SPECIAL PHOTOS

Orders are being taken for the special photos of Prefects, House groups, Cadet Leaders, Boarding House groups and the Year 12 muck-up photo. Order forms can be collected from Mrs Shillabeer in the staff office.

Performance:

Friday 18th May 7pm

Tickets: \$10 adult / \$5 student available at the door.
(See Page 4)

To Ponder...

As we have considered previously, being 'like Jesus' is an end point of maturity. We look to Jesus because He knew and lived a life pleasing to God. Consider,

For though by this time you ought to be teachers, you need someone to teach you again the basic principles of the oracles of God. You need milk, not solid food, for everyone who lives on milk is unskilled in the word of righteousness, since he is a child. But solid food is for the mature, for those who have their powers of discernment trained by constant practice to distinguish good from evil ...an unknown author writes to the early Jewish Christians who were facing pressure to let go of their trust in Jesus in Hebrews 5:12-14 (ESV)

This author reminds his readers that a person unskilled in "the word of righteousness" is immature. Maturity is gained as we constantly reflect upon God's message to us, the Bible, which God uses to train our hearts and mind.

We will then grow in Jesus' likeness as we learn to distinguish good from evil; an important skill considering the cacophony of voices that call us every which way in life.

... Chaplain

Apology to Brooke Andrew Young Country Achiever Success

Brooke achieved a Second Place in the Young Rural Achievers Intermediate Girls Division at the recent Bathurst Royal Show. Her name was inadvertently left off the list of winners in last week's Highlander. Congratulations on this achievement Brooke!

Natalie Bowles Supreme Meat Sheep Exhibit of the Bathurst Royal Show

SPECIAL PHOTOS

Orders are being taken for the special photos:

*Prefects - \$18

*Tutor House Captains - \$18

*Year 12 Muck Up - \$15

*Cadet officers - \$15

*Bulkeley House - \$15

*Galloway House - \$15

*Ives, Lang, Browning or Flynn Houses - \$15

*Children/Granchildren of past students \$15

CASH or CHEQUE only in the exact amount.

These cannot go on school accounts.

Envelopes are available at the staffroom or

There is a Friends of Pipes and Drums meeting on Monday, 21st May at 5pm in the library. All welcome to attend.

THANK YOU

To the Telfser family for their hard work and organisation of the fundraising BBQ over the holidays for Friends of Rugby. Your help is greatly appreciated by all involved in Rugby at Scots!

UNIFORM POOL

will be open after Chapel on Sunday, 20th May.

From the Headmaster . . .

Last term I provided some reflections and comment on The Gonski Review into School Funding for Education and drew your attention to a forum to be held at Kinross Woloroi in May.

The NSW Parents' Council Forum on the Gonski Review into Government Funding for Education will be held next week at Kinross Woloroi School Orange on Wednesday 16 May from 6.30-8pm. I will be attending and I know other parents are planning to do likewise. I encourage you to be informed.

I went to the Forum at Santa Sabina Strathfield late last term and found it informative. Time was provided for questions from the floor following the five presentations. The forum will include a panel with particular experience in the area of school funding, several of whom have been closely involved in the Gonski Review process. The forums will provide information for parents, principals and other members of the school community which will assist us in understanding the impact that the review might have on independent schools.

Members of all NSW independent school communities are invited to attend. To reserve seats for the forum please go to www.parentscouncil.nsw.edu.au and click on the link "*Free Independent School Parent Funding Facts Forum – Gonski and Beyond*".

Preparations for the School Musical 'Battle of the Bands' are going very well. There will be two performances at the end of next week, a matinee for our Junior School, and the main performance on the Friday night.

The weekend of 18-20 May is the Parent Weekend for this term. Parent Weekends provide an excellent opportunity for the whole community to come together to celebrate who we are as a school. The Term Two Parent Weekend Chapel Service particularly focuses on the fact that we are a K-12 School.

I want to reinforce the importance of such events as the Chapel Service, which is a compulsory event for all students, Kindergarten to Year 12, and ask that all parents of the School make it a high priority. Of course, on occasions, there may be an unavoidable clash. At these times, please apply for leave to the Headmaster in writing or via email with a clear explanation by the Wednesday before.

Please remember that a School of high quality needs to have a strong sense of community and that only occurs through strong commitment to all aspects of the school mission. Boarding parents are strongly encouraged to attend the Boarders' P & F at 4pm on Saturday in Room 9. The main P & F will meet on the following Wednesday at 7pm in the School Library.

Have a great week...

David Gates

Stolen Workshop:

On Thursday 3rd May, Year 11 and 12 Drama attended a workshop at the Sydney Theatre Company's Wharf Theatre. This was a very informative extrapolation of the play 'Stolen' by Jane Harrison, in which four aboriginal actors retold stories of the stolen generations.

It was a full house – STC had overbooked - and whilst people were crammed into the aisles, they were hooked on the captivating performance which then led into a thoroughly engaging Q & A at the end. Mr Christie would like to congratulate these students on their excellent school representation and involvement in the workshop discussion.

