Scots vs MAGS Dubbo

Friday saw our Chess Team play MAGS Dubbo in the finals for first place. This was always going to be, and was, the toughest of the rounds. Unfortunately for us, MAGS was far too strong and won all four games. Last year they had come second overall in the state finals. This means we now drop back to the second place draw where we will keep playing to try and secure second place.

I was impressed with the way our boys played and the improvement that they have demonstrated so far this year, particularly the younger players.

From the Headmaster . . .

Congratulations to the four girls sporting teams who made it to the Finals of their respective competitions after a very successful season. The First XI Girls' Soccer Team coached by Miss Dunkley played their Major Semi-Final on Saturday. Although they went down to the top team they are still in the competition as a result of finishing in second place. If they can win the Qualifying Final they will progress to the Grand Final against last Saturday's opposition.

Congratulations also to the Seconds Netball Team who were knocked out in an Elimination semi-final on Saturday in a closely contested match. The 14 Gold's Netball team lost their major semi-final after finishing the regular season in second place and will play for the right to go through to the Grand Final on Saturday. The 16s girls played an excellent Elimination semi-final to win by four goals. At one stage in the first quarter they trailed by four goals and the scores were equal at three quarter time. It was a great match to watch. I wish them all the best in the Qualifying Final on Saturday.

It is pleasing to see such success from the girls in Netball and Soccer following on from the success of the boys in the ISA Rugby Competition this season where the 16s Rugby team were joint Premiers and the 13s Rugby team were Runners Up in the ISA Division 3 Competition.

Scholarship applications for 2016 open 9 September 2014 through until

9 February 2015. Scholarship testing will be held Saturday 28 February 2015 with a registration fee of \$100 paid to ACER who conducts the Scholarship process and testing.

The following scholarships are available: Academic, All Rounder, Music, Pipes and Drums, Agriculture, Highland Dancing, ICPA Boarding Scholarships and Boarding Scholarships.

Congratulations to Mrs Garland, Peripatetic Music Teachers and teachers in the Junior School who have provided our students with the opportunity to represent the School at the Bathurst Eisteddfod. I look forward to hearing of the results, but regardless, this is a wonderful opportunity for our students.

The Junior School Book Fair and Father's Day Breakfast is on this Friday morning before School. This is a wonderful event held every year for students from Pre-Kindergarten to Year 6 where fathers and grandfathers are able to enjoy a very special time with the children, a BBQ breakfast supplied by some of the mums from the Friends of Junior School Committee and a good reason to be a little late for work. The Book Fair is another part of this special morning which is very important to the Junior School and the children.

Have a good week...

practical insights for families to work well

sponsored by **Bathurst Presbyterian Church**

no cost - just turn up! coffee and dessert

'What a highly motivating speaker! Lynne shared her personal experiences as a mum of five. She spoke passionately about committing to a weekly 'family time' and outlined her 'All-In Night' to our very interested parent group. Lynne challenged us to take action, helped us to reflect on our personal goals and reminded us of the importance of modelling a positive attitude for our children. I would highly recommend her to speak to your staff and parent body too.'

From the Deputy Head . . .

This week is again a busy one at The Scots School. In many ways our areas of focus are on social service and rights of passage. On Wednesday, the speaker for assembly will address the school about Operation Christmas Child. Students are encouraged to work towards donating for a number of Christmas boxes to be coordinated in their tutor group. This is a simple and worthwhile activity encouraging students to consider those less fortunate.

Legacy

Year 10 students will be involved in Legacy collection on Friday, 5th September. Permission notes for this activity will be distributed to students.

Rights of Passage

This Thursday night, 4th September, Year 12 students will be attending their final school social at The Scots School Bathurst. I want to thank our school Service Prefect, Sophie Ireland, for her work this year under the capable guidance of Mr Dawes. The theme for the school social will be "Blast from the Past". (Time: 6:30-9:30 pm and the cost is \$10).

Parents of students in Year 12 are reminded to return their Valedictory Dinner booking sheets with payment. These are to be returned to the front office. A reminder that as a general rule each student is permitted eight (8) guests plus the valedict.

Year 11 students have been returning their prefect application forms. Interviews for prefect positions will be held this week (Week 8).

This Week in History:

The September Campaign or the Invasion of Poland took place today 75 years ago on the 1st of September 1939. The Germans moved their force over the boarder from the north and east making the Polish forces abandon their positions at the unexpected attack. On the 17th of September the Soviet Union forces moved in to assist the Germans in the Campaign. This event marks the beginning of World War II, that would last until the 2nd of September 1945. The September campaign ended on the 6th of October 1939 with Poland divided amongst the Germans and Soviets.

Welcome to spring!

HICES Athletics

We wish our athletes all the best as they travel to Homebush on Tuesday to compete in the HICES Carnival. Mrs Inglis, GAP student Scott and Mr Hunter will accompany the team and we look forward to hearing of their successes throughout the day.

