## *From the Deputy Head . . .*

**Congratulations** to the Friends of the Junior School for organising such a delightful Trivia Night last Friday evening. All teams were challenged by the range of questions and puzzles presented and it ensured a close competition.

The Junior School cross-country team competed at Sydney Olympic Park during the week. Izaak Scott gained a 5th place in his age bracket. Izaak will represent The Scots School when he competes at state level on 27th July.

In the recent CWA Public Speaking finals, Sritha Atluri (Year 5) received first place for her speech. All students who competed are to be commended for their efforts in this very strong competition.

### **Mrs Janette Gaal**

It is with great sadness and affection that the student body farewelled Mrs Janette Gaal last week. As the Headmaster mentioned to us last week, Mrs Gaal has over 33 years of service to the school in the boarding sector and housekeeping. Mrs Gaal has cared for many boarders in her duties as house matron both in girls' and boys' boarding houses. We sincerely wish her all the best in her retirement.

Mrs Gaal with senior boarding prefects, Elizabeth Coles and Joseph Harley. In her boarding duties in past years, Mrs Gaal has cared for the elder siblings of both of these students.

Mrs Gaal took a moment during the assembly to say farewell to the students.

## Farewell to Mr Adrian Lamrock - Chairman of the Board

Mr Adrian Lamrock visited the school for a special assembly on Friday afternoon. Mr Lamrock will be completing his tenure as Chairman of the Board when he attends the General Assembly in July. Both staff and students are so thankful for the many years Mr Lamrock has devoted to our school. We wish Mr Lamrock, his wife Kerrie, and their three daughters (all Old Girls of the school) Edwina, Jessica and Emily ... all the best for the future.

The Junior School captains presented Mr Lamrock with a gift during the assembly.

Mr Lamrock addressed the student body

Members of the Pipes & Drums performed *Highland Cathedral* for Mr Lamrock. This musical item has become very special for our speech day and other important occasions. It was initially used at Mr Lamrock's first speech day as Principal of The Scots School.

## *Integration Update . . . Mr Jeof Falls*

**Integration Update #8 – 21 June 2018**

**Only a brief update today ahead of several announcements next week**

With only one week to the end of Term, a number of matters are coming to a head, although unfortunately some are taking a little longer to settle before announcements can be made.

### **Senior Staff Appointments**

The Panel that Mr Weeks has been chairing finalised their interviews last week and the senior appointments that they recommended were endorsed by the combined school Boards last Saturday. However, we continue to engage with one or two applicants who were unsuccessful. I ask for your understanding as we genuinely respect all those who took the time to apply for these positions. Mr Weeks has advised me that it was particularly challenging for the Panel due to the calibre of teachers who applied. They were very impressed with all those who applied, and believe that those who have been selected would provide outstanding leadership in any school environment. We look forward to announcing them as soon as possible, but I expect that this will not be possible until next week. I ask all staff members and parents to bear with us in this matter, and to be patient for a few more days.

As stated in previous Updates, further leadership appointments will be made early in Term 3 for Heads of Department and Heads of House or Year Groups along with other senior responsibility positions.

### **Name of the new school**

As I am sure all Scots' parents are aware, as well as many All Saints' parents, an online petition to gauge support for the Trustees to keep the name of the earlier school name is circulating amongst the Scots' community.

The Trustees understand the reasons for this petition and, as consistently communicated to the integration working groups and parent forums, respect the appeals of all parents as we deeply appreciate their love of their school, and the grief caused by the merger of two schools with long and proud traditions into one new school.

With respect to the process for determining the name, the Trustees have sought to consult as widely as possible in order to be well informed before making their decision. Whilst the process of choosing the new name was not intended to be democratic, the preferences (all different) of all major stakeholders have been critically important to them.

