSS 17 VS BMGS 12

BMGS welcomed us with cold and windy conditions on Saturday with the weather and then gave us the most competitive game of the season thus far. It was an extremely even matched game mixed with heightened emotions, pressure and physicality. This was the most physical game I have seen in a while and the boys to their credit gave our opposition everything they had in the face of a noticeable size difference. What the boys lacked in size they made up with sheer determination, commitment at the ruck, outstanding skill and their own style of consistent battering against the BMGS forward pack.

The game was looking positive for us from the early stages where our attacking game was rolling along extremely well and within minutes we scored a lovely through the hands of the backline try where Patrick Harris crossed over. Unfortunately the try was in the corner and we missed the conversion. We then continued our attacking game where Pat Harris crossed the line but could not the ball down, moments later Zane Rowlandson crossed but knocked the ball on just as he was about to score the try. These two missed opportunities proved costly as BMGS was never entirely out of the game and they game back with a vengeance using their larger forward pack to dominate us at the ruck and eventually they scored after a series of penalties against us and secured the conversion to go ahead at the half 5 to 7.

The second half the boys came out determined to turn things around but BMGS was once again able to use their size and scored off a series of mistakes, fortunately for us they missed the conversion and they held their lead at 12 to 5. Full credit to our boys from the ensuing kick off Wesley Standfield ran down the field, made the tackle and stole the ball, this caused the boys to really lift and they stormed their way down the field after a great set play from number 8 by Oliver Simpson, this allowed the boys to pick and drive their way into territory and Hamish Andrews eventually scored on some strong work by the forwards. We secured the conversion and the game was not 12 to 12. Time was getting on in the game with about ten minutes remaining. The pressure was getting to both teams and the game could have gone either way. However the boys really gelled together and lifted their game, Connor Willmott made an outstanding run after being set up by Jason Corliss, Connor broke numerous tackles straight up the middle of the field and ran in a 50 metre try right under the posts. We secured

the conversion going ahead 17 to 12. BMGS came back at us and tried to push themselves down our left hand side wing, but Patrick Harris, Nathaniel Couchman and Zane Brien Rowlandson stopped the pressure and eventually took our opposition out of bounds ending the game just outside our 22. What a phenomenal game of rugby. Extremely well played by both teams. A credit to our boys with their determination, grit and never give up attitude. Well done boys, I couldn't be any prouder with the boys conducted themselves on the day.

The game was dedicated to the Couchman Family and our thoughts and prayers are with them.

Special Performances. The Whole Team. Well done boys.

## **U13s vs Blue Mountains Grammar School U13s**

**Result:** TSS 31 to BMGS 27

**Scorers:** Nick Wald (4), Charlie Flude tries; Nick Wald 3 conversions.

**Best Players:** Zac McKinnon-Braid, Charlie Flude, Nick Wald

### **Comments:**

Although we received the competition points as the final victors, it must be admitted that on this occasion the better team lost. Blue Mountains Grammar School put on a much better display of their team rugby skills than we were able to muster.

While there were a couple of outstanding individual performances - notably forwards Zac McKinnon-Braid and Nick Wald as well as inside centre Charlie Flude, it is time for other players to step up so that we are able to play as a cohesive, focussed unit.

There is no doubt that every player has come a long way this season in terms of skill development, but the commitment and focus being displayed at training is not being replicated on match days, where we are still seemingly satisfied to watch others make the effort. This is an attitude that needs to change in order for us to remain competitive as the season continues next term.

### **Scots Lionesses v. Superstar Warriors**

We had a great game on Saturday with wicked moves from Prue, swift passes from Lana, great shooting from Maya and Claire. Aly encouraged us with 'nice' and 'great job'. Emma was active in the goal circle and Sophie was an awesome defender.

Despite our hard work the Superstar Warriors won with a final score of 25-1.

Player of the week was Prue.

### **Scots 3rds v. Collegians Hazards**

The girls won this game on forfeit. Thanks girls for turning up on this cold, threatening afternoon.

*Mr Paul Cameron*

### **Scots Karralee v. Collegians Coyotes**

Scots Karralee started off the game slowly but improved in the 3rd and 4th quarters to only be down by 2 in the 3rd quarter. Great circle defence to Sarah Driver and Georgia Flude.

Players of the match to Georgia Flude, Madi Smith and Alice Powell.

Scoring for Scots: Alice and Tilly

Final result: a 24-16 loss

### **Scots Black v. OOT Falcons**

This week Scots Black played the OOT Falcons. This week with improve passing and communication, our team was victorious. The whole team joined together with an excellent effort all round. I was extremely proud of the team's efforts and sportsmanship. Well done girls!

