*“Remember to observe the Sabbath day by keeping it holy. You have six days each week for your ordinary work, but the seventh day is a Sabbath day of rest dedicated to the LORD your God. On that day no one in your household may do any work... For in six days the LORD made the heavens, the earth, the sea, and everything in them; but on the seventh day he rested. ## *From the Headmaster . . .*

**I have just spent two days with the School Service Trip to Ti Tree in the Northern Territory as part of my sabbatical leave.** I am delighted to report that the 11 students and two staff on the service trip have been outstanding ambassadors for The Scots School in the way they have engaged with the students in this remote school 200kms north of Alice Springs. They were very quick to establish trust and rapport with the students through assisting them with their school work in the classroom, joining in their games at recess and lunch and eating with them.

On the second day, our students joined with a small group of Ti Tree students to explore the environment around the dry river bed at Hanson River for sources of water, plant life and witchetty grubs. Later on the second day, they worked with renowned aboriginal artist, April Campbell, in learning about important symbols in aboriginal art and then creating their own artworks based on their experiences at Hanson River. April visited the Scots School a few years ago to work with our students and she painted an artwork which now hangs with pride in the Performing Arts Centre at The Scots School.

The Scots School has a very special relationship with the Ti Trip School through the Ngurra Jirrama Foundation which works with the two schools to provide an opportunity for some of their students to attend our school. Currently we have Anthony in Year 10 and Jazariah and Drammel in Year 7. It was a real pleasure to catch up with the very first student from Ti Tree, Bryson Long, who made a special trip to Ti Tree to visit us.

(The photo below are some bush coconuts the group found on their excursion)

The students continued their service trip with a visit to Six Mile Settlement, further work in the classroom and a lunch which included Barbequed kangaroo tail in a farewell community lunch to a departing teacher. Following their three days in Ti Tree, the students will spend the rest of the week in and around Alice Springs visiting the Standley Chasm in the West MacDonnell Ranges, visiting John Flynn's hospital in Alice Springs and going on a camel ride amongst other things.

I wish to thank Mr Hunter and Mrs Robinson for their organisation of this very worthwhile trip and the students and staff of the Ti Tree School for their friendship and hospitality.

**I wish all students a well deserved holiday after what has been a very busy and enriching term.** I particularly wish those going on the Ski Trip in the next few days a great time and lots of snow. I wish Year 12 all the best as they prepare for their final assessment tasks and their Trial HSC Examinations. I look forward to catching up with the school community again following my sabbatical leave; I will be back at work on Monday 16 July but can be

April Campbell conducted an art class for the visitors and Ti Tree students. Here are some of the Aboriginal designs from her class.

## *Integration Update . . . Mr Jeof Falls*

**Integration Update #9 – 28 June 2018**

### **Last Update until next Term**

David sends his regards from Northern Territory, where he and his family, and twelve students and two teachers, have been visiting Ti Tree community and school, a small community north of Alice Springs, which Scots has had a long association through the NgurraJirramaFoundation and from where three Scots' boarding students come.

### **Senior Staff Appointments**

Unfortunately the formal announcement of the new Senior Leadership Team will be delayed until tomorrow morning as we are finalising some details in respect of the announcement.

The announcement will be communicated to all staff tomorrow morning, and then sent by email to all parents tomorrow afternoon. As advised last week, the independent Panel was very impressed with all those who applied, and I would like to extend my thanks to all those who took the time to be interviewed and considered.

Appointments will be made early in Term 3 for Heads of Department and Heads of House or Year Groups along with other senior responsibility positions.

### **Name of the new school**

As has been advised from the beginning of this process, in two weeks' time it will be the General Assembly that will approve the integration of the two schools. It will do this by approving the proposed Constitution for the new school and the members to the new School Board. To be absolutely transparent, a name for the new school has not been included in the Trustee Report to the General Assembly, nor has a name been advised to members of the General Assembly.

In other words, while 'Bathurst Presbyterian College' was circulated last weekend through the two school communities as a result of some very enterprising Year 11 or 12 students, that name is still only an alternative to the name that was announced in March.

The Trustees, and the combined two Schools Boards, have undertaken a long and arduous process of initially considering and approving 'Scots ASC College' as the proposed name and then considering alternative names following the strident reaction to the announcement and a rallying call for a new name for the new school. It should be noted that that rallying call came not only from the All Saints' community, but from a wide range of stakeholders, including from some Scots parents and some Scots' Old Boys and Old Girls whose view was that the new school should have a new name.

