## Friends of Pipes & Drums Meeting Notice

After Chapel on Sunday 28/10/18  
In the PAC to discuss the up coming  
Tour BBQs

## To Ponder . . .

A husband, a father, a son, a brother, an ironer, a kitchen-hand, a tertiary student, a family taxi-driver, a teacher, a gardener... The list of my roles go on and on and yours would be just as long. Some roles are transitory other roles gain such importance in our lives that we let them define us. But do our roles determine our worth?

Was I 'less' when I worked at a timber mill compared to when I was an assistant manager?

Was I 'more' when I worked as a team leader compared to when I worked shifts sorting green beans?

Did my value change when I stopped earning my way cleaning bathrooms to teaching physics laboratory classes at university?

The Apostle Paul reminds us that, regardless of whatever roles we might identify with, there is only one which can secure our eternal worth:

*<sup>26</sup> For you are all children of God through faith in Christ Jesus. <sup>27</sup> And all who have been united with Christ in baptism have put on Christ, like putting on new clothes. <sup>28</sup> There is no longer Jew or Gentile, slave or free, male and female. For you are all one in Christ Jesus. <sup>29</sup> And now that you belong to Christ, you are the true children of Abraham. You are his heirs, and God's promise to Abraham belongs to you. ... Galatians 3:26-29 (NLTSE)*

Whatever roles we find ourselves in, as far as God is concerned, our identity is secure and our worth unshakable when we are a child of God through faith in Christ Jesus.

... Chaplain

## HSC EXAMINATIONS

Year 12 are currently in their second week of HSC Examinations. It's been lovely to catch up with some students after exams to hear their feedback. Despite the stress of the HSC we acknowledge that it is still an exciting 'Rite of Passage' for our young people as they move into their 'post-school' lives.

## YEAR 7-10 EXAMINATIONS

As I write, Year 7-10 students have almost completed their exams. Our students have been exemplary in their approach to this assessment period and are to be congratulated for their efforts and mindset. Once exams are completed our staff will be busy marking and collating their evidence on student achievement - a significant part of our core business as we begin our Semester Two academic reports to parents.

## TERM 4 = HATS

Just a reminder that Term 4 is a 'Summer Term' and that means hats need to come out of the cupboards and be a visible part of the student uniform, custom and practice! Students without a suitable hat will be required to sit in the shade.

## *Integration Update*

### Integration Update #20 – Term 4 Week 2

The Communications, Marketing and Enrolments (CME) team continues to meet weekly to discuss, plan and implement a diverse range of important activities with the aim of building awareness of the new combined Scots All Saints College offering and communicating important decisions by the Executive Team and the College Council in readiness for 2019. It is an exciting time to be part of the school community as we build our new College together.

#### **Marketing and Events**

A number of key programs are coming up this weekend including marketing activities and school community events such as, a Scots All Saints College presence at the annual Australian National Field Days in Orange from today, The Senior School Information Night on Friday October 26 at 7pm in Aikman Hall, Scots Campus, campus and boarding house tours at Scots Campus Open Day this Saturday, October 27 from 11am – 2pm. Don't miss the very first AGM for the newly combined Scots All Saints College Parents and Friends (P&F) Association on Saturday, October 27 at 3:30pm in the Aikman Hall, Scots Campus, with a welcome drinks and nibbles to follow. The first ever Scots All Saints College Prefects and Leaders Induction ceremony on this Sunday, October 28 at 9:30am. There is a positive energy and air of excitement to welcome the first College leaders. Everyone is welcome to attend.

#### **Media coverage and online buzz**

There continues to be good buzz and strong interest in our new College. Our team is certainly making the most of the limelight to further build on our strong community connections. Recently, the College enjoyed positive television, radio and print coverage, reporting our leadership in educational advocacy, such as the Pre-Kindergarten school readiness program. Thanks to the continued support of teachers, parents and students who are getting used to the film cameras in their classroom! Please join the online social media networks via Facebook @scotsallsaints to stay in the loop with upcoming events, get a window in daily school life, student achievements and view the media coverage.

This activity has resulted in strong enrolments interest with decisions on the College classroom and administration support structure on the agenda for this Saturday's College Council meeting. If any of your friends or family is interested in learning more about our offering, please encourage them to call the College on 6331 3911 as soon as possible.

