The team, coached by Mr Tom Van Gend, won their match by a score of 41-7 after scoring 7 tries and 3 conversions.

CARILLON BUSINESS AWARDS

The Scots School has been nominated for two Bathurst Carillon Business Awards.

The School's nomination for **Excellence in Professional Services** acknowledges the commitment by staff and particularly Deputy Mrs Lynne Fleming, to provide an excellent transition to tertiary education for Senior Students. Mrs Fleming nurtures and consults with each student throughout the HSC process to ensure their best options for subject choice and all aspects of entering tertiary education. In 2013, the School received outstanding HSC results and 80 per cent of Scots candidature achieved Early Entry into their chosen university courses.

The School is also delighted to be nominated for **Excellence in Rural Achievement**. The outstanding work by the Agriculture Department, led by Mrs Libby Dawes, has resulted in the co-curricular Cattle Team winning many prizes in 2014, including a prestigious Gold Medal at the Sydney Show. Students are paired together to fully prepare their steer for showing at Blayney, Bathurst and Sydney Shows. Not only do students learn about best practice in agriculture, they also work as a team, develop resiliency as they face challenges, take on responsibility, mentor younger students new to cattle, develop humility and have fun. These are the farmers for tomorrow.

VOTE NOW! To vote, go to www.carillonbusinessawards by 5pm August 18. Please note, only one vote per IP address.

Lynda Ireland (Enrolments & Promotions Officer)

From the Headmaster . . .

On Saturday night the Highland Jazz Night showcased outstanding music from our Musical Ensembles, Pipes and Drums and individual performances from a range of students. The quality of musicianship was incredible and the participation rate extremely high. The highlights for me were the excellence of Felicity Walker showcasing her HSC Extension Two pieces, the Barber Shop Quartet (Peter Deacon 12, Jonty Boshier 12, Sean Grabham 10 and Ben McGrath 10), the Voice Solos of Peter Deacon 12, Shilo McCurley 11, Anna McHugh 11, Sean Grabham 10, Ben McGrath 10 and Mia Wallace 7 and the outstanding performances of the Pipes and Drums and Music Ensembles. This really is one of the absolute highlights on the school calendar and this was particularly evident this year with a very big audience.

I especially wish to thank the Year 12 students for their contribution to Music during their time at the Scots School as was acknowledged on Saturday night. I also wish to thank Mrs Denise Garland, Mr Gil Mackenzie and Miss Alex Dunkley for all their work in developing Music and the performing arts at Scots. A great deal of thanks must also go to Mrs Liz Lennon and Mrs Lynda Ireland and the Friends of Pipes and Drums for all their preparation and setting up for the night.

Following on from Saturday night is the HSC Music and Drama Performance Night this Wednesday night at 630pm in the Lamrock Performing Arts Centre. Elective Music and Drama students from Year 12 will present their HSC performance pieces as preparation for the HSC Practical Exams to be held in the next few weeks. This is always a good occasion and particularly beneficial for students who intend to study Music and Drama in Years 11 & 12 in future years.

The Friends of Rugby have worked very hard over the last two years to raise funds to purchase an electronic scoreboard for the Main Oval. It was a real delight to be present for the official unveiling of the plaque and to be able to acknowledge the contribution of Mr Bill Marshall and Mr Frank Telfser and their leadership of the Friends of Rugby through to the realization of this project. Thank you to all the parents who have worked in the 'Ruck and Maul Canteen' to raise funds. Thank you also to The Scots School Maintenance Department for their work and Mr Richard Mottram (MIC Rugby) and Mr Justin Adams (Sports master) for all their work to assist the project. Special acknowledgement also goes to our major sponsors:

Blayney Earthmoving - Mr John and Mrs Brenda Gordon (trenching for electricity connection);

PCB Electrical - Mr Paul and Mrs Robyn Brunton (electrical work);

Clift Engineering – Mr John and Mrs Denise Brien (scoreboard frame and installation).