The Trustees immediately acknowledged concerns about the name being effectively 'College College'. As a result, they recognised that, at the very least, the name should be changed to be simply Scots ASC, or more correctly, Scots All Saints' College

Whilst the process of choosing the new name was not intended to be democratic, the preferences (all different) of all major stakeholders have been critically important to them and they, and I on their behalf, have sought to consult as widely as possible in order to be well informed and to be respectful of all.

This includes receiving and seriously considering a petition on Monday this week circulated by the Scots Old Boys and Old Girls for the Trustees to retain the original name or, at the very least, not to lose the 'Scots' name in the name for the new school. While I personally have offended a number of Scots Old Boys in recent email exchanges, which was not intended and for which I have extended my sincere apologies, I wish to assure all parents and Old

Boys and Old Girls from both school communities that I have been utterly consistent from the very beginning of this process that the new school will be a true integration of the strengths and values of both our great schools, 'weaved into a new school in respect to which current and future students will be as proud and as loyal as our current Old Boys and Old Girls are for their school'. Indeed, the very understandable and deeply appreciated emotions from both school communities, initially from All Saints' and more recently from The Scots School, are testament to the strength of values that have carried both schools through some very difficult times in past years, as well as into the current period of change. These values will strongly underpin the values that will emerge in the new school.

In summary, I can confirm that 'Bathurst Presbyterian College' will be going before the Assembly as an alternative to 'Scots All Saints' College'. The Assembly will be fully informed of the journey that we have travelled over the past three months in respect of these two names, including the appeals received, and the Assembly alone will choose the name.

Kind regards,  
Jeof Falls

# FRENCH EXCURSION TO CANBERRA

On Friday the 22<sup>nd</sup> of June year 8 of the Scots School Bathurst travelled down to Canberra to meet with and learn about the French Embassy, as well as to visit the French language school, Alliance Française.

We first travelled to the French Embassy to have a tour of the different departments and then onto the Ambassador's residence, which was a really stylish place to meet with Diplomatic staff and as well to enjoy refreshments. We learnt much about the strong history and friendship between France and Australia.

We then made our way back to the main Embassy building and had a group photo with Mademoiselle Flavie Coulibert one of the Embassy's educational specialists, who was also our chaperon for the morning. It was fascinating to see a little bit of France inside Australia.

We then left the Embassy and travelled to our second destination, the French school to learn some MORE French. I really enjoyed this experience. Throughout the first session, we learnt how to have a proper conversation with one another, in French. The second session was mainly focused on personal details, such as our address, email, birthday and more. In between those fantastic periods we had a great home-made French lunch. We all enjoyed it. We were all excited for the McDonalds run on the way back home but first we thanked the French teachers and wandered out to take the journey home to Bathurst.

All in all we all had wonderful day learning about France, speaking more fluent French and being immersed in their culture. A special thanks to Madame Adamson for organising this unique occasion and more thanks to Mr Van Gend for accompanying Mrs Adamson and us.

## ***Junior School News ...***

Tomorrow is the final day of school for Term 2. There will be no late buses. On behalf of our staff I wish all students a restful and enjoyable break.

### **Combined Scots ASC College Activity Day 28<sup>th</sup> June**

The students had a great time at the combined activity day today.

### **French Concert- Friday 29<sup>th</sup> June- Dress up day!**

It's on tomorrow! The concert will be held on Friday 29<sup>th</sup> June at 9am in the Aikman Hall and we'd love to see as many parents, friends and grandparents there as possible.

The theme for French Day is the "Tour de France". Activities co-ordinated by a group of students from the Senior School will occur between 11am and 1pm. Children may take up this year's theme when choosing an outfit for the day, alternatively anything "French" is perfect.

### **Canberra Excursion Permission**

Our Bi-annual excursion to Canberra for children in Year 5 & Year 6 will take place from **Wednesday 1 August, Thursday 2 August & Friday 3 August 2018.**

It is the culmination of our work on Government being studied in the classroom this term.

Visiting numerous sites - Parliament House, Australian Institute of Sport, Questacon, National Gallery of Australia, National Dinosaur Museum, the Australian War Memorial, National Arboretum, and the Electoral Education Centre.

