To Ponder . . .

Thank you to our Parents, students, friends and staff for being a part of our Parent Weekend. The Guys and Dolls performance was a lot of fun and I recognise the effort and commitment it took to be back on Sunday morning for Chapel! A quick reminder from Sunday...

²¹ For God called you to do good, even if it means suffering, just as Christ suffered for you. He is your example, and you must follow in his steps.

²² He never sinned, nor ever deceived anyone.

²³ He did not retaliate when he was insulted, nor threaten revenge when he suffered.

He left his case in the hands of God, who always judges fairly.

²⁴ He personally carried our sins in his body on the cross so that we can be dead to sin and live for what is right.

By his wounds you are healed.

²⁵ Once you were like sheep who wandered away.

But now you have turned to your Shepherd, the Guardian of your souls.

... 1 Peter 2:21-25 (NLT-SE)

Jesus never sinned; He never hurt people in revenge.

Jesus, however, carried the guilt of *our* sin when He died on the cross.

Jesus took the punishment for us; he was wounded so that we could be healed.

Why wouldn't we turn to our great Shepherd?

The Scots School Community Calendar PHOTO REQUEST

Photos are needed for the 2017 Calendar.

Please start to send your photos in now.

All photos of Junior and Senior school activities gratefully accepted. They could be of the schools co-curricular activities (sport, music, cattle), boarding, typical day of academic activities, Highland Gathering, OBG activities, excursions, parent weekends.

Please save your photos onto a USB and drop them into the School office or email photos directly to Kristina Powell at eladnam@bigpond.net.au. The larger the file size, the better.

We really welcome and look forward to your contributions to make the 2017 calendar a show case of our school community activities.

Please support this important fundraising activity for the Scots School Boarder P&F.

From the Headmaster . . .

The Annual Cadet Dining in Night was held last Wednesday night. This is the ceremonial hand over of Cadet and Pipes and Drums leadership from the 2015 leaders to the students who have been leading this year. It is a wonderful dinner for all our leaders and the Year 8 Cadets who have just completed their Cadet Bivouac. I was privileged to be the guest speaker this year and I addressed those present on the topic of leadership and why it is necessary to develop leadership in our students through direct instruction along with an increased opportunity to lead.

The following is just a little part of what I said with regards to Cadet Leadership:

Leadership is a skill which must be developed. We need young people of good character and manners, commitment and dedication, enthusiasm, resilience, creativity and many other qualities besides. More than anything though, we need leaders who will be followed and will do what is right 'when no one is watching'. We need leaders with moral courage and a determination to stand for what is right.

Cadets is a youth development program under the auspices of the Australian Army and it provides a wonderful opportunity and context for the development of leadership skills with abroad applicability. I don't believe it is an accident that almost every Cadet leader in my time here has gone on to be a School Prefect. This is not simply because they were a Cadet leader but because of the skills and confidence they developed through doing so that prepared them to take on further leadership.

I wish to thank and congratulate CUO Tegan Brunton and RSM Lily Ross for their leadership of the Cadet Unit. I wish CUO Libby Balske and RSM Julia Ross all the best as they continue to lead the Cadet Unit in 2016.

The Music and Drama Department has been working very hard of late in preparation for the School Musical for the Parent Weekend. They performed a Matinee for the Junior School on Friday morning along with two public performances on Friday and Saturday night. It was a wonderful show with many starring performances from both lead and support actors and musicians. There were students from Year 7 – 12 involved and they learnt a great deal through this wonderful opportunity. I wish to thank all the staff who were involved in some way with the production and Miss Alexandra Dunkley and Mrs Denise Garland for their outstanding work and commitment to the Performing Arts at The Scots School.

The Term Two Parent Weekend was a wonderful celebration of community. Thank you to all parents, staff and students who committed time, energy and resources to enable events to take place. Such celebrations are special and vitally important to developing a wonderful school. It was particularly good to see so many new parents and Grand Parents feeling welcomed and a part of the School whether at a sporting fixture, Boarders' Dinner in the Pavilion, School Musical or Parent Weekend Chapel Service.

The Term Three Parent Weekend is on the weekend of Friday 26 – Sunday 28 August. This is one of our busiest weekends of the year with the end of season Sporting Dinners for the Senior School, Open Day on the Saturday and the Foundation Day Chapel Service and Tree Plant on the Sunday. At this Chapel Service we celebrate both our Christian and historical foundations as a school. Please save this date and be involved in as much as possible.