#### **Not just a new crest and colours**

Rebranding of the College remains a focus for the CME team with an audit of infrastructure, school assets, signage, communications tools and channels underway that will lead to their gradual replacement – to be updated with the new Scots All Saints College colours, designs and crest. Our fleet of seven College buses will soon become mobile billboards, transporting students across town, to sporting matches, excursions and bringing students into town from surrounding areas. We are pleased to confirm design concepts are in development and we hope to unveil the new-look Colleges buses later this term.

Integration Update continues . . .

### **Communication tools and processes – we need your input**

The Integration presents an opportunity to review the way the College communicates with parents, students and the wider community. As new, more efficient, timely ways getting information out are explored, we are also interested in creating a conversation with you so we have an ability to receive information from you. Your valuable feedback about how, when and what you want to hear about College information is our priority. We welcome your thoughts on the weekly school newsletter format and content, calendar, website and other online apps and programs. Feel free to email [info@saints.nsw.edu.au](mailto:info@saints.nsw.edu.au) with any suggestions about school communications by the end of November for consideration by our team.

### **Students have a chance to #win a new BYOD laptop – Naming Competition coming soon!**

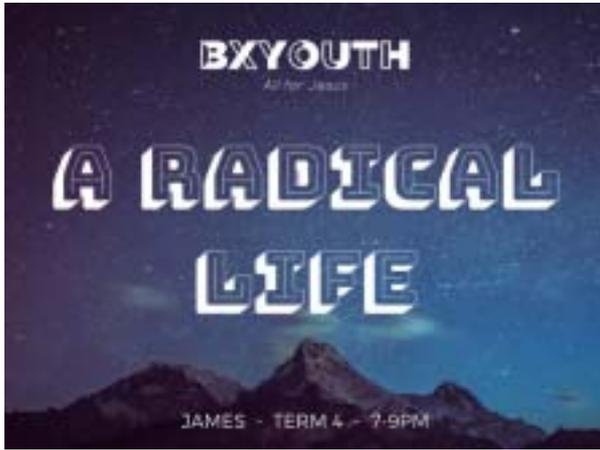

Calling all current students entering Year 7 - Year 12 in 2019. We want you to 'Name it to Claim it!' The CME team is giving you the chance to win 1 of 2 brand new laptops (compatible with the new BYOD Policy – see below) for naming the new Scots All Saints College weekly newsletter and the new annual College Year Book. Those who are successful will be written into the new College record books and their name will feature on Scots All Saints College publications for generations to come.

Your entry may be inspired by the new school crest, school colours, culture and heritage of the College or something completely different - you are only limited by your imagination! Further competition details coming shortly with entry criteria, judging and how to enter. Look out for posters and flyers around both campuses from next week. Get your creative thinking on and start your ideas flowing now!

### **BYOD (Bring Your Own Device) Policy**

This week, Headmaster Mr David Gates communicated important information to parents and students from Year 6- Year 11 about the new BYOD policy for 2019. In a nutshell, students from Year 7 through to the senior years will be required to bring their own Microsoft compatible laptop to the College to support their learning. Devices will need to transition or be upgraded over a two-year transition period. For more information, download the [FAQs sheet](#) from the school websites via the [Integration tab](#) or contact the College on 6331 3911.

## Highland Dancing Success at Lithgow

Three Scots School dancers, Stephanie Arpasi, Rachel Hattenfels and Sophie Morris recently competed at the Lithgow Valley Highland Dance Associations' annual competition today, 14th October.

Steph Arpasi took out 2nd place in the Sword Dance while Rachel came second in three dances, the Lilt, Flora MacDonald and the Strathspey and Highland Reel. Sophie Morris was awarded Most Improved Dancer and Rachel was awarded Most Successful Lithgow Valley Highland Dance School Dancer.

Congratulations girls! (Stephanie, Sophie and Rachel in photo below)

## ISHS Horse Exhibition

### ISHE 2018 REPORT

On Thursday 11<sup>th</sup> October The Scots Equestrian team travelled to Tamworth to compete at the Interschools Horse Extravaganza with 600 other competitors. The competition started on Friday with Maddie Whitley competing in the gymkhana events. Victoria, Lana and Felicity competed in the working hunter events. All the girls competed with fabulous sportsmanship. Rosie and Lana also did their dressage tests for their One Day Event.