Two of our major sponsors, Mr John Gordon from Blayney Earthmoving and Mr Paul Brunton from PCB Electrical with Mr Bill Marshall, President of Friends of Rugby

This has been a very big project over the last two years involving raising funds, determining the most appropriate scoreboard for our needs and financial resources and harnessing parent involvement for the installation to reduce costs. The Scoreboard looks fantastic and the U13s Rugby Team were the first official match to use it. Congratulations to the boys and their coach, Mr van Gend; they played a wonderful game of Rugby to record a 41-7 victory over St Pius X College from Chatswood.

The Bathurst and Lithgow Open Days are coming up later this month and I encourage all parents and students to let friends and neighbours know so they are able to come and have a look at our great school. The Lithgow Open Day is on Saturday 16 August from 10am-12noon and the Bathurst Open Day will be held on Saturday 23 August from 11am-2pm. This is also the Term 3 Parent Weekend which features the Winter Season Presentation Dinners.

Have a good week...

Apprenticeships for 2015

I have several in the Year 12 cohort who are seeking apprenticeships in the Bathurst district for 2015. I am seeking help from members of the school community, asking if they have any knowledge of opportunities that may arise in the following fields for 2015:

*Electrical

*Plumbing

*Mechanic/Diesel Mechanic

*Upholstery/furniture making

The school is in a position to provide these students with thorough references and recommendations as to their motivation to work.

Year 12 Trial HSC Examinations

28th July 1914 Beginning of WWI

Many people don't like Mondays. But if you think this Monday is bad, you should have been here exactly 100 years ago, today would have been a lot worse. For the 28th July 1914 was the day when the Austro-Hungarian Empire declared war on Serbia following the assassination of the imperial heir Archduke Franz Ferdinand, and due to a complex web of alliances that existed in Europe at the time, this led to a domino effect of countries joining this war that led to the carnage and horror of what is now known as World War 1. Now THAT was a bad day!

Illness and Misadventure During Examinations

I wish to inform students and their parents/carers of the correct procedure to follow in case of illness or misadventure during the Trial Examinations. Parents/carers should contact me (lfleming@scots.nsw.edu.au; mobile telephone 0412 910 861) notifying me of the illness or misadventure and seeking authorisation as to which way to proceed. Independent medical evidence will be required in **ALL CASES OF ILLNESS**. Independent statutory declarations will be required for **ALL CASES OF MISADVENTURE**.

I congratulate all students involved in the Highland Jazz Night and I thank Mrs Garland, Mr Mackenzie and Miss Dunkley for the excellence of their work with our students.

MUSIC Notes (for Highlander – 28/7/14)

Congratulations to all performers and those involved in the wonderful success of the Highland Jazz Concert last Saturday night.

We are so pleased with the talent shown by all in the various ensembles.

Thank you to all parents, friends and students who assisted with the setting up and clearing away of the Hall.

This Wednesday evening will be the HSC Performing Arts Trial night from 6.30pm. Drama and Music students will perform their practical component of their course.

Next weekend Emelia Inwood and Zari Newell will be working with the Sydney Symphony Orchestra Player link program whilst the orchestra is in Bathurst.

On Sunday Sean Grabham and Samuel Flude go to HICES Music camp at Stanwell Tops for 3 days. This will be followed by a festival concert at the Sydney Town Hall on Wednesday 6th August.

Ensemble rehearsals continue as usual in preparation for the Bathurst Eistedfod.

Athletics Carnival

We have ordered a fine, sunny and mild day on Friday for our annual Athletics Carnival. We were fortunate to be able to complete the High Jump and 800 metre events on Friday at school. Children are reminded to wear their house T-Shirts, have shorts to compete in, bring a blanket to sit on and warm items of clothing. If you are able to assist by cooking or as an official please advise us using the appropriate note. The Friends of Junior School will operate a canteen during the day to cater for our food needs. Kindergarten to Year 2 students should pre order their lunch whereas Years 3 to 6 can purchase from the canteen throughout the day. We are looking forward to a fun day commencing with the marching and ball games in the Sports Barn at 9am. The representative Athletics Team to compete in the WAS and HICES athletics carnivals will be announced during the following week. Children selected in the team will need to purchase an athletics singlet to be worn at the carnivals.

