To Ponder . . .

A couple of likely lads smashed a hole in a VIP's ceiling to get a crippled mate before Jesus... looking at this fellow in all his need and:

*Seeing their faith, Jesus said to the man,
"Young man, your sins are forgiven."*

*But the Pharisees and teachers of religious law said to themselves,
"Who does he think he is?
That's blasphemy!
Only God can forgive sins!"*

... Luke 5:20-21 (NLT-SE)

Ouch.

I would have been looking for healing... yet Jesus knows the greater need than a whole body... forgiveness.

But, words are cheap, especially when claiming God-like power, so Jesus challenges them: What are easier, impossible words or impossible deeds?

I wonder what it does to our thinking, when we watch alongside these witnesses, Jesus heal this crippled man with a command?

Reports

Staff are extremely busy marking the Half-Yearly Examinations and preparing semester reports which will be issued to all students in Years 7-11. Semester reports contain the following information:

*Examination Rank

*Assessment Rank

*Course Grade: based on cumulative assessment rank. Reported on an A-E scale.

*Effort Grade: reported on a scale Excellent to Elementary.

*Outcomes assessment

*Teacher Comment: comments will range across classroom and learning behaviour; learning strengths; recommendations for improvement; reflection on study preparation and examination technique.

Reports for all students in Years 7-11 will be posted during the last week of term.

Travel Arrangements - Exeat Weekend

Students and their parents/carers are asked to observe the designated learning times. Classes will cease at 3:20 p.m. on Friday, 10th June and resume at 9:00 a.m. on Tuesday, 14th June. The exception to this is the Far Western Boarders who have sanctioned travel arrangements on the Friday.

Cold Weather Protocols

The cold weather has arrived at last and I remind students and their parents/carers that:

*They may wear plain black beanie, scarf and gloves in the playground. The beanie must be removed in classrooms.

*They may not wear non-uniform jackets.

The cold weather kit is jumper and blazer. As a general rule of thumb, the Hall will be open at lunchtimes if the weather is particularly cold.

Updated Medical Information

I urge parents/carers to cooperate with School Sisters in their drive to make all medical information comprehensive and current. This particularly applies to medical alerts and medicare numbers. Please update as necessary. The medical information is held by the school for the benefit of your children.

Year 12 Interviews will conclude on the 9th of June. This has been an extensive and rewarding process for students and parents/carers.

Careers . . .

Indigenous Youth Careers Pathways (IYCP)

Western Student Connections and Access Group Training have secured a contract with the Australian Government, Department of Prime Minister and Cabinet, to provide a school based traineeship support program for Aboriginal and Torres Islander students in all schools in Western NSW.

The program aims to:

- *support students in establishing a school based traineeship
- *Assisting to find employers to host students
- *assisting schools with mandatory documents
- *attending sign-ups
- *providing a mentoring service throughout the term of the traineeship
- *providing continued mentoring for up to 6 months after the HSC, to assist students into further education or training or full-time employment

For students doing the Education Support Traineeship, we further financially support the Cluster Days which trainees attend as part of their TAFE course. This partnership with TAFE has allowed cluster days to evolve into a very important part of the trainee's training.

Eligible Students (and/or parents/carers) are encouraged to see Mrs Shillabeer for a form to be completed. The form will be forwarded to Western Student Connections for lodgment.

Boarding Information for Parents . . .

Boarding Information Electrical Safety Testing "Tagging"

The school is currently going through the process of identifying, assessing and "tagging" electrical devices to reduce the hazards or risks of using such devices. These devices also include any items brought into the boarding houses by boarding students. Any item on the list below must be "tagged" before being brought to school by a qualified electrician. Brand new items purchased in Australia need not be tested but must be tested after 12 months of use.

1. Night lamps
2. Box fans
3. Power bars
4. Mini refrigerators
5. Game consoles

The following items do not need to be tagged

1. Laptops/tablets and chargers
2. Phone chargers
3. Ipod chargers

Students should not have alarm clocks or mini stereos. If a student has an item they are unsure of please email the appropriate Head of House.