On Saturday the 13<sup>th</sup> of October the team either competed or watched the eventing. Courtney, Victoria and Felicity competed in the 60 cm eventing. They all rode their horses with pride during the dressage, jumping and cross country. Rosie and Lana competed in the 80 cm with both girls jumping extremely well. Lillian competed in the 45cm and excelled in the dressage.

Sunday the team gathered at the dressage ring to support Lillian. Everyone also competed in the sporting. Maddie won 2 5ths in flagging. Rosie and Victoria flew around each event with speed and precision. Rosie, Lana, Victoria and Courtney all competed in the 80 cm Showjumping on the Sunday. In the AM7 (a type of event) Rosie and Lana made the jump off with Rosie placing 5<sup>th</sup> and Lana 7<sup>th</sup>. Courtney also placed 7<sup>th</sup> in a different division. Victoria was on a young horse and jumped amazingly.

On Monday, Maddie and Ashlee competed in the campdrafting. Both girls made it out of the camp with Ashlee taking out 4<sup>th</sup> place in a huge field. Maddie also competed in the working horse challenge.

The Scots equestrian team would like to thank all parents for their support. A huge thanks goes to Sue Webb for managing the team whilst at the event as Mrs Dawes had other commitments. Thank you Sue for making everything run so smoothly.

## **Kinder Orientation Day**

Mrs Walsh and Mrs White had a lovely day today with our 2019 Kindergarten students. There were lots of happy and excited faces as these young students took their first steps into the Kindergarten classrooms. A Kindergarten Information Night will be held next Thursday 1<sup>st</sup> November for parents of students currently enrolled in Kindergarten 2019. Enrolments are still being accepted for our 2019 Kindergarten classes. Please contact our Enrolments and Promotions Officer, Lynda Ireland if you're interested in learning more about our new Junior School.

## **School Hats**

*Students should be wearing their school hat to and from school each day and during play times. Please make sure all items of clothing are clearly marked with the student's name.*

### **Colour Run- Friday 2<sup>nd</sup> November**

I'm looking forward to the Colour Run that the FOJS have coordinated and will be held on Friday 2<sup>nd</sup> November at 5pm on the Main Oval at the Scots School. The cost to participate in the run is \$5 per person. I'd love to see as many families there as possible as it will be a great way for our parent community to mix with one another whilst our students have some fun.

Registrations will commence at 4.45pm with the Colour run starting at 5pm. The Colour run will all be over by 6pm and we are inviting all families to stay and enjoy a picnic together while getting to know each other. Everyone is encouraged to bring along their own picnic and drinks, please note you are welcome to use the BBQs located at the pavilion should you wish to have a BBQ.

So please pack the picnic rug, bean bags, chairs and join us for a relaxed family get together.

We look forward to seeing you all there!

### **Pre-Kindergarten in 2019**

Parents of students enrolled in the Scots Campus Pre-Kindergarten Program for 2019 were informed in writing of some staffing changes yesterday. Each year, a decision on the number of classes is made based on enrolment applications. Current application numbers across Scots All Saints College have resulted in a restructuring of classes and staff for 2019. As a result, there will only be one Pre-Kindergarten class on the Scots Campus in 2019. This class will be taught by Mrs Kylie Price and she will be assisted by Mrs Rebecca Fabris. Positions are still available on some days and an Orientation Day will be held on Friday 26<sup>th</sup> October as advertised.

On the All Saints Campus, there will be three classes. A 3 day class (Monday, Wednesday and Friday) that will now be taught by Mrs Chelsea Chapman, a 2 day class (Tuesday and Thursday) that will be taught by Mrs Jacinta Rivett and a 5 day class that will be taught by Mrs Sally Parsons. Mrs Deborah Porter who currently teachers the 3 day class on the All Saints Campus will move into the Junior School.

Parents have the opportunity to meet Mrs Price and Mrs Fabris at a Pre Kindergarten Information Evening to be held in the Performing Arts Centre tonight (Thursday 25<sup>th</sup> October at 7pm).

