## To Ponder . . .

There are times where circumstances appear to justify our “flying off the handle!” It can be easy to think that surely we’re justified to give up on what’s right and just do what’s needed?!

However, as one who had experience much suffering in his own life, the Apostle Paul wrote: *The temptations in your life are no different from what others experience. And God is faithful. He will not allow the temptation to be more than you can stand. When you are tempted, he will show you a way out so that you can endure....* 1 Corinthians 10:13 (NLT-SE)

I don’t know why some trials seem too big to bear but, in Jesus, we do know that God loves us, holds us and weep with us.

We mustn’t give in, instead call on Him and hold onto Him. He will provide us with a way out and give us the strength to endure as the men and women He calls us to be.

Tyler Puzicha is in Year 7 at Scots. She is pictured here receiving the Athlete of the Year trophy.

## Tyler Puzicha Receives Two Major Sports Awards

Tyler was fortunate to be awarded Western Region Academy of Sport Cyclist of the Year for 2017 and was proudly also awarded the Western Region Academy of Sport Athlete of the Year for 2017.

With these achievements Tyler has been selected to represent WRAS and The Scots School at Parliament House in Sydney on 19 September to meet with Members of Parliament and the Sports Minister.

She was the most successful WRAS athlete for this year with her 3 National gold medals, 1 silver medal and 2 Australian records.

Tyler is very grateful for the support of her peers, teachers and staff with her sporting commitments and particularly now, whilst she is recovering from a fractured ankle.

## *From the Headmaster . . .*

Next weekend is the Term 3 Parent Weekend which features the Winter Season Presentation Dinners and the Foundation Day Chapel Service and Tree Plant on Sunday. I look forward to catching up with many of you at the Netball and Rugby Dinners and the chapel service. The Foundation Day Chapel Service is the occasion where we remember our heritage as a school and also consider our Christian heritage. This year we celebrate the 75th Anniversary of the very first students from The Scots College Branch School moving to Karralee to escape the threat of war. We will also celebrate this occasion in a few weeks with some of the original 1942-1946 Old Boys when they join us for a School Reunion on 7 September.

**The Scots School is a beautiful school with extensive grounds and a lovely range of predominantly deciduous trees that catch the four seasons of the Bathurst climate magnificently.** For the last five years it has become customary to do a Tree Plant following the Foundation Day Chapel Service. Over the last five years, we have planted 120 trees around the school through this initiative with families often doing it together and capturing a photo of the occasion.

If you would like to be involved this year, please email me at [dgates@scots.nsw.edu.au](mailto:dgates@scots.nsw.edu.au) no later than Wednesday of this week. The cost of purchasing a tree this year will be \$60 per tree which will be charged to your account if you elect to be involved. Please indicate how many trees you would like to donate. If you would like to donate but are not able to be here on the day of the Foundation Day Tree Plant, we can arrange the planting for you.

The Tree Plant will take place following the Foundation Day Chapel Service on Sunday 27 August.

Have a good week...

David Gates

## **History this Week by Max Semmens**

### **August 21 1791 Most Successful Slave Revolt in all History**

Saint-Dominique was no backwater. One of the earliest French colonies in the Americas, Saint-Dominique was a jewel in the crown of the First French Empire. Almost 2 thirds of French foreign trade passed through the island colony, and the intensive plantations cultivating all manners of valuable materials made the island richer still. But this wealth came with a great price, and in the 1790's almost 90% of the islands population were enslaved Africans. The work was hard, discipline was brutal, living conditions hideous and the death-rate extremely high. It was not uncommon for some of the slaves to escape to the forest, living off the land and occasionally raiding nearby plantations for supplies and to free more slaves. But they were never a major threat. The true danger lay closer to the slave owners' homes

In 1789, revolutionaries back home in France had achieved major victories against the monarchy and the "Declaration of Rights of Man" was passed on August 26, 1789. It stated "In the eyes of the law all citizens are equal" and as much as the French tried to stop it, word of it got out to the colonies and planted new ideas of rebellion into the discontented blacks. Tensions continued to grow between the whites and blacks (both enslaved and free) and in 1790, when the Landowners refused to comply with the French command that wealthy free blacks were granted citizenship, the first major conflicts occurred. These were at first isolated incidents, but they grew and grew in size and seriousness, with free blacks fighting alongside slaves and maroons. On the night of August 21 1791 the discontented blacks finally plunged the Colony into full civil war, a brutal conflict that would last 12 years before the bravery and tenacity of the blacks had resulted in the formation of the only successful, sovereign state formed by a slave revolt.

**Women's Health Week: Take the time to look after yourself**

When it comes to health, many women are great at caring for others but often put themselves last. Now it's time for women to put themselves first.

Jean Hailes for Women's Health will be helping women make their health a priority during Women's Health Week 2017 (4-8 September). For women, the health of those you love starts with you. By investing more time in ourselves, we're better able to look after the ones we love and care about.

To celebrate the week Central West Women's Health Centre invites you to come along to an Information stand on 4<sup>th</sup> September 2017 at Stockland Shopping Centre, Bathurst.