Although I stated in Integration Update #5 on 31 May that no announcement of the new name will be made until after it is tabled at the General Assembly in mid-July, our current thinking is that it may help the Scots' and All Saints' communities to be advised of the name. The reason for this is quite simply that the combined School Boards and the Trustees are very impressed with and excited about the new school's crest and branding, which incorporates the emblems of the Lion of the tribe of Judah from Revelations 5 (the Scots' Lion); the open Bible; and the Cross of Christ, and which incorporates a new logo and the new name. We hope, and are confident, that all parents, students, staff, and former Old Boys and Old Girls will be as pleased as we are with not only the new design, but also the incorporation of the Lion emblem into the design of the new uniforms. I believe it is true to say that the feedback from those parents and other stakeholders who have provided us with great support during this process are very excited by what they have seen.

We will pick this up with the Trustees on Monday and I will advise you the outcome next week.

Kind regards,  
Jeof Falls

#### Under 6 Tigers

The Under 6 Tigers played the Churches United Sharks and had a mighty win of 7-3. Isaac scored a 4 goals, Knox scored 2 and Hunter 1. Amazing work boys. Hunter won player of the match because he really stepped up his game and scored his first goal of the season. Thomas, Ryan and Tamil all made big efforts this week. Nicholas was absent this week and we look forward to him returning next week.

#### Under 7s

Battling a cold Bathurst morning, the Blues came out swinging after a week off. From the hooter, the team attacked the ball and pushed towards the opposition's goal. It didn't take long for them to capitalise on field position with the first goal coming within a minute. There were many goals scored but a highlight was the pass from Leila to Jackson to score. This is something we have been practising at training. Elsie and Sebastian continued to tackle well which was great to see. Rory was all over the ball like a fly on food. A great team effort. **Match Medal: Rory Hutchinson.**

#### Under 8s Spurs

The mighty Under 8s Spurs took on the Macquarie United Cheetahs last Saturday. The Spurs continue to improve each week and scored 2 goals in a tightly fought

draw with the Cheetahs. Well done to Jenson on his two goals and to Hugh who was our player of the match. Hugh controlled the ball nicely on several occasions showing good skill and control. Our goal kicks continue to improve as we aim to kick longer and wider. Carter impressed in his role as goal keeper for the first time. We're working hard on supporting each in attacking positions as we look to score. Great game Spurs!

**Match medal: Hugh Brown**

#### Under 6 Swans

The Scots ASC Under 6 Swans had a tough encounter with the Churches United Tigers last Saturday. The Tigers had a definite advantage in the size department but that didn't faze Noah & Bill or player of the week Elizabeth who led the charge bravely.

Elizabeth was at her absolute best and wherever the ball went she followed.

Ellie and Jacob were also in the thick of many battles for the ball while Alexander took some great kickoffs.

Louis supported well and had plenty of great touches as he continues to grow in confidence on the ball.

## Secondary School Sports Bulletin Week 8 Term 2

### Sport Fixtures Saturday 23<sup>rd</sup> June

This Saturday is our last round of ISA rugby for the term. We have a home round with games against St Patrick's Strathfield. We encourage all players, parents and supporters to watch and support all three games (please be in the correct uniform). There are two rounds of netball and hockey to go with the final round for the term being played on the first day of the school break.

### Sport Training in Week 9

Next week there will be no sports training on Tuesday or Thursday afternoon (apart from the girls who are available for netball games on Saturday 30<sup>th</sup> June – we need to sort out teams on the Tuesday afternoon only). Please rearrange transport/pickups etc for the 3.20pm finish to the school day.

### Netball – Holiday Games

We remind all netball players that there are games scheduled for the 30<sup>th</sup> June (1<sup>st</sup> Weekend of Holidays). We ask that players communicate with their coaches over the next week to indicate their availability. We need to have at least 5 original team players to take the court before we can borrow players from younger teams.

