To Ponder . . .

Betrayal motivated by jealousy and a conscience eased by money.

Judah said to his brothers, "What will we gain by killing our brother? We'd have to cover up the crime. Instead of hurting him, let's sell him to those Ishmaelite traders. After all, he is our brother – our own flesh and blood!" And his brothers agreed. So when the Ishmaelites, who were Midianite traders, came by, Joseph's brothers pulled him out of the cistern and sold him to them for twenty pieces of silver. And the traders took him to Egypt." ... Genesis 37:26–28 (NLT-SE)

It seems hopeless for Joseph and yet those traders came by no chance, the Lord's good plan to bless this family, and through them the whole world, could not be thwarted.

Hold onto Jesus, for in Him no hurt nor betrayal can thwart the Lord's good plan to bless.

And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them. ... Romans 8:28 (NLT-SE)

From the Headmaster . . .

Last week we celebrated the 75th Anniversary of The Scots College Branch School 1942-1945. The Branch School was the precursor of The Scots School Bathurst which began in 1946. We had 8 Old boys from these years with their wives to celebrate with a 75th Anniversary Dinner on Wednesday night followed by a day at the school on the Thursday. They enjoyed their tour of the School and especially talking to three Year 12 students about their HSC Major Works for Design & Technology. I particularly wish to thank Matilda Ryan, James Anderson and Wes Stanfield for the way they engaged with the guests in talking through their HSC Major Works.

Following the School Tour, we celebrated with a special Assembly where we were treated to four amazing speeches. Mrs Diane Morton spoke to the Assembly about the history of the Lee Brothers and the Karralee Homestead. Mrs Morton is a historian who has completed a comprehensive study of the Lee family. She is a direct descendent and her mother and grandmother were born in what is now the Headmaster's Office! Mr Bill Morton and Mr Hugh Ralston spoke eloquently about the first months and years in Bathurst and Judge 'Quack' Davidson spoke with great humour about 1945 & 1946 and the broader world context. All present were also privileged to see a power point presentation of the history of The Scots School in decades from the beginning to the present day. Following lunch, the old Boys and their wives split up to conduct a Q & A in year groups where the students asked many intelligent questions. At the end of the day, the guests spent an hour in Karralee looking at archival photos and reminiscing about where they lived in that time; 14 of them lived in what is now my office.

It was a truly wonderful celebratory occasion which was thoroughly enjoyed by the students, staff and the guests of honour. I particular wish to thank the following people for their tremendous work in organizing the day: Old Boy Tim Hector (1942), Mrs Lynda Ireland and Mr Andrew Maher. I also wish to thank Mr Gil MacKenzie and the Pipe Band and the two school Captains, Alice Powell and Lewis Wilde for their assistance on the day.

The Duke of Edinburgh Program commenced at The Scots School last year under the leadership of Mr Chris Harris. The Duke of Edinburgh Program is an internationally recognised youth development program which empowers young people to explore their full potential. It involves three levels: Bronze, Silver and Gold each progressively offering more challenging opportunities in the areas of Physical Recreation, Skill Development, Service, Adventurous Journey and Residential Project (Gold Level only).

The Duke of Edinburgh Award aims to achieve the following:

- recognise individual goal setting and self-improvement through persistence and achievement;
- empower and opens doors for our students – improving all aspects of social and emotional learning and development;
- equip and empower students to achieve their personal best;
- students learn to take responsibility for their goals and choices;
- students become connected to and actively engage within their immediate community;
- students make a real difference to society through their positive contributions and involvement;
- students learn to persevere and overcome barriers to success;
- students learn important life skills; and
- students increase their career opportunities.

The Adventurous Journey component of The Duke of Edinburgh is taking place this week under the auspices of the Outdoor Education Group with Mr Harris as school liaison and other Scots staff in attendance with each group. The Bronze Level Award students will complete both the Qualifying and Assessment requirements in the one Adventurous Journey over four days this week in the Wolgan Valley. All of Year 9 will complete the Outdoor component of the Duke of Edinburgh and are encouraged to do the other three components to achieve the Bronze Award.

