**Year 8 French Assessment**  
Here are a few of the projects  
made by our Year 8 French  
students for their recent as-  
sessment task. Mrs Adamson  
was quite pleased with the  
quality of the students' works  
and the interesting places/  
events they chose to high-  
light. See more on p.5

## To Ponder . . .

Finish the sentence: "Familiarity breeds . . . "

We all know of someone who got too familiar with something dangerous: A loaded firearm; a boiling pot; driving a vehicle when the phone beeps.

Jesus was abroad, proclaiming the Kingdom of God and authenticating his preaching with miraculous healings. However, when he returned home and proclaimed himself God's Saving King...

*Everyone spoke well of him and was amazed by the gracious words that came from his lips. "How can this be?" they asked. "Isn't this Joseph's son?"*

*Then he said, "You will undoubtedly quote me this proverb: 'Physician, heal yourself' – meaning, 'Do miracles here in your hometown like those you did in Capernaum.' But I tell you the truth, no prophet is accepted in his own hometown." ... Luke 4:22-24 (NLT-SE)*

They wanted 'their local boy' Jesus to play their tune. Yet, as we celebrate Easter and Christmas each year it is easy ourselves to get 'too familiar' with Jesus. We can forget that he is God's Saving King who will one day come back as God's great Just Judge.

## HOMESTAY REQUIRED Year 8 Student

Dear Parents, a Year 8 international student requires a homestay. He is unable to travel home to Hong Kong during the upcoming school holidays. If you would be able to offer accommodation to this student, please contact Jenny Donnelly at the school on 6331-2766.

## ***From the Deputy Head . . .***

**THANK YOU** to our community of parents and carers for the wonderful support shown to our students and staff during what has been a rather long term. I wish everyone a happy and safe holiday. As we move towards the holidays I would like to remind everyone of a few important matters:

### **TERM 2**

Classes recommence on Tuesday 1 May.

### **SCHOOL SHOES**

Black leather lace up shoes are the required footwear at school. Canvas shoes and slip-ons are NOT allowed as these pose a significant safety risk in certain areas of the school.

### **YEAR 12 HOLIDAY REVISION**

Year 11 have really excelled in the manner in which they have accepted and adjusted to the demands of Year 11 study and the shared campus/timetable situation. This adjustment has not been an easy one and we are proud of the way our students have intentionally made friends with their new classmates and the efforts they have made to be a part of the ASC Community. As I write this newsletter item, Year 12 are in the final days of their Half-Yearly Examinations. I would encourage all our Stage 6 students to take time to rest after their busy Term. In the mix of rest and relaxation, however, it's important that students keep the momentum going in regards to revision for the HSC Examinations. Reviewing notes and practising the application of knowledge by attempting past HSC Exam papers are excellent methods of revision. Holidays are also a great time to look ahead in the Assessment Booklets. Planning ahead helps alleviate stress and prevents feeling overwhelmed in the busy times.

### **YEARS 7 AND 9 PARENT/TEACHER INTERVIEWS**

Friday 13 April, 3:30-7:00pm in the Aikman Hall.

### **HICES Debating Round Three**

Last Wednesday 4<sup>th</sup> April, the HICES debaters travelled to All Saints College to contest the third round of competition. Claire Halpin, Luke Burgess, Laura Scott and Catani Reynolds represented the Juniors and tackled the topic 'That a tax on sugar should be imposed.' Their case was convincing, securing them a win.

The Year 7 team of Xavier Adams, Emily Brown, Ashleigh Horsburgh and Jessica Mills and the Year 8 team consisting of Lachlan Beath, Jack McCudden, Jack Dickenson and Lillian Oke considered the case for changing the date of Australia Day. Both teams prosecuted their cases with passion but were outmanoeuvred on the day.

The Year 9 squad of Simi Atluri, George Butler, Austin Markwick and Sophie Cox impressed with their eloquence on the topic 'That texting is trashing the English language.' They executed a comprehensive victory and maintained their undefeated run in 2018.

