To Ponder . . .

Deborah Storie writing in *Target* noted that The Living Planet Report¹ estimates that if everyone lived like an average Australian it would take more than three planets to sustain our lifestyle. This means that how I live impacts the access that poorer people have to the resources they need to live and make a living.

God has a heart of care for the poor and He will judge those who oppress them. So while I rest on the hope of His forgiveness in Jesus, I have again been challenged by the reality that my lifestyle impacts those who have the least. There are simple things that we can do to not only help the poor but to reduce our impact on the space and resources we all need to live.² However we go about it, we are all called to share in God's care for the poor.

*Don't rob the poor just because you can,
or exploit the needy in court.
For the LORD is their defender.*

He will ruin anyone who ruins them.... Proverbs 22:22-23 (NLV-SE)

Road Closure Junior School Bike Day Friday, 12th September

The Junior School will be holding its Bike Day on Friday the 12th September. To enable the children to ride around safely we will be closing off part of the internal road system between 10am and 2pm. The front gates outside the Headmasters Residence will be closed, a barrier will be placed in front of the main office and another barrier between the dining hall and Bulkeley House. We will be using the front drive for the obstacle course and the back drive around the back oval for the general ride around. Access to the school will be from the Southern entry gates to the main/teachers car park only between 10am and 2pm.

Congratulations to Emelia Inwood (Year 9) who has been selected as the monthly recipient for the 2BS Youth Arts Awards following nomination from the Conservatorium of Music. This award recognises outstanding young people who have distinguished themselves in their particular field of the arts; in Emelia's case it is for excellence in Music. Monthly award winners will be eligible for the Bathurst Youth of the Year Arts Award to be presented on Australia Day. *(Right: Emelia at Highland Jazz Night)*

Congratulations to the 14 Gold Netball Team and the First XI Girls' Soccer Team who have qualified for their respective Grand Finals this Saturday. I wish you all the best and look forward to being there to cheer you on.

The Junior School Book Fair and Fathers' Day Breakfast last Friday was a great success. This is a wonderful event held every year for students from Pre-Kindergarten to Year 6 where fathers and grandfathers are able to enjoy a very special time with the children. Thank you to the mums from the Friends of Junior School Committee for all your hard work.

I would like to wish Year 11 all the best as they sit their Preliminary HSC Examinations this week. These are important examinations to conclude the Preliminary HSC Course before HSC work begins next term.

Year 12 - Valedictory Dinner Reservations

Parents of students in Year 12 are reminded to return their Valedictory Dinner booking sheets with payment. These are to be returned to the front office. A reminder that as a general rule each student is permitted eight (8) guests plus the valedict.

Valedictory Assembly

Parents of graduating Year 12 students are invited to attend the Valedictory Assembly which will take place on Friday, 19th September commencing at 12:30 p.m. in Aikman Hall.

This assembly has a very special place in our school year as it is the opportunity for the entire school K-11 to farewell our outgoing Year 12. We do not expect many applications for leave because this is a key ceremonial time for our school.

Blue Black and Gold Ball

Year 12 students are being issued with invitations to the Blue Black and Gold Ball. I urge parents of Year 12 students to make their Ball reservations early. Booking forms and payment must be received before tickets are reserved and issued.

Chess . . .

On Thursday Thomas Simcock, Joshua VanEssen, Andrew Knox, Aaron Callan, Edward Simcock, and Lewis Wilde represented the school at the Dubbo One Day Chess Competition. This was a great day with schools from all over the Central West represented so it was good for us to have a presence there.

Whilst we did not win, with Macquarie Anglican taking our the Secondary Division, it was a valuable experience. I would like to thank the boys for participating.

Mr Richard Mottram (Co-ordinator of Chess)

This Week in History:

This week is the week of a rather significant date, specifically September 11. Now we all know what terrible events happened on that day 13 years ago, but here's an ironic little fact. On September 11 1941, years of planning by the American government had finally begun to come to fruition, and the construction of the Pentagon began. Yes, the same one that got damaged in the 9/11 attacks. Now let's all just hope that nothing like 9/11 ever happens again.

HICES Athletics

Congratulations to all the athletes who competed at the HICES carnival on Tuesday. Special congratulations to place getters and to Laura Scott who has been selected to represent HICES at the Combined Independent Schools carnival on Wednesday 17th September.