The Silver Level Award students in Year 10 will complete the Qualifying component hiking in the Grose Valley and in the vicinity of the Three Sisters at Katoomba. Because of the extended requirements of the Silver Award, the

Adventurous Journey Assessment Camp will take place over three days following Speech Day on Saturday 9 - Sunday 11 December at a different location in what promises to be a very exciting conclusion to their School year.

And then there was one... I wish the First VII Netball Team all the best for the Grand Final at 1.15pm on Saturday. They gave their supporters another heart stopper in the Preliminary Final with a come from behind win in the last quarter to win by two goals. I encourage students to come and support our top team in the Grand Final on Saturday. The 14 Gold Team lost their Preliminary Final last week after a very successful season; well-done girls and Mrs Cashen.

I remind all parents that the Parent Forums about the integration of The Scots School and All Saints' College are on this week.

There will be four Parent Forums as follows:

1. Wednesday 13 September at 5.30pm, The Scots School Junior School parents in the Lamrock Performing Arts Centre.
2. Wednesday 13 September at 7pm, All Saints' Junior School parents in the Kemmis building.
3. Thursday 14 September at 5.30pm, All Saints' Senior School parents in the Kemmis building.
4. Thursday 14 September at 7pm, The Scots School Senior School parents in the Lamrock Performing Arts Centre.

Parents are most welcome to attend forums at either school but it would be best to attend on the night relevant to the age of your children, that is, a Junior School or Senior School presentation.

The four Parent Forums to be held at The Scots School and All Saints' College will involve presentations from:
Mr Jeof Falls (General Manager of the Presbyterian Church of NSW);
Mr Steven O'Connor (Head of College at All Saints College);
Mr David Gates (Headmaster of The Scots School).

There will also be an opportunity provided for a Q & A following the brief presentations. It is expected that the presentation and Q & A will take approximately an hour.

Have a good week...

David Gates

Mr Gates and Mr O'Connor toured the Scots facilities last week. They did a similar tour of the All Saints' campus as well.

Year 11 Yearly Examinations 11th – 15th September

Year 11 Final Examinations commenced today. These are the final examinations for the Preliminary HSC courses. Year 11 will commence the HSC coursework in Term 4. To that end I ask that, as far as possible, any subject changes be communicated *this* side of the holidays, please.

Valedictory Assembly

We will celebrate the end of compulsory education for our Year 12 students on Friday 22 September with the Valedictory Assembly at 12:30pm in the Aikman Hall. Parents, family and friends welcome!

Uniform Matters

Just a reminder that our uniform policy stipulates that girls may wear ONE pair of studs or sleeper-style earrings only. Extra piercings are not permitted, whilst in school uniform.

Assessment Tasks 7-11

Extensive illness throughout this past Term resulted in a high number of students being absent from class. Please check that your child has completed and/or submitted all formal assessment tasks across their subjects, as per the Year group assessment schedule. Please make contact with the class teacher if you have any questions or concerns.

In today's ever-advancing world, we are living at the speed of science. Australian students can be at the forefront of this exciting era. Scotsstudentstoday will have an average of four careers and 17 different jobs in their lifetime. It is so important that they learn and master critical transportable skills to successfully navigate the fast-changing workforce shaped by automation, globalisation and collaboration. Today, they have an opportunity to get ahead, to learn and apply these skills at HASSE Space School, an immersive international study program designed to inspire a new generation of STEM-skilled leaders.

Our school is participating in the two-week HASSE Space School expedition to NASA next year. To equip your child with deep practical skills and inspire them to meet future challenges please register to attend the Information Evening on 21st September in the Kemma Building at All Saints' College.

Please make sure you RSVP to ensure you receive your Information Kit: actura.com.au/absa

This is a fantastic opportunity to be immersed in activities and projects not possible in the school environment. I look forward to seeing you there.

Good luck to our CIS Athletes

I'd like to wish Laura Scott, Lillian Gittins, Zachary Power and Izaak Scott all the best as they return to Sydney on Wednesday for the CIS Athletics Carnival. I'm sure they 'll do their very best and make us all proud. **Lillian Gittins has been selected in the Junior Girl's Discus, Zachary Power in the 13 year old 100m, Izaak Scott in the Junior Boy's Discus and Laura Scott for the 11 years girl's Shot Put and Discus.**

Student led conferences

Student Led Conferences will be held on Tuesday 12th September. This a great way for students to show case their learning. Thank you to all of you who are able to attend.