Mr Byron Christie

Kinross Wolaroi School and the Association of Independent Schools of NSW (AISNSW) invite you to a parent forum,

Regional Independent School Parent Funding Facts Forum 'Gonski and Beyond'

Confirmed panel members

Professor Scott Prasser, Executive Director,
Public Policy Institute, Australian Catholic University

The Hon. Christopher Pyne MP
Shadow Minister for Education Apprenticeships and Training

Dr Geoff Newcombe, Executive Director,
AISNSW

Mr Brian Kennelly, Principal,
Kinross Wolaroi School

Mrs Anne Crabb, Executive Officer,
Kinross Wolaroi School

Richard Cheney President
Kinross Wolaroi Parents and Friends Association

Other Invited panel members

The Hon. Adrian Piccoli MP
NSW Minister for Education and Communities

The Hon. Peter Garrett AM, MP
Federal Minister for School Education, Early Childhood and Youth

The Hon. John Cobb MP
Federal Member for Calare

The Hon. Andrew Gee, MP
Member for Orange

Date: Wednesday May 16 2012 Time: 6.30pm. The Forum will conclude by 8.00pm
Venue: Kinross Wolaroi School 59-67 Bathurst Road ORANGE 2800

To reserve seats please go to www.parentscouncil.nsw.edu.au and click on the link called **in Orange**

This Week in History (Between the 7-13th of May):

Historical Event: Einstein's Theory of General Relativity was presented

On the 11th of May in 1916, Einstein's theory of relativity was presented. Albert Einstein was one of the greatest, if not the greatest physicist the world has ever known. His greatest accomplishment was his Theory of relativity.

The basic overall concept of his theory was that both time and space are relative, not fixed. Einstein spent eight years of work on the problem of gravity. In general relativity, Einstein shows that matter and energy actually mould the shape of space and the flow of time. Einstein's Theory of general relativity has always been targeted by others, to be proven wrong. The longest experiment in space physics began with three men in a university arguing about Einstein. It ended after 52 years and 750 million dollars, with scientists affirming his theory, after studying the most perfect spheres ever made as they orbited around the Earth. Albert Einstein presented his Theory of General Relativity in 1916, offering a description of gravity, space and time that transformed how scientists understood the physical laws governing the known universe. Scientists have gone to extreme measures to verify Einstein's theory ever since its presentation. They have measured microwaves as they turned around the sun, studied differences in the orbit of Mercury, and bounced signals off the Moon and Mars.

By Ellie Fricker

THE SCOTS SCHOOL CREATIVE ARTS DEPARTMENT PRESENTS:

A Musical by Stephen Harris

Four wannabe musos, the Knights (Lucy Blackmore, Samantha Cowan, Jonty Boshier and Cameron Chew) really want to make it big, but how can they break into the impenetrable music industry???

Do they have the sound?

How do they get their music out there?

The Knights are overshadowed by a successful and narcissistic image-driven band, Villainous (Kanja Le Roux, Bethany Hackfath, Nick Thompson and Jono Gates) who have connections in high places. Add a megalomaniac mayor (Kalyan Manning), dreaming recording guru (Alyssa Weekes), retired but canny band manager (Andrew Coles), endless swooning fans, hapless security guards, smooth DJs, reassuring family members and dopey roadies and you have one incredible musical which is **THE BATTLE OF THE BANDS!!**

Featuring many more talented musos and actors and choreographed by Layla Leard, *The Battle of the Bands* promises to be the best musical melee since Sherbet won a similar contest in the Aikman hall some 40 years ago!

Friday 18th May 7pm

Tickets: \$10 adult / \$5 student available at the door.

From the Deputy Head . . .

This week, I wish to provide information regarding the Reporting Criteria for the upcoming Half Yearly Examinations:

Year 11 - Friday, 18th May through Friday, 25th May

Years 9 & 10 - Tuesday, 22nd May through Friday, 25th May

Years 7 & 8 - Wednesday, 23rd May through Friday, 25th May

Course Standard : Years 7– 10

The Common Grade Scale shown below can be used to report student achievements in both primary and junior secondary years in all NSW schools.

The Common Grade Scale describes performance at each of five grade levels.

A. The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these skills to new situations.

B. The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.

C. The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.

D. The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.

E. The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

Course Standard: Years 11-12

- Grade 6: Extensive knowledge and insightful understanding
- Grade 5: Detailed knowledge and perceptive understanding
- Grade 4: Sound knowledge and understanding
- Grade 3: Generalised knowledge and understanding
- Grade 2: Elementary knowledge and understanding
- Grade 1: Below the minimum standard

Application: Commitment and Homework

Application grades recognise the way in which our students work and the values and attitudes that they demonstrate in achieving course outcomes. Students are awarded an application grade each semester for each subject they study. Students who achieve consistently excellent grades are eligible for awards.