The Opens team represented by Anna Wilde, Gabrielle Morrison, Cody Carr and Jacob Lloyd engaged with the intriguing notion that AI is more beneficial than threatening but were ultimately bested by their opposition.

I would like to take this opportunity to thank Mr. Maher for his unfailing assistance with adjudication and bus driving duties. Onwards and upwards to Round 4, which will be held at Scots in early May.

*Mrs. Angela Davis*

#### **From the Health Centre . . .**

#### **Years 10 and 11 Immunisations**

#### **Note change of date!**

## French Assessment Review

This term the two year eight French classes had an assessment which required them to construct a model that depicted either an interesting landmark, or location, from any French speaking country. This task expanded our knowledge of French cultural aspects that are of interest to us. The presentations were fascinating and the models were particularly creative and are now on display in the library. The students had made an outstanding effort.

Please see photos below.

### FOJS Movies Under the Stars

Get set for 'Movies under the Stars' this Thursday night. FOJS will be setting up a giant movie screen on the oval and the students will be able to view it from the grassy hill in front of the pavilion. Gates open at 6pm with the movie commencing at 7pm.

Tickets to see 'Son of Bigfoot' are available for \$5 per child, \$10 an adult or \$25 a family. Parents and friends are welcome to bring a picnic rug and fold up chair and enjoy the movie too, or socialise in the pavilion with other parents.

There will also be a canteen available with sausage sandwiches, popcorn, drinks and ice creams.

Tickets can be purchased by completing the order form.

### Up-coming Cross Country Dates

The WAS Cross Country will be held on Friday 18<sup>th</sup> May whilst HICES will be held on Tuesday 29<sup>th</sup> May.

### Combined Scots ASC College Activity Day

I'm very excited to announce that this Friday 13<sup>th</sup> April, we'll be offering our K-6 students their first formal opportunity to meet students from All Saints College.

At 11am, all Stage 2 and 3 students from ASC will be transported to The Scots School for a range of 'getting to know you' and game/ sport based activities. At the same time, our Kinder- Year 2 students will be transported to All Saints for similar activities based on their campus. If you have a child in K-2, please complete the permission form on School Stream.

### ASC Campus Tour

Mr Chris Jackman (Head of ASC Junior School) and myself will be conducting a tour of the ASC Campus on Thursday 17<sup>th</sup> May at 3:45pm. The aim of the tour is to provide parents of Scots School students currently enrolled in K-7 an opportunity to familiarise themselves with the campus and the facilities available on the site. Please keep this date free if you would like to be a part of the tour.

### George's Marvellous Medicine

Parents of students in Years 3-6 need to complete the permission form on School Stream for George's Marvellous Medicine if they haven't done so already. The performance will be held at BMEC on Wednesday 11<sup>th</sup> April. The bus will depart at 9:30am. Students need to wear their full summer uniform. **No sport uniform on this day please.**

\*Friday 15<sup>th</sup> June- FOJS Trivia Night

**Teddy Bear Hospital at Bathurst show -- see Page 15 of this Highlander.**

Kindergarten students display the kites they engineered and manufactured during part of their STEM program last week.

## Pre-Kindergarten Highlander

**Learning Program** – For our final week of term one we will be looking at the sound that c and k make. Our students will pretend that they are clicking castanets with their fingers in the air. This week you can expect to see; cats, caterpillars, crocodiles, kites, koalas, kangaroos and much more.

As well as sound work, the students will be working on the number 5.

**Movies Under the Stars** – We are very excited for our ‘Movie Under the Stars’ this Thursday evening from 6pm. Please return your slip for pre-order tickets or simply arrive on the night. Food and yummy supplies will be available on the night or pack a picnic with your blanket and bean bag. We look forward to seeing you there!

**Portfolios** – This week we will be sending home individual Student Portfolios for your child to share with you over the holiday break. Please take this opportunity to discuss your child’s work samples and praise them on their hard efforts. We would ask that you return these to school in the first week back after the holidays, as we continue to add to them each week.