The cost of the excursion will be approximately \$300.00 including travel, accommodation and meals at the Canberra Park Resort. We have applied for a government rebate which will be deducted from the total cost. The amount will be billed to your school account.

This is a compulsory excursion for Stage 3, designed to enhance the learning opportunities in relation to our History unit on government, as well as meeting the outcomes in other areas of the Science, Geography and English curriculum.

*All permission notes and medical forms should be returned this week.*

### **Aspire Gymnastics**

Our final session will be held tomorrow.

Kinder/ Year 1: 12:15

Year 2: 1pm

## Junior Soccer Reports

### Scots ASC Under 6 Tigers vs City Red Tops

The Scots ASC Tigers went on a goal rampage last Saturday.

Isaac was unstoppable, knocking in an incredible eight goals while Knox (4) and Nicholas (3) bagged the remainder.

Hunter, Thomas and Ryan had great games too, particularly in defence and were able to launch the counter-attack on many occasions.

The Tigers worked much better as a team this week with plenty of passing between each other.

### UNDER 6 FOXES

The All Saints Foxes went all out in Round 6. It was an action packed game against the City Red Tops. Zach, Hayden and Rhys were providing some super defence while Beau made some great breaks.

Ella-Jane and Joel showed real progress with multiple breaks resulting in well-earned goals.

After a fun game filled with loads of high fives, it was Hayden who scored the title of Player of the Match.

**Round 7 against Collegians Navy** was a well matched game. With 2 players down the rest of the team were on the field with few breaks, or none in Hayden's case. After a hard game of near misses, the player of the match went to Zachary.

Well done foxes on a couple of great games!

## **UNDER 7 Reds vs U7 COLL. THE BLUES ASC U7 Reds vs U7 Collegians Blue**

It was another glorious day to set the tone for a wonderful match.

The Reds keep improving each week, with passes coming and going, long kicks and amazing dribbling which ensure good control of the ball.

The goals were many and the defence was outstanding.

Despite feeling the heat of the day, everyone was focused and chasing the ball non-stop.

Aleki, Div, Dylan and Wilfred were outstanding in the attack, all four so keen to be in the thick of things to recover the ball, pass it or dribble and keep aiming for the goal.

David made sure the team got the best kick-offs as well as some awesome passes.

Ben is a very keen defender and stopped another ball that was sure to be a goal.

But one player deserved the Player of the Week Medal the most. Henry's efforts on the day were exemplary and he was rewarded with what we can say is the goal of the season for The Reds. Henry's focus at training and on Saturdays has been consistent and a pleasure to watch.

Sadly, it was his last match with the team on Saturday as he's moving to Sydney. We wish you the best of luck Henry, and we'll miss you.

## **UNDER 6 SWANS**

It was a bright and clear day at Proctor Park last Saturday making the massive improvement in the Swans play even more noticeable!

The Swans girls Ellie & Elizabeth really made their presence felt while Alexander made some great runs, especially in defence.

Bill and Noah screamed around the field, showing great pace to keep up with a few of Collegians' quicker players but it was Louis who was the standout, coming away with the player of the week medal.

Louis dribbles the ball particularly well and defending players are finding it very hard to take from him.

See you this Saturday Swans!

## **UNDER 8 SPURS**

The Spurs had a late afternoon game last Saturday as they took on Macquarie United Dieman's at 3pm at Proctor Park. Jenson did a fantastic job as goalkeeper in the first half saving plenty of goals whilst Soana was equally as good in the second half. Elleesa and Charlie were focussed throughout in attack and defence and continually worked hard to get us out of trouble. We will need to work hard on staying focussed for the entire match. In the end it was a very close game with Macquarie scoring four goals to three.

## ASC Under 10 Hornets vs Macquarie United Jaguars

The ASC Under 10 Hornets put in a sensational effort against the Macquarie United Jaguars last Saturday.

Banjo made some great runs and Kosema did some great kicks, while Riley worked really hard in both attack and at goalkeeper.

Player of the Week, Abbey, was peppered in goals during the second half but she never gave up and made some terrific saves.

The Hornets continue to improve with every match – well done ASC!