Jeans for Genes Day

The Junior School will support this fundraiser on Thursday 31st July. Children can wear their jeans with the top part of their school uniform and bring a gold coin donation.

Library Books

Please ensure that all overdue library books are returned to the library as soon as possible to avoid charges being made to accounts.

Canberra Excursion

Students from our school have recently undertaken an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government contributed \$20 funding per student under the Parliament and Civics Education Rebate program towards those costs.

Netball Rings

We have just received two new netball rings we hope to have erected in the playground this week. This will be an incentive for our budding shooters to increase their accuracy and a fun additional piece of playground equipment.

BOOK CLUB - ORDERS DUE TUESDAY 29th JULY

All classes received their Book Club catalogues last week. Please return your orders to class teachers ASAP. Last orders can be accepted first thing Thursday morning. Payments can be by cash, cheque (payable to Scholastic Australia) or pay by credit card - see order form. Students name and class must be written on each order form.

Supporting Book Club helps to motivate your child's improvement with reading, as well as enabling class teachers to buy new books and resources for your child's classroom.

Lynda Scott (Book Club Coordinator)

Sponsor Child

Thank you to those children who are doing jobs at home to earn money to donate to our sponsor child Vannida at assembly each week.

Summer Sport

A note seeking expressions of interest for summer sport will be sent to students in Kindergarten to Year 3 this week. Parents are asked to return their expression of interest as soon as possible so that we can determine teams for the upcoming Kanga Cricket season and swimming squad.

Musica Viva

The Chambermaids will be an entertaining concert on Tuesday at 2pm. Parents are welcome to enjoy the concert at no charge. Please feel welcome to join us.

Speech and Drama Concert

Mrs Boshier's students will be performing their work for their parents at a concert on Thursday 31st July in the Performing Arts Centre at 6:30pm.

Peer Support Training

Peer Support training will be undertaken by Stage 3 students on Tuesday 5th August in the Stage 3 classroom with Mrs Robinson. We will commence the Peer Support program on Friday 8th August with students from Bathurst and Lithgow across all grades. The program theme this year is around building resilience. The students are placed in multi grade groups and work over 10 weeks with their peer support leaders to develop skills in planning, resilience, coping and communication.

Touch Football Gala Day

Mr Hunter will be taking a Stage 2 team and a Stage 3 girl's team to the Gala Day in Bathurst on Thursday 7th August. They have been learning the game in Fitness sessions over the past term and are very keen to see some

competition with other schools. More information for students involved will be sent home this week.

Mr McGee Performance

Students in Kindergarten to Year 2 have been enjoying some wonderful activities based on the Mr McGee books as part of their work in English this term. Teachers have written a special unit of work based on the new English syllabus and the performance which is being enjoyed by the children. The concert will be at BMEC on Tuesday 5th August.

French

Some of our Stage 2 and 3 students presented a French dialogue at assembly on Friday. We were amazed at the development evident in their accents and the fluency and accuracy of their pronunciation. Congratulations, Ava, Austin, Lana and Alexandra.

Fitness Club

Any students who are keen to participate in our early morning Fitness Club will need to remember to bring runners and a spare pair of socks. We meet at 8:30am Monday, Tuesday and Wednesday mornings, weather permitting. I will make a decision in the mornings if the weather is suitable enough to conduct the session.

Mrs Lyn Inglis

The Scots School Junior Chess

Last Tuesday 8 students represented The Scots School at the annual district chess competition held at St Philomena's School. We were very competitive this year as most of our students have been involved in this competition for 3 or 4 years. Special mention to Charlie Bennett in year 3 who competed for the first time and won 3 of his games, congratulations Charlie! Students all really enjoyed the day and were a pleasure to take.

Pre-Kindergarten Highlander Week 3

Learning Program- This week we will explore the 'l' sound through the Jolly Phonics program and the Interactive Whiteboard. Our action this week sees the children pretend to lick a lollypop and say, l,l,l,l,l,l. For our morning craft you can expect to see artworks in relation to lions, lighthouses, ladders, leopards, lollies, lizards and lots more.

