

This Week:

To Ponder . . .

**2017 TSS
Calendar - order
form**

This term is a challenging term, particularly for those sitting their HSC examinations, and so I offer a text of encouragement.

"Don't worry about anything; instead, pray about everything. Tell God what you need, and thank him for all he has done. Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus." ... Philippians 4:6-7 (NLT-SE)

Peace can feel far from us, particularly when we are under the pressure of performance or major change. Furthermore, worry does not take us where we need to go nor does it help us be who we need to be in times of stress.

Instead we are encouraged to let go of our anxiety by speaking to God in prayer; expressing what it is that we need and giving thanks for what He has already done for us. Central to all this is a life lived in the hope we have in Christ Jesus. In Christ our life is secure, our future is not uncertain or at risk. In Christ the peace of God will guard our hearts and minds.

From the Headmaster . . .

I would like to wish Year 12 all the best for their HSC Examinations which begin on Thursday with English Paper One. They have been working hard and are well placed in their preparation for the examinations.

It is not unusual for students from the school to be involved in representing the School in activities during the holidays. I particularly wish to thank and commend those students who did so at the following occasions:

1. The Narromine Country Visit hosted by Craig and Carol McDonald and William (Year 9). This was a wonderful occasion and Alice Powell (Year 11) and Josh Woods (Year 11) did a great job in answering my interview questions about their experiences at The Scots School and as boarders.
2. A group of our emerging leaders in the Cadet Unit went to Singleton Army Base for the Annual AFX Cadet Bivouac in the first week of the school holidays. They had a great week of Cadet leadership development. Congratulations to Joshua van Essen (Year 10) who was promoted to Sergeant.
3. Our Pipes and Drums attended the Australasian Pipes and Drums Championships at Knox Grammar on the Long Weekend under the leadership of Gil MacKenzie, Millaine Longmore and Alex Dunkley. It was a wonderful experience with very tough competition.

Term Four is a term full of activities and opportunities and I have encouraged all the students to make the most of what is offered to them at The Scots School. The Summer Sport Season is underway, the Cattle Team has begun preparation working with the steers in preparation for the Agriculture Show Season next term, the Cadet Unit and Pipes and Drums are preparing for the Cadet Ceremonial Parade on 7 December, the Pipes and Drums and Highland Dancers are preparing for the Blue, Black and Gold Ball on 12 November and learn to Swim and Swimming Squads begin again this week.

The Term Four Parent Weekend is coming up on the weekend of 21-23 October. Mrs Lynne Fleming's Farewell Function is on the Saturday night in the Aikman Hall so be sure to purchase your tickets to acknowledge and farewell a great servant and educational leader of this school.

The process to select our Senior School Leaders is a very thorough one with input from students and staff with the Welfare Committee tasked with the responsibility to make the appointments. This year we have broadened the opportunity so that it is possible to be a School Program Leader without being appointed as a School Prefect.

I am pleased to announce the following leadership positions and ask that the School community join together for the School Student Leaders' Induction at the Parent Weekend Chapel Service on Sunday 23 October at 9.30am.

Junior School Athletics Champions received their awards from the Headmaster at Assembly at end of Term 2.

The students have worked very hard over the past weeks and during the holidays. They are well prepared for their examinations. The HSC examinations continue through to Friday, 4th November.

Illness and Misadventure

At this time, it is important to remind parents/carers of the Illness and Misadventure requirements for students undertaking the HSC this year. Should a student be ill on the day of an examination, **under no circumstances should the student or family make an independent decision to miss the examination.** It is critical that illness or misadventure be notified by telephone to Mrs Fleming on 0412-910-861 as early as possible on the morning of the examination. A medical certificate is required for any illness during the examination period.

Junior School News . . .

Week 1 Term 4 Junior News

Winter Sport Presentation

Our Winter Sport Presentation was held at the end of Term Two and was a wonderful way to acknowledge all of our students and coaches who participated in the 2016 season.

Bike Safety Day and Special Lunch

Unfortunately our Bike Safety Day was washed out, however thanks to our Friends of Junior School we still enjoyed a yummy lunch featuring hot dogs, fruit and jelly. Many thanks to Lisa Knox, Rhonwen Hazell and Michele Hutchinson who prepared and served the delicious lunch.

Operation Christmas Child

Don't forget to return your box by the end of the week for Operation Christmas Child. This is a great opportunity for students to experience sharing with others who are less fortunate

Summer Sport Training

Training commences this Wednesday for our three cricket teams. Students just need to bring their joggers and sport socks to change into after school.

Year 6 Raffle this Friday

Our Year 6 students have organised a raffle to raise money for their gift to the school which they will present at the end of the year. Tickets can be purchased from the Year 6 students during recess and lunch this week before it is drawn on Friday. First prize is a trip to Dubbo Zoo.

Playground Seating and Climbing Ladder

Our new playground seating was installed in the holidays and looks fantastic. I'm sure the students will love trying it out today. Thank you also to Matt Still and the team at Still Engineering who have installed a new climbing ladder for our students. I'm sure they'll enjoy this just as much.

Ice Blocks

Year 6 students will be selling fruit juice iceblocks for 50 cents at lunch time on Monday, Wednesday and Friday each week to raise money for their gift to the school at the end of the year. Please send a 50 cent coin if possible to make the transactions simpler.

School Shop hours for 2016 are as follows:

Monday, Tuesday, Thursday & Friday open from 12.30pm to 3.30pm.
Closed Wednesday.

Uniform

The correct wearing of the uniform is very important at Scots. Learning to wear a uniform well and to care for it is an important part of training in self discipline which is highly valued at our school. Page 5 of the student diary articulates the correct items that are to be worn as part of our uniform. Many of these items can be purchased at the school shop. With the exception of Kindergarten all students should be wearing black lace up shoes. I remind you that *boys grey shorts are not elastic waisted. It is important that we are consistent with this and maintain our high standard.*

In addition please make sure all items of clothing are clearly marked with the student's name.

Help Wanted:

This Term in the Year One classroom, we are examining built environments. The students will be exploring the need for people and other living things to have shelter, and how built and natural environments can provide this. In hope of learning about how structures are built and the materials used, Year One will be building a shelter made completely from recycled milk/juice containers. In order to do this, we need your help! We will need as many containers as we can get our hands on. It is requested

that all donated bottles have been cleaned and still have a lid. The bottles can be one or two litre bottles and can be delivered to the Junior School Front office for the entirety of Term Four. Any help is appreciated so if you know of somewhere that uses a large number of these containers or have any at home yourself, please keep them and donate them to a good cause.

Thank you for your help.

Mrs Willis and Year One ☺
