Later, Levi held a banquet in his home with Jesus as the guest of honour. Many of Levi's fellow tax collectors and other guests also ate with them. But the Pharisees and their teachers of religious law complained bitterly to Jesus' disciples, "Why do you eat and drink with such scum?"

We can trick ourselves into believing we don't need a plumber of the soul, or an electrician of the spirit. The reality is, we do not give God the place we owe Him in our lives and so we are in desperate need. Thankfully, our poor spiritual health does not turn Jesus away, instead He calls us to Him; He draws us near.

Integration Update #6 – 7 June 2018

New Uniform

We are very pleased to advise that we have commissioned a uniform designer to work with Australian Public Affairs (APA) and representatives from the two P&F Associations.

We very much appreciate the involvement, offer of assistance, and suggestions from a number of parents from both school communities over the past few months about the Uniform Committee. However, after discussion with the designer and APA, we realised that to achieve the tight deadlines for design and manufacture, we needed to reduce the number of people involved. As a result, the Presidents of the two P&F Associations and two other representatives from each school met with the designer and APA this week to begin the process. For those who missed out, I would like to extend my sincere thanks for your enthusiasm and support, and seek your understanding for the process proceeding with reduced numbers.

I am advised that this working group collaborated very well on Tuesday and was able to create a list of the uniforms required and come to decisions quite easily. They believe that quite a lot of the uniform will be able to be stocked by current suppliers which hopefully will help with timeline and cost.

The working group was a little unsure on all the sporting uniforms, especially as All Saints' has a lot of different uniforms for each sport. As a result, the designer will meet with the Heads of Sport later this week to confirm needs and expectations.

The designer is very excited about the opportunity, and the feedback that I have received from those involved this week is one of optimism and pride for the design and colours. As the students are expected to join and collaborate with students from our other schools ("imagine a combined schools music spectacular with students from PLC Croydon and PLC Armidale"), the designer is ensuring that particularly the girls' uniforms, while distinctly different, will be seen as part of a one family.

Five New Competition Houses

In consultation with APA and this working group, we have decided a different approach to competition houses that we shared earlier this year. Consistent with our vision for a new school, all students will be intermingled into five new competition houses in 2019, each with a new House name. Over the past two weeks, a committee of staff members from both schools reviewed 40 famous Australians as names for the new houses, and short listed 10 for further consideration. The following criteria is being applied to the decision on house names:

- The five Houses which will be continuous from Kindergarten to Year 12.
- Named after respected Australians with values we wish to develop and see reflected in our students and in the new school.
- Each will be Christian in their belief and service to humanity.
- At least two males and two females represented.
- The five House names to be representative of a range of fields of endeavour, for example -sport, education, the arts, service to humanity, Christian mission.
- None of the five Houses will have any direct link to either school, that is, not an old boy/girl or past Headmaster. The final House names and colours will, together with the new School Board, school name, crest and uniform, be launched at a combined parent forum in early Term 3.

Question and Answer Sessions with Students

Mr David Gates is currently conducting Question and Answer sessions with all year groups from Year 7-11 separately at both schools. The sessions begin with an update on the integration process and key decisions for 10 minutes followed by 40 minutes to answer student questions. The sessions have been very positive and insightful and the students very positive in their approach. Mr Gates will do the same with Junior School students early next term.

Mr John Weeks and Staff Appointments

Mr Weeks will return from overseas next week and will chair the panel to interview and appoint the Senior Executive Staff. The following Senior Executive positions will be announced before the end of term:

- Head of Campus at the All Saints' Campus
- Head of Campus at the Scots Campus
- Director of Student Wellbeing
- Director of Co-curricular
- Director of Boarding

Further leadership appointments will be made early in Term 3 for Heads of Department and Heads of House or Year Groups along with other senior responsibility positions.

Mr David Gates Sabbatical Leave

Mr Gates will be taking a few weeks of sabbatical leave from 17 June until 13 July. During this time he will visit two schools in the Northern Territory including the Ti Tree School 195 kms north of Alice Springs and St Phillips College in Alice Springs. The Ti Tree School holds a special place for The Scots School due to a relationship built over the past six years, with three indigenous students enrolled from the community.

During the last week of this term, 11 students from Years 8-11 and two staff will visit Ti Tree to build relationships with the school and community, assist in the classroom, do community service and enjoy learning more about the aboriginal culture. Mr and Mrs Gates are looking forward to the break from the busy schedule this year and to seeing the beauty of the northern Territory before returning at the beginning of Term 3. We pray God's richest blessings on them and the students in their travels.