If all families can work together to have items tagged before returning at the beginning of Term 3 this would be greatly appreciated.

Any items found to not be tagged in Term 3 will need to be held by the Head of House until taken to be tagged by parents or the school will have items tagged at a fee.

*Regards,
Mr. Duane Bailey
Director of Boarding*

BULKELEY HOUSE . . .

Dear Parents/Caregivers,
Mr. Bailey will be on Long Service Leave from Friday 10th of June until the remainder of Term 2 and the first week of Term 3 from 18th of July until 23rd of July inclusive.

All correspondence for leave for students in Bulkeley House or other matters will need to be directed to Mr. Andrew Maher who will be acting Head of House for the above dates inclusive. amaher@scots.nsw.edu.au

Year 8 Canberra Excursion

On Thursday, 26th May Year 8 went to Canberra to have a two-hour French class at Alliance Francaise and then to visit the National Art Gallery.

We got to improve on our French speaking skills with some very experienced teachers and furthered our knowledge about Australian and traditional art culture.

During the French class we went down and talked to some staff in French and we learnt more about their culture and how to construct sentences. After our class, we enjoyed a French morning tea with baguettes, quiches and little cakes.

At the National Art Gallery Mr Coyte was sharing his knowledge with our class about the artworks and culture of Australian outback art works.

Thank you to Mrs Adamson, Mr van Gend and Mr Coyte for making this day possible.

Dear Parents and Carers,

In the hope to aid staff in emergency situations (and prevent them if possible) we ask that you read the following letter and ensure the school has up to date medical information on your child.

ANAPHYLAXIS & ASTHMA

If your child suffers from Anaphylaxis or Asthma the school must be informed and an up to date Action Plan for 2016 be provided to the school. We ask that an additional copy of the relevant Alert forms or medical information and their **Epipen or asthma inhaler** be placed in the front pocket of their school bag. This generic location assists staff in finding the relevant information/medication in an emergency. Please make sure bags, alert forms and medication are clearly labeled.

MEDICATION

Please note that all medication apart from Asthma medication should be delivered by parents to the Health Centre for storage and administration during the school term. All medication should be provided with medication is in date and the expiry date is visible.

ALLERGES

We would also like to take this opportunity to remind you that the school seeks to be NUT FREE SCHOOL. Please DO NOT send any products onto the school grounds that contain nuts, including all food or creams. If you are unsure feel free to contact the Health Centre. If your child consumes nut products prior to attending school or an activity on school grounds could you please make sure teeth are brushed and hands cleaned prior to attending.

If your child has an allergy or suffers from anaphylaxis please complete an alert form for 2016. Please include a photo of your child from this year and any further information you think may be helpful, such as last reaction, method of reaction such as ingestion, touch, and vicinity.

ASTHMA

Recently we have experienced a lot of students presenting to the Health Centre who have not brought their puffers to school. If you have a child who is asthmatic can you please check that they have the following items located in the **front pocket** of their school bag:

- In date Asthma Puffer
- A spacer
- **Epipen or asthma inhaler**

We also ask that all children that are Asthmatic provide another copy of the Asthma Action Plan for 2016. A letter detailing any recent asthma attacks or when they last experienced symptoms would be very helpful to include as well, as we value any further information that can assist us in caring for your child. If a child does use a Health Centre puffer & does not return it, it will be charged to their account, at \$7 per puffer.

Updated Action Plans for Asthma and Anaphylaxis

For the students currently listed on our asthma and anaphylaxis alert I have sent ~~action~~ plans that we think you may require with this note. If you require one and have not received one please advise the Health Centre via email healthcentre@scots.nsw.edu.au or call M: 0427 935 613. We will seek to have these updated at the start of each year. On the commencement of each year please provide the school with a new alert form or through the year if things need updating. Please return forms back to the Health Centre by Friday 17th June 2016.

Yours sincerely

ALL WELCOME

To RSVP or for more information, please phone Mrs Lynda Ireland 63312766 or let your Pre- Kindergarten teacher know that you are coming.

