Frustrated?  
People making your life difficult?

*Be still in the presence of the LORD,  
and wait patiently for him to act.  
Don't worry about evil people who prosper  
or fret about their wicked schemes.*

*Stop being angry!  
Turn from your rage!  
Do not lose your temper -  
it only leads to harm.*

## *From the Headmaster . . .*

**I encourage all parents to support the All Saints' Spring Fair on Sunday 9 September.** The All Saints' P & F have worked very hard in preparation for this annual event and it provides an excellent opportunity to showcase the school to the Scots community and to the wider community too. There will be an opportunity to visit the facilities and to meet with staff during this day. A short celebration will be a part of the day at 11:30 am to officially recognise the coming together of two wonderful independent schools. We would really like the two school communities to come together at this time. An opportunity will also be provided for the All Saints' community to visit the Scots Campus at an Open Day organised for Saturday 27 October.

**Parents will most probably become aware of increased advertising to promote Scots All Saints College leading up to the Spring Fair and for the rest of the year.** In the last week students and past students have been involved in filming at both campuses for a special video looking at our past and into the future to celebrate the wonderful community spirit. I particularly wish to thank John Cranfield (All Saints' old boy) and Tim Hector (Scots old boy) for their generosity in agreeing to be interviewed about the heritage of their two respective schools. The students have been wonderful too in agreeing to be interviewed and in engaging in integration activities for the filming. This film will be revealed at the Special Ceremony. I have seen the film this week and I am very grateful to the Communications Committee for putting together such a polished perspective on the school.

**I encourage all parents to continue to review the FAQ document on the school website over the next few months.** This document is being regularly updated as decisions are announced to the school community and this is a way to have many of your questions answered.

**Mr John Weeks and I have had the great pleasure of interviewing this week for the Year Coordinators in the Senior School and the Heads of House for girls' boarding for next year.** Once again we were very impressed by the strong field of applicants for these roles.

It is my great pleasure to announce the following appointments:

Year 9 Coordinator	Mr Patrick Sinclair
Year 10 Coordinator	Mr Duane Bailey
Year 11 Coordinator	Mr Geoff Wainwright
Year 12 Coordinator	Mrs Charmeon Jooste
Galloway Head of House	Mrs Lynne Woodlock
Thompson Head of House	Mrs Lucinda Wells

I will write to all boarding parents shortly with a brief introduction on each of the Heads of Boarding for both the girls and boy's houses. The two Heads of House for the boys were announced a few weeks ago but in case any parents missed the announcement they are as follows:

Bulkeley Head of House	Mr Spencer Goddard
Ives Head of House	Mr Cameron Roxburgh

Mr John Day, current Bulkeley Head of House, will still be the Director of Boarding in the new school which is an increased responsibility due to the number of boarders at the Scots Campus next year.

**There are a number of very important Information Sessions over the next few months.**

In particular, I draw your attention to the following:

- Middle School Information Night, TONIGHT, Thursday 6 September with Year 5 & 6 at 6 pm and Years 7 & 8 at 7 pm.
- Senior School Information Night, Monday 15 October.

I look forward to meeting many parents at these sessions as we provide important information regarding next year.

**Enrolments for next year are very strong and we are expecting to grow the school from the present 700 students Kindergarten to Year 12 before next year.** I encourage parents to invite friends and work colleagues who may be thinking of enrolling at Scots All Saints College to attend Information Nights, The Spring Fair and Open Day at Scots and to contact Lisa Ellery (All Saints') or Lynda Ireland (Scots) to meet with me to discuss their children's educational needs.

Year 7 and 8 for next year are very close to full with three classes currently planned for. We expect to create a waiting list before making any decision to add a fourth class once the threshold for adding an extra class is reached. If you know of anyone who is thinking of enrolling in these year groups, I suggest they contact Mrs Ireland or Mrs Ellery very quickly. Year 9 for next year is also quite full and Year 10 will have four classes as it has reached the threshold for the addition of the extra class. All other year groups across the school have room for good growth but enrolment numbers are very pleasing.

Have a good week.