Bathurst Eisteddfod

Congratulations to Kindergarten and Stage 1 who both received Highly Commended awards in the Verse Speaking sections at the eisteddfod this week. We will have another opportunity to hear their performances at the Creative Arts evening on Thursday 18th September at 6pm.

Fathers' Day

We hope all our dads had a wonderful Fathers' Day and enjoyed making and flying a kite with their children. Breakfast on Friday was lots of fun with excellent entertainment from the highland dancing troupe and a song from the children about dads who snore! Lots of excitement around the annual tug o war saw the dads convincingly beaten by the little ones but winning against the older children. It was a special moment for Robbie Hayward and the Junior School when Robbie

accompanied the dancers on the bagpipes. Robbie started his education at Scots in Pre Kindergarten and is about to complete his higher school certificate. He

was a highland dancer until Year 8 and is currently our school captain. He is an outstanding piper and has always been generous and supportive of the Junior School in providing his services at special functions such as this. Thank you Robbie we will miss you. Thank you to Mrs Mary Weber and Mrs Inglis for preparing the dancers.

Our Friends of Junior School Mums did a brilliant job on the barbecue to feed our many guests with delicious bacon and egg rolls. Thank you.

Book Fair

Thank you everyone for the wonderful support of our Book Fair. We had lots of books donated to the library and were able to purchase others to support our teaching and learning using the new English syllabus. Children were very excited to be purchasing books to take home and this is a very powerful message about the importance we place on reading at our school. Winners of the Connect to Reading competition received a \$20 voucher to spend at the Book Fair courtesy of the Friends of Junior School:

Pre Kindergarten - Isabelle Lund

Kindergarten - Joshua Inwood

Stage 1 - Sritha Atluri

Stage 2 - Madison Whitley

Stage 3- Alyssa Cranston.

Thank you to Mrs Lynda Scott for her hard work in setting up and managing the book fair and managing the browsing and sales. Thank you also to Mrs Kathryn Bancroft from Books Plus for organising the books and managing sales.

Peer Support

We introduce a 3 step model this week to encourage resilient responses; **Pause, Plan, Proceed**. The children take part in an activity to identify their feelings and the immediate effects on their bodies i.e. butterflies in their stomachs. The normalcy of feelings is acknowledged and the importance of being proactive is stressed. The children learn that pausing when they are emotional is helpful. They can do this by being still, taking a deep breath or counting to ten. Pausing gives children space to see a situation more accurately before planning a response.

Ask your child to describe the 3 steps of the model and what is involved in each one.

Bike Day

Bike day this year will be coupled with a **red day** to raise funds for the heart foundation. Children can wear a red T shirt and bring a gold coin donation to support the heart foundation. Please ensure that lunch orders are

returned as soon as possible so that catering can be organised.

Winter Sport Presentation

Children who participated in Rugby, Netta and Netball and their parents are invited to attend the presentation assembly at 4pm on Friday 12th September. Children can remain at school after Bike Day and will be served with afternoon tea before the assembly.

Kindergarten and Stage 1

This year we were very proud to have all students in Kindergarten and years 1 and 2 represent us in the Verse Speaking Section of the Bathurst Eisteddfod. Students in both choirs learnt 2 poems. The students focused on performing in unison, facial and voice expression and staying focused on their teachers. We were very pleased to have so many parents and friends supporting us in the audience and report back to us how magnificently the choirs presented their poetry. The adjudicator mentioned how impressively we wore our uniforms and the obvious delight in performing that shone on our students faces. Both choirs were awarded Highly Commended.

The Crossing

A play about the crossing of the Blue Mountains will visit the school on Wednesday and all students will attend.

Student Led Conferences

Please return your booking form to class teachers for student led conferences on Tuesday 16th September.

Pre Kindergarten . . . Week 9

Learning Program – We are nearing the end of our Jolly Phonics Learning program for our single sounds. This week we will look at the 'w' sound. Children will pretend to blow with their hands to make wind with their mouths. For our morning craft you can expect to see; wombats, windmills, wheels, whales, wagons and lots more.

