## To Ponder . . .

### K-12

**French Day on Friday...bring a gold coin. Dress in French Style.**

Welcome back to the new school term!

At the end of last term 'Iron and Clay' performed for our School and reminded us that we need to be good friends to each other.

As followers of Jesus we are called to build each other up by speaking the truth in love...

**Junior Pie Drive Orders Please!!**

*"Instead, we will speak the truth in love, growing in every way more and more like Christ, who is the head of his body, the church. He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love."* ... Ephesians 4:15-16 (NLT-SE)

## French Day for K-12

### 22<sup>nd</sup> July 2016

The whole school community Kindergarten through Year 12 will participate in French Day for 2016.

Students are encouraged to dress in French style, the tricolore – blue, white and red or come as their favourite French character such as Peppy le pew, Ratatouille or Napoleon!

This year we are fundraising for the Pozières French-Australian School Project.

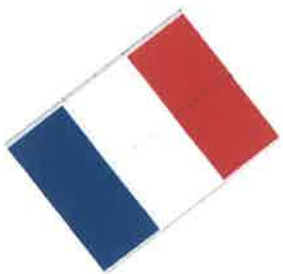

Please see link below for further information.

Please bring a gold coin donation to participate in the fundraiser. Students in Year 7 and all of the Junior School will be entertained by Anna Jaha, a gifted bilingual native speaking storyteller, followed by a Parisienne Morning Tea. (K-7 only)

## ***From the Headmaster . . .***

**I wish to welcome everyone back to what should be a very busy term full of opportunities in many areas.** The winter sporting season is drawing towards its end with a number of teams performing very well. On Saturday 30 July we have our last home game for Rugby followed by the Highland Jazz Night. I encourage parents to be involved in supporting the Home Rugby matches and the Highland Jazz Night which is also a great event for extended family and friends.

**The Pavilion Barbecue and shelter should be finished by the last home rugby match.** It will be good to celebrate the financial commitment of the Friends of Rugby with support from the Main P & F, Boarders' P & F and the Friends of

Junior School for this wonderful addition to the Pavilion. I am particularly grateful to Frank Telfser for driving this project and to the other parents who have willingly given their time over the recent School holidays to get this project going.

**At the end of last term I had the privilege of reading all the reports for students from Kindergarten to Year 11.** Year 12 students receive their reports early Term Two and again in Term Three. I trust you found these reports helpful and have had an opportunity to sit down with your children to go through them. I encourage you to make this a really positive experience of affirmation, encouragement and goal setting for the semester ahead. I encourage you to focus more on your child's engagement with learning, effort and organisation rather than the final outcome and to look for positive ways to encourage improvement in those areas that need attention. I also encourage you to be prepared to support your children in the learning process by encouraging them in homework, assignments and reading on a regular basis and in a way that will allow them to learn and grow.

**I would like to wish Year 12 all the best for their last term of academic learning before they sit the HSC in Term Four.** I encourage them to work hard, focus on the important goals they have set and to seek help from their teachers.

**I wish to congratulate our Cadet Leaders who spent last week on Senior Leaders Courses with other Cadet Units from around the state.** Julia Ross completed the Senior Leaders Module 2 for Cadet Under Officers (CUO) and Warrant Officers (WO 1 & 2). The aim of this course is to promote leadership and develop instructional and administrative qualities for Senior Cadet Leaders. Julia Ross completed this course and finished 5th out of a class of 33 candidates to qualify as CUO.

Jamie Balzke undertook the Senior Leaders Module 1 for Sergeants (SGT). The aim of this course is to develop leadership and the ability to conduct training at an intermediate (Senior NCO) level. Jamie Balzke completed the course as a Student of Merit, topping her class of 65 candidates. She was awarded the Australian Army Cadet Silver Commendation, an outstanding achievement. Joshua Van Essen also completed the course and was deemed competent in all aspects of leadership and training.

Nicholas Oke completed the Junior Leaders Course for Corporals (CPL). The aim of this course is to develop leadership and the ability to conduct training and administration at the foundation level. Nicholas was deemed competent in all aspects.

Another first for The Scots School was that the current Scots School CUO, Libby Balzke, was the Junior Leaders Course Commander.

Rank qualifications gained at Cadet Promotion Courses are Nationally recognised Competencies. I wish to thank Major Linins (Ret) for his continued commitment and support of our Cadet Leaders and Cadet Program. The achievement of these students is well deserved.

Have a good week.

## *From the Deputy Head . . .*

Welcome back for what promises to be another busy term. On Thursday, 28th and Friday, 29th of July the BOSTES accreditation team will visit the school to conduct the 2016 Accreditation Inspection. Members of staff are working incredibly hard to prepare all aspects of the school for this inspection and I thank them for their endeavours.

Year 12 students should by now be in full preparation for the Trial Examinations to be held 18-26 August. Their examination timetable will be issued on Tuesday, 2nd August.