This is a busy week with a great deal on including Year 7-11 Half Yearly Examinations, Junior School HICES Cross Country, the Year 8 French and Visual Arts Excursion to Canberra and more.

Have a good week.

David Gates

From the Deputy Head . . .

Congratulations to all students who contributed to the success of the 'Guys and Dolls' musical presentation on parent weekend to give three lively and polished performances. My thank you also to Mrs Denise Garland and Miss Alexandra Dunkley for their guidance over weeks of preparation to make this a memorable event for our school.

Years 7-11 Examinations

These examinations are being held this week (Monday, 23rd through Friday 27th May). Each student has been issued with an examination notification for each course of study. These examination notifications contain:

- *Examination length
- *Outcomes to be assessed
- *Content areas to be assessed
- *Mark allocation
- *Question type

Students should carefully examine the examination notifications to best prepare.

Reports

Reports for all students in Years 7-11 will be posted during the last week of term.

History This Week . . .

May 23rd 1618

Second Defenestration of Prague:

People being thrown from window starts brutal war

Tension was building among the great powers of Europe again, but this time it was driven by religious differences as much as by sheer greed. While in the Holy Roman Empire, which was by now basically a federation of largely German states, the 'Peace of Augsburg' had allowed the individual princes to control their principality's religion, it was not uncommon for some Catholic princes to oppress the local Protestants and vice versa. And while the Habsburgs themselves left the Protestants in their realms alone, a fiercely zealous Catholic named Ferdinand of Styria became king of the largely Protestant Bohemia in 1617. He ended the construction of protestant churches on crown land and when the Bohemian nobility protested because it violated their agreement of religious freedom, had he had their Assembly dissolved. Soon after there was an encounter in the Bohemian Chancellery in Prague between four Catholic nobles and a mob of Protestant lords who demanded to know whether the Nobles were personally responsible for the closing of the churches. In the end two of the Catholic Lords were declared innocent but the other Two were forced to confess and were thrown out the window (defenestrated) with their secretary from a height of 21 metres. And while no one was harmed, the message was clear. By 1620 Bohemia was in outright civil war between the Protestants and Catholics and as both sides looked for more allies the conflict spiralled out of control, spreading and spreading until most of Europe was stomping across the Holy Roman Empire in what is known as the "30 Years War", a conflict rivalling the World Wars in terms of death and destruction.

Boarding Information for Parents . . .

Boarding Information Electrical Safety Testing “Tagging”

The school is currently going through the process of identifying, assessing and “tagging” electrical devices to reduce the hazards or risks of using such devices. These devices also include any items brought into the boarding houses by boarding students. Any item on the list below must be “tagged” before being brought to school by a qualified electrician. Brand new items purchased in Australia need not be tested but must be tested after 12 months of use.

1. Night lamps
2. Box fans
3. Power bars
4. Mini refrigerators
5. Game consoles

The following items do not need to be tagged

1. Laptops/tablets and chargers
2. Phone chargers
3. Ipad chargers

Students should not have alarm clocks or mini stereos.

If a student has an item they are unsure of please email the appropriate Head of House.

If all families can work together to have items tagged before returning at the beginning of Term 3 this would be greatly appreciated.

Any items found to not be tagged in Term 3 will need to be held by the Head of House until taken to be tagged by parents or the school will have items tagged at a fee.

*Regards,
Mr. Duane Bailey
Director of Boarding*

Change of Date:

Please note that due to circumstances beyond our control, The 2016 Blue Black and Gold Ball will now be held on **Saturday 12 November, 2016** at the Bathurst Memorial Entertainment Centre.

We hope that you can join us to celebrate our 70th Anniversary Year.

ALL WELCOME

To RSVP or for more information, please phone Mrs Lynda Ireland 63312766 or let your Pre- Kindergarten teacher know that you are coming.

What a Night!!!!

The 80s disco was an outstanding success with one student quoted as saying,

“I wish that night could just go on forever.”

This quote summed up the night perfectly with students and parents enjoying the food, dancing, games and parades throughout the night. A highlight was certainly when everyone was up dancing for the Cher classic, “If I could turn back time.” Many thanks to all who attended and to the FOJS who decorated the hall so magnificently and prepared and served food on the night. The students thoroughly enjoyed the set dances to ‘We will rock you, Mickey and Take on me’ and the costumes on display were outstanding. I wonder what the theme will be next year?

