To Ponder . . .

Our memory verse in chapel

This is a trustworthy saying:

If we die with him, we will also live with him.

If we endure hardship, we will reign with him.

If we deny him, he will deny us.

If we are unfaithful, he remains faithful,

for he cannot deny who he is.... 2 Timothy 2:11-13 (NLT-SE)

At the time of writing this letter, to a younger Church leader, Paul was an old Apostle. He has seen and been through a lot. What do we need to hear?

That no matter the challenge or opposition:

We trust in Jesus' saving death.

We refuse to give up or retaliate in the face of hardship.

We own the name of Jesus.

And through it all we can be absolutely confident that Jesus is and remains completely faithful.

School Captains Alice Powell and Lewis Wilde were pleased to meet our Member for Bathurst, Mr Paul Toole and the NSW Premier, Ms Gladys Berejiklian at a mayoral reception last week in Bathurst.

Lt Col David Major, the head of NSW Cadets visited The Scots School last week. Cadet leaders and supervising staff were pleased to welcome him to Scots.

The Scots School student Daniel McKay is awarded a prestigious C.A.S. Hawker Scholarship to Cambridge UK

Daniel McKay is the first Scots School student to be awarded a prestigious C.A.S. Hawker Scholarship, valued at up to \$60,000. Daniel is an outstanding student. He completed his secondary education at The Scots School in Bathurst in 2009 where he was School Captain in his final year. After a gap year working at St. Paul's School as an Assistant Teacher in London, he began studying at the ANU, residing at Burgmann College. In December 2016, Daniel graduated with Bachelor of Arts (History) and Bachelor of Law, both with First Class Honours.

Daniel's C.A.S. Hawker Scholarship will allow him to commence a MPhil in World History at the University of Cambridge UK later this year.

Daniel McKay describes himself as a passionate and ambitious young historian motivated by an intense curiosity and belief in the present value of understanding our past. He grew up on the family farm at Evans Plains near Bathurst. The world stretching beyond the paddocks seemed distant and unknowable. Yet, the more Daniel sat on the veranda devouring books, the more he realised that curiosity could be a passport to an understanding of that world.

CEO of the Australian Football League (AFL) and 1992 C.A.S. Hawker Scholar Mr. Gillon McLachlan will present four new Charles Hawker Scholars with their scholarship certificates on Thursday 1 June at a ceremony held at St Mark's College in Adelaide.

Daniel's family have enjoyed a very long association with The Scots School with father Sean an Old Boy (1981), sister Sarah (2011) and brother Hugh (2014). Daniel's mother Rosemary is a current member of the School Board and Chair of the Finance Committee. On behalf of The Scots School, I extend my congratulations to Daniel for this outstanding achievement.

The Cattle Team dinner was held on Friday night with a wonderful attendance of Cattle Team members and family. Matilda Ryan (12), Olivia Warry (11) and Claudia Humphries (11) spoke on behalf of all the Cattle Team members in thanking Mrs Dawes and all the parents and friends who assisted in the successful organisation of the team this year. This is a huge undertaking with 44 students and 22 Cattle involved in the Sydney Royal Show this year. Once again we were the most successful school with many ribbons and two Gold Medals the main highlights.

The major awards presented at the Cattle Team Dinner were as follows:

Junior Cattle Award	Sasha Spence (Year 9)
Senior Cattle Award	Matilda Ryan (Year 12)
Most Improved Award	Kirilee Scott (Year 7)

The Junior School held their Athletics Carnival on Friday in ideal weather. The enthusiasm from the children was very apparent with all students making a real effort to give their best and to have fun. I enjoyed judging the House Marching Competition which was extremely close with Browning House just edging out Lang and Flynn House. Ives House won the Athletics Carnival for the first time since 2004, something I am sure will please Mrs Ives very much as she recovers in hospital from a recent fall.

The Kindergarten Information Night will be held at 6pm on Tuesday 30 May in the Lamrock Performing Arts Centre. Please encourage anyone you know with children for Kindergarten next year to come along to meet the Junior School staff and find out more about the wonderful things we do at The Scots School.

Have a good week.

David Gates

Dear Parents & Carers --

It has been reported to the School that people picking children up after school are parking very near the crossings, and sometimes actually in the crossings.

We are asking your help to ensure your car is not left so close to the crossing that it obscures the crossing from drivers using the front drive. This is particularly an issue with higher vehicles such as SUV/4-wheel drives. Can you please help with this issue, and alert any other family members who pick up your children from school. Safety in the crossing is our priority!