After the conclusion of the Trial Examinations, I will work with Year 12 students to apply for early entry for all universities and UAC applications. Their total priority at the moment must be preparation for the Trial Examinations and completion of practical works.

I issue a reminder of practical due dates:

## **Welcome Back to Term 3!**

### **Pet Day- What a day!**

It seems a long time ago now but what a great day was had by at our inaugural pet day. Many thanks to all of the parents and grandparents who gave up some time to bring in one of the family pets to ensure a special morning was had by all. Following the official opening with Tex the horse, who was offered a carrot by Mr Gates, the dog parade was a great way to start with over 30 dogs on parade. The dog parade was followed by the cat and soft toy parade before students broke up into groups to take a closer look at the fish, hermit crabs, snakes and lizards in the pavilion and the chickens, birds, rabbits and guinea pigs outside. To conclude, students were able to listen to an informative talk from our favourite vet, Mrs Clare Harisson and feed some young farm animals with Mr Scott.

A very big thank you to David Whitley for organising Tex the horse and allowing students to meet him, John Seamen who provided fencing to secure our farm animals, Leigh Scott for providing the lambs and calves and Clare Harisson for presenting an informative talk to our students.

### **Hayden Marr- Winner**

Congratulations to Hayden Marr who was the Scots School winner for the Bathurst Regional Council 'Kindy Kits' colouring in competition.

In Term 2, Kindergarten students received a visit from Mrs Iris Dorsett about essential rules to ensure road safety and a message about recycling and caring for the environment. Following the visit, all of our Kinder students participated in a colouring in competition featuring road safety mascot 'Safetysaurus' and recycling mascot 'Recycle Roo.'

The competition was judged by Mayor Gary Rush, and Hayden along with winners from other schools was invited to a Mayoral Morning Tea on Wednesday the 29<sup>th</sup> June at the Council chambers.

Well done Hayden!

### **Playground Upgrade**

After more than 12 months of planning we are about to commence Stage 1 of our Junior School playground upgrade. Following an enthusiastic fund-raising campaign over the past 18 months the Friends of Junior School will join forces with the school to fund the

upgrade. Stage 1 will begin this week with re-surfacing of the area around the sandpit. This will be followed by the installation of seating, landscaping and an upgrade to equipment throughout the term. A temporary playground will be set up this week whilst the re-surfacing takes place. We did hope to conduct the resurfacing in the holidays however wet weather early on has led to a delay.

A huge thank you to the Friends of Junior School as I know many of them have worked tirelessly to see this project come to fruition. I look forward to the on-going transformation of this space.

### **Pie Drive**

Don't forget to return your Pie Drive order form before Monday 25<sup>th</sup> July. Order forms can be found on the school website. This is a major fundraising event for the FOJS in Term 3.

### **French Day**

Don't forget this Friday is French Day and Mrs Adamson has organised storytelling activities and a special morning tea for all classes. Students should also be dressed in French costume or colours. I better see what I CAN FIND!

### **Assembly- This Friday**

Due to French Day activities this Friday, assembly will be held at 11am.

### **Canberra Excursion**

Students from Stage 3 will soon be undertaking, an educational tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The excursion will take place between the 10<sup>th</sup> and 12<sup>th</sup> August.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

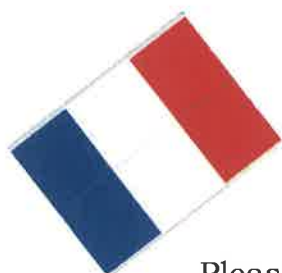

## French Day for K-12 22<sup>nd</sup> July 2016

### Scholarship History

Lithgow blast furnace

Charles Hoskins, an Australian steel industry pioneer, initiated the Hoskins Trust in 1919 for charitable purposes endowing a fund to support the Hoskins Memorial Church which was completed in 1928 as a family memorial and gift to the people of Lithgow. The family of Charles Hoskins subsequently expanded the Trust to include additional purposes such as this new scholarship.

The Hoskins Lithgow Scholarship was awarded by the Trustees of the Hoskins Trust for the first time in 2006. The scholarship award is to encourage and enable young Lithgow residents to achieve their full potential as Charles Hoskins did. The scholarship

also honours his memory and commemorates the Hoskins family's connection with the City of Lithgow, which began in 1908.

In that year G & C Hoskins Limited purchased the insolvent Eskbank Ironworks and developed the enterprise into Australia's first successful iron and steel works. The steelworks were moved to Port Kembla in 1928 in order to have easier access to the raw materials required and to be closer to sales markets. The company became Australian Iron and Steel Limited (A.I.S.) with the move to Port Kembla. In 1935 A.I.S. was taken over by The Broken Hill Proprietary Company Limited and is now the separately listed BlueScope Steel Limited.

The scholarship was first awarded in 2006 and is now awarded annually. It is awarded to a student residing within Lithgow Local Government Area who wishes to undertake a tertiary course of study. It should be noted that areas of study are not necessarily limited to university study.