**Netball Umpiring** – It was great to hear so many girls wishing to train to become umpires. Any other girls interested in umpiring are encouraged to speak to Mr Adams. There is an online umpires course that can be completed during your own time and training opportunities on weekends. Here is a link to get started with the rules of netball <https://goo.gl/kqgUAY> and the umpiring course. <https://netball.com.au/get-involved/umpiring/>

### **TSS 13's VS St. Pius College**

The 13's headed up to Orange over the weekend to play against St. Pius College from Sydney. As most of SPX teams were at Kinross we travelled to meet them in the cold conditions. Both teams started the game well with tries for each side going back and forth with some solid attack and defense. Our first try came from Hugh Argent-Smith with a solid run from the forwards. Pius came straight back. With some excellent defense near our own try line the forwards were able to steal the ball and Ben Radford came away with it and a speedy run to secure our second try. Pius once again hit straight back after we were sloppy with a number of loose carries. Lachlan Woods scored a try to round out the scoring in the first half. At the half it was 19-12. In the second the boys really fought hard and raised their competitiveness to a whole new level. The boys played hard with some devastating hits and excellent work at the breakdown. Hugh Argent-Smith was an absolute machine in the second half scoring our first try of the half, soon followed

by an earth shattering run by Francesco DeFranco running through the opposition at will scoring our second. Lachlan Woods scored our final try and was outstanding with the boot securing 3/3 conversions in the second frame as well. Pius were able to secure a final try in the last 5 minutes of the match. An outstanding effort by all the boys, I know they were very proud of their performance after the game.

### **Final Score**

TSS 40 VS SPX 19

### **Best Performances:**

Hugh Argent Smith, Logan Nicholson, Jack McCudden, Joshua Kidd, Will Thomas.

*Coach: D. Bailey*

## Scots Littlebourne

Scots Littlebourne had a very tough game this week up against Superstar Warriors. We fought very hard from start to finish to win the game and ended up with a very close 22-20 win. We remain undefeated and hoping to keep it that way with one more game to go till end of term. This week's players player is Aly Cranston. Aly played an amazing game this week. She is always very supportive of the team cheering us on and making sure we keep our heads up high when a mistake is made.

*By Lucy Roe (Captain)*

## Scots Whiterock

Scots Whiterock played well last Saturday, considering we played a harder/better team. Scots were playing well but when the opposition picked up their pace, Scots began to become a little frustrated. We kept our sportsmanship up and played on. Well done girls. Sophie Bingley and Tyler Puzicha were our best players on the weekend as they played really well and kept encouraging their teammates.

Scoring by Jorja Hazell, Gian Squires, Maddy Whitly  
Final score a 45-10 loss

*by Charlotte  
(Mrs D. Nelson Coach)*

## Scots O'Connell vs Collegians Diamonds

Last Saturday Scots O'Connell played Collegians Diamonds. Despite the chilly weather the team pulled ahead and were in the lead by the end of the first quarter. Following a lesser performance in the second quarter, our game steadily improved and in the end, we had a convincing victory of 37-21.

All players played strongly and consistently to achieve this, giving us a boost on the ladder.

*by Sophie Cox*

## Scots Karralee

The girls played hard but the freezing cold morning means that it took a while for them to warm-up in both senses of the word. We scored more goals every quarter and ended up with scoring the last five or so goals in the game, showing that the girls have the ability. Overall, a great job to all the girls who had to step up in order to compile a competing team against another team who just played too well in the end.

*Mr Ryan Barcham (Coach)*

## 1st VII

On the weekend, the 1st VII netball team came up against the OOT Firebirds. Strong winds required the girls to change their usual long pass game play, into shorter and sharper passes. The whole team took advantage of our opponent's weak passing, turning the ball over with numerous intercepts. Evie Simpson had a great game, attacking strongly. Our defensive unit comprising Daisy, Matilda and Sacha contested every ball thrown by their opposition, and applied continuous pressure throughout the goal third. Despite an injury late in the game, the girls continued to produce a fast and natural flow right through until the final siren.

*Holly Proctor (1<sup>st</sup> VII Captain)*

## 14 Lee Netball

The 14 Lee netball team went down in points to their top of the table rivals. More awareness of the end of quarter time may ensure movement up the court is converted into points; the siren beat us to our shots on 3 occasions. Some great defence by Abbey Larkings and driving up the court by Elspeth Hardie and Charlotte Richards allowed Hannah Lambert and Kirrilee Scott to place some respectable points on the board. Looking forward to next week.