Kind regards,
Jeof Falls

The Junior School Athletics Carnival will be on this Friday, 8th June at the McKibbin Oval. **There will be a Sausage Sizzle as well as a Canteen.**

Senior students are welcome to partake -- just bring some pocket money along on Friday.

Bathurst Regional Council Autumn Vacation Care

Bathurst Regional Council's Vacation Care provides a fun, inclusive program tailored to meet the needs of children and families in the Bathurst community. Children can participate in a wide variety of activities including cooking, sport, craft, music, dancing, creative play and go on interesting, fun filled excursions. Children have indoor spaces for large group and quieter activities and a fully enclosed playground and covered area.

Vacation Care Educators ensure an environment that is safe, respectful, nurturing, empowering and supports meaningful interactions with the children.

2018 Junior School Disco

A great night was had by all at the 'Superstar' Disco. Thank you to everyone who came along to make the night so special. The students and parents all embraced the theme and looked great in their costumes. A big thank you to all the FOJS members who assisted on the night with serving, food preparation or decorating the hall. It was a great team effort!

2018 School Athletics Carnival- Friday 8th June

Our Athletics Carnival will commence at 9am tomorrow Friday 8th June with the House Marching Competition. House marching will be followed by age races and ball games for our K-2 students who are not turning 8 this year. Following the march, the order of events for competitive students will be as follows:

Children must wear their sport uniform with House shirt. Programs will be available on the day. A healthy canteen will operate on the day so students can bring along a small amount of money to buy an item.

CIS Cross Country

I'd like to wish Izaak Scott, Benjamin Reynolds and Lacey Booth all the best as they head off to Sydney next Thursday 14th June for the CIS Cross Country. This will be a great opportunity for these students to take on the best runners from the independent system as they represent our school and HICES. Good luck to you all!

Home Readers

Reading every night is such an important activity and is one of the best things any child can do. Just a reminder that changing readers is the responsibility of the child's teacher. They will make time for students to change readers during the day. Parents should not be changing home readers.

School Stream Permission and Order Forms

There are many advantages of School Stream for both parents and the school. Please make sure you complete permission forms and order forms before excursions or specified dates to assist at our end.

CWA Public Speaking Finals

We also wish Sritha Atluri and Sybilla Chapman all the best as they prepare for the CWA Public Speaking regional finals to be held in Molong on the 19th June.

The Scots School Trivia Night- Friday 15th June

Hopefully you've got your table organised for next Friday 15th June. The trivia night is sure to be a fun, community event and we'd love to see you there. Organise your table of ten by emailing lornamcgowan.leet@gmail.com to reserve your spot. All money will be collected on the night.

ICAS Spelling and ICAS Writing

Both of these exams will be held next week with Spelling on Wednesday and Writing on Thursday. Please make sure your child is at school on these days if you nominated them. They will need a 2B or HB pencil and an eraser.

CWA Poland Projects

Anyone who completed the CWA Poland Project needs to have either their entries to me on Tuesday or take them to the CWA building itself on Thursday 14th June from 2pm- 5pm.

Aspire Gymnastics

There is no gymnastics tomorrow because of the Athletic Carnival. Our three remaining sessions will be held on the 15th June, 22nd June and the 29th June.

Times are subject to change each week. Session times for next Friday are as follows.

12:15- 12:45: Stage 2

1-1:30: Year 2

Scots ASC Under 6 Swans

The player of the match on May 26th went to Beau

The Under 6 Foxes at their game on Saturday

Junior Soccer Reports

No games this weekend!

UNDER 6 FOXES

It's been a great couple of weeks for the All Saints Foxes. The May 26 game was a real challenge against Bathurst 75 Roar. The Foxes showed some great defence, fancy footwork and never gave up.

The player of the match went to Beau for his constant effort.

The June 2 game against Churches United Sharks showed some real team improvements. Liam went on the attack with a couple of fabulous kicks. We couldn't be prouder as the team came together to score some well-earned goals.

Rhys was player of the match and over the moon.

Well done Foxes!!!

UNDER 6 SWANS

The Under 6 Swans battled it out against Churches United on Saturday morning and even being one short managed to pull off a convincing win!

Bill, Jacob & Noah battled hard up front with Louis taking some great runs from the side line when it was the Swans ball.