- *Do not park in the crossings
- *Leave enough room before and after the crossing so children can be seen whilst using the crossing
- *Do not reverse into the crossing when departing
- *Make sure to have children use the kerbside door to enter your vehicle
- *Use the crossing and encourage your children to do so
- *Hold the hands of younger children, even whilst in the crossing
- *Look for traffic
- *Obey the directions of our Patrol Officers

Boarding News

Dear Parents/Caregivers,

Mr. Ryan will be undergoing a practical component of his university course therefore he will be absent from Kennel House from the 4th of June to the start of Term 3. All correspondence for leave for boarders or applications to stay in boarding for day students will need to be sent to Mr. Andrew Maher, amaher@scots.nsw.edu.au. Mr. Gates will oversee the Kennel in Mr. Ryan's absence.

Similarly Mr. Bailey will be on Long Service Leave visiting family in Canada and will be absent from Bulkeley House from the 8th of June to the start of Term 3. All correspondence for leave for boarders or applications to stay in boarding for day students will need to be sent to Mr. Andrew Maher, amaher@scots.nsw.edu.au. Mr. Maher will be overseeing Bulkeley House in Mr. Bailey's absence.

Regards,

Mr. Duane Bailey

The Scots School Community Calendar Photos needed for the 2018 Calendar.

All photos of Junior and Senior school activities gratefully accepted. They could be of the school's co-curricular activities (sport, music, cattle), boarding, typical day of academic activities, Highland Gathering, OBG activities, excursions, parent weekends.

Please save your photos onto a USB and drop them into the School office or email photos directly to Kristina Powell at eladnam@bigpond.net.au. The larger the file size, the better.

We really welcome and look forward to your contributions to make the 2018 calendar a show case of our school community activities.

Please support this important fundraising activity for the Scots School Boarder P&F.

TRANSPORT JUNE LONG WEEKEND

Students depart - Friday, 9th June 2017

Students return - Monday, 12th June 2017

DEADLINE DATES FOR JUNE LONG WEEKEND

Submit bookings by – Friday, 12th May 2017

Amendments by – Friday, 26th May 2017

Bulk Cancellations by – Wednesday, 1st June 2017

(Should you receive any further cancellation notices after the bulk cancellation deadline please continue to advise SSTS. During the school holidays / leave weekends parents are requested to contact the NSW TrainLink Call Centre 132232 to advise if their child is not travelling back to school on SSTS coaches).

IMPORTANT NOTICES REGARDING LATE BOOKING REQUESTS:

Late bookings may be accepted for Boarding Students travelling to their home address up until the nominated amendment date. Late bookings will be assessed on a case-by-case basis based on train / coach occupancy and the ability for SSTS to safely complete the additional bookings. Late bookings cannot be guaranteed patronage on the SSTS coach services and preference will remain with the boarding students travelling home that made their booking requests by the nominated booking deadline.

To ensure the best chance of securing a seat on SSTS services, students should make their bookings by the submission date. For late bookings please advise our department at the earliest convenience and not wait until the final amendment date. Parents / Students requesting late bookings should also be advised to make a reservation on regular NSW TrainLink services (phone 132232) i.e train should we be unable to accommodate their request. Late bookings must be submitted on a separate booking request form submitted via email (preferred) or fax from the school.

SSTS understand that schools also have their own deadlines and requirements for student bookings. Whether you decide to advertise or accept late bookings is your individual choice. As previously mentioned, SSTS will only accept late booking requests via email (preferred) or fax directly from the school. Please do not advise parents to contact SSTS direct as it impacts on our ability to complete bookings for the students that made their requests on time and meet our own deadlines delivering safe and efficient transport.

Should you have any questions or concerns, please do not hesitate to ask.