JOSH KIDD CIS HOCKEY

Last Monday Josh Kidd represented The Scots School at the CIS Boys Hockey Gala Day. Josh had a great day and he played really well scoring 3 goals. After doing a skills session in the morning (trained by NSW players) Josh then played a series of games against other teams. I commend Josh on his performance and effort throughout the day. NOTES NOW ON THE WEBSITE

All notes sent home from the Junior School can now be downloaded from the website. So if you think you might have missed a note simply go to the school website and click on News and Events, then Current Forms and you should be able to find what you're looking for.

Parent Facebook Group

Just a reminder also about the Parents of Junior School Facebook site. The site is great way to keep in touch with what is happening in the Junior School. If you haven't joined, simply search 'Parents of Junior School' and request to join.

I've attached the groups Mission Statement and Guidelines and hope we can create a useful space that will benefit both us and our children during our years in the Junior School.

School Public Speaking Competition

Round 2 of our Public Speaking Competition kicked off today and will continue tomorrow. Thank you to all our parents who assist their children in preparing for this event each term.

GO HICES Cross Country Team

I'd like to wish our students well who are travelling to Bong Bong racecourse in Bowral this Thursday for the HICES Cross Country. Mr Hunter and Mrs Inglis will escort the team and I encourage all members to do some extra training this week in the lead up to the event. The bus will depart school at 6am and return at approximately 7:30pm.

Lunch Orders must be in no later than 9:30

Tuesday

If your child would like to order a pie or a sausage roll for lunch on a Friday then simply write on a brown paper bag your child's name, class, order with money with enclosed. Students bring their bag and money in on a **Monday** so it can be ordered for Friday. Pies are \$4 and sausage rolls are \$2.50. All monies raised from sale go towards the Year 6 fund raising program.

Gymnastics: This Friday

Don't forget gymnastics continues this Friday at Aspire Gymnastics. Times are as follows:

Learning Program—Our Jolly Phonics sound this week is “r”. Children will pretend to be a puppy with a rag between their teeth, shaking their head from side to side and say r,r,r,r,r,r. You can expect to see roses, rockets, rabbits, rectangles and lots more.

Junior School Disco – What an amazing night we all had at the 80’s Disco last Thursday night! All of the students and even some of the parents went to a lot of effort with some terrific costumes!! The dancing and games were a lot of fun. Thank you to the clever mums who made all of the yummy treats for the adults on the night.

Gigalees Crazy Circus Show – We are very excited to welcome back to Scots ‘The Gigalees Crazy Circus Show’ this Thursday morning at 10am. Our students really enjoyed their energetic, acrobatic circus performance skills last year. Pre-Kindergarten along with the infants’ classes will view the show in the Performing Arts Centre. Please ensure that you have returned your child’s permission slip before the event.

Kindergarten 2017 Information Evening – On Tuesday, 31st May the Junior School will host the annual Kindergarten Information Evening. This is a wonderful opportunity to meet with Mr Roohan and Mrs White to gain an overview of the school and most importantly the Kindergarten program. Please see your child’s teacher or contact Mrs Lynda Ireland in the school office if you would like any further information before the evening.

AICES Touch Football

Last Thursday (19th May) Mr Coyte accompanied seven Scots students as members of the WAS Touch football teams at the AICES championships at Penrith Touch Fields. All reports suggest that it was a very enjoyable day and the quality of the matches was very high. We congratulate Madeleine Ogilvy for gaining election into the AICES Open girls team and wish her all the best at the NSW CIS trials.

WAS Open Netball Trials

Last Tuesday (17th May) the 1st VII girls trialled at the Kinross Wolaroi for the WAS Open netball team. Our girls did really well. Madeleine Ogilvy, Mackenzie Thompson and Cain all gained selection into the team that heads of the AICES championships this Thursday (26th May) with Ms Hughes as the team coach. Congratulations girls and best wishes.

NSWCIS Rugby League and ISA Rugby

We congratulate Ned Dawson for his selection into the NSWCIS Rugby League train on squad. He has been engaged in a training camp at Narrabeen over the weekend and will no doubt be all the better for the experience. Ned is going to be a busy boy with his rugby union in the coming weeks as he has ISA Division 2/3 representative commitments on Sunday 2nd and Sunday 19th June. We congratulate Ned on his success and dedication to training, gym work and both these sports.

2BS 1503 Junior Sport Report

We encourage all Scots students, parents and friends to tune into radio 2BS 1503 each Saturday morning from 7.35am to listen to Anna Wilde (Year 9) present sports news and other school events during the Junior Sport Report. Thank you Anna for taking on the job and show her your support by tuning in!