HICES Cross Country

Last Thursday a small but dedicated team travelled to Bowral to compete at the HICES Cross Country. It was an extremely cold day but we were able to stay dry for all events. I was very proud of the way that our students represented our school. They ran their best and supported and encouraged each other over the finish line. A wonderful variety of homemade hot and cold food choices supplied by Oxley College kept our tummies full and energy levels high. Students were all awarded a HICES certificate during our school assembly last Friday. Great work team! Mrs Inglis

CWA Public Speaking Competition

Good luck to Lillian, Catani, Hannah and Ava who will represent the Junior School at the CWA Public Speaking finals at All Saints College tomorrow. I am sure they will do us proud as they present their engaging speeches to a wider audience.

Assessment and Reporting

It's that time of year where teachers will be assessing student learning before preparing half yearly reports. Various assessments will take place throughout this week.

Musica Viva

Mr Hunter has organized a visit from Musica Viva next Monday 6th June. Details will be sent home this week.

FOJS Meeting

Next Monday 6th June at 7pm.

NOTES NOW ON THE WEBSITE

All notes sent home from the Junior School can now be downloaded from the website. So if you think you might have missed a note simply go to the school website and click on News and Events, then Current Forms and you should be able to find what you're looking for.

Lunch Orders must be in no later than 9:30 Tuesday

If your child would like to order a pie or a sausage roll for lunch on a Friday then simply write on a brown paper bag your child's name, class, order with money with enclosed. Students bring their bag and money in on a **Monday** so it can be ordered for Friday. Pies are \$4 and sausage rolls are \$2.50. All monies raised from sale go towards the Year 6 fund raising program.

A local match between our boys and St. Stanislaus College was on the cards Saturday with both teams ready for a classic local derby. SSC caught our boys sleeping straight away which was unfortunate after an excellent take by Sean Grabham. We lost possession at the ruck and SSC ran down the wing for a try in the first minute of the game. SSC later scored another under the posts but fortunately for us they were only up 10 to nil. We then started to gain possession and had the ball for most of the first half in their 5 metre area but could not put any points on the board. In the second half we were able to get a penalty and Andrew Owens kicked the penalty to make the game 10 to 3. We again had excellent possession but we kept running at their strong and big forwards and this did not pay and dividends once again. Eventually SSC capitalized on their momentum in defense and our mistakes and ran three more tries in. In the final minute we finally spread the ball wide were Zane Brien Rowlandson scored in the corner with Andrew Owens kicking the extra points from out wide. Final Score TSS 10 SSC 31. A tough loss particularly with the amount of possession we had in the game.

Hopefully this week we can bounce back and have all players committed to playing and giving their best.

Best performances: Zane Brien Rowlandson, Hamish Andrews, Sam Barton, Ned Dawson, Wesley Standfield, Joshua Van Essen and Sean Grabham

Coaches: D. Bailey and M. McRobert

Under 15s vs St. Stanislaus' College Under 15Cs

Result: TSS 0 SSC 35

Best Player: Jacob Lloyd

Accumulated injuries and pre-approved absences saw our squad of 27 players reduced to just sixteen for our fixture against Stannies. Awkward contact at the first breakdown saw this number reduced further as Tom Rodham sustained an injury to his neck.

The first half saw us offer mediocre resistance to Stannies' structured play. There was little enthusiasm shown by either our forwards or our backs, and Stannies eagerly took advantage of this, scoring three converted tries before half-time.

Our second half was much better. Our scrum began to assert itself, our lineout saw Jacob Lloyd secure quality possession over and over again, and our backs were given small opportunities to run with the ball.

In the end, perhaps inevitably given our injury list (which added Tim Powell to its ranks midway through the second half), Stannies had too much skill on the day for us to match. We were forced to play "reactive rugby", in which we chose to allow Stannies to dictate play, rather than seizing the initiative ourselves. Yes, this can be partly excused by the injuries, but the majority of the players on the field this weekend are in their third season of rugby – it is well and truly time for them to take the skills and determination that they display at training and start exhibiting these same qualities on match day. We need to start playing a smarter brand of rugby, in which much more thought goes into executing the fundamental objectives of the game – securing and then maintaining possession of the ball.