History this Week by Max Semmens

May 30th 1813 Blue Mountains Crossed, Explorers begin the homeward Journey

The Blue Mountains, while small by international standards, were a great and formidable obstacle for the Europeans who landed in Sydney. Since the first convicts who thought escaping was a good idea in 1790, Europeans have tried and failed to cross them, leaving most of Australia closed by way of Sydney. That was until 1813, when the British Government had put together another official expedition, this time led by Gregory Blaxland (the pastoralist who started the whole expedition by petitioning Governor Macquarie for permission to make an expeditionary party), William Lawson (trained as a surveyor in England before joining the NSW corps and arriving in Sydney in 1799, and so was quite experienced by 1813 when he received Blaxland's invitation to the expedition) and William Charles Wentworth (an Australian educated in England who received land from the Governor in 1811 and was eager for more). Together with a local guide, three convict servants, four pack horses and five dogs they set off from Blaxland's South Creek farm (near St Marys) and after 21 days of hard travel through rugged, scrubby ground they reached what is now Mount Blaxland where they saw a vast expanse of forest and grassland, marking the range's end. With low supplies, tattered clothes and a bit of illness, they headed home through their trail in about 6 days, to be greeted with much fanfare in Sydney. A trail had been blazed, and now Australia seemed ever more like a new world of possibilities.

Pipes and Drums - Variety Bash

Last Friday the Year 2 band members attended the Variety Bash in Bathurst. Variety is a children's charity that helps families and organisations when government assistance isn't available. Variety provides support through grants for children and families for things like mobility equipment and wheel chairs, communication devices and education aides, medical items and services and therapy services.

The Variety Bash involves volunteers driving jazzed up old cars from Melbourne to Fraser Island. At each stop the drivers and their passengers are dressed in costumes to match their vehicle, which is a great fun way to raise money for kids. The band thoroughly enjoyed the experience. Thank you to Mr Mackenzie for transporting and organising our performance.

The Cattle Team celebrated the completion of the show season with a dinner last Friday night. A good number of parents were able to attend as well. Thank you to Mrs Dawes for organising the evening.

Junior School News ...

The skies were clear and the sun was shining for our athletics carnival on Friday. The day was a great success with lots of smiling students doing their best in all events. It was great to see students cheering one another on and striving for improvement.

Many thanks to Mrs Willis and Mr Hunter for their coordination of the carnival. Many hours are spent organising the carnival to ensure that it runs smoothly. Thank you also to all of the Junior School staff and parents who assisted with various roles throughout the day in both track and field events. Whether you were starting races, time keeping, measuring heights or distances or picking up the high jump bar, I thank you. The carnival would simply not be a success without your help.

Thank you also to those of you who assisted on the FOJS BBQ with either cooking or serving. Your contribution is highly valued and assists not only in raising funds for the Junior School but in fostering a welcoming and positive school community. Special mention to Carolyn McRae and Michele Hutchinson who coordinated the lunch and support staff.

Thank you must also go to all of our parents, grandparents and friends who cheered our students on from the sidelines.

Congratulations to Browning House who took out the marching competition. The students enjoyed marching across the rear drive and past the cheering crowd before entering the main arena.

Congratulations also to Ives who won the day and took home the House Trophy for the first time since 2004. Age champion trophies will be presented at an upcoming assembly. We will keep you informed.

HICES Cross Country- Well done Izaak Scott

Last Tuesday The Junior School Cross Country Representatives travelled to Bowral to compete at HICES Cross Country. Oxley College hosted a very well organised event. The sun was shining and the course was in excellent condition. As always it is a pleasure to take our Scots School students to such events. They compete as a team, encourage each other on and really give their very best. We had a wonderful group of supportive parents there on the day ready to assist

Izaak was very happy with his ribbons for HICES cross-country

anyhow they could. Our individual results were great as I felt all students improved on their WAS placings. A huge congratulations to Izaak Scott in coming 9th in Boys 8/9 year old event. This means that Izaak will now represent HICES at the CIS Cross Country Competition in a few weeks. Overall Scots came 2nd in Division 2 aggregate point score. Congratulations to all our students for representing the school so well.

Friends of Junior School Meeting

Nominations are being sought for the role of Chairperson in the Friends of Junior School. The next meeting will be held on Monday, 5th June. If you would like further information about the role feel free to discuss with myself or former or current committee members.

Uniform Reminder

We have a lovely uniform at our school and it is important that it is worn correctly and that students arrive at school in neat and tidy manner. Information relating to the correct wearing of the uniform can be found on p.14 of the Kindergarten- Year 6 Handbook.

If your child needs to wear a parka, beanie, gloves or scarf then these items should be fully black in colour. Students are also required to leave the school grounds in their correct full school uniform.

ICAS Science

Students who returned their ICAS form earlier in the year will complete the Science assessment this week.

Gymnastics: This Friday

Don't forget gymnastics begins this Friday and will be held every Friday over the next three weeks at Aspire Gymnastics. This will be the major component of our

Pre-Kindergarten Highlander

This week our students will be revising all of our sounds covered throughout the first term and to date. We will also be conducting some individual assessment tasks in readiness for Mid-Year Reports and Parent Teacher Interviews at the end of this term. We will be sure to make some time to fit in some cooking and messy art experiences as well this week!