Eisteddfod

Our Primary Choir presented beautifully at the eisteddfod on Thursday. Although we were not in the prizes the adjudicator gave us an excellent report and enjoyed our performance. An eisteddfod official gave special mention to me as we departed about the lovely manners displayed by our children whilst viewing the other choirs in the auditorium.

The Kindergarten and Stage 1 verse speaking groups will compete on Tuesday and Wednesday this week respectively. We had a sneak preview of their presentations at assembly on Friday and they delighted us all with their enthusiasm, cuteness and polish.

Fathers' Day Breakfast and Book Fair

The smell of bacon and eggs will waft through the playground on Friday morning as we welcome all our Dads and Grandfathers to school for our Book Fair and Fathers' Day celebration. The children will perform a special song for the dads, the highland dancers will also perform and of course we will have our annual tug o war contest against the dads. The Book Fair will be operating on Friday morning and books can be purchased to take home or for donation to the library. All books donated will have a book plate in the front giving recognition and thanks to families for their generosity. Our Connect to Reading competition entries will be on display and winners announced at the Fathers' Day Breakfast.

Fathers' Day Gift Pack

A note was sent home last week about gift packs available for purchase for \$3. We have a limited supply so orders will be filled as they arrive until stocks are depleted.

Staff Professional Development

This week we will have a visit from the English consultant from the Association of Independent Schools who will be working with us on the implementation of the new English syllabus and forward planning in this area. There will be a follow up day in the holidays where all staff will be engaged in collaborative planning and

writing units of work for our school. I appreciate their willingness to undertake Professional Development in their holiday break and look forward to the exciting programs which will be generated for our students.

Bike Day

We are looking forward to our annual Bike Day on Friday the 12th September. A note was sent home last week outlining the activities and requirements for the day. The Friends of Junior School and in particular Mrs Rhonwen Hazell do a great job in organising this fun event. This year we are raising money for the Heart Foundation by wearing red shirts and bringing a gold coin donation.

Peer Support

This week in Peer Support children will revise what they have learned about resilience and discuss the people who show them support. Through a story the children identify where the character has used her personal qualities, strengths and skills to help her overcome challenges. They identify times when she needed support to continue. The children discuss a range of challenges and determine the best person to approach for support. The children consolidate the protective factors for resilience by revising their own strengths and skills and identifying 5 people they can go to for support. Remind your child of their qualities and skills and encourage them to ask for help in challenging situations.

Busy End of Term

The remainder of the term will be very busy with our students being involved in lots of events as well as their usual class work. Some important dates for your calendar are:

2nd September Kindergarten Verse Speaking at the Eisteddfod at 9:30am

3rd September Stage 1 Verse Speaking at the Eisteddfod at 9:30am

5th September Book Fair and Fathers' Day Breakfast

10th September a play 'The Crossing' about the crossing of the Blue Mountains

12th September Bike Day and Winter Sport Presentation at 4pm.

16th September Student Led Conferences during the evening.

18th September Creative Arts Evening commencing at 6pm.

Rugby Gala Day at Kinross

On Sunday the 24th of August, the mighty Under 7's made their way up the Mitchell Highway to compete in the Kinross Wallaroi Rugby Gala day. The sunny and still conditions made it a perfect day for some running rugby. The lads looked sharp in their gold strip as they took the pitch against Orange City in the first of four games. After a slow start, the boys realised the only way to score was by pushing forward. Through a couple of strong runs by the bigger boys, the smaller boys split the defence and scored in the corner.

Next, the boys took on Orange Emus. This was a tighter game and although the boys tried hard, Orange was too strong in attack.

Game three saw us take on the Canowindra Pythons. Fatigue was starting to set in and this showed as Canowindra pounced and scored numerous tries around the edges. The boys dug deep and scored in the final seconds of the game.

The final game saw us take on Cowra. With other teams playing three games, this was going to be a test of conditioning and perseverance. The lads did not disappoint. They took the ball forward and hammered at the Cowra defence for a number of phases before scoring a try in the corner.

The boys are all to be congratulated for displaying sportsmanship, enthusiasm and perseverance.

Pre Kindergarten . . . Week 8

Learning Program - This week our Jolly Phonics learning takes us to the letter 'z'. The children will pretend to buzz like a bee while saying z,z,z,z,z. Our morning craft experiences will see the children make rockets to zoom, zebras, buzzing bees, make a zig-zag pattern and decorate zig-zag cookies. We will also be busy making some beautiful Father's Day gifts to help celebrate on Sunday.

We would like to welcome Frankie Burton to Pre-Kindergarten who commences this week in the Gold Class on Monday, Tuesday, Thursday and Fridays.

Pre-Kindergarten School Photos - All envelopes should be clearly marked with the correct details along with payment and returned to class teachers before **Wednesday, 3rd September**.