Parent Forums

All parents are invited to the Headmaster's Forum on Wednesday 13th September at 5:30pm in the Performing Arts Centre. Mr Gates will outline plans and possibilities regarding the integration of The Scots School and All Saints College in 2019. After School Care will be free this Wednesday 13th September after 5pm for those parents who attend the Q and A forums with the Headmaster. It will remain open as long as necessary.

Summer Sport- Expressions of Interest

Expressions of interest forms for cricket need to be sent through via School Stream by this Wednesday. Swimming Squad and Learn to swim expression of interests should also be completed early this week.

Absences- School Stream

You are now able to submit your child's absence from school via the School Stream App.

The Absentee Form appears under 'Absentee' on the home page. Simply fill out the form on your device and submit. If this can be done before 9am it would be appreciated.

We trust that you will find this a convenient way to submit absences to school.

Arriving late or leaving early?

Please note that School Stream is for full day absences only. For partial absences - ie late arrival or early departure - parents need to sign children in using the book in the foyer as per usual.

After School Supervision- End of Term

After School Supervision will be available on the last day of Term 3.

Winter Sport Presentations will be held on Thursday 21st September leading into Bike Safety Day. Presentations will be made at 11am in the Performing Arts Centre.

Premier's Reading Challenge

Congratulations to the 42 students that completed the challenge! Certificates will be supplied to the school in November. Those who completed the challenge were Jye Christian, Grace Cranston, Rory Hutchinson, Emmeline Jacobsen, Charlotte Knight, Andre Marais, David McKay, Molly Ball, Carter Beech, Monique Graham, Regan Grant, Hayden Hodges, Alexis Jarvis, Harrison Leet, Hayden Marr, Isabella Owens, Charlie Roohan, Tess Yordanoff, Lydia Brown, Sybilla Chapman, Paul Christian, MaragretMcCusker-Roth, Jonathan Price, Izaak Scott, Angus Gossland, Phoebe Hodges, Toby Hutchinson, Grayson Jacobsen, Kael Lawson, Claire McKay, Lucy Roohan, Lillian Gittins, Chelsea Price, Angus Gossland, ZephirValsain, Oscar Yordanoff, Shanlei Christian, Hannah Manhood, Laura Scott, MarymShawki, Emily Brown and Remi Hefferen.

Junior School Bike Day 2017

The Junior School will be holding its Bike Day on Thursday 21st September. To enable the children to ride around safely we will be closing off part of the internal road system between 10am and 2pm. The front gates (in front of the Headmasters Residence) will be closed. A barrier will be placed in front of the main office and another barrier between the dining hall and Bulkeley House. We will be using the front drive for the obstacle course and the road around the back oval for the general ride around. Access to the school will be from the Southern entry gates to the main/teachers car park only, during this time. Thank You.

Parking will be available on the top oval/teacher's car park.

Students will complete an obstacle course on their pushbikes (or scooters) set out on the front drive and enjoy a general ride around the school. Police Officers from the NSW Police Force will be having a chat to the kids about helmet safety and riding their bikes safely in the pavilion.

Please drop off Pre-K bikes & helmets to the netball courts and K-6 bikes & helmets to the main oval (the back drive drop off point for children). Signs will be placed in both locations to show where items are to be left.

Please note that students will not be allowed to ride without a helmet and enclosed shoes. *If you can bring an extra helmet, scooter or bike for our Keystone visitors it would be greatly appreciated. Please ensure helmets and bikes are all clearly labelled.*

Bike Day Lunch orders

Lunch will consist of a hotdog, piece of fruit, cordial/ water and a special treat. Please ensure the order is returned by Monday 18th September, 2017 for catering purposes.

Good luck to our CIS Athletes!

Performing Arts Assembly

I'm looking forward to seeing all of the creative talent in our school next Monday 18th September at our 2017 Performing Arts Assembly which will be held in the Lamrock Performing Arts Centre at 9am. All are welcome to come and be a part of this special occasion.