Athletics Carnival – The Pre-Kindergarten students had lots of fun last Friday participating in some gross motor sports activities with Kindergarten and Year 1. We split into four coloured groups to rotate from; egg & spoon race, obstacle course, rob the nest and a crazy dress up relay. Everyone had lots of fun and at the end we were very ready to enjoy a yummy BBQ lunch!

Bathurst City Library – The students had a lovely time enjoying stories and songs around a ‘Colour’ theme last Thursday during our Story Time Session. To conclude we completed beautiful rainbow artworks. All children are to be commended on their wonderful manners whilst we were away from the school grounds.
REMINDER - Kindergarten Information Night, Tuesday 30th May 6-7.30pm

If you are interested in attending our Information Evening this week, please see your child’s teacher or contact Mrs Lynda Ireland in the school office on 63312766.

Link Program – The Kindergarten Link Program has been a great success this term and we have just finished our first full rotation. Our students will continue in their same coloured groups focusing on improving fine motor control and sequencing skills. It has been wonderful to see the Kindergarten students helping the Pre-Kindergarten children and all working together to achieve success in their tasks.

Secondary School Sports Bulletin Week 6 Term 2

Some Great Results - Netball

After five rounds of netball it is pleasing to see a marked improvement in each team. Whilst not every team is winning, importantly we know that the effort is there and that the girl's skills and teamwork are improving. We also wish to acknowledge the great starts to the season by the 1st VII and the Scots 14A Gold teams who are both undefeated after the first five rounds. Well done girls, don't become complacent, continue to work hard at training and look for ways to improve.

Cool weather is approaching

It appears that the good spell of weather is finally coming to an end and cool conditions are expected from now on. We encourage students to make sure that they are prepared for the cool weather with the appropriate uniform items. Girls at Netball, Soccer and Hockey and boys at Rugby (home games, junior teams) or Fitness are expected to be in the Scots tracksuit when going to and from matches or on the sideline. Students are encouraged to wear the new winter coat. Any warm layers of clothing (thermals) under their playing uniforms need to be black. Please make sure that you adhere to these expectations as asking students to take off warm unsanctioned items of clothing is unpleasant for all parties.

June Long weekend and Round 7 of netball

There are no sporting fixtures on the June Long Weekend (10th -12th June). Advance notice is given to all netball girls that there is a round of games (round 7) on the 24th June (the first day of the mid-year break). Every one of our teams has a scheduled game. Girls are asked to notify their coach if they are unable to play this match so that replacements players can be arranged where needed.

Scots Black vs. OOT Kookaburras

We all tried our best even though we only had seven players. Unfortunately, the opposition had some amazing shooters, with the score being 33:4 their way. We were disappointed to come away with a loss, but glad that we all worked better as a team!

Best players for this match were Courtney Keough and Simi Atluri -- they were always there to catch the ball.

Scots Blue vs Bulldogs Blitz

A Draw - 3-3

On the weekend, Scots Blue went up against Bulldogs Blitz. The girls were close behind in the first half but the Bulldogs managed to get further ahead in the last half.

We ended with a 3-3 draw.

Felicity Webb was consistently trying her best throughout the game.

by Baileigh Honeysett

Scots 16's Rangers vs Collegians Diamonds

On Saturday, Scots Rangers played Collegians Diamonds. We started off strong with Mia Wallace and Sophie Morris shooting, giving us a lead, but the Collegians Diamonds soon took over the lead. We had a strong game on the defending side with Sophie Bingley taking a few intercepts. Well done girls! Keep up the good work.

Players of the match: Kiah Walsh and Sophie Bingley

Scoring for Scots: Mia and Sophie

Final result: TSS 8 to Diamonds 52

by Maya Brooking

Scots 2nds vs OOT Roseallas

The girls played well on the weekend despite having no subs. A strong defence resulted in many turnovers in the first quarter which helped the girls be in the lead from the start.

