## *To Ponder . . .*

Ever needed to “release the hounds?”

A call to a helpline for assistance with a faulty product or service would often seem like one of those times.

So often it seems we need to get a bit mongrel to achieve our goals, but Psalm 37 reminds us that *who we are* is more important than *what we get*.

<sup>3</sup> *Trust in the LORD and do good. Then you will live safely in the land and prosper.*

<sup>4</sup> *Take delight in the LORD, and he will give you your heart’s desires.*

<sup>5</sup> *Commit everything you do to the LORD.*

*Trust him, and he will help you.* <sup>6</sup> *He will make your innocence radiate like the dawn, and the justice of your cause will shine like the noonday sun.*

<sup>7</sup> *Be still in the presence of the LORD, and wait patiently for him to act.*

*Don’t worry about evil people who prosper or fret about their wicked schemes.*

<sup>8</sup> *Stop being angry! Turn from your rage! Do not lose your temper – it only leads to harm.* <sup>9</sup> *For the wicked will be destroyed, but those who trust in the LORD will possess the land. ... Psalm 37:3-9 (NLT-SE)*

When we live as God calls us to we trust that what we achieve and what we have is enough.

## *Anzac Day 2018 -- Bathurst March*

## *From the Headmaster . . .*

**Please note that the Highlander will be produced on Thursdays from this term and will be sent in digital form.**

**I welcome everyone back to school for what promises to be a very full and exciting Term 2.** There is much to be done in preparation for the full integration of Scots and All Saints' College in 2019. I am very grateful for the support of so many parents through the P & F, the Working Integration Groups and attendance at various Parent Forums in support of the decision making process. I encourage all parents to stay positive about the greatly enhanced opportunities a combined school will provide for all students. I draw your attention to a letter in this newsletter from Mr Jeof Falls about the integration and a Parent Forum next Thursday night at 7pm in the Aikman Hall.

**Cadet Camp is on this week with all of Year 8 and six Cadet Leaders in the Blue Mountains for four days.** I will be visiting them on Thursday afternoon to observe activities and meet with the Outdoor Education Group staff and our staff. For the Cadet Leaders, this camp gives them the opportunity to develop their leadership skills with their group and to take on considerable responsibility. This is done under the watchful eye of an Outdoor Education instructor and our own staff member to ensure safety. Completion of the Year 8 Camp is a compulsory requirement of our sequential Outdoor Education Program at the Scots School and a qualifying requirement for Cadet Leadership which is a major leadership development program for all of our students. Thank you to Captain Settright, Miss Brunton, Mrs Simcock and Mr Barcham who will be attending the Cadet Bivouac with Year 8.

**Thank you to the Pipes & Drums who represented the school at the Trunkey Creek and Bathurst ANZAC Services during the holidays.** I also wish to thank the cadets and other students who represented the school in the March at Bathurst and Lithgow ANZAC Services.

**The Winter Sports Season begins in earnest this weekend and I wish all students a strong start and an enjoyable season.** I always look forward to getting out observing the winter sports and catching up with students and parents on the sideline. Sport is a significant part of what we do at Scots and a great opportunity to develop skills, fitness, team work and school spirit. I remind all students to play fair and primarily for enjoyment as they represent the school.

**A real highlight of the school calendar each year is the Highland Jazz Night which is being held in Term 2 this year on the Parent Weekend 19/20 May.** The Aikman Hall is usually full to capacity for this occasion so I encourage all parents to get your tickets soon. The highland Jazz Night showcases our Pipes and Drums, Highland Dancers and senior music students who are studying HSC Music.

Have a good week.

Letters will be sent electronically to parents on Tuesday, 8th May with instructions to make bookings for the Year 8 and Year 10 parent/teacher interviews.