Kindergarten Orientation

We welcome our 2018 Kindergarten students to their first orientation session on Wednesday 20th September. Our students can look forward to two exciting days with Mrs White as they experience a little of the daily routine and learning that takes place in our school. Any families wishing to enquire about Kindergarten in 2018 should contact Mrs Lynda Ireland. The second session will be held on the 25th October.

For those parents who are interested in planning school holiday activities for your child/ children you might like to take a look at the link below for a cricket training camp that will be held here in the holidays between the 3rd and 5th October.

Netball Finals

ISA Athletics

Last Tuesday 51 students travelled to Sydney Olympic Park (Homebush) for the ISA athletics carnival. We had a lot of students collect places in their events and record personal bests. There are four students going through to represent ISA at the CIS Carnival on the 20th of September; Tyler Puzicha in the discus, George Butler in the triple jump, Morgan Watts in the 3000m and Emily Watts in the 3000m. We congratulate them and wish them all the best.

Summer Sport

Last Thursday we had our first training sessions/ trials for basketball, tennis, cricket and touch. The trials will continue this week (minus Year 9 and Year 11 and the 1st VII netball) and in week 10. These initial training sessions are vital to help get teams ready for registrations in local competitions and to allow students to finalise their choices. Final teams will be announced in week 10.

Cricket Season Launch

Last Saturday we launched the 2017-18 cricket season with a skills session and trial game against St Spyridon College. The skills session was well attended by the players and focused on some of the more technical aspects of throwing, catching, bowling and batting. Many of the drills learnt can be done by the boys at home, so keep practising! The 1st XI had a trial against St Spyridon College, where they had a good win. We thank Mr Garth Dean (Western Zone Academy coach), Jon Harris, Mr Harris and Mr Mair for their support of the cricket skills session and for running the trial game.

Well Done – Charlie Flude

We give big congratulations to Charlie Flude for his Best on Ground effort in the Men's Central West AFL Grand Final. Charlie and his Bushrangers team mates were able to secure a good win against Orange in the Grand Final. Well Done.

Edgell Jog

Any students interested in running or walking in the Edgell Jog on Sunday 17th September (10.30 am race start) are asked to enter. Emily Watts (Year 11) has copies of the Entry form. Students can complete entry forms and return to the Admin office with the correct money or they can enter online (Scots Secondary School Team). All entries made through the Admin office must be in by Wednesday this week, online entries can be done up until Saturday.

Western Region Academy of Sport – Hockey 2018

Scots 1st VII vs Eglinton

On Saturday the first girls played their prelim finals against Eglinton. After being defeated twice, the girls knew they were in for a tough game. The girls started strong with perfectly co-ordinated game play and were up by 7 at the end of the first quarter. The girls dropped off in the 2nd and 3rd quarters and lost their lead due to sloppy passes and a determined opposition. Entering the final quarter the girls were narrowly behind but pushed hard, came together again and managed to dominate. With flawless centre court play and shooting the girls pulled away and managed to come away on top. Final score 27-29!

We play All Saints on Saturday in the grandfinal and it's sure to be a great game.

Player of the match to Daisy Heilman for a recovery from last week and high intensity play in a variety of positions.

by Gwen Towart (Captain)

Scots Gold vs Panthers Clewsy

Result: 18 to 27

Scores made by: Claire Ferguson, Liddian Selwood, Jorja

Best players/performances The whole team

Unfortunately Panthers was the better team on the day, bringing our finals campaign to an end. The first quarter let us down with the opposition firming their lead and from here we were chasing. The girls gave their all and began to close the gap in the third quarter but, in the end, it wasn't enough to close the gap. Congratulations Panthers and good luck in the grand final.

I'd like to thank the girls for all their efforts this season, for training hard at all times and for never giving up no matter what was thrown at them, including injuries. I have some great memories from this season, many laughs and moments of tears but through it all great respect. They all have a special place in my heart and have made me very proud, it has been my honour to be their coach.

Thanks must also go to the parents for all your support, help with scoring, clubhouse duties and great cheering. Without you we would not of made it this far. I wish the girls all the very best in their future netball endeavours.
