To Ponder . . .

It *was* unfair.  
But that's *all* it was.  
Yet sadly, it was enough to justify hatred, exclusion, and contempt.

*Jacob loved Joseph more than any of his other children because Joseph had been born to him in his old age. So one day Jacob had a special gift made for Joseph – a beautiful robe. But his brothers hated Joseph because their father loved him more than the rest of them. They couldn't say a kind word to him....* Genesis 37:3-4 (NLT-SE)

As we read the mess that is 'Jacob's family' may God reveal to us any easy contempt *we* might carry toward others. Then, as we reflect on the grace and forgiveness we have in Jesus, may God give us the strength to become people of grace and forgiveness ourselves.

Headmasters of The Scots School and All Saints' College visited netball on Saturday to see the match between Scots and All Saints'. The 16A squads from both schools were ready for action. The match went to the All Saints' College 16A team.

## *From the Headmaster . . .*

**WOW! What an amazing week with the announcement on Tuesday that The Presbyterian Church of NSW had submitted an Expression of Interest to purchase All Saints College which had been accepted by the bank, Bishop in Council and the All Saints' School Council.** The rest of the week was extremely busy with media attention, parent and student response and Q & A sessions conducted with all students from Years 2 to Year 11. I wish to thank parents for their overwhelming support for the change and their well wishes to me as we begin the process of merging the two schools in 2019. The students were amazing with very insightful questions posed at the Q & A sessions. They appreciated the opportunity of being able to comment and ask questions and the uncertainty often brought about by change was quickly settled in their minds.

This is a very exciting time for The Scots School and I invite parents to attend one of the Parent Forums so you are able to hear firsthand from the General Manager of the Presbyterian Church and the two Heads of School. A letter regarding the Parent Forums has been sent to all parents today.

**The Junior School Father's Day Breakfast and Book Fair on Friday was an outstanding success.** The children certainly enjoyed the morning and the mothers from the Friends of Junior School looked after everyone with bacon & egg rolls. The Book Fair, organised very capably once again by Lynda Scott, was an amazing success, surpassing all expectation. The final total sales was \$4,781, breaking our previous best record by nearly \$1000! We greatly benefitted from the support of sponsors this year and really appreciated their contribution. About \$1500 worth of books were donated to the School Library from sponsorship and all classroom wish list books were donated. On top of this the Junior School will receive a cash commission of \$956.

A huge thank you must go to the team that worked on the Book Fair, this year all being families of Year 2 students - Lynda Scott, Chelsea Chapman, Emily Banning, Laura Scott, Kirilee Scott and Leigh Scott. The team was so committed and did a wonderful job.

I wish to acknowledge the sponsorship of the following businesses which is greatly appreciated:

Durham Street Veterinary Clinic; Central West Foot and Ankle Clinic; Leigh and Lynda Scott, Westfund Health Insurance; Jacobsen & Co Accountants; Freeform Osteopathy and Allied Health; Oberon Farm Meats

**The Soccer Presentation Dinner was held on Saturday night for the Open Girls' Soccer Team.** The night was superbly organised by the Jorgia Hibbins (Captain) and Leanka Deacon (Vice-Captain). The parents and staff enjoyed the evening and the opportunity to recognise their achievements this year. I particularly wish to acknowledge the contribution of Year 12 members in the team and thank them for their contribution. I also wish to thank Chivonne Robb (Player/Coach) and Mitchell Nighingale (Team Manager/Assistant Coach). Chivonne and Mitchell are both Resident Duty Staff in the Girls' and Junior Boys' Boarding Houses and their contribution to the Open Girls' Soccer Team is greatly appreciated.

Year 12 players Leanka Deacon and Jorgia Hibbins cut the cake at the soccer dinner.

**And then there were two... I wish the 14 Gold Netball Team and the First VII Netball Team all the best for the Preliminary Final on Saturday.** The 14 Gold Team lost the Major Semi-final against the top team but will hopefully play them again in the Grand Final. The First VII won the knockout Semi-final by one goal in extra time after the scores were equal at the end of normal time. The match was extremely exciting with the girls coming from 7 goals down at half time to clinch the win.

The 16 Celtics went down in the knockout Semi-final by five goals against All Saints College. The photo shows both teams together in the spirit of this week's announcement prior to the game. Both Heads are also in the photo with our respective daughters playing for the two teams.

Have a good week...