### **Dean Mobbs Art Club**

The first session will commence on Thursday 8<sup>th</sup> November with follow up sessions on the 15<sup>th</sup> and 22<sup>nd</sup> November. Sessions take place between 3:30pm and 5pm. Limited spots are still available. Please email me directly if you are interested at [arooan@scots.nsw.edu.au](mailto:arooan@scots.nsw.edu.au)

## Operation Christmas Child Shoeboxes.

Thank you to all our exceedingly generous families and students from The Scots Junior School who returned their shoebox full of gifts for children who are less fortunate. The School received over 70 filled Christmas boxes from students from Pre K through to Year 6. This is such a wonderful opportunity to make a difference in the life of another child. The boxes were collected by Allan and Faye Taylor from Operation Christmas Child and will be taken to the warehouse in Sydney to be distributed to countries where children are unlikely to receive any Christmas gifts.

Thank you!

Mrs Jennie White.

## Junior Cricket

It was a great start to the cricket season on Saturday and we all felt lucky to get our games in before the rain started. Well done to all our SASC teams! Just a few reminders for our players:

- All players should wear a hat to play, we recommend a broad brim hat for sun safety. Please make sure your hats are school hats or caps or a white broad brim hat.
- All players need to wear a plain white polo shirt.
- Master Blaster players, there has been a delay on sending your cricket caps and we will hand them out as soon as they arrive!

*Mrs Jo Nicholls, Junior School Cricket Co-ordinator*

### **Woolworths Master Blaster 7s SASC White v SASC Blue.**

We had a lovely sunny morning to start our Under 7's Cricket season for the year. SASC White played SASC Blue at Loco Oval. We had a lot of parents on the sideline and students on both teams were excited. We had a mix of students that played last year and some new ones along with students from The Scots Campus and the All Saints Campus. There were some new rules this season including introducing power play which encourages students to hit the ball forward and gaining double points. SASC White was captained by Sadie Chapman who won the toss and elected for her team to bat first. All batters did really well focusing on keeping their eye on the ball and hitting the red ball off the tee if wide balls were bowled. SASC Blue was captained by Dylan Monico. All players did well learning to bowl overarm and move around the field after each over. Players were enthusiastic in returning the ball to the bowler from around the field. Thank you to the Chapman family for providing the fruit, to David Chapman for scoring and Mrs Chapman and Brad Monico for assisting on the field. It was a great start to the season!

SASC Blue Player of the Week - Alexander Stewart

Don't forget your hat, joggers and water bottle on Wednesday afternoon for training at ASC at 3:45pm.

Next Saturday SASC White play RUCC at Scots School at 9:15am

SASC Blue play St Pat's White at George Park at 9:15am

*Mrs Jennie White and Mrs Lyn Inglis.*

### **SASC 9s**

This combined team turned up ready to play on Saturday after missing training due to mid-week rain. Harrison was Captain for the week and Colts chose to bat first. There were some experienced batters amongst the Colts side and they took advantage of double runs in the Power Play Zone. SASC showed skillful fielding, with a run-out to Jenson and some tidy bowling from the Captain, Harrison. With a big total to chase, SASC had a strong start with Louis and Amtoj. Next in was Hamish and Harrison who were impressive between the wickets. Alex and Carter continued with skilful shots which kept the runs ticking over. New players Georgia and Alicia followed and made a confident debut, both girls scoring off the first ball faced. Our final partnership of Jenson and Charlie nearly snatched a win for the team. Both players batted well and it was Charlie's impressive six that earned him our Player of the Match Award. It was a great morning and I thank Wayne for scoring and all the parents for their help with the batting line-up and encouragement to the players. This weekend (27/10) is a Bye for the team.

Under 9's Cricket Team

## **SASC 10s White v Blue**

It was fitting that Scots All Saints White took on Scots All Saints Blue at Stiles 1 on Saturday in the opening game of the season. After training was cancelled due to the wet weather it was great to finally get on the field and meet our new team mates. There were lots of skills on display and players enjoyed their first opportunity to use a hard ball. Running between the wickets was quite good for the first game of the season and the ball made its way to the boundary on several occasions. I'm looking forward to a great season ahead and watching the level of skill and enjoyment develop in all the players.