## ***Pre-Kindergarten Weekly News . . .***

**Learning Program**- This week for our final sound of the term we will explore the letter 'o'. Students will pretend to be turning a light switch **on** and **off** whilst saying; o, o, o, o, o, o. Our morning art experiences will reinforce this sound through creating ovals, octopus, octagons, orangutans and lots more.

For the last two weeks of term our classes will explore the mathematical concept of; Size, tracing 2D shapes and writing the numbers 1-10.

Next week we will be revising our sounds and maths concepts before the holiday break. To make the most of being the only students on campus during week 10 we will enjoy having trips to the Ag Farm, Sports Barn, games on the Tennis Courts and Picnics if the weather permits. Our fun theme for the week will be 'Deep Sea Creatures'

**News Topic**-Free Choice and in Week 10 'Your favourite sound from Term2'

**Parent/Teacher Interviews** – Interviews will take place this week in the Karralee Meeting Room behind the main office building. Please follow the signs or ask for directions from Pre-K staff or in the main office.

**Staffing**-Mrs Price will be on leave from this Friday until the end of term and be replaced by Miss Jess Power.

**Last Week of Term**-Due to our extended terms in Pre-Kindergarten, we will be the only students on campus in week 10 of the term. **After School Supervision will run until 5pm only,** not extended to 6pm. Thank you in advance for your understanding.

**Tissues**-Many thanks to the families who have kindly donated a box/es of tissues.

**Toys** – Just a reminder that children are not to be bringing toys to school unless it is for the set News topics set out at the beginning of the term.

### Sport Fixtures Saturday 30<sup>th</sup> June

We thank the girls (and their parents) who are able to support the netball games scheduled for this Saturday (30<sup>th</sup> June). At training yesterday on Tuesday we were able to get teams organised. Thank you to the girls who are able to and willing to play up into another team. Your commitment to our netball program is greatly appreciated. LATE NEWS UPDATE – There are forfeits from ASC in the 14B vs Karralee and Scots 3<sup>rd</sup> VII. Please refer to sport fixtures below.

### Ignite the Night Fundraiser

The Friends of Rugby have organised a great opportunity to do some fundraising with the ‘Ignite the Night’ Bathurst Winter festival launch on Saturday the 7<sup>th</sup> July. They are running a BBQ and selling cakes and slices. If you are able to lend a hand between 12.00 noon and 9.00pm please get in contact with Lisa Knox or Shelley Van Essen.

### AICES Open Netball

Last Thursday Lucy Roe represented WAS at the AICES Opens netball championships in Sydney. From all reports the girls did extremely well and finished 4<sup>th</sup> overall. They were a little unlucky as the matches they lost were by small margins. This is a fantastic result for the WAS girls as our association is by far the smallest (only 5 schools) and we are up against associations with in excess of 50 schools. Well done Lucy!

# Netball . . .

## 2nd VII

Last Saturday (23<sup>rd</sup> June) the 2nd VII came up against the CSU Blizzards. The combination of accurate shooting from Chelcie, and strong defence from Phoebe and Jess at the beginning of the game led to a strong start from the girls. Throughout the game the girls kept up a good tempo and won the match convincingly with a score of 40-23.

*-Libby Coles (2nd VII captain)*

## 1st VII

Last weekend, officially halfway through the season, the First VII netball girls versed Mana. Our teams fast pace play down the centre of the court opened up lots of space for our attack players to drive onto the ball. Despite some controversial umpire calls, the girls remained resilient continuously regaining possession of ball. Our clumsy mistakes and errors kept our competition in the match making this our closest win this season. The final score was 36-31, Scot's way.

*Holly Proctor (1<sup>st</sup> VII Captain)*

## Scots Karralee

The girls played hard this past weekend against a tough team. It was unfortunate for them to come away with a loss. Tehya Atkins is starting to become a confident and solid defender for us and Victoria Webb was vital as an attacker. Well done to all the girls on a fine performance.

Final result a 40-4 loss

Scoring for Karralee: Victoria and Tehya

Mr Ryan Barcham (Coach)

## Scots Whiterock

Scots Whiterock played a solid game on Saturday. Although we were not victorious on the day many players continued to put 100% in until the very end. Breanna and Sophie are two of these players, who played an unfamiliar position, and should both be pleased with the way with they played.