David Gates

## **Faith Matters**

The aerial on my roof was recently repaired and as a result, the television that has been sitting idle for the past eight months is now attracting a lot more attention. If there is anything that could ensure I don't slip into any bad couch potato habits, it's the evening news. I may have missed catching the occasional British comedy but I realise now that *not* having the world's doom and gloom projected into my lounge room was a bonus. It's easy to become distracted by the seeds of worry and despair that are planted in our hearts and minds by the constant stream of negative news from home and abroad. Whilst it's important to be informed of world events, we need balance and a realistic perspective in order to respond in an appropriate manner. Jeremiah 29:11 speaks directly into the uncertainty that can sometimes accompany news - "For I know the plans I have for you", declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future..." What a comfort it is to know that the God we seek to honour in our school, cares enough about the details of our lives to have an eternal plan in place!

## **Year 11 Yearly Examinations**

I would like to wish Year 11 all the best in their upcoming exams. The examination timetable has been issued and as such, revision and study should be well underway. Students with questions or concerns are encouraged to speak with their teacher/s.

## **75th Anniversary Assembly**

This Thursday we will celebrate the 1942 origins of our school with a special assembly, commencing at 12:10pm in the Aikman Hall.

## **Uniform Matters**

With a number of special assemblies in the next couple of weeks I would ask families to ensure that students are kitted out and wearing the correct uniform. In particular I wish to emphasise the importance of wearing the correct 'plain black, lace up' school shoes. Slip on canvas shoes are not acceptable and are banned from specialist classrooms for safety reasons.

# From The Scots School Parents' and Friends' Association President

As President of the P&F I know how hard our sub-committees work to raise funds and how much we all contribute to these efforts. From the canteen at home rugby games, to running the barbecue stalls at community and sporting events in town, to holding our much-loved Highland Jazz Night, and all the other events big and small that are held throughout the year.

After our huge effort over several years to fund and build the Tim Richards Pavilion it is now my pleasure to give a report on where those funds raised more recently have been spent.

Along with the much needed and appreciated equipment and facilities for the Boarding Houses, Junior School, Rugby squads and The Pipes and Drums gained through the efforts of our sub-committees we have helped fund the new cattle wash bay at the farm. This has provided a much safer and more appropriate facility for our very successful Cattle Team to prepare their charges for presentation and showing.

With the Friends of Rugby, the Main P&F has also funded the new Audio-Visual equipment installed in the Dining Hall. This new facility was used over the recent Parent Weekend during the Netball and Rugby Dinners and everyone who attended would agree that it was an improvement on past experiences and greatly enhanced the quality of the presentations of the night.

I would like to thank Richard Mottram for all his efforts to get the Audio-Visual equipment purchased and installed. It will be a great asset for the school and appreciated with all the events held at the Dining Hall especially the Valedictory Dinner later this month.

The covered BBQ next to the Tim Richards Pavilion was also funded by the Friends of Rugby and the P&F and is a wonderful facility.

I will also take this opportunity to welcome and congratulate our newest sub-committee to the P&F. The Friends of Netball is newly formed but has already had a Bunnings BBQ and raised \$1000 for the sub-committee to use for the benefit of Netball at the school. The Friends of Netball are already planning more fund raising independently and in co-operation with the Friends of Rugby.

The strength and culture of our P&F is in our people and though we have sub-committees with special interests the P&F and the sub-committees share a common goal in promoting and improving the school life of our children. If you are not involved in a sub-committee I encourage you to come to a meeting and continue the great work that our committees do for our school community.

*Regards  
Lindsay Wilde  
President, The Scots School Parents'  
and Friends' Association*

## **Newsletter Content - Full**

The Scots School is pleased to announce that through the Australian Boarding Schools Association (ABSA), we are offering students the opportunity to join the HASSE Space School International Study Program in 2018.

HASSE Space School is an amazing opportunity for students seeking to pursue success in a STEM career. Students will be immersed in enriched and exclusive space science activities to explore the multi-facets of STEM. Students will also learn and engage in an inspiring personal and leadership development program to truly empower them for changing times.

**Junior Space School** is astronaut training for youth and is an engaging, hands-on adventure. Students learn about space travel, the development of space-related technologies and are lead through several simulated missions. This program is focused on providing relevance to, and inspiring passion for STEM through exposure to space and broader 'earth' science exploration. Every step of the way they are guided to build skills in goal setting, project planning, critical-thinking and problem-solving.

**Senior Space School** is the MBA for Youth. With greater program depth, students have incredible access to NASA. They visit areas not accessible by the public; and engage directly with NASA experts to design and plan their own space mission within a given budget. An immersive program that hones their individual leadership, project management, resource allocation crisis management and team work skills. Students learn from NASA experts and other leading organisations to foster new levels of collaboration and teamwork.

**Students are meticulously cared for** by dedicated Group Managers who are trained and certified by the Houston Association for Space and Science Education. All Group Managers are Working with Children and Australian Federal Police checked, and hold current CPR, asthma and anaphylaxis certification.