## Integration Update - 6 September 2018

### Launch of new marketing campaign for the new school

As momentum builds around Scots All Saints College in preparation for the start of 2019, a new marketing campaign has been prepared by the Communication, Marketing and Enrolments (CME) Committee and Executive Team.

The focus of the new advertising material is the students, both senior and junior, engaging in a positive way with their classmates, enjoying all that the new school has to offer. On behalf of the School Board, it is my privilege to launch the new Facebook page: [www.facebook.com/scotsallsaints/](http://www.facebook.com/scotsallsaints/) and encourage students and staff, parents and friends to connect with us from today.

The 'built-up' or 'layered' circle in the design represents the core building blocks or foundations of Scots All Saints College - centred on Christian values, inclusiveness and community-focus as a co-educational day and boarding college. The circle also represents the evolving nature of the College as it seeks to preserve the heritage and culture of two outstanding schools in Bathurst and the Central West and to build on them, to create a new regional school of choice for all students.

The new tagline, **space to be** encompasses the capability of the College to provide 'a world of opportunities' for all students through its unrivalled physical space of 150 acres across three campuses in the heart of Bathurst and Lithgow. The idea of students feeling safe, comfortable, at ease, accepted, and included as an individual in their own right with pastoral care and teaching excellence to support each student to be who they want to be – or for students to have the space to simply 'be me'.

As the imagery of the campaign is developed over coming months, we will be expanding on all elements of the learning, sport, arts and co-curricular environments, and the space that they will provide for every student to discover all they can be: socially, emotionally and physically.

The word 'space' has been chosen to celebrate not only the substantial physical space of the school campuses, but the infinite universe of possibility where students can explore their potential to be at one with themselves and others as they learn and grow in a nurturing and caring school environment.

Within the universe of the **space to be**, over the next few months the School Board and the Executive Team will be introducing and expanding on the following core elements of the cultural fabric of the new school (although not limited to and in no particular order):

- space to connect
- space to lead
- space to create
- space to thrive
- space to excel
- space to challenge
- space to believe

It is an exciting time for Scots All Saints College. I look forward to catching up with Scots and All Saints students, staff, parents and Old Boys and Old Girls at the Spring Fair this Sunday.

Kind regards,  
Jeof Falls  
General Manager PCNSW

### **Junior Soccer Reports**

#### **Under 7s**

Last Saturday, the Blues played Collegians at Proctor Park. The weather was mild and provided much better playing conditions than previous weeks. Collegians started strongly, blitzing the Blues with a series of strong runs up the middle. The Blues stayed strong and defended well until Collegians broke through. The Blues did not give up and worked hard and built pressure in the opposition's half. Persistence paid off and the Blues capitalised with a terrific team goal. Passing between players and tenacious defending was a real hallmark of last week's game. Well done to all players. **Match Medal: Rory Hutchinson.**

#### **Under 8s Spurs**

In blustery conditions, the side faced a strong and skillful 75s team.

The game had end-to-end action for the entire match and there was never a dull moment for the spectators. As coach, it was fantastic to see the team implement strategies that we've been working on at training, in particular their passing game with more awareness.

**Charlie Roohan was player of the week** and it was very pleasing for me to see such improvement in their games since the beginning of the season.

Well done Spurs!

Mr Hemsworth

# Key Announcements from Junior School Information Night

Thank you to everyone who was able to attend the Junior School Information Night last Thursday evening. It was great to be able to present our team and share some of our plans for Scots All Saints College. If you missed the session, you will find a video of it on the school website. At the evening we presented information relating to the following key areas of our school including:

- Junior School Vision
- Christian Mission
- The Pursuit of Excellence
- Learning Support and Enrichment
- Wellbeing and Pastoral Care
- Student Leadership and Buddy System
- Diverse opportunities including Music and Creative Arts, Sporting opportunities and excursions
- Technology upgrade
- Organisational Matters

One of the key reasons for holding the session was to be able to inform you as a community about some of these organisational matters. As a result, a number of key announcements were made including:

- **After School Care-** In 2019 this will involve a \$10 charge per student for the afternoon regardless of length or \$15 for families. After School Care will be provided by an accredited provider. The ASC campus is currently registered to accommodate 40 students and Mr Jackman is currently seeking to increase capacity to 60 students. Pre K students will be provided with free After School instruction until 5pm. A \$10 charge will apply to Pre K students after 5pm.
- **The School Nurse-** A School Nurse will only be located on the Scots Campus where the boarders will be based. All Junior and Middle School staff receive annual First Aid training and students will be referred to Junior and Middle School Administration staff in the event of illness or injury.
- **School Buses-** Many Scots School students have been able to travel to and from school via the provision of school buses. In 2019, these school buses will be needed to transport students between campuses so this service will cease at the end of the year. The school is currently communicating with local bus companies to determine what can be offered to our students in 2019. An announcement will be made shortly. Parents will be able to drop students at Scots to be taken to All Saints but we are hopeful that a town bus service will be much more efficient and time conducive for them.
- **Dining Hall-** Dining Hall lunches will remain optional in 2019.
- **Traffic Management-** the School is currently working with a company called 'Traffic Solutions' to think through any traffic movement issues at the ASC campus.

If you need further information or clarification about any of the items raised at the meeting then please email me at [aroohan@scots.nsw.edu.au](mailto:aroohan@scots.nsw.edu.au)

## Secondary School Sports Bulletin Week 7 Term 3

### Semi-Finals – Netball and Hockey

This weekend we have hockey and netball teams in Semi-Finals. At the business end of the season we play to win. The rotation of all players which has been the norm for most teams throughout the season is not necessarily the approach that we will take in semi-finals and finals. We expect the matches to be closer and with added pressure. We ask that all players, parents and supporters be supportive of the decisions made by the coaches. Please remember that support from the sidelines needs to be positive and encouraging and any discouraging remarks, comments or actions made to opposition players, supporters or officials is unacceptable and will not be tolerated by the local associations or the school. Students that are at matches to support are asked to wear their full town leave uniform. Players involved in sport matches on Saturday are required to wear their playing uniform, tracksuit and winter coat. We wish all players and coaches the very best this weekend.

### WAS Athletics Carnival

Last Thursday 32 students from Years 7 - 10 went to the WAS Athletics carnival in Dubbo. It was a difficult task for many of our athletes to back up from the school carnival only two days previous. There were a lot of sore bodies. Despite this, our students tried their very best with some achieving personal bests. Whilst the WAS carnival was not a pathway carnival, it did give our athletes some more practice with their events. The ISA carnival is next Tuesday (11<sup>th</sup> September) and will involve students from Year 7-12. The team was announced on Monday afternoon and permission notes were distributed on Tuesday and Wednesday. The ISA carnival is our pathway carnival with further representative opportunities with success at the carnival.

Last week, I accidentally missed one of the records broken at the School carnival. Baileigh- Grace Honeysett broke the junior girls' triple jump record with a jump of 8.36 metres. The previous best was 8.09m. Congratulations Baileigh.

### Summer Sports Choices

Thank you to the 285 students who entered their summer sport choices over the past week. Mr Gardner (Head of Sport – 2019) and I will be looking through these to plan for the summer season ahead. Once we have a clearer idea we will send sport information letters out to the students using the email address that was used to complete the Google form.

### Scots All Saints College 1<sup>st</sup> and 2<sup>nd</sup> XI Cricket trials

Students wishing to gain selection into the 1<sup>st</sup> and 2<sup>nd</sup> XI cricket teams are asked to attend the following trial dates at the Scots School nets. Thursday 6<sup>th</sup> September and 13<sup>th</sup> September, Tuesday 18<sup>th</sup> September and Thursday 20<sup>th</sup> September. We hope to have a trial game on the 22<sup>nd</sup> September and a final internal trial on the 13<sup>th</sup> October.

### Learn to become a Swimming Teacher

A unique opportunity is available for competent swimmers aged 16 years and above or students who are turning 16 by the end of 2018 to get a qualification to become a swimming teacher. This could lead to employment opportunities over the summer holidays or even in Term 1 next year. If you are interested in this – simply choose this option in the summer sports form.