## *Integration Update . . . Mr Jeof Falls*

To all parents,

This is the first weekly update on the journey that we are travelling in establishing a new independent school in Bathurst and the Central West – a new school; with a new name; a new educational structure; a new staffing structure; and a unique and exciting new vision for a unique educational experience that builds on the qualities and reputations of both schools. This first update is lengthy, but I wanted to do justice to the activities that have led to this point for those who may have not been actively involved in the conversations and information shared to date.

Key information includes:

- John Weeks appointment to integration team
- Facility upgrades to Boarding & Science
- Name of school
- Parent Forums
- P&F and Integration Committee Updates

The Trustees of the Presbyterian Church (NSW) Property Trust, who purchased All Saints' College in December 2017, did so knowing that the journey of integrating the two schools would not be easy.

We have not and will not rush into decisions, but will continue to facilitate close working relationships with the two school communities as we plan for the future.

The new school will arise from a true merger of both, with a regionally unique school structure, a new staffing structure and new educational and academic programs that will be afforded through the benefits of scale.

### **John Weeks**

I am pleased to welcome John Weeks, who has just retired as the Headmaster of Knox Grammar School, as a member of the integration team. I have mentioned John's proposed involvement to several working group and parent forums. John was introduced to all staff on Monday this week, during which I am advised that he inspired and lifted the spirits of everyone who heard him with his wisdom and experience in leading and growing highly successful schools. John is a passionate and erudite educational leader, who will be working with us in several capacities over the coming months:

- To meet with most if not all staff over this week and next to gain a deep understanding of the gifts and insights of the teaching staff and pedagogies of both schools;
- To advise us on the staffing structure for the new school, which will also include engaging with the staff union, an important and respected stakeholder representing staff interests;
- To chair the independent panel that will receive applications for all duplicated and new positions, conduct interviews and recommend appointments. With the agreement of the staff union, new positions will also be open to applications from our other Presbyterian schools;
- To chair the Educational Excellence Consultative Committee that was formed through the last Integration Working Group forums; and
- To provide ongoing educational advice and support to the Headmaster and the new executive leadership team when it is appointed, as an integral member of the transition team.

### **Facilities**

Plans are progressing to upgrade the boarding facilities at the Scots campus so that we can welcome all boarding students from the beginning of Term 1 in 2019. We are also planning to upgrade the Science and other

## *Integration Update . . . Mr Jeof Falls / continued*

facilities at the Scots campus before the start of 2019 so that Years 9 to 12 Senior School students will benefit immediately from the merger.

### **School Name**

The Presbyterian Church governance structure facilitates decision making through committees. As anyone who has been involved in a committee will know, decision making by committee is problematic at the best of times. Having said this, we truly believe that better long-term sustainable decisions are made through open and transparent consultative processes that leverage the diverse gifts and experience of all participants. In respect of the name for the new school, the challenge has been to coalesce the many alternate views from widely divergent stakeholder groups that respects all stakeholders as well as reflects the heritage and a core mission of the Presbyterian Church to educate children, adolescents and young people. Merely mixing the letters of the two schools to create a new name does not reflect either that core mission or our vision for the new school as an integral member of our group of Presbyterian schools.

However, the Trustees have received the appeals of many parents, friends and staff from both schools, and are seriously considering them. No decision had been made, and may not be finally made until the Presbyterian General Assembly approves the merger of the two schools in July. In the meantime, Scots ASC, which has been the working group name used in the email address for all correspondence, [scotsasc@pcnsw.org.au](mailto:scotsasc@pcnsw.org.au), will continue as the reference name for the new school.

### **Parent Forums**

Following the parent forum held at All Saints' College at the end of last term, I invited all Scots parents to a Scots parent forum to be held next week on Thursday evening 10 May.

In light of the very positive feedback over the past three days from staff about John Week's engagement in this process, it would be inopportune not to invite John to speak to parents at that forum next week, and also opportune to invite all All Saints' College parents to join the forum. To that end, we will be sending invitations to all parents to join us at the Scots campus for a general information session on the new school structure and expected educational opportunities for all students in the new school. It will be held in the Aikman Hall at 7:00pm. Please join us. As a consequence of this change, I will be rescheduling the Scots parent forum to occur as soon as possible after next week's combined forum, in consultation with the Scots P&F Executive.