**Students return with big dreams** and lasting confidence, inspired by the ultimate STEM experience at NASA.

An information evening will be held on **Thursday 21<sup>st</sup> September at the Kemmis Building, All Saints' College** where students and parents can learn more about the program. To RSVP, please access the following webpage: <http://www.actura.com.au/absa.a>

### **Book Fair/ Father's Day Breakfast**

The Father's Day Breakfast and Book Fair was an amazing success. A beautiful morning unfolded as the billy carts rolled in onto the hill and the bacon and eggs sizzled on the BBQ. Thank you to everyone who came along to share a story over a billy cart and a delicious breakfast. A big thank you to everyone who purchased a book for their child or for the wishlist and to those who sponsored the event. Almost \$1500 worth of books were donated to the School Library from sponsorship and all Classroom Wishlist books were donated.

The final total sales was \$4781.45, breaking our previous best record by nearly \$1000! We greatly benefitted from the support of sponsors this year and really appreciate their contribution.

A huge thank you to the team that worked on the Book Fair especially Mrs Lynda Scott for her coordination of the event. Special thanks must also go to Chelsea Chapman, Emily Banning, Laura Scott, Kirilee Scott and Leigh Scott who assisted with setting up and operations. The team was very committed and did a wonderful job.

Equally committed were the FOJS team who were there bright and early from 7am to prepare the BBQ and fill us up with those delicious bacon and egg rolls. A huge thank you to Michele Hutchinson, Phoebe Marais, Astrid Bravenboer, Natalie Cranston, Aly Cranston, Melanie Jacobsen and Leigh Host for all your work cooking and serving the food.

Many thanks to the **Oberon Farm Meat** and the **Flower Box** for who sponsored the Father's Day Breakfast.

A great morning was had by all I thank everyone for their contribution.

### **Eisteddfod Success!**

Congratulations to our Stage 2 and 3 choir that were awarded First place in the Languages other than English Choir Section at the Bathurst Eisteddfod. This is a great achievement and a great reward for months of preparation. Well done! Congratulations also to our Stage 1 choir who also prepared so well and sang beautifully at the Eisteddfod.

### **Dean Mobbs Art Club**

### **Touch Football Gala Day**

Unfortunately the Gala Day for our 3-6 students has been cancelled due to a lack of team numbers.

## Junior School Bike Day 2017

The Junior School will be holding its Bike Day on Thursday 21st September. To enable the children to ride around safely we will be closing off part of the internal road system between 10am and 2pm. The front gates (in front of the Headmasters Residence) will be closed. A barrier will be placed in front of the main office and another barrier between the dining hall and Bulkeley House. We will be using the front drive for the obstacle course and the road around the back oval for the general ride around. Access to the school will be from the Southern entry gates to the main/teachers car park only, during this time. Thank You.

Parking will be available on the top oval/teacher's car park.

Students will complete an obstacle course on their pushbikes (or scooters) set out on the front drive and enjoy a general ride around the school. Police Officers from the NSW Police Force will be having a chat to the kids about helmet safety and riding their bikes safely in the pavilion.

Please drop off Pre-K bikes & helmets to the netball courts and K-6 bikes & helmets to the main oval (the back drive drop off point for children). Signs will be placed in both locations to show where items are to be left. Please note that students will not be allowed to ride without a helmet and enclosed shoes. ***If you can bring an extra helmet, scooter or bike for our Keystone visitors it would be greatly appreciated. Please ensure helmets and bikes are all clearly labelled.***

# Pre-Kindergarten Highlander

**Mufti Day** - All children can wear **free choice clothes** on **Tuesday 5th September** to help support our world vision child Masila who lives in Kenya. Please bring a **gold coin donation**, which will help provide food and shelter for him.

**Jolly Phonics Program** - This week your child will be learning the letter and sound for 'J'. Your child will learn to trace and write the letter 'j' in their sound book. Each child will colour in pictures and draw a picture that starts with the letter 'j'.

**Maths Concepts** –The focus for Maths is '**counting**', the children will count the creatures on the page and then attempt to write the number.

**Link Program** –The focus is Music for this term.

**News Topic** – The news topic is "**Winter**" your child can share a favourite winter photo of them or their family, your child's favourite things to do on a winter's day or create a winter collage.

**Around the world** - This week your child will learn about "**Sri Lanka**" and your child will learn to say hello in Tamil.

**STEM: Exploring Our Natural Environment's**–The children will be exploring the natural materials closely with magnifying glasses and by using the senses of touch and sight.

**Dress up Day/Father's Day Breakfast** – Thank you to all the Dad's and Grandfather's that came to the Father's Day breakfast and helped support our annual book fair. We hope you enjoyed your bacon and egg sandwich. All the children looked amazing in their costumes.