1st XV TSS VS BMGS

Travelling to the Blue Mountains we certainly knew we would be in for a tightly contested match against Blue Mountains Grammar School. Since coaching this team from Year 7 we have always had very close matches with BMGS and today was no different.

We started the match extremely well and looked as though we were going to take it to our opponents. We marched down the field to score the first try of the game from some great pick and drive work from the forwards were Sam Barton crashed over the line. However we then started to make our own mistakes and did not have any patience when attacking with the ball, they boys trying to score a try on every carry cost us with poor decision and uncatchable offloads. BMGS capitalised on our mistakes and quickly put three tries on us in the first half. With BMGS out to a 17-5 lead.

at the half we made some player changes and went from a large forward pack to a speedy skilled group. The boys believed in their ability and worked together as a team to quickly come back in the second half. Zane Brien Rowlandson zig zagged to score a try with Ned Dawson then quickly following suit. We had the momentum but then as we were about to get the ball back we did not attack the ball on the kickoff, let it bounce and suddenly we were under pressure in our 5 metre line. We tried in vein to relieve the pressure with a kick which was then blocked and BMGS dove onto the ball to again go out in front by 7 points. With time ticking down our boys responded well and dug deep. Again Zane ran the ball in and place it under the posts to get us within 2. Andrew Owens kicked the conversion and the game was tied at 24 all.

The game with about three minutes remaining saw both teams nearly get an opportunity to score but in the end it remained a draw at 24-24.

At great contest for both teams and a great turn around game for the boys after last week.

Best Performances: Patrick Harris, Wesley Standfield, Ned Dawson, Zane Brien Rowlandson, Billy Walsh and Aiden Telsfer.

Well done boys.

U15s vs Blue Mountains Grammar School U15s

Result: TSS 5 BMGS 32

Scorers: Tim Powell try

Best Player: Tim Powell, Harry Comerford

A tough match on the weekend with repercussions that we will continue to feel for the next few weeks. Blue Mountains Grammar School are always tough opponents and even though they could field a side of only thirteen players we knew that they had plenty of talent. Blue Mountains were able to control possession for much of the first half. Their first two tries saw first halfback Ryan Hibbins and then five-eighth Charlie Flude sustain head knocks that will see them sidelined for the next couple of games. Our highlight for the half was the outstanding go-forward displayed by Tim Powell, who crossed just before the break for a thoroughly deserved try. First half injuries to frontline players Jake Cranston, Hamish Christie and Josh Crye, and then to Jake Lu in the second half resulted in makeshift positional replacements attempting to shut down waves of Blue Mountains attacks. Harry Comerford led by example, organising our defensive line while putting his body on the line to assist his teammates both in defence and in attack.

Although the score-line suggests otherwise, given the circumstances, the boys put up a good fight and forced their opponents to earn their deserved victory.

Mr T. van Gend (Coach)

13's Rugby Union v Blue Mountains Grammar

Congratulations to all players this week for their enthusiasm and effort against BMG. It was a 13 man a side match with BMG having the bare minimum players this week. This allowed us to have a bench for the first time this season, and by running players on and off, players got to try different positions. We would like to thank BMG for the game, as although they were leaking tries, they didn't give up and we all appreciate the opportunity to play a match. In saying that, the boys worked hard for a thirteen tries to one victory. There were very few errors in the match which was pleasing, with the boys trying to push a little wider of the breakdown with an improved passing game. Well done to all try scorers, especially to Hamish Larkings who crossed over for four five pointers. Other try scorers were Sam Richards, Darnell Polsen, George Butler, Hugo Green, Will Webb and Sam Lloyd. Charlie Harris continues to play strong and the boys were able to welcome Hugo Green to the field for the first time this season. While the forwards dominated, it was great to see both Sam Lloyd and Hugo Humphries in full flight as they were the metre eaters of the week. We wish the boys well for the local derby next week against Stannies.

Mr P McDonald (Coach)

2nd VII

On the weekend Scots SEcond played CSU. We started strongly and maintained our pace throughout the game. The opposition struggled to break past our defence, providing many opportunities for us to score. Our quick passing and excellent attacking skills got the better of the opposition, resulting in a 32-22 win for Scots. Well done girls. Best player this match was awarded to Alice Powell for her outstanding performance.

