To Ponder . . .

Always sleep well.

Our mind can get busy, worrying over this or that...

We need to be reminded of Jesus' words:

"Look at the ravens. They don't plant or harvest or store food in barns, for God feeds them. And you are far more valuable to him than any birds! Can all your worries add a single moment to your life? And if worry can't accomplish a little thing like that, what's the use of worrying over bigger things?"

"Look at the lilies and how they grow. They don't work or make their clothing, yet Solomon in all his glory was not dressed as beautifully as they are. And if God cares so wonderfully for flowers that are here today and thrown into the fire tomorrow, he will certainly care for you. Why do you have so little faith?" ... Luke 12:24-28 (NLT-SE)

The better we know God, the richer our relationship with Him in Jesus... we have wealth enough. In Jesus, we do not need to worry.

We can let go of those missed opportunities... we have eternity

We can let go of that money for generosity's sake... we will inherit the Earth

We can let go of that time in order to invest in relationship with God... it's an investment which cannot be diminished.

Duke of Edinburgh Update – Term 3

Year 10 2016

I am pleased to announce that our first students to complete their Bronze Award, since the Duke of Edinburgh Program recommenced, will be presented with their Bronze Awards in a special assembly later this term. The following students: Gabrielle Boshier, Genevieve Gates, William McDonald, Gabrielle Morrison, Bailey Ryan, Rosemary Webb and Anna Wilde are to be congratulated on a consistent effort in their chosen activities for Service to the community, Physical Recreation and Skill. An excellent effort and well deserved.

Any student in our current Year 10 who has not yet completed the requirements of the Bronze Award is highly encouraged to finish logging their hours, having reports signed by their Assessors and submitting these to Mr Harris. Please speak to Mr Harris if you have any questions.

September Adventurous Journey Camp

The Adventurous Journey component of the Bronze Award will take place through the beautiful Wolgan Valley from Monday, 11th to Thursday, 14th September 2017 (Week 9, Term 3). Students will develop a sense of adventure, skills in navigation, camping and bushcraft as part of this compulsory outdoor education camp. Information notes including permission slips and medical forms will be issued to students in the coming week.

Students that have decided to take up the challenge of the Silver Award this year need to see Mr Harris to confirm final numbers for the Adventurous Journey camp scheduled to run at the same time (different location) as the Bronze Award Adventurous Journey in Week 9, Term 3.

Gold Adventurous Journey Camp

I am pleased to announce that students that choose to undertake the Gold Award will have an exciting opportunity to adventure through the beautiful Kangaroo Valley on an 8 day camp including aspects of hiking, canoeing, abseiling and pack floats. The camp is currently scheduled to take place from the 13th to 20th April 2018 at the conclusion of the Term 1 examination period.

Please see Mr Harris if you are interested in undertaking the Gold Award, either following the completion of the Silver Award or as a Direct Entrant into the Gold Award if you are currently in Year 11.

Junior School News ...

Welcome back to Term 3! An exciting term awaits with lots of learning and wonderful experiences for our students. The Authors' and Illustrators' Award is always a highlight in Term 3 and all classes will be working on units of work related to story writing this term. Geography also makes a return this term and combined with our Science units on 'Living Things' we will be taking all our K-6 students to Mt Tomah Botanic Gardens in late August. Our Lithgow students will have their own special excursion to Hartley Village and Mt York. Mrs Garland will finalise preparations for our Choirs at the Bathurst Eisteddfod. Our Year 6 leaders will lead our Peer Support Groups and a series called 'Speaking Up' which aims to instil resilience and positive behaviours in our students. Some of our Stage 3 students have nominated themselves to complete the Primary Research Project, which is a challenging enrichment activity covering multiple areas of learning. Our Annual Book Fair and Father's Day Breakfast, Bike Safety Day and Jump Rope for Heart are just a few of the events we can look forward to this term.

Term Overviews for Term 3 will go home with children next week.

Pie Drive order forms are available on the school website.

Online records should be completed by the 18th August and the hard copy of the log should be given to Mrs Parnell or myself when completed.

FRENCH DAY

On the 22nd June, the Junior School celebrated “French Day” with style and panache. Thank you to all the parents who went to so much effort to dress their children so thoughtfully many of who came along to watch and support the different class recitals, performed in French.

It never ceases to amaze me how talented the children are, in such a short period of time they learn many lines in French be it a mini play or a song and then speak with such authenticity.

The children also relished making crepes with Estelle Travis a local French chef and teacher.

Merci tout le monde for another great celebration of all things French.

Madame Travis thrilled us with her skill in ‘flipping’ the crepes.

Pre-Kindergarten Highlander

We would like to welcome all our existing families and children back to Pre-Kindergarten in Term Three. All the staff would like to welcome three new families to Pre-Kindergarten for the next two terms, Tamilarasan Gnanendran five days a week and Andra Jamieson on Mondays in the Blue Class and Zara Eppleston on Wednesday and Thursday in the Gold Class. We hope all the children help the new students feel welcomed and help them settle into Pre-Kindergarten.

Just a reminder that Jess Power will be replacing Chelsea Chapman in Term Three, while Chelsea has a well earned long service break from her many years of hard work educating the children in the Gold Class. Chelsea will be sadly missed but we hope she enjoys her break with her family.

Link Program – The students will enjoy a music focus during this term and the children will be exploring with music, movement, instruments and yoga with Miss Power, Mrs Fabris, Mrs Price and Mrs White. Link program will commence next Thursday to allow our new students to settle.

Learning Program – We will be doing revision on Term One sounds, which are ‘s, a, t, i, p and n’ and Term Two sounds, which are ‘e, c, k, h, r, m, d, g and h’. We will also be practicing name writing, counting to twenty, shapes and colours. The children will learn the sound ‘o’ next week.

Term 3 Sport

Welcome back from the mid-year break. We have sport training and games commencing straight away, so check the schedule below. With the end of the winter season in sight; it is a timely reminder for students to try their absolute best with their training, effort and attitude for the remaining rounds. Some of our teams are capable of making finals and will need a strong finish to the regular season.

Round 8 Netball matches

Thank you to all the girls and parents that supported the games played on Saturday 24th June, even though we were on holidays! Despite not getting all the results we wanted we were able to support the local association and the opposition teams by giving meaningful and competitive matches. A lot of girls also played up into higher graded teams and they will benefit from the experience.

Athletics

Term 3 triggers the start to the athletics season. PDHPE practical classes will focus on learning and developing athletics skills and will include some trials to pick a representative team for the proposed WAS carnival. An expression of interest form will be issued for any students wishing to be coached with sprinting and middle distance events as a coach has been sourced. Talk to Mr Adams if you are interested.

Netball Report -

Scots Celtics (Mrs Simcock's team)

For the last game of Term 2, the Scots Celtics finished strong even though we were down a lot of players. Special thanks to Lana Eastment, Aly Cranston and Jorja Hazel for playing up for us. The girls had a really tight first half, only being down by one or two goals. Anna played consistently in centre court throughout the entire game, creating a lot of turnovers and contributing to the flow of the game, along with Aly, Lana and Gab. Jorja and Tzarina had a great game of shooting, stacking up a lot of goals despite strong defence from Sportsco. Lizzy and Sacha also had a great game of defence. In the end we were defeated.