Portfolios- The Pre-Kindergarten teachers are just waiting for a few more Portfolios to be returned after the holiday break. Work samples are being added each week and it would assist classroom teachers to have them returned in a prompt manner.

Kindergarten & Pre-K Link Program – Last Wednesday saw the start of our Link Program with Kindergarten. All the students have been split into mixed groups of Yellow, Purple, Green and Red. The children will stay in these groups for the eight week program and rotate between each of the four activities relating to Literacy Learning.

Jeans for Genes Day- Due to our Junior School Athletics Carnival being held on Friday, 1st August the whole school will support Jeans for Genes day on Thursday. Students are invited to wear their regular school uniform with the addition of jeans instead of black track pants. We also ask that all students who attend on Thursday bring in a gold coin donation in support of the research this day provides.

Athletics Carnival- On Friday, 1st August Pre-Kindergarten along with Kindergarten and Year 1 will participate in novelty events during the mid session of the day to coincide with the Junior School Athletics Carnival. Notes have been sent home regarding special lunch orders for the day. We ask that children wear shoes appropriate for running and other active events.

Upcoming Events for Term 3-

- Musica Viva – Tuesday, 29th July
- Athletics Carnival – Friday, 1st August
- Mr McGee and the Biting Flea (BMEC) – Tuesday, 5th August
- Fire Station Visit – TBA
- Book Week Celebrations, Bathurst City Library – Friday, 22nd August
- Open Day – Saturday, 23rd August
- Town Library Visit – Thursday, 4th September
- Father's Day Breakfast & Book Fair – Friday, 5th September

Electronic Scoreboard Opening

Thank you to all the parents, friends and students that came to celebrate the opening of the Electronic Scoreboard on the main Oval last Saturday. It was a little disappointing that we did not have a full round of matches due to forfeits from the opposition however these factors were out of our control. The weather was also out of our control and despite heavy rain earlier in the morning and a few spots of rain just before the opening the clouds dispersed and we had clear skies. The 13s were the first team with the opportunity to 'rack up' a score on the board and they did not let us down. The boys played a very good team game and put together some excellent phases of play. The growth, confidence and skill development of this team this season so far has been amazing and the boys and coaching staff, in particular Mr Van Gend are to be congratulated. Well done on the win boys and keep it up for the rest of the season.

Our Electronic Scoreboard major sponsors were **Blayney Earthmoving** - Mr John and Mrs Brenda Gordon (trenching for electricity connection), **PCB Electrical** - Mr Paul and Mrs Robyn Brunton (electrical work), **Clift Engineering** - Mr John and Mrs Denise Brien (scoreboard frame and installation).

Pleasing Netball Results

We have been very proud of our netball girls this season. There has been great individual skill and team improvement in each team so far this season and some great results. It was pleasing to hear that the Scots Karralee (16A) team had two very good and very close wins on Saturday and Sunday. The 14s Gold, 2nd VII and 1st VII all had very good wins on Saturday. It would appear that Sunday is not a good day for our girls as the all the teams other than the 16As went down. It is important that all players continue to train hard as each team has the chance to make the semi finals and finishing the season off strongly will be of great benefit.

Rugby Dinner and Bledisloe Cup

Many people are aware that the Rugby dinner is coming up soon (23rd August). Many will also be aware that generally our rugby dinner clashes with International Rugby matches. We are planning address this problem this year by having special screening of the match before the rugby dinner (5.30pm kick off). We cannot yet confirm if this is possible so stay tuned for details. One great thing that we can confirm is that our special guest at the rugby dinner will be Jim Williams (former Wallaby and Wallaby assistant coach).

Under 13s Rugby v. St Pius

Result: TSS 41 St Pius 7

Scorers: Nick Wald (3), Hamish Christie (3), Sam Bowles tries; Nick Wald 3 conversions.

Best Players: Not awarded – please see below

Comments:

Last Saturday saw the opening of the new scoreboard at Scots. Unfortunately, no matches were available for either our 15s or Opens teams, leaving the pressure of ‘christening’ the scoreboard to the Under 13s.