Scots Gold vs. Bathurst 12 Reps

On Saturday Scots Gold played Bathurst 12 Reps. It was a tough game, but we came away with a win. Everyone played well and the defenders stopped many goals. We won 29-21. Players of the week go to: Chelcie Brunton and Genevieve Gates

by Genevieve Gates

Scots Cubs v. Superstart Sparkles

Catani, Lillian, Jessica and Chelsea all moved well around the court to try and keep the ball moving forward. Catani, Lillian and Chelsea had their eyes focussed during the game by scoring goals for the team. Lucy has improved so much by moving into positions to receive the ball and had some great shots at the goal. Claire M. had a fantastic game at goal keeper and showed amazing strength in defence. Imogen had a fantastic game in defence and helped the team get on the attack again. Sritha showed amazing strength in defence and attack. A great effort by all the girls. This Saturday the game is 9:55 a.m. on Court 12.

Mrs K. Price (Coach)

Scots 3rd VII v. All Saints College

First quarter finished 7-all in what looked like a close game that was going to ensue. All Saints dominated the second quarter to gain a healthy lead. Third quarter the girls were more positive, but still could not make inroads into the lead. In the fourth quarter the team started playing front of their players and our attack was more direct, resulting in the team outscoring All Saints and improving the score line. Outstanding play again by Libby and Simi in defence. Excellent shooting by Matilda, especially in the fourth quarter. Final score: TSS 23 to ASC 40

Scoring by: Matilda Ryan and Emily Oh

Mr P. Cameron (Coach)

Scots 1st v CSU

The girls came up against a strong CSU side who fought until the end, making them game seem close and tight for the duration. With the opposition having height in their attack made it near impossible to shut down, tight defence in the centre court helped slow down their play into the circle and created errors. Our attack played hard and had physical defensive pressure on them however the Maddie Cain and Emma Harley capitalised on our opportunities. The centre court came up against an old Girl, Lucy Woods who definitely made it hard to move the ball around. The girls came away with a 41-28 win. Player of the match Emma Harley.

Lionesses Weekly Netball Report

On Saturday the 21st May, The Scots Lionesses played the Oberon Cubs. Despite starting the game with no substitution players, the girls went out on the court and gave one hundred percent knowing they would have to work hard all game. The team were true to their 'Lionesses' title and put on a roaring show, keeping the cubs out of their attacking goal circle and holding the score line to 17-6. Once again, it was a real team effort out on the court and by the third quarter, the Lionesses had really found some wonderful momentum and were putting on a display of smooth passing and team work for the spectators. A special mention must be made of Joanna Morrison who showed great diversity in her ability to play any position (GD, GA, K and C). Joanna showcased her strong defensive skills and improvement in her attacking play. Another special mention was Ellie Moorhead who was fierce in showing her old team her school pride and wowed in the role of Wing Attack. Ellie was voted the team's 'Best and Fairest' by her team mates and it was certainly deserved. Ellie showed absolute commitment and played an integral part in the team's win. This win is our third out of four for the season and the team is showing serious promise for a wonderful season. Well done for a well-deserved win girl.

Mrs Sarah Willis (Coach)

Scots Black vs Collegian Strikers

This week Scots Black played Collegians Strikers. Scots went down in the first quarter but they fought back hard and won the game 33-8. All the girls are improving lots and we are working well together as a team. Player of the match went to Liddian Selwood who showed great skills in the shooting circle. Great job girls!

Netball Continues . . .

Scots Blue v. Panthers

On the weekend Scots Blue played Panthers. Unfortunately we lost, but the girls put up a fight and never lost spirit. We had no reserves due to broken bones and we really began to tire in the final quarter. Panthers pulled ahead in the first quarter with some good shooting and we couldn't get back in front. We really improved on passing the ball into the circle and scoring. This week at training we will be working on driving to the ball. Congratulations on a great game on Saturday girls! Final score was TSS 3 to Panthers 20.

Soccer . . .

Scots. vs Pandas

The girls played a good game against a strong opposition. The backs worked well and sent the ball into our half, leading to a goal from Jamie Balzke and numerous shots at goal from others. The girls showed great ball skills and initiative when calling for possession.

Best player: Jamie Balzke

Ref's Best Player: Zari Newell

Chess . . .

Scots. vs. LaSalle (Lithgow)

In the second round of the NSWJCL competition we were up against LaSalle Lithgow who beat us convincingly last year. This year, however, both teams won two games apiece which was a pleasing improvement for our players. So, well done! Unfortunately though Lithgow won on boards one and two which means we now drop down to the second division.

Again, well done to our players.