Ellie is on the constant improve with Elizabeth again like Louis seems to enjoy taking the set pieces of the goal line when its Swans ball.

Noah came away with Player of the Week due to his work rate and skill on the ball; wherever the ball was he was!

Have a great break Swans and see you next Saturday!

UNDER 7 THE REDS

U7 All Saints' Reds vs U7 Bathurst 75 Pride

We were very glad to welcome Dylan for the second week after a long trip in Canada and The US and Aleki, who has recovered from a broken elbow.

Sadly, Jye has injured his ankle and may be out for a few weeks. We also missed Henry who was away and David who was sick.

Despite this, The Reds had a great match with the team being very strong against Pride. We have been practising passing the ball at training and it was so pleasing to see this put into action on the field. The boys had a very successful game, with many goals scored and a wonderful defence from Ben who stopped a ball which was a definite goal.

Everyone played sooo well, but Aleki showed amazing determination, great skills and scored many goals, all of which earned him the Player of the Week Medal.

Scots ASC Under 7 Reds

UNDER 7 THE BLUES

The Blues met Bathurst Titans for round 5 of the season. The Blues came out firing from the beginning with the pace of the game starting in fifth gear. Sebastian had clearly had his Weetbix for breakfast with lots of aggressive tackling. Lelia contributed with enthusiastic tackling and by positioning herself well to receive a pass and kick a goal. Elsie was outstanding in chasing the ball and getting involved. Due to the Blues' eager approach from the outset, this allowed them to score a number of goals.

Match Medal: Elsie.

Under 8s SPURS

The Spurs took on Eglinton on Saturday in a high scoring and entertaining game of soccer. Both teams went goal for goal early, with Hayden and Jenson scoring some early goals. Charlie was involved in some nice lead up work whilst Carter also played his best game of the season with some good touches. Soana made some great saves in goal. Eglinton scored some early goals in the second half and just when it looked like the game was getting away from us Jenson fired home some late goals to bring us within a whisker of victory. Some great fighting spirit was displayed by all in this close encounter.

Match Medal: Soana.

Pre-Kindergarten Weekly News . . .

Learning Program –This week the children will be revising the sounds that we have covered this term as well as those from term one. These include s, a, t, i, p, n, ck, e, h, r, and m.

This week our STEM groups will be excited to notice some significant changes in their seed planting from last week. Children discuss the differences between the samples that have been covered, uncovered, watered and watered less frequently. Our second group of students will be making a trip to the high school science labs to investigate the process of incubating chickens and hear from the Ag teacher and her Year 10 students about this life cycle.

This week our classes will explore the mathematical concepts of; number 8 and making 2D shapes with coloured tape.

News Topic–Life Cycles

Junior School Athletics Carnival–This Friday Pre-Kindergarten will have the opportunity to be involved with the Junior School Athletics Carnival. Pre-K will join with Kindergarten and Year 1 students to play some novelty games during the mid-session of the day. Notes and further lunch order information will go home this week.

Tissues–As the weather is cooling down, coughs and colds are becoming more common. We would appreciate the donation of a box of tissues to assist over the winter months to reduce the spread of these germs to other students within Pre-Kindergarten.

Disco Fever – Thank you to the Pre-Kindergarten families who came out last Thursday to celebrate our ‘Superstars’ Disco. The costumes and clever dancing were amazing! A very special thanks also goes to the Friends of Junior School for organising the night and all of the helpers to make it such an entertaining event for all families who attended.

Kindergarten Link Program–We have had one full rotation with our Link Program skills and games. This week the groups will embark on a new set of learning activities with their coloured group.

‘Yo Diddle Diddle’ – Our students who attend on a Friday enjoyed a special trip to BMEC to see the Patch Theatre production of ‘Yo Diddle Diddle’. The children were very entertained by the DJ dog, crazy cow and cat who had some trouble with her rhyming!

Toys – Just a reminder that children are not to be bringing toys to school unless it is for the set News topics set out at the beginning of the term.

Upcoming Dates:

- Friday, 8th June – Junior School Athletics Carnival
- Monday, 11th June – Queen’s Birthday Public Holiday
- Save the Date – Friday, 15th June for the Friends of Junior School Trivia Night

AICES Cross Country

Yesterday fifteen Scots students went to Horsley Park for the AICES Cross Country. Our students all tried their very best in some very strong races. The Horsley Park track is very good and has both hills, flats and varying surfaces to run on. The pick of our runners were as follows. Morgan Watts (15 Years) 12th, Yuma Uesegi (Seniors) 15th, Daisy Heilman (Seniors) 15th, Rosie Webb (17 Years) 15th, Alice Radford (12 Years) 20th. Our schools best result was Emily Watts who won the Senior Girls event in a canter (winning by over 5 minutes) from the next placed girls. Emily will now go on to represent AICES at the NSWCIS Cross Country next Thursday.