## **Operation Christmas Child**

This week we launched Operation Christmas Child. This is a great charity that provides children less fortunate than ourselves with gifts donated in a shoe box for Christmas. Information leaflets will be sent home this week. If you would like to support this cause please see a Pre-Kindergarten staff member for a box.

---

## **Toy Catalogue Fundraiser**

Catalogues went home last week. This is a great fundraiser to raise money for new resources for the children. These catalogues are a great opportunity to shop for your Christmas presents from the comfort of your home, with the convenience of having your order delivered to your front door or to the Scots School. Staff would appreciate any support you can give to this fundraiser. Orders are due back at school by Wednesday 20<sup>th</sup> September.

### Netball Finals

Congratulations to the 14A Gold, 16 A Celtics and 1<sup>st</sup> VII for getting through to the semi-finals. In 3 very good and entertaining games our girls gave their all and played some very good netball. Unfortunately the 16A Celtics girls played well in patches but turned the ball over too often at crucial times and went down to ASC. The 14 A Gold team also played some very good netball but went down to the top team, luckily the girls get another chance this weekend and will be all the better for it after last weekends match. The 1<sup>st</sup> VII started very nervously and made some very simple errors giving up a 5 goal lead in the first quarter and a 7 point lead at the half. The girls played very well in the 3<sup>rd</sup> quarter getting back to 1 goal down. In a very nerve racking final quarter the girls hit the lead only to have the opposition team (Bushrangers) level the match with a goal after the final whistle. After the 14 minutes of extra time, the girls held onto the lead that they had gained to win by 1 goal. It was a great comeback, but far from the best netball that we are capable of. I am sure that the girls will learn from the nerves they felt last week and put together a much improved game next week in the final.

### Soccer Dinner

The soccer girls had a lovely presentation dinner on Saturday night at the Panorama Hotel. We thank Jorgia Hibbins and Leanka Deacon for their organisation of the night. It was a great opportunity to acknowledge the girls on their efforts over the season, to thank the coach (Chivonne Robb) for her excellent work and recognise the players who had an outstanding season.

### Inter House Athletics

Last Tuesday we had the Secondary School Inter-house Athletics Carnival. It was another tremendous carnival with outstanding participation from our students and great support from our staff. We had fantastic weather which allowed for excellent conditions for competing. We had records broken in the senior girls 3000m and 1500m by Emily Watts, the 13s shot put by Tyler Puzicha and the 15 years high jump by Rachel Hattenfels. The battle for the Hennings Cup was very close with Ives getting narrow early lead and then being caught late in the day. The eventual house points totals were, 1<sup>st</sup> place Lang (1204 points), Flynn and Browning equal second (1179 points) and Ives in 4<sup>th</sup> (1167 points). This was by far the closest carnival in the past 10 years. The Shillabeer Shield was awarded to Ives House for demonstrating such improvement in their results. The students in Ives showed great support for each other and a lot of determination to do their best. The age Champions are listed below. We wish to congratulate all students on their involvement and participation on the day.

### Summer Sport

This Thursday (7<sup>th</sup> September) we start with summer sport training/trials. The netball girls still in the finals will continue to train, but all basketball, tennis, cricket and touch players will have their first sessions. It will be a little start, stop, start with our training sessions over the final few weeks as Year9/10 Duke of Ed camps and Year 11 exams and excursions interrupt. So please be patient and get along to as many training sessions as you can.

### Cricket Season Launch

On Saturday the 9<sup>th</sup> of September we are going to launch the 2017-18 cricket season with a skills session and trial game against St Spyridon College (10.30am start). The skills session is open to all students interested in playing cricket this season. We will have some external cricket coaches to work on fundamental cricket skills. The skills session will start at 9.00am in the Hunter Sportscentre and go until about 11.30am.

### Edgell Jog

Any students interested in running or walking in the Edgell Jog on Sunday 17<sup>th</sup> September (10.30 am race start) are asked to enter. Emily Watts (Year 11) has copies of the Entry form. Students can complete entry forms and return to the Admin office with the correct money or they can enter online (Scots Secondary School Team).

### Scots 1st VII vs Bushrangers

On Saturday the firsts played in the minor semi-final against Bushrangers. The girls were in for a tough game after losing to the bushrangers by one point previously. The girls lacked intensity and togetherness and at the end of the 1st quarter they were down by 10 due to poor passes and messy game play. The girls came back hard in the next two quarters and had brought the game back and were only down by two at the end of the 3rd quarter. The team began to capitalise and higher fitness levels meant speedy smart game play. After a high intensity 4th quarter the scores were equal and the game went into extra time. The girls really came together at this point and began dominating, everybody picked up their enthusiasm and by the end of the extra time the girls had managed to come away with a one point win, with a final score of 42-43.

Player of the match to Maddie Cain for a perfect return to netball and amazing shooting.