### **Integration Committee and P&F**

Next week, I will be meeting with the P&F Association executives from both schools to discuss how best to bring the two P&F Associations together as a combined representative voice for all parents and friends. We will also be discussing whether we could possibly reform some of the current Integration Working Group Consultative Committees as subcommittees of the new P&F Association, as a better means of providing a consultative voice for parents and friends. I know that many parents are eagerly waiting for the next meetings of their respective committees, which we very much appreciate. But, we want to ensure that we are considered in our approach. We ask if you could please be patient for another week or so as we consult on the best and most effective way of forming these committees on a sustained basis going forward into the new school.

I look forward to keeping you in the loop over the coming weekly Integration Updates, and to seeing many of you next week at the combined parent forum. If you have any questions, please do not hesitate to contact me by email at [jfalls@pcnsw.org.au](mailto:jfalls@pcnsw.org.au) or at the central information email [scotsasc@pcnsw.org.au](mailto:scotsasc@pcnsw.org.au).

Kind regards,  
Jeof

## WELCOME TO TERM 2

It's been wonderful to welcome our students back after the recent holiday and I am delighted that they are all looking refreshed and thrilled to be back in class! During the holidays I had the fleeting thought that Term 2 *may* be less busy than Term 1. My mistake! We have hit the ground running and it seems we'll be doing so until Week 9. Our calendar is full with wonderful activities and events - please ensure your copy is handy so you don't miss anything. Some important events to take note of early would include the following:

**YEARS 8 & 10 PARENT TEACHER INTERVIEWS** - Friday 18 May 3:30-7pm.

**PARENT WEEKEND & CHAPEL SERVICE** - Saturday 19 - Sunday 20 May - This weekend includes the P/T Interviews (Friday night), The Highland Jazz Night (Saturday) & the K-12 Chapel Service (Sunday)

**YEAR 7-10 EXAMINATIONS** - 25 - 30 May

**WINTER JACKETS** - As we have now moved into our 'Winter' term, students are permitted to wear their jackets. The school blazer remains the official 'jacket' and students must wear their blazer to Chapel, Assembly, excursions and special events. If the weather is particularly cold, they should wear their winter jacket over the top of the blazer, not as a replacement.

## **The “Stars of Bathurst” Fundraiser to Fight Against Cancer Mrs Sharon Semmens is one of the Stars this year . . . Can you help?**

The Stars of Bathurst is a night of fun and entertainment, where local identities ‘Stars’ are teamed up with a professional dance school. In it’s 4th year running, this event has the goal to raise valuable funds for our community in the fight against cancer.

I was asked to take part in this worthy cause of fundraising for the Cancer Council NSW by being one of the ‘Stars’ and performing a short dance routine under the guidance of Miss Maddi from Bathurst Academy of Dance. I have been practicing hard (and fast!).

The event is being held on May 18, at Bathurst Memorial and Entertainment Centre,

I would like to ask if you could help me out by contributing to a very worthy cause.

Cancer unfortunately touches us all, whether personally, family, friends, or colleagues. My personal commitment arises from having seen my father fight, and lose against bone cancer, and the effect this had on all us around him.

I would be most grateful if you would be able to donate by clicking on the following link:

<https://starsofbathurst2018.everydayhero.com/au/sharyn-semmens>

Any donation over \$2 is tax deductible.

We would love it if you could attend the night and you can buy tickets through BMEC:

<https://www.bmec.com.au/stars-of-bathurst-2018-tickets.html>

Thanks so much for your consideration. Any support would be most appreciated.

Kind regards,  
Sharyn Semmens (Max & Ethan’s mum)