Final result: Scots Black 9 to OOT 3

Scoring for Scots: Montana (8); Genevieve (1)

*Mrs M. Simcock (Coach)*

### **1st VII v. All Saints College**

The 1st VII had a great half against All Saints 1sts. We started off with fast plays and 10 quick shots from Mollie Harley and Ellie Craft in the first quarter. At half time the rain really slowed us down, ending in a loss. Tyla Comerford played a strong game, easily making at least 5 turnovers. All girls should be proud of their efforts despite the conditions.

*Lucy Woods*

### **Scots Cubs v Bulldogs Beauties**

6:19 (loss)

On Saturday the Scots Cubs played netball against the Bulldogs Beauties. We had a great start, with Joanna scoring a goal in the first minute. The girls continued playing strong, ending the first quarter with a score of 2:2. The Bulldogs got ahead in the second quarter, scoring eight more goals. In the last two quarters Jorja scored four goals for the Cubs. The girls played well, but were playing carefully due to the wet court.

Player of the Week was awarded to Alexandra Agustin for sticking with her opponent the whole game and also to Jorja Hazell for great shooting.

Next game: Saturday 21st June at 11:05 on court 13.

*Mrs Sarah Milligan (coach)*

### **2nd VII v. Collegians Alacazams**

On Saturday the girls played a tough game against the Collegians Alacazams. Wet weather made it difficult to keep up with the other team, and we ended with a narrow loss of 22-19.

Player of the match goes to Nicole Rowlandson.

Thanks to Alice Powell for playing up for us!

### **Scots U17's v. Churches U15's**

After a slow, lethargic first half the girls steam rolled the second half focussing on communication, passing and triangle formations. It was a great game where everyone had a chance to shine and experience the thrill of scoring a goal. They all displayed positive attitude and team spirit. Well done! Result: An 11-0 Win!

Scoring for Scots: Lucy Blackmore (3); Giamia Radice (3); Steph Ferguson (2); Maddison Hohnberg (1); Ella Brooking (1); Elizabeth Balzke (1)

Best Players for this match: Stephanie Ferguson and Ashley Brooking

# COONABARABRAN Northwest Equestrian Expo 2014. . .

From Jack Rowlandson – Team Captain

*As the Equestrian Captain for 2014 it was my pleasure to be involved with the Coonabarabran Horse Expo Team. We were a small team of 5 but we were big on team spirit and enthusiasm. With equal amounts of new and old blood all our hard work leading up to the event paid off. The Scots School Equestrian Team have competed in Evans Crown, The Scots School H/G show jumping competition, Stannies Show jumping and the All Saints Show jumping plus numerous individual events to be ready for this one huge event.*

*With 660 competitors at Coona riding over 5 days our days started early (6 o'clock) and finished late (Polocrosse under lights).*

*The Scots School team represented every discipline that was at Coona – We had a Polocrosse Team, a Team Penning Team, Team Barrels, Team 6 Bar and our favorite and a new one at the event Team Horse Ball. We then competed in individual events that included dressage, show jumping, sporting, Cross Country and the WarrumbungleWay and Combined Training.*

*As captain of our team I would like to thank and congratulate Mrs Dawes on all her hard work and help leading up to and over the 5 days that we were at Coona, our results at this competition speak for themselves as to her dedication.*

*And to our parents who give up their time to have us to practices and events and for the 5 days of hard slog at Coona.*

*Jack Brien-Rowlandson*

Again The Scots School Bathurst Equestrian Team demonstrated their skills, commitment and TSS values whilst representing our school at one of the largest interschool equestrian competitions in Australia. Our team of five riders included; Jack Rowlandson (Capt), Danielle Lord, Laura McFawn, Amber Rosin and Rosie Webb.

The 2014 expo ran for 5 days and saw a significant increase in competitors from last year. With an additional 13 schools attending this year the event involved 660 riders and 750 horses from across the state and included a large variety of equestrian disciplines including dressage, show jumping, cross country eventing, 6 bar jumping, team barrels, polocrosse, working horse challenge, team penning and a new event horse ball.

All of our team members achieved new PB's and faced every challenge head on. Highlights included our polocrosse team being inadvertently placed in the A grade division against some of NSW best junior players and still winning a game. We also had great fun giving the new sport of horse ball a go and after some quick instructions on tactics our team was able to form a game strategy and launched into this sport with gusto at the great delight of the TSS parents and the onlookers. The teams tactics saw a very convincing win for TSS and unanimous agreement that the sport of horse ball was a must do for the future. Don't be too surprised if there isn't more TSS Equestrian action around this new sport.

Our results included:

Jack	2nd in 90cm SJ and 3rd in Warrumbungle's Way
Danielle	6th in C ODE Division 1
Laura	8th in C ODE Division 3
Amber	3rd in CT3 Dressage
Rosie	5th in 75cm Open SJ AM7

Jack, Laura and Danielle - 4th in Team Penning