Students need to bring a packed lunch and recess and are asked to reflect on the amount of

packaging they will generate. Re usable packaging that is environmentally friendly with minimal throw away parts like plastic or aluminium is encouraged. Students will also need a drink bottle with at least 500ml of water.

**The bus will leave at 9am sharp so please make sure all students are punctual.**

Special thanks to Oberon Farm Meats and the Flower Box who are sponsoring our Book Fair and BBQ Breakfast. This year children (and parents too if they'd like to) can dress up in line with the Book Week theme, 'Escape to Everywhere.' We're also encouraging dads to have some fun with their kids leading up to Father's Day and build a billy-cart together. The only rule is that children are involved in the design and construction of the cart. The carts will be displayed on the lawn in front of the pavilion, ready for you to 'Escape to Anywhere.'

## Secondary School Sports Bulletin Week 6 Term 3

### WAS Athletics

We took 37 students across to Dubbo on Monday for the WAS athletics carnival. The day gave our students some competition practice prior to our school carnival. There were some very good performances and quite a few students were able to improve on the performances that they had demonstrated in their PE lessons. Please note that the schools representative team for the ISA carnival will be based on this year's Inter House carnival results.

### Winter Sport Dinners

We look forward to the annual winter sport presentation dinners this weekend. The netball dinner is on Friday evening starting at 6.30pm. The rugby dinner is on Saturday evening starting at 5.45pm. Both dinners give our students, parents and coaches the chance to join together and celebrate the end of the winter seasons and recognise our players and their achievements.

### Girls Cricket – Thunder Girls Cricket League

We had 24 girls enjoy a cricket skills session last Wednesday as part of the launch of the Thunder Girls Cricket League launch for 2017-18. The local junior cricket association are looking to get a girls cricket competition running on Wednesday afternoons. The reduced playing number field and pitch sizes with the 20-20 format will make for exciting play for all players. Girls are encouraged to show their intention to play when they complete the summer sport registration form.

### WRAS Athlete of the Year

Congratulations to Tyler Puzicha (Year 7) on being awarded the WRAS Athlete of the Year. Tyler dedicates herself a lot to sport and training. She has played netball and soccer for the school over the winter (until she hurt her ankle) and is heavily involved with track cycling during the summer. Well done.

## **Scots Gold vs Collegians Fire Angels**

Result: 11 to 26

Scores made by: Claire Ferguson, Liddian Selwood

Best players/performances: Liddian Selwood

This game was a chance to gain strategies for finals as we will be meeting this team again soon. The girls played hard but weren't at the best I have seen them play. This meant we didn't score as high as we could of as there were missed opportunities at the goal and errors throughout the court. Overall our fitness has improved, we just need to refine our passes and movement. It was a game that tested us but the girls gave their all and kept up spirits throughout. Thank you must go to Liddian for playing up for us this weekend and to Simi who has now joined our team permanently to help us in the finals. Bring on the weekend!

*Mrs Maree Cashen (Coach)*

## **Scots 16's Celtics v Bathurst 12's Reps**

### **40-10 Win!!!**

Last Saturday Scots 16's came up against Bathurst 12 Reps's. We started off strong with everyone playing well as a team and intercepting the ball. This continued throughout the game. Improvement was seen with our passes and finding space on the court. We managed to keep adding to the score and came out with a much needed win. This will increase our chance at making it into the semi-finals. Next week is our last chance to put some points on the board and hopefully another win before finals.

Players of the match: Evie Simpson and Gabby Boshier

*By- Evie Simpson*

## **Scots 3rds**

The team played well showing glimpses of brilliance, keeping the top team contained until half-time. The defence was excellent in this period as was the attack. In the second half the opposition upped their teamwork and pulled away, scoring a number of unanswered goals. The girls gave of their best and should be congratulated on never giving up.

Final score: a 42 to 20 loss

Scoring for 3rds: Aly Cranston, Claire Ferguson, Rosie Webb

*Mr Paul Cameron (Coach)*

## **1st VII**

On Saturday the Firsts were looking to maximize their point score to retain their position on the ladder. The girls dominated throughout the game playing against a much weaker opposition, gaining many intercepts and

capitalizing with speedy ball movement, however silly mistakes allowed the opposition to gain more position than they should have. The shooting circle, still adapting and changing to their missing shooter, worked perfectly despite various combinations, with perfect positioning and movement combined with a high shooting success rate.

Final score 47-14

Player of the match goes to Madi Smith for perfect adaptable shooting.

# Hockey . . .

## **Scots 15's**

### **15s Hockey – WIN!**

On Saturday the Scots 15s girls hockey team recorded their first win for the season with a 1- nil victory over All Saints. It was a evenly contested game of hockey with possession being shared and play occurring mostly around the half way line during the first half. On numerous occasions when the Scots girls broke forward they were unable to come up with the right passes to have a meaningful shot on goal.

In the second half our girls continued to pressure the All Saints defence and with only minutes remaining they combined some great ball control, passing and positional play to score the winning goal off Joanna Morrison's stick. I was very proud to be able to watch the girls play and assist Mrs Taylor with coaching and was knocked out by improvement in the individual skills and team skills of the girls. Well done girls!

*Mr. Adams*