*Mrs Denise Nelson (Coach)*

## Scots Lee

18 goals from Kirilee Scott and Hannah Lambert were not enough for Scots Lee to achieve a victory on a chilly June Saturday morning. However, these goals reflected some great teamwork with Elspeth Hardie, Sarah-Joy Day, Alice Radford, Matilda Knox and Hannah Lambert covering an enormous distance on the court. Abbey Larkings, Ashleigh Horsburgh and Erin Manton defended strongly as usual. Week by week the Scots Lee girls are improving their decision making skills – when

to use what type of pass, who to pass to, where to be on the court and whether to wear sports thermals. We are now half way through the season and we look forward to improving our results on our second meeting with each team.

*Mr Day (Coach)*

## WAS Opens Netball Report

On Thursday the 21<sup>st</sup> of June I travelled down to Sydney Olympic Park to represent WAS in the Opens Netball team. I had a little bit of nerves being the only girl from Scots in the team and had never played with any of the girls before, but the nerves were soon gone after the first game. We played five games on the day, winning 2 and losing 3. Considering that we had never trained together we played really well. It was very hard physical netball that was played and there were a lot of very tall and talented girls. We played against a lot of Sydney based school teams that have much bigger associations than us. Overall, we came 4<sup>th</sup> out of the 6 teams which is a great achievement. I really enjoyed the day and was very proud to represent the school.

**Comments:**

Having not played St Patrick's College for a number of years, our players were unsure of what to expect. From the experience of one of our coaches, it was assumed that St Pat's would be determined, organised, and very efficient at the breakdown.

We were not disappointed in any of these assumptions. St Pat's, although down on numbers, were certainly not lacking in resolve to make their journey over the mountains a worthwhile one. The forwards contest was very evenly matched. Our set-piece was better, but their work at the breakdown was superior. Our forwards ran with determination, with Hamish Christie and Josh Van Essen in particular consistently making excellent metres after contact, providing attacking momentum that allowed our backs to capitalise four three tries in the first half, and one more early in the second half.

Our defence was also excellent, both in organisational formation and scrambling desperation. Our defensive line was breached just once, allowing a well-deserved consolation try midway through the second half.

Unfortunately, our handling let us down in the second half, so we were unable to mount any real sustained pressure to continue the momentum we gained during the first half. This is an area of our play that must improve as we face much sterner opponents next term.

Saturday's match against St Patricks' College saw a return to form with the boys again playing with confidence and putting into practice some of the skills developed the previous Saturday when the NSW Rugby Union ran a skills session for the boys. There were a number of excellent tries and conversions which were the culmination of a good team effort. Over the next few games we will come up against a number of strong opponents, notably Oakhill, so we will need to make maximum use of our training days. Well done boys!

**TSS VS St. Patrick's College Strathfield**

We rounded out the term with home field advantage against St. Patrick's College. Due to a shortage in numbers from our visitors we contested the game with 13 players aside and uncontested scrums. We began the game well with a stellar try from Guy Neil in his first game for Scots where he evaded his opponent with a lovely right foot step to run in his first try of the season. Not long after Ben Radford turned on the jets and ran in a 50 metre try where he flew down the side line and score under the posts where Lachlan Woods converted. Once again Ben Radford demonstrated his speed and brought home another try. However we lost our composure and our structure with every touch of the ball for the remainder of the half and allowed our opposition to get back in the game. We were lazy at the break down and this cost us giving up several chances and eventually St. Pat's came home with a try pulling in the score line. We began playing within our own game and structures and started to put together some nice set pieces which saw Logan Nicholson score a brilliant individual try in the corner reaching his arm out to get just over the line for his first try of the season. At the half we were up 22 to 7.

The second half we dominated with some sound ruck work and more commitment at the break down. Ben Radford continued his dominance in the game with his speed scoring two more tries and Lachlan Woods finished off our scoring with another conversion. St. Pats did score one more try to round out their scoring. Our defense in the game was lead by Toby Dickenson who is easily our best tackler on the team. Hopefully by end of season all the boys can tackle as well as Toby.

Final Score:

TSS 34 VS St. Patricks College 17

A great way to finish off the term with a win. I encourage all the boys to maintain some fitness over the holiday period so we can be match fit right from the start of the term.

Well done boys.

**Best performances:** Benjamin Radford, Logan Nicholson, Jack McCudden, Toby Dickenson and Will Thomas.