Netball – Holiday Games

We remind all netball players that there are games scheduled for the 30th June (1st Weekend of Holidays). We ask that players communicate with their coaches over the next week to indicate their availability. We need to have at least 5 original team players to take the court before we can borrow players from younger teams.

Netball Umpiring – There is an opportunity for girls to contribute to the local Bathurst Netball association as umpires. The umpire stocks in the Bathurst Association are getting stretched a little and we need to be training girls up to help ease the stress. Any girls interested in umpiring are encouraged to speak to Mr Adams. There is an online umpires course that can be completed during your own time and training opportunities on weekends. Here is a link to get started with the rules of netball <https://goo.gl/kqgUAY> and the umpiring course. <https://netball.com.au/get-involved/umpiring/>

TSS 15's

Loss TSS12 vs St Augustine's 31

With the boys doing exceptionally well against the opposition, we have learnt a few things that we need to keep in mind for future games. We need to be aware that bigger schools have greater depth to call upon. Despite this, the boys still fought against the opposition with a heart of respect and dignity. With many decisions going the opponents' way, the boys still managed to dominate in many areas with scrums being one. Areas we need to improve on are 'discipline'. We still give away too many penalties.

by Charlie Harris

We all knew that this day was coming when we would be up against strong opposition. We started the game well managing to score first points however At Augustine's fought back and managed to score several unanswered tries. Although behind the boys showed Great Spirit and kept taking the game to the opposition. Well done!

Mr R. Mottram (Coach)

TSS 13's VS St. Augustine's College

On long bus trip to Pittwater and a cold blustery day in Sydney did not do us any favours this week. The boys came into this game on a high after winning 4 straight and to be honest they were a little over confident and it showed. Saints came at us strong in the first half with some of their big forwards doing most of the damage. We tried valiantly to stay with their size and pace but just couldn't get anything going. They were ahead three tries to nil at the half. In the second the boys really dug deep and started to play with some vigor and raised their compete level to a better standard and started to pressure our opposition. However, again we just couldn't sustain any pressure due to their size overpowering us at the ruck. Final score 0 to 25. Lesson learned. This week we are working on our ruck and scrum body height, one on one stripping of the ball and sustained pressure out wide. Very proud of the boys as they never gave up and played hard to the final whistle.

Best Performances: Ben Radford, Brody Paterson, Jack McCudden and Hugh Argent Smith.

Coach: Mr. D. Bailey

Comments:

Put simply, we were defeated by a larger, not necessarily better, team on the day. However, in defeat, the boys were able to hold their heads high, knowing that they had played and competed to the best of their ability and with outstanding commitment.

In windy, damp conditions we played our first match with 35 minute halves. At 14 – 0 down after 25 minutes of the first half, our boys lifted mightily to post two tries before half-time, narrowing the margin to just two points.

There is no doubt, however, that this effort took its toll and we struggled to make an impression against a much larger pack and backline. St. Augustine's deserved their three second half tries, but we made them work hard and long for each one of them. Congratulations go to both teams for the spirit in which the game was played. There was no backchat, no flaring of tempers, and no penalties awarded for dangerous or ill-disciplined play.

Of course, it would have been nice to have won, but sometimes you need to be satisfied to walk away knowing that you have given your all for the cause.

Coaches: Mr L. Newman and Mr T. van Gend

Scots Littlebourne

On the weekend, Scots Littlebourne were up against ASC 14 Red. With this being our fifth game and not loosing a game yet we were hoping for another win. With Grace Evans away, we borrowed Tzarina Cashen up from Scots O'Connell to help us. We had a great game finishing with a score of 38-12. This week's players player is Tilly Proctor. Tilly obtained us many intercepts down the defence and her amazing defence skills to shut down the circle and keeping the defence to score only 12 goals with the help from Sacha.

We would like to thank Tzarina for playing with us. You are an amazing player and we would like to have you play for us again.

Scots Cubs

On Saturday 2nd June, Scots Cubs played against Oberon Snowbunnies in a nail-biting match. The end result was 8-3 to the opposition, however the girls played amazingly well. The defence and passing skills were particularly strong throughout the match and the teamwork was incredible.