The spectators present were treated to an excellent match – undoubtedly our best team performance of the season. From the very first ruck the boys played hard, uncompromising rugby with real passion and an obvious sense of enjoyment. This commitment saw us being able to control the ball for multiple phases and to be patient in attack – long places combined with excellent support in bridging over the ball saw us maintain momentum that St Pius were hard-pressed to match. Our backline flowed like never before and our outside backs relished the quantity – and quality – of possession afforded them.

After we went to the break ahead 29 – 7, St Pius rallied and the second half saw an even tussle, with both teams giving their all. We were able to cross for two second half tries while keeping St Pius scoreless, resulting in a very satisfying victory.

No ‘best players’ were awarded for the match – this would diminish the efforts of others, and would work against the outcomes towards which we have been striving during the season. All of the boys deserve our

congratulations. In a similar vein, no player has been singled out for individual recognition, as it would be unfair to highlight the efforts of some over others.

However we would like to acknowledge our mate Tim Powell, who sadly broke his arm at training last Thursday, bringing his season to an early end. We wish Tim our very best for a speedy and complete recovery, and look forward to his return to school.

Mr Tom van Gend (Coach)

Bathurst Rugby Gala Day

Crisp and dry conditions made it favourable rugby weather for the Scots under 7’s side in their first hit out as a team at the Bathurst Bulldogs Rugby Gala Day. The lads had been training hard since the beginning of the season and did not disappoint. After a warm up, Scots trotted on the field to play Orange City in the first of three games. After a slow start, Scots worked hard to turn metres into points with a couple of tries in the corner. The next game saw the boys play a well drilled Mudgee Wombats side. Scots worked hard at securing the ball which enabled them to cross for a try in the corner. The Wombats were too good at the end of the day running out eventual winners. The final game saw Scots take on a talent Orange Emus side. After a barrage of Emu tries, the lads rallied and ran in two consecutive tries to even up the scoreboard. Overall, the day was a huge success with all the boys demonstrating great sportsmanship and competitiveness. They should be proud of the spirit in which they played. Thanks go to parents for their generous support and in particular David Hobson for his help on the field.

Mrs Kerry Robinson

The victorious 13’s leave the field after posting the historic first win on the new Scots scoreboard.

Netball . . .

Round 9- 26/7/14

Scots Cubs v Bulldogs Little Gems --1:14 (loss)

On Saturday the Cubs played netball against the Bulldogs Little Gems. While it was a challenging game for the girls, their improvement this season was could be seen in the significant narrowing of the scores since last playing the Little Gems. Their progress was even noted by the opposition, with their coach commenting that he had never seen a team improve so much in such a short time!

The Cubs had a great start, with Joanna scoring the first goal of the game within a few minutes. As the Little Gems got ahead, the Cubs continued to work together and do their best.

Player of the Week was awarded to Joanna Morrison for very good defending and significant improvement in her spacing; and to Laura Scott for some amazing intercepts!

Round 10- 27/7/14 - Sunday

Scots Cubs v Collegians Magic -- 0:34 (loss)

On Sunday the Cubs played netball against the Collegians Magic. While it was a loss for the Cubs, they had 22 less goals scored against them than the last time they played this team. This shows how much their skills have improved in the last few months. All of the girls should be very proud of themselves!

Player of the Week went to Madison Whitley for outstanding defending.

Next game: Saturday 2nd August at 11:05 on court 7.

Mrs Sarah Milligan

Scots 14 Gold v. Scots 14 Black (26.7.2014)

On Saturday the Scots 14 Gold faced Scots 14 Black. The court was wet so we had to watch out footing. We

had a sloppy first quarter, but we really picked up our game after that. A few misjudged passes lost the ball, but some great interceptions got it back. We all played really well.

Goals: Libby Coles and Amber Rosin

Player of the match: Libby Coles Score: 31-4 Win!
by Jaime Balzke

Scots 3rds v. ASC 3rds

Simply outclassed in this match., The girls tried very hard but ASC had too much height in attack and all round spread across the court. Pip had an outstanding game at GK. Rebounding strongly too often during their attack, particularly in the second half of the match. Thank you Maddie for playing up for us.