**Anthony Roohan**  
**White Coach**

## **SASC 12s**

The Under 12's started off with a bang in their first week of the new season. Captain Charlotte opened the bowling and took the first wicket with a lovely straight delivery!

It was hard going from there despite some excellent and tight bowling from Liam, Archer and Jessica. Will and Banjo also bowled with good composure, as did Lachlan, but it wasn't until Patrick and Angus came on that U/12's found another wicket.

## Junior Cricket

Patrick dismissed the number 3 batter courtesy of a fantastic wicket-keeping catch by Lachlan! A few overs later Angus knocked over the opener with a great delivery! Oliviah finished off the innings with class, with City Colts being 3 wickets down at the change.

After a wonderful and brave stint as first wicketkeeper, Timothy opened the batting with his new mate Aston. The two ensured the runs flowed right from the start, this being the key to end-of-day position U/12's eventually held. Oliviah and Angus kept the pressure on, both playing some beautiful shots, especially Oliviah's flick off the hip for 4.

Despite the positive start U/12's found themselves in trouble at 5/56. Enter Lachlan and Banjo. The pair put on a partnership that both steadied the innings and put U/12's in the lead at the halfway mark, both striking boundaries and rotating the strike. Unfortunately Lachlan was out with a mere 9 balls left in the day, but Banjo was resolute in blocking-out the final over.

At the end of day 1, SASC U/12's are 6/90 leading City Colts 3/87.

Player of the week went to Angus, for his great wicket, but his even more fantastic cut-shot for 4! It was seriously one of the most impressive things ever to be seen on a cricket field!

# Pre-Kindergarten Weekly News

**Learning Program**–Next week our students will explore the letter ‘q’ and the sound that it makes in words. The Jolly Phonics action will see the students pretend to hold their hands like a ducks’ beak whilst saying qu, qu, qu, qu.

**STEM** – Over the next two weeks we will continue to explore ‘Sustainability’ as well as preparing our two raised garden beds for some spring vegetable planting.

**News Topic**–Recycling

**Pre-Kindergarten Information Night** – On Thursday evening we will be hosting a Pre-Kindergarten Information night for the families who have enrolled for 2019. If you know of any families who would like to receive more information about our transition to school program, their enquiries could be directed towards Pre-K staff or to Mrs Lynda Ireland in the main office.

**Scots All Saints Orientation**–On Wednesday our Pre-Kindergarten students who have enrolled into Kindergarten for 2019 headed over to the All Saints campus for their orientation session with Mrs White and Mrs Walsh. They all had a wonderful time and were excited to come back and share their stories from ‘big school’.

On Friday, our new Pre-Kindergarten 2019 enrolments will join us for a session in our classrooms. Miss Jess Power will take our current students during this time.

**Revised Date for Pre-K Christmas Celebrations** - Due to an unforeseen clash in dates that would affect many of our Pre-K families, we have changed our Christmas Picnic and Graduation to Tuesday, 11<sup>th</sup> December at 5pm. We thank you for your understanding with this change.

**Playball**- We are excited to be conducting a four week “Get Set for School” gross motor sports program each Wednesday afternoon commencing from weeks 3-6 (next week). Notes have been sent home and a payment of \$20 for the 4 weeks needs to be paid to staff before students can begin. Coach Samuel and his staff will work with the children in small groups where they will experience a wide range of skill-based games building on key areas of development and coordination.

**Sun Safety**- During Term 4 we are very aware that the weather will be warming up. It is important that students bring their school hat each day of attendance. Sun screen will be applied before outdoor play, so please let staff know if there are any allergies we should be aware of.

**Orientation** – Term 4 is a very busy time as students prepare for the commencement into school for 2019. If parents could please make teachers aware of each child’s Orientation schedule and the time that will be missed from Pre-K it would be greatly appreciated.

**Link Program** – We are excited to continue our Link Program with Kindergarten during term 4. Our focus each Thursday will be on outdoor Gross Motor skill building and team games. This will commence in Week 3.

**After School Supervision** – This term we welcome Miss Michaela Warry every Tuesday afternoon to assist with our After School Supervision from 3.30-6pm.