**Survey Monkey** – We would like to thank all Pre-Kindergarten families who took part in our recent Survey Monkey questionnaire. These answers were all confidential and will help our staff aim for the highest care and communication with your children.

**Mother’s Day**–We had our first group of Mother’s Day photos on Sunday here on our beautiful school grounds. Everyone looked great and the results were amazing. A very special thanks to Jo Guihot(our talented photographer) for such a wonderful opportunity to celebrate our special Mums. Session times are still available, so please see your child’s teacher for more information or return the slip this week.

**Playball Sports Program**–This week will be our final Playball session for the term. We would like to thank Coach Phoebe and her wonderful team for all the new skills and experiences that they have imparted over the last 5 weeks.

**Toys** – Just a reminder that children are not to be bringing toys to school unless it is for the set News topics set out at the beginning of the term.

**End of Term One**–Term One will conclude on Friday, 13<sup>th</sup> April. Term Two commences on Tuesday, 1<sup>st</sup> May.

## Secondary School Sports Bulletin Week - Week 11/Term 1

### Lisa Keighley Girls Cricket

Last Friday we hosted Mudgee High for a girls cricket match. Our girls did really well and won the game. We batted first and scored 118 runs. Belinda Kidd top scored with 44. Other commendable performers with the bat were Matilda Proctor, Felicity Webb and Clare Mawhood. The girls bowled and fielded very well and restricted Mudgee to about 40 runs. Our main wicket takers were Olivia Grimshaw, Belinda Kidd, and Grace Evans. Our best fielder was Megan Cooke. Well done girls.

### Winter Sport

Our winter sports begin on the first weekend back next term. (5<sup>th</sup> May). Information about each winter sport will be distributed before the end of the first week of Term 2. Registrations for netball and hockey are done online and need to be completed before students can take the court/field. Information about how to do this has been distributed to the netball girls (Scots netball rego page link <https://goo.gl/ypq3LD>). Hockey girls need to do it through <https://www.bathursthockey.com/registration/> (this is the NSW Hockey rego fee only).

The rugby draw is almost confirmed. There is a final meeting this Tuesday to arrange unmatched fixtures; however it looks as though our first weekend of rugby will be an internal rugby 7's day.

Have a great break.

### Upcoming Sports Dates

## **Win to Scots 15's**

Last Saturday's game was a good opportunity for the boys to apply some of the skills that we had been working on during the week, notably tackling and getting to the breakdown quickly in order to maintain possession. This resulted in our control of the ball for a fair portion of the game. As in our previous game, the play was predominately in the forwards with our backs being a little underutilised. As we have considerable potential in the backs, we will need to get them more involved in the game.

I would like to congratulate the team on a number of well-deserved tries which whilst scored by individuals are the result of a team effort.

On another note a key area we must address is discipline. As a team we must be prepared to accept a referee's decision, they will not change it once it is made, and ensure that we always play with the laws of the game.

*Mr R. Mottram (Coach)*

## **TSS 13's Rugby**

The boys were keen to play over the weekend as they trained with enthusiasm this week. They had a spirited training session with the 1<sup>st</sup> XV Year 11 boys on Thursday which was highly beneficial for the junior boys and I know the senior boys enjoyed it as well.

We were up against our local rival Stannies. We came out strong with excellent structure and defended well. Our structure at the break down allowed us to continue to put pressure on our opposition with excellent support play from our forwards and strong running through the backs. The first half saw us take a 17 nil lead with tries by Francesco Defranco, Joshua Kidd and Lachlan Woods. The second half we were undisciplined and took many penalties due to our lack of structure. The boys had white line fever and tried to score a try on every touch of the ball rather than set the play and dictate the pace of the game.

We hung on for the win with Stannies pressing in the last 10 minutes which saw them score two tries.

Final Score

17-10

Best Performances:

Brody Patterson, Ben Radford, Lachlan Woods and Joshua Kidd.

*Coach: D. Bailey*