### Edgell Jog

With the Edgell Jog (23<sup>rd</sup> September) approaching and with our strong hold on the School's Prize we encourage all students to start their training for the 7.5km fun run. We intend to enter a big team for our final year as Scots. Entries for the event are being called for. They can be done online <https://www.bathurstedgelljog.org.au/> or students can collect one from Mr Adams from next week. Final entries will need to be submitted for the school team by Wednesday 19<sup>th</sup> September.

### **Collegian Strikers vs Scots O'Connell - 55-8 Win for Scots!**

This game was our best game by far, especially in the 4th quarter by going up 17 goals. Simi, Sammy and Morgan playing in the centre court, Tzarina and Sammy shooting, with Nyah and Fliss in the defence circle. Sophie played in all areas of the court this game and played very well. The girls all worked really well on the weekend and they got the ball down the court as smoothly as can be. Simi got player of the match and well deserved it. The girls are getting better and better every week.

### **Scots Karralee vs 12 Development**

#### **6-35 loss**

Losing this game meant that it was our final game of the season. And what a game it was! The 12 Devs (our opposition) have dominated most of the season, and while they comfortably defeated us, it was because we found them to take it up a year. Tehya Atkins played her best game in defence all season, Hannah Hilliard was incredible in Centre and Jess Mills was a major asset up the front. A big thank yo to these three girls, as well as Victoria Webb, Sarah Knox, Lisa Edwards, Sophie Baker, Emily Brown, Hannah Klouba and Jacquilin Ismay for a fantastic season.

You made my first time coaching very easy!!!

**The 1<sup>sts</sup>** put a scrappy exclamation point on their already secured minor premiership with a 6-4 win against third placed Souths. In a golden era, this is the third season in a row our 1<sup>sts</sup> have secured the minor premiership and they will be looking to make it three from three grand final wins. The girls were off to a great start with goals to Bridget Ellis, Mel Bateman and Sami Porter in the first 10 minutes. Although Souths scored one goal the girls hit straight back with a goal to Rosie Webb. What should have been a comfortable 4-1 half time lead was reduced to 4-2 with a couple of minutes to go. Inexplicitly, the girls were not able to bring the same intensity to the start of the second half and it was game on as Souths levelled at 4-4 within the first 10 minutes of the second half. In the end, ill-discipline on the part of the opposition gave the girls a window of opportunity which they gratefully took. Bridget and Mel both scored again within 2 minutes of each other mid-way through the second half. Bridget controlled the midfield well while Sami Porter created havoc until a niggling injury put her out of the game. Simone Gardner was dynamic throughout the game and ultimately provided the required energy. The 1<sup>sts</sup> will play St Pats at 8:20 on Saturday for the right to go straight to the Grand Final. Do yourself a favour and come and support the girls as they near the end of a campaign to go back-to-back-to-back.

**The 15s** had an exciting win against Pats White that saw them leap-frog their opposition in the final competition round so that they have the home ground advantage, against the same team, in their sudden death semi-final this coming Saturday. Jacqui Burge, with two goals, and Sophie Hillsdon scored on the way to a 3-1 victory. Bella Taylor starred in goals to make a significant difference and Mia Barcham continues to go from strength to strength in the defensive midfield. The girls will go into Saturday's match (at 9:35am) with momentum and confidence.

**The 13s** had a tougher time in their final round match with a 1-6 loss to Pats White. Harriet Lowe's goal and Bella Taylor great work in goals were not enough to stave off defeat. Isabella Tesoriero also had a good game along with Ellie Moorhead. The girls will go into this Saturday's minor semi-final (at 10:50) as underdogs but they have been improving all season and will give their more fancied opponents a good run for their money.

## Rugby Dinner - 2018

The Friends of Rugby would like to thank the following businesses, Shane Ryan and Tom Van Gend for their donations to our Rugby dinner auction. Thank you also to the winning bidders as this year we raised \$3390 which was fantastic. Given the current drought and with so many of our families from the land or connected to the land we decided that we would donate half of the funds raised which comes to \$1695.00 to Rural Aid adding to the great effort from the Denyers ball and other local business efforts.