Score: 54 to 17 Loss.

Best Player Pip Shephard

Scots 3rds (27.7.14) -- All Saints forfeited to Scots.

Scots Black v. 11V Reps

Final result: TSS 9 to Reps 20

Scoring for Scots: Chelcie (5); Mia (1); Genie (2); Gab (1)

Best players this match: Chelcie Brunton, Mackenzie Honeysett, Lizzy Woodhouse

This Sunday Scots Black played against the 11V Reps. Our centre court intercepting improved dramatically, resulting in many more chances at goal. The shooters are to be commended for their determination, particularly Chelcie who scored 5 goals. Our defenders were kept very busy and managed to intercept many attempts. Once again, Scots Black continues to improve.

Scots Karralee v. Collegians Chickadees

A great game played by Scots Karralee even with a sleepy start after a hugh week on ski camp. Fantastic circle defence and improve attacking for our centre court players. A well deserved win for the girls 22-18! Well done.

Best player for this match: Millie Inwood - outstanding centre court play and attacking.
Scoring for Karralee: Madi Smith, Matilda Ryan and Alice Powell
Result a 22:18 Win!

Scots Karralee v. Collegians MnMs (Win)

A hugh improvement for Scots Karralee. The score was very glose throughout the game, winning only by two points in the end -- 24-22. A well deserved win and great effort from all players. Great job Karralee!!!
Scores made by Matilda Ryan and Madi Smith
Best Player this game: Madi Smith for amazing shooting and attacking play

by Alice Powell

2nd VII vs. Oberon

On the weekend the 2nd VII played two games. On Saturday the girls had a very good and close win (1 goal) against Oberon. Brittany Dunlop played strongly in goal keeper on her return from injury. Tyla Commerford demonstrated her diversity filling in at goal shooter and goal defence. Meredith Spence had an extremely good game taking many intercepts and creating plenty of drive through her high work rate in wing defence. Nicole Rowlandson and Rebecca George were very good in the centre court combining well together and feeding our attack players Alice Gates, Brooke Andrew and Chelsea McKay with quality passes. Players of the match were Alice Gates and Meredith Spence.

2nd VII v. CSU

On Sunday the girls backed up again in a re match with CSU. Unfortunately the girls were not able to consistently match the skill and intensity of the CSU girls and despite losing we were much closer than we were in the previous match. Players of the match were Brittany Dunlop and Nicole Rowlandson. Our next match is an important one against Collegians – one that we can win with quality passing and accurate goal shooting.

Mr. Adams (coach)

Scots 1st VII

The 1sts played our best game all season on Saturday. We switched to positions that some of us hadn't played in a couple of years and performed at our absolute best. Ellie Fricker definately didn't disappoint in shooting and hopefully we will see more of her in the circle throughout the season. We had an enormous amount of turn overs and the girls gave it their all in the last quarter coming out with a 50-41 win!

Our Sunday game was a little more difficult. Again, our positions worked well although we have so work to do on our passing and defence.

Congratulations girls on putting in a great effort over the last two days and giving ourselves a great start to the new round.

Scots Lionesses versus Collegians (26.7.14)

There were lots of quick passes from Lana and Aly whilst the others had great breaking techniques. It was a cold morning but soon cleared up which was a relief for the team. It was a great game well done Lionesses. Jess was player of the week.
We lost with a score of 14-3.
Scoring: Maya and Claire

By Emma Scanlon

Our Saturday game was very competitive despite a one sided score line. We seemed to have equal share of the possession but couldn't convert this into points. It is great to have Jess Thomson back in the side after her injury and the team is continuing to gel and enjoy playing together. The Sunday round match was a one sided affair against the very tall girls from Calare. We had to rely more on tactics to get the ball into a scoring position. Emma Scanlon played an excellent defensive game and tried the bounce pass successfully on many occasions to maintain possession. She was player of the match. We saved our best for last when in the last quarter we scored all our goals to make the score more respectable and to show what this team is capable of in the future. The umpiring was very strict and it was great to see so few stepping errors made by our girls.