Players Player of the week was Anabelle Baker.

The team should be extremely proud of their performance on Saturday and maintain their enthusiasm for the game. Thanks must also go to the family of Ayla Pigot-Baker for bringing the fruit this week!

Our next match will be played on Saturday 16th June at 12.10pm, against Panthers Blayney on Court 5. Thank you all for your continued support and dedication to training and games.

Miss Arthurs (Coach)

Scots Whiterock - a Win!

On Saturday, the girls had a great but hard game and came away with a win. We played with no reserves and many girls in new positions. We had fun working as a team. The final result was 28-20.

Thanks to Mr Gates for coming to watch our game.

Scots 1st VII

The 1st VII netball team remained undefeated this week, coming away with a convincing 64 to 22 win against old team mates, Madi Smith and Georgia Flude. Our three reliable shooters Evie, Maddie and Lucy provided different opportunities for plays and tactics in the goal circle. Throughout the game Anna Wilde fed the ball beautifully into the attacking circle, whilst our defence Daisy, Sacha and Tilly continuously shutdown the oppositions goal third. Working cohesively, the team created our signature fast game play, driving the ball down the court. However, rushing lead to some basic mistakes, costing us a few goals. The Scots 1st VII are proving to be the main competition to all teams in this year's draw, and we still have room for improvement.

Holly Proctor (1st VII Captain)

Scots 2nd VII

The 2nd VII girls started off slowly again this week and were trailing significantly by the end of the first quarter. In the second quarter we stepped up our game and showed how fantastic we can really play. Our improved passing, decision making, awesome centre court play from Gabby and Rosie as well as accurate shooting by

Genivieve resulted in us levelling the scores at the half. This led to a ripper second half of the game, making for a very exciting match. With thanks to the continued hard work that the girls put in during the final quarter we ended up with a 44-38 win!

Libby Coles (2nd VII Captain)

16B - 2/6/18

Final result: a 38-12 Win

Last weekend the 16's O'Connell team came up against the Bathurst 12 Development Squad ending in a 38/12 win for us. All girls played exceptionally well in their positions. Shout out to Yuma Okamoto who played her first game and did really well. Keep up the good work Yuma!

by Samantha Edwards

Scots Karralee - 2/6/18

Final result: a 19-11 Win!

It was a morning where the game seemed lost from the start. From the freezing cold morning to being a girl down on the court, the disadvantages were certainly ours. But that didn't seem to faze the girls, in fact, it seemed to bring the best out of them. Sophie Baker and Tehya Atkins stepped up and played their best game this season. Hannah Hilliard and Emily Brown proved to be valuable assets in the centre and the girls came away with their first win. The girls were excited, the parents were excited, I was excited! It was a great game and I was glad that Mr Gates was able to witness it.

Scoring for Karralee: Lisa Edwards and Victoria Webb

Best performances for this week: Sophie Baker, Hannah Hilliard, Emily Brown and Tehya Atkins

3rd VII vs Superstar Strikers

On Saturday the Thirds girls played an excellent game of netball against Superstar Strikers. With only one sub the girls pushed on and played the best game they have played this season. Teamwork was a strong asset throughout the game especially with attacking players getting the ball to the shooters. The first quarter the girls struggled to get the ball to the attacking circle but the second, third and fourth quarter the game was played excellently with strong passes and brilliant defence. The best and fairest player of the match went to Claudia Humphries. At the conclusion of the game Scots were defeated by a score of 30- 51. Even though the girls were defeated they still played an excellent game with strong attack and defence throughout most of the game.

ART2Learn

AN EXCITING NEW SCHOOL HOLIDAY WORKSHOP IS COMING TO BATHURST 

BECIS welcomes you to a new kind of program, dedicated towards inspiring children through **creative play** and **self-expression**.

ART2Learn introductory workshops are for children who are looking for a place to belong and be themselves while having fun AND learning.

The program will be staffed by a team of professionals to provide each child with an opportunity to be a part of a group that works together to achieve and succeed.

The use of art materials to promote creativity and self-expression can additionally help build confidence, enable problem solving and critical thinking and above all is a **whole lot of fun!**

- Who can attend?** Children who are in kindergarten, years 1 and 2
- When does it run?** 16th - 20th July (various times available through the second week of the school holidays)
- How much does it cost?** ART2Learn is a **FREE** workshop