Pre-Kindergarten School Photos – Thank you to all of the families who made the extra trip out to school on Monday for our Photo morning. Mr Colzato was very happy with all of the group and individual photos taken. He will have a busy time processing the packages ready for Term 4 collection.

Father's Day Book Fair and Breakfast – What a fantastic morning was had last Friday for our annual Father's Day Breakfast and Book Fair. It was wonderful to see and meet so many of our Pre-Kindergarten Dads and Grandfathers. There was a huge range of terrific books to buy from the Book Fair, and we thank everyone for their purchases and donations!

Isabelle Lund was our Pre-K winner for the best photo for our "Connect to Reading" competition. Well done - all of the entries were very creative and very cute!

Bike Day- Notes outlining all of the details for Bike Day on Friday have been sent home. We ask students to wear a red shirt or accessory and bring a gold coin donation for the Heart Foundation. Lunch orders need to be in to your child's teacher to allow for catering purposes.

Lunchboxes - We would like to remind all of our families that we are getting our students ready for Kindergarten and that it is important to pack the right utensils each day to allow for independence at meal times. Several children have been without a spoon for yoghurts and fruit cups on a regular basis. We have a limited supply and ask for your assistance with this issue.

TSS Secondary Inter House Athletics Carnival

Last week at assembly we presented the age champions and runners up their award and announced the winner of the 'Hennings Cup' for Inter house Athletics. This year Browning were the winning house from Lang, Flynn and Ives. Mrs Shillabeer was also on hand to present the Shillabeer Shield which was presented to Flynn House. After further examination of the results and the program we also discovered a few more records that had been broken in addition to the ones reported last week. We congratulate Lucy Woods and Meghan Booth who both broke 100m records and Madeleine Ogilvy and Lucy Woods who broke long jump records.

ISA Athletics

The TSS team for ISA travels down to Sydney Olympic Park on Tuesday the 9th of September. It is a very long day, leaving Scots at 5.00am and returning after 8.30pm. Students are reminded that only the School tracksuit (pants and jacket), black shorts, the blue sports polo shirt and the gold athletics singlet are the only uniform items allowed on the day. Students with other variations (year jumpers, rugby tops, etc) will be asked to remove them before getting on the bus.

Semi Finals

We congratulate the three girls' teams that played in semi finals on Saturday. Unfortunately the 16A (Scots Karalee) netball team went down in their match. We are extremely proud of this result for the girls who have made great progress this season. The 14s Gold netball team had a very convincing win and will play in the Grand Final this Saturday at 9.30am. The soccer girls also had a very convincing win and will play their Grand Final this Saturday also (game time to be advised). Best wishes girls.

2015 Bathurst Rep Netball Trials

We remind all netball girls that wish to trial for 2015 Bathurst Rep netball teams that nominations close this Saturday. Nominations forms can be downloaded from the website.

Bathurst Edgell Jog

It was great to see so many Scots students and their families having a run at the Edgell Jog on Sunday. It was a fantastic recognition of how much we value good health and fitness at Scots and how important we see supporting the local community; a quality we do so well at Scots. There were some great results including Zac Telfer finishing 15th (4th in 17-29 division) in a time of 29 minutes.40 second, Emily Watts finishing 1st in the 13-14 year girls in a time of 32 minutes 09 seconds and Emma Harley finishing 2nd in the 15-16 Year girls division in a time of 35 minutes 49 seconds. There were plenty of other great results but too many to report so soon after the event. Well done to everyone.

Summer Sport Trials

We endeavour to begin the summer sport trials this Thursday with basketball trials and 1st XI cricket trials. Touch, tennis and other summer sport teams (not swimming, it will begin in week 1 Term 4.) will have a training session starting next Tuesday 16th of September and then continue again on Thursday 18th September.

Swimming Squad Registration

Information about the Scots swimming program for the upcoming summer season will be issued this week. Enrolment forms will need to be completed and returned by October 3rd. The senior squad will be on Monday and Wednesday afternoons from 5.00pm to 6.00pm.

Scots U17 Girls v. U17 All Saints College

The final game was a highly intense and extremely physical game of football. The girls all worked incredibly well together with a solid defensive line and skillful passes and plays through the middle and up into the forwards. Most importantly they showed maturity and sportsmanship in a not always desirable situation. Well done on making the grand finals. A well deserved win and accomplishment.