## Upcoming Dates:

Thursday, 25<sup>th</sup> October – Pre-Kindergarten 2019 Information Night 7pm

## Secondary School Sports Bulletin Secondary School Sports Bulletin Week 2 Term 4

### First Summer Sport weekend

Last Saturday we had our first summer sports fixtures for all sports except for basketball, which starts this Friday evening (26<sup>th</sup> October) and the Girls Thunder League cricket which starts next Wednesday (31<sup>st</sup> Oct). We wish to thank the students and parents for their support as we get into routine with the new season and become familiar with the coaches and team mates. It was great to see the students interacting so well on the weekend. We are sure that this will only strengthen as they become more familiar with each other over the remaining training sessions and weekend fixtures this term.

### Variations to the travel plans for sports training

If it is more convenient for students travelling across to All Saints for sports training to be collected from ASC we require written (email) acknowledgement of the arrangements from the parent. Students are not to drive themselves or take passengers – unless they have sort approval and had it confirmed. Please send requests to Mr Adams ([jadams@socts.nsw.edu.au](mailto:jadams@socts.nsw.edu.au)).

### Hats, sunscreen and water bottles

With the summer weather conditions comes the added responsibility for students to have a hat and sunscreen for the sports/teams that train outdoors and for all students to have a water bottle at training. Please make sure that you have a hat on your head, from our observations on the last weekend; our cricketers were quite good with this on the weekend with their games but some are forgetting about training. Our tennis students and touch students need to do better with this at both training and games. There is ample time at lunch or even between 3.05 and 3.30 pm as you get ready for sport or travel to sport training to apply sunscreen.

### Wet weather contingency plan

In the event of adverse weather for a training session (as experienced on the first Thursday of this term) the following sports will continue to train; 1<sup>st</sup> and 2<sup>nd</sup> V boys basketball and the Junior boys basketball (at Scots), 1<sup>st</sup> and 2<sup>nd</sup> V Girls basketball (at All Saints), swimming4sport group (at Scots) and potentially tennis for All Saints students (at the Bathurst Tennis Centre) if it is no longer raining. The reasoning for this is that these teams train in indoor locations and that the Bathurst Tennis Centre courts hold water quite well. The reason for cancelling the girls touch, cricket, Scots tennis and other basketball teams (who train outdoors) is that the playing surface will be deemed too dangerous (slippery) to train. Students who find their sport cancelled in this situation will be asked to go home or back to a boarding house at 3.20pm. Let's hope that we do not need to call on this contingency plan too often.

### ISA Girls Touch Gala Day

This Saturday (27<sup>th</sup> October) – we have a major ISA sporting event occurring at Scots. The inaugural ISA girls touch completion launches with a Gala Day at Scots. We will be hosting 32 teams from 9 ISA schools. Games will be player on 6 touch fields (4 on McKibbin and 2 on the Old Boys). It is going to be busy with tennis and cricket fixtures also scheduled for the day.

The P& F groups are going to be running a BBQ/canteen to feed the masses expected for Open Day and the sports fixtures from 10am - 2pm on the grassed area and shade clothe between the Lamrock Performing Arts Centre and the dining hall. Helpers will also be appreciated for set up before 10am and clean up after 2pm. If you are able to give up an hour or more of your time and have not put your name forward to Mrs Lindsay yet, it is not too late; you can contact Mr Adams ([jadams@scots.nsw.edu.au](mailto:jadams@scots.nsw.edu.au)) who can give you a time slot in the roster. We will need more helpers on the BBQ/Canteen set up from 9.00-10.00am and people to help man from 12.00pm to 2.00pm. We are also requesting any donations of cupcakes, muffins, etc., to sell. Donated food products can be left at the school on Friday or at the BBQ on Saturday morning.