The strong defence continued by Jess, Libby, Sacha and Anna throughout the game with strong shooting from Alice and Genevieve. Player of the match goes to Alice who got an awesome shot in the last second from the edge of the goal circle. End score resulted in a win 35:26

by Emelia Inwood

Scots Gold vs ASC 14 Blue

Result: 40 to 5

Scores made by: Claire Ferguson, Nyah Cashen

Best players/performances Claire Ferguson, Lana Eastment and Nyah Cashen

Comments: It was a game that saw the players once again work well with each other throughout the areas of the court. We started strong and set the pace from the beginning and were able to continue this momentum throughout the game. With some great intercepts and defence work we were able to keep the ball in our goal third the majority of the time. Great work again girls, rest up ready for next weeks challenge.

Maree Cashen (Coach)

Scots Lionesses versed the Bulldogs Sparkles.

It's hard to believe that this team have only been playing together for five weeks now because their understanding of the positions, the rules and their skill level was outstandingly demonstrated in their performance on the court this week.

Despite going down 24-6, the six goals that were scored by the team were so beautifully executed that we walked away feeling like absolute winners. Well done to those attacking players who contributed to our growing score line and also to our relentless defence who defended against an experienced and accurate attacking opposition and still managed to only let in 6 goals each quarter.

A special mention must go to Laura Scott who was voted players player by her team mates and to Claire Halpin who was nominated by the opposition for her excellent work in defence.

Next week we play against the Panthers Roar at 8:45am on court 10 so come on down and support this great group of girls if you can.

Don't forget that there will be no games on Saturday the 10th June as this is the Queen's Birthday Long Weekend. Round 7 will resume on Saturday 17th of June.

Mrs Sarah Willis (Coach)

Scots 3rd VII

The 3rds were slow to start in this match. They showed steady improvement throughout the match. The team defence was excellent throughout the match, winning the team many turnovers. Unfortunately, the 3rds couldn't capitalise on the turnovers to score at our end, missing some opportunities in attack. Great game by all team members with Lana, Claire and Pru showing very good skills. Good defence in our circle by Ally and Jessica.

Netball . . . continues

Final result was a 36 to 4 loss.

Scots Celtics vs OOT

57-5 Win!!!

Last Saturday Scots 16's came away with our third win of the season. The girls started off with a strong game all working together to get the ball down the court. As our score increased our game became sloppy and we started making silly mistakes. Nearly scoring 20 goals in one quarter we came away with a huge win pumping up our score on the ladder. A huge thank you to the 3 girls that helped us out by playing up, allowing us to actually take the court. Congratulations everyone.

Soccer . . .

Scots vs Kinross

On Sunday the soccer girls travelled to Orange to play against Kinross. The back line defended well in the first half, only allowing a tough opposition to score one goal, coming away at 1-0 in Kinross's favour at the end of the first half. The second half of the game picked up and due to excellent teamwork and improvement in passing and communication, Makenzie Honeysett was able to score 2 goals. Unfortunately, lack of defence resulted in too many gaps and the opposition was able to score a few more goals, causing the Scots girls to come away with a loss.

TSS vs. SSC

On Saturday we had our local derby with St. Stanislaus College. As always it was going to be a tough contest particularly with an old foe in Mr. MacDonald coaching the Stannies side.

Stannies came out strong and marched down the field to score the first try of the game. We came back strong but lost the ball within the 10 metre line and Stannies picked up the loose ball and ran the length of the field to score their second. From here it was all Stannies in the first half and we did our best to keep the score respectable. In the second half we were able to get a penalty kick over for three by Andrew Owens and then Sam Bowles with an outstanding run scored our only try of the game.

In the end Stannies forward pack was too strong and skilled and we just could not handle their onslaught at the breakdown nor could we stop their forwards breaking through the line.

I was pleased we were able to get some points and we had many more opportunities but things just didn't go our way in this game.

Final Score: TSS 8 vs SSC 46

Best Performances:

Ryan Gordon, Nathaniel Couchman, Sam Bowles, Andrew Owens and Oliver Simpson.

We are off to Sydney this week and hopefully we can put some set pieces together with strong P&D and tackling.

Coaches: Mr. D. Bailey /Mr. M. McRobert

17s vs Blue Mountains Grammar

A fantastic game to watch as two evenly matched teams, (though not necessarily physically), matched skills, fitness and determination to take home a win saw the play see-saw from try line to try line up until the final whistle. I was particularly pleased with our boys' efforts and the manner in which the game was played. It was pleasing to see how the boys' tackling and skills have improved and the way the 13's are stepping up. As this is about midway through the season, I would also like to take the opportunity to thank all the parents who have been able to watch the boys play at our home games and also at our away games.

Final result: TSS 29 to BMG 31

Mr R. Mottram (Coach)