Mr T van Gend

13's Rugby Union v St Stanislaus' College

Score :Scots33 defeated Stannies22

Despite the score line, the boys played in a tough encounter which without the excellent effort attributed to the players, could have seen the result turn the other way. The teams defence has been solid each week with individual efforts and team scrambling making it difficult for the opposition to score. Straight hard running from the forwards up the middle put the Stannies defence on the back foot allowing some excellent ball movement out the backline this week. Charlie Harris proved difficult to tackle all match and was well supported in the forwards by Lachlan Andrews and Darnell Polsen. With Will Webb and Sam Richards directing the play our slick backline proved hard to stop. The highlight was George Butler who burnt the opposition outside backs with genuine pace, going over for two spectacular tries. Other try scorers this week were Lachlan Andrews, Sam Lloyd and Charlie Harris. Ike Starr and Will Horsburgh continue to improve each week and will definitely be assets as the year progresses. At training this week we will need to focus on our reaction to penalties, as by not attentively jumping to a strong defensive position placed our try line under pressure. Congratulations boys and good luck next week.

Mr Paul McDonald

Rugby continues . . .

U7's Rugby

Cold conditions and an enthusiastic Under 7s Scots Rugby team were the key ingredients for a great evening of running rugby. The lads jogged onto the field to take on Bulldogs Gold for the first game of the night. This was a fantastic game and the boys displayed some exciting running rugby. Plenty of passing and ripping allowed them to score a few tries in the corner. The second game saw the lads take on Bulldogs Blue. This was a tight game and the boys worked hard to keep them up in their half. The boys did well to score a few tries whilst defending well on the edges. The last game against All Saints College was a tight game. The boys were out on their feet after the previous games but rallied to produce some stunning attack and dogged defense. Everyone contributed well with a special mention going to Timothy Gittins for his running game and Issak Scott for his passing. Well done lads!

Scots v. Red Tops

Final score TSS 3 to Red Tops 5

On Sunday the girls came up against Bathurst Red Tops. The girls were not put off by the age of the other team and played the best game of the season. The backs showed good team work and communication against the fast players on the other team. The mids demonstrated amazing improvement, keeping the ball in our half for the majority of the game and passing the ball numerous times up the wing, resulting in goals taken in by Mackenzie Honeysett and Julia Ross. The forwards showed great ball skills and experience, having many shots at goal. Morgan in goal again saved many goals against their strong forwards. Well done to all the girls for an amazing game.

Goals scored by Mackenzie Honeysett and Julia Ross
Player of the match: Aya Mori for showing great skill improvement; Leanka Deacon for strong tackles and passing; Julia Ross for an amazing goal; Zari Newell for sheer determination.

Touch . . .

WAS Touch

Andrew Owens and Wes Standfield represented the Opens WAS touch boys team at the AICES trials last week. The boys had 3 games in the day, coming home with 2 losses and a win to finish off the day. The team struggled at first as it was the first time they had played together, but as the day went on the boys began to gel and were more competitive. The open boys' team ended up finishing 5th overall, ending the day with a win showing promising signs for next year.

Andrew Owens

Last Thursday Maddie, Rosie, Makenzie, Brooke, Evie and Gabby travelled to Penrith to the Girls' Junior and Senior WAS Touch Teams. The 5 juniors Rosie, Makenzie, Brooke, Evie and Gabby played with girls from Kinross, All Saints and Orange Anglican. And Maddie played in the senior team with Girls from All Saints and Kinross. It was a long hot day, but the girls managed to tough it out. Brooke scored a try, Rosie was consistent in attack and defence, Evie joined up with the other girls finding many gaps, Gabby and Makenzie, being both super in defence, creating many attacking opportunities. Maddie played on the wing and played well in attack scoring on multiple occasions and defended well.

Overall the day was a great experience for all the girls. Congratulations Maddie who managed to make the ACIES team, we wish her luck tomorrow at the CIS selection trials.