### Swimming Squads

The swimming squads are into their second week of training now. There is plenty of room in our swimming squads for students to improve their swimming. Squads are held on Tuesdays – 6.45am-7.45am for our morning

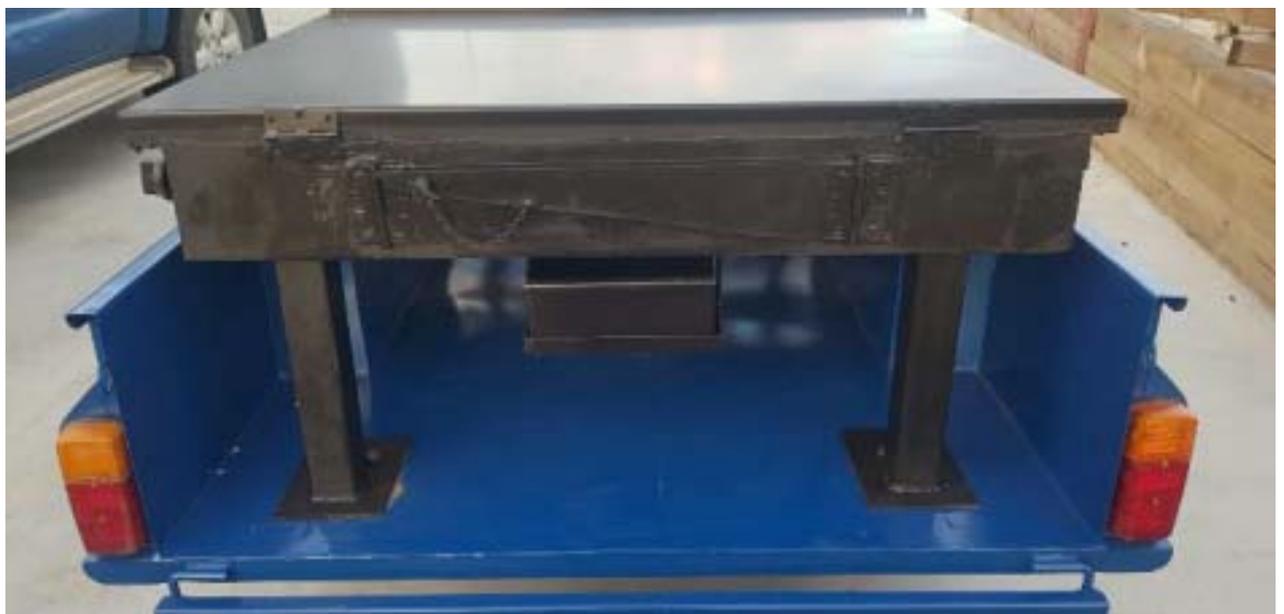

group (advanced) and from about 5.00pm to 6.15pm for our afternoon squads (intermediate swimmers). If you would like to join one of these squads (even if only for one of the afternoons) please contact Mr Adams ([jadams@scots.nsw.edu.au](mailto:jadams@scots.nsw.edu.au)). No doubt these squads will be much more popular in Term 1, so why not secure your place in them by joining this term.

## Under 13s

The Scots All Saints College Under 13s travelled to Blayney for a one day match last Saturday.

Blayney batted first and SASC worked hard to control the run rate with some tight bowling and fielding. Noah Seide bowled well without luck as did Charlie Rendall, but it was Zane Newham who got the breakthrough by finding a top edge with Noah taking a sharp catch at mid-off. Noah followed this up by clean bowling the next batter with his next ball. This brought a very strong batter to the crease for Blayney causing James Hillsdon, Dan Mitchell, Mitch Ellery and Sam Neill all sorts of trouble but they stuck to their guns and bowled as best they could.

Later in the innings, Lachlan capitalised on a dewy ball to bag a wicket in a superb spell and Jayden Spackman delivered a lesson in leg spin. Lewis Schoenmaker bowled well without getting a wicket and Alex Morrissey was excellent throughout as keeper. Well done to Paterson Abel and James Burgess for some fine fielding. Blayney finished at 6 for 132.

Charlie and Lewis made a positive start to the chase in the face of some fantastic bowling. Charlie got going early but Lewis fell to an LBW as Blayney started to press their advantage in the field. SASC continued to make runs but the batsmen struggled to hold on to their wickets and were eventually bowled out for 70.

Congratulations to Paterson for facing his first ever delivery in cricket - he held his own with courage and fortitude. The boys are confident of improving this week and with some new players rotating into the side. It will be interesting to see how these lads progress through the season.