Father's Day Book Fair and Breakfast - Invitations and information has been sent home to families about our exciting Father's Day Book Fair and Breakfast this Friday morning. We would love to see as many families as possible at this wonderful event. RSVPs should have been returned to your teacher for catering purposes.

This years' theme for Book Week was 'Connect to Reading', so we are looking forward to seeing many terrific photographic entries of how your child connects to reading in their favourite environment. There are prizes for each class so don't forget to get your photos in soon!

Lunchboxes - We would like to remind all of our families that we are getting our students ready for Kindergarten and that it is important to pack the right utensils each day to allow for independence at meal times. Several children have been without a spoon for yoghurts and fruit cups on a regular basis. We have a limited supply and ask for your assistance with this issue.

Upcoming Events for Term 3:

- Town Library Visit – Thursday, 4th September
- Father's Day Breakfast & Book Fair – Friday, 5th September
- Pre-Kindergarten Photos – Monday, 8th September
- Bike Day – Friday, 12 September
- Creative Arts Concert – Thursday, 18th September 6pm
- Term 3 Ends – Friday, 19th September

Secondary School Sports Bulletin Week 8 Term 3

TSS Secondary Inter House Athletics Carnival

Last Wednesday the Henning Cup was contested between the houses with our athletics carnival. The wind blew from the very start of the day and that combined with low temperatures through until mid morning made for difficult conditions. Surprisingly and thankfully the weather did not put the students off competing with very good numbers in the first track event, the 800m. We also had very good participation in the field events particularly in the junior and senior divisions. As the day warmed up so did the performances on the track. There were numerous new records set including Emma Harley breaking the 800 metres and 1500 metres; Emily Watts breaking the 3000 metres, 1500 metres and Long Jump; Tyla Comerford in the Shot Put; and Nicholas Wald breaking the 100 metres, 200 metres, and Javelin. Well done kids, terrific efforts!

The House relays were also a real highlight this year and each race being closely contested and in some cases only won in the final few metres. Our students were wonderful on a very trying day. Their behaviour and participation was outstanding. Unfortunately we ran out of time for the much anticipated 'locality relay' and also the presentation which will take place at an assembly this week.

We also thank the Parents and Friends that kept the students and staff well nourished on the day with canteen full of delicious cakes, biscuits and slices and a BBQ lunch.

ISA Athletics

The draft TSS team for ISA was posted on the notice board last Friday, a revised version will go up again on Monday. The ISA Carnival is on Tuesday the 9th of September. Permission notes will go home early this week. It is a very long day, leaving at 5.00am and returning after 8.30pm. Students are reminded that only the School tracksuit (pants and jacket), black shorts, the blue sports polo shirt and the gold athletics singlet are the only uniform items allowed on the day. Students with other variations (year jumpers, rugby tops, etc) will be asked to remove them before getting on the bus.

Training for students in the TSS team for ISA is on Tuesday and Thursday afternoons. We will be concentrating on track starts (using blocks), throwing events and long jump/triple jump.

Semi Finals

The 16A (Scots Karalee) netball team was the only successful team on Saturday. Fortunately the 14s Gold netball team and the soccer girls get another shot this weekend to make the Grand final. The 2nd VII netball had a very good and close game losing only by a few goals in the last quarter. Best wishes girls.

Scots 2nd VII v. Firecrackers

On Saturday, 30th of August, the girls had a close game against the tough Collegians Firecrackers. The final score was 22-16 to the Firecrackers, but the score was even the whole way through, and they only managed to sneak away in the last quarter. All of the girls played exceptionally in our last game and should be proud of an amazing season. Thanks again to Mr Adams and Di for everything!

Scots Cuddly Cubs Netta v. Superstars Bellbirds

Player of the week: the whole team for great attack, defence, teamwork and goal shooting plus improved skills at Netta.

Final Score: 5-15 Goals scored by: Jessica McGarry, Mia Hobson, Matilda Fitzgerald and Lily Trimming

The Cuddly Cubs should be very proud of the way they played on Saturday. The girls did an excellent job of passing in the attack and defended well.

A huge thank you to Mikaela Warry for coaching the Cuddly Cubs this year. She has done an amazing job with the whole team.

Reminder to parents: Presentation on Friday, 12th September in the Performing Arts Centre at 4:30 pm for all Netta girls.

Scots Karralee v. Collegians

Congratulations to Karralee for making it through to the netball finals next week. The game this weekend was a great team effort and all the girls played extremely well. An amazing shot from just inside the circle was scored by Tilly in a penalty shot after the quarter time siren. Also stand out performances by Sarah Driver and Gwen Towart with many intercepts.

Great effort Karralee!

Result: a 24-19 win!

Scots 14's Gold vs OOT Bluebirds

This Saturday the Scots Gold played their biggest competition. Our first quarter we were very nervous. Without our coach, Harriet, being there, we took a while to warm up to the game. We continued to play well throughout the last quarters, but unfortunately lost. We need to continue using our tactics and practising our shooting leading up to the preliminary final.

Final Score: 20-12