Application and Effort Standards Years 7– 12

Sheep Report Bathurst Show

Always a big show for Scots Students where we are able to exhibit a large number of sheep due to lack of transport issues as well as assist other exhibitors with their sheep.

After the cold fog lifted a beautiful sunny day saw the schools greatest success at the Bathurst Show. From four Border Leicester exhibitors Scots emerged supreme. In the six classes entered the Scots sheep were awarded 3 firsts, two seconds, Champion Ram and Champion Ewe.

The **Hugh's** Champion Ram and **Natalie's** Ewe then came up together for the judging of the Supreme Border Leicester of the show. The Natalie took out the big one with her ewe. Scots was also awarded the trophy for the Most Successful exhibitor in the Border Leicester section.

After the completion of the breed judging the interbreed championship started. First the champion rams from the 10 breeds exhibited were lined up for the two judges to choose the supreme meat sheep ram of the show. Hugh's champion ram was placed third in the line-up. Next Natalie brought out the Champion (and Supreme Border Leicester) ewe. It did not take long for the two judges to award the Supreme Meat Sheep female to the Scots School ewe presented by Natalie. This is the same ewe that was commented on so favourably by the judge at the Sydney Royal Show.

On Saturday a much depleted team of India and Peter (the others out with sporting commitments) and some of the cattle team members competed in the Meat Sheep

Junior Judging Competition. Robbie Hayward was placed fourth in the meat sheep competition with only 10 points (out of 250) separating the top 4 placegetters. This followed Robbie's great success of having just won the Merino sheep junior judging for 2012.

Peter Matus

Natalie Bowles Supreme Meat Sheep Exhibit of the Bathurst Royal Show

Henry Quant, Peter Driver, India Toole, Lachie Marshall; kneeling Natalie Bowles and Hugh Lennon

Sheep Report Sydney Royal Show

Sydney Royal Sheep Show

Our Year 9 Agriculture students and the schools sheep had great results at the Easter Show. They exhibited stud (breeding) Border Leicester sheep bred at Scots in extremely tough competition from 9 other Border Leicester studs some of which join up to 900 ewes.

In the pair of milk tooth ewes class the Schools sheep were placed a pleasing third with the judge commenting especially on the quality of one of the ewes.

Lachie Marshall and Natalie Bowles during judging

Not surprisingly the schools best results came from the school classes interbreed competition between the 9 schools exhibiting at the show.

In total the sheep were awarded 1 first, 7 seconds and 3 thirds, a very commendable result.

The Meat Sheep Handlers Competition for competitors between 14 and 20 years of age is a very tough competition with about 50 competitors. Many of these have a family stud background with much show experience. Henry Quant in his first competition trumped the opposition including some strong competition from his classmates to be awarded the champion ribbon. A fantastic personal result.

As is always the case the strong parental support and assistance helps make the show such a success for our students

Peter Matus

Our successful sheep exhibitors: Lachie Marshall, Hugh Lennon, Peter Driver, Natalie Bowles, Henry Quant at the Sydney Royal Easter Show

Cattle Report Sydney Show

SYDNEY SHOW REPORT – 2012

WE GOT THE DUO!!!!!!!!!!!!

After 2011 being an extremely successful year in the steer section for Scots we ventured into our 2012 show with expectations but we were mindful that we may not top 2011. Amazingly we topped it big time!! We set off on April 3rd with a big team of 11 steers and 2 heifers. It was going to be along week as we had to endure 6 nights at the show (due to the timing of Easter). Our cattle were ready and looked very well, finished in time and all behaving (most the time!).

Our scans were pleasing and we set off with TSS Rocky Ernie McGodeth (yes there is a story to that name!) in the schools steer middleweight class. Rocky had been prepared by Jess McGrath and Hamish Andrews and we had chosen him as our top steer. He did not disappoint coming out with **CHAMPION SCHOOL STEER**.

Due to Rockys win in the school section he had to go up against the Open Lightweight, Middleweight and Heavyweight steers for Grand Champion. We sat with anticipation as winning this award 2 years in a row would be amazing and when Jess paraded him he looked a chance. The judge made his decision and for the 2nd year in a row Scots took out **GRAND CHAMPION STEER!!** The entire team were ecstatic with tears rolling again!!! Once again we were smothered by photographers and interviews – a burden we took again with pride!

The Auction was that afternoon and as we waited our Grand Steer to be auctioned we were worried as prices were fairly low. The steer before ours only made \$1.70/kg – not even saleyard prices! Hamish led Rocky in and the auctioneer could hardly keep up. There was a bidding war with the price being knocked down at an amazing \$12.60/kg – **A SYDNEY ROYAL RECORD BROKEN BY TSS ROCKY!!!!** Other steers sold extremely well such with another 4 steers reaching over the \$3.00/kg mark!!

We all ventured home, exhausted but very satisfied with a great show but were nervously be at the presentation of carcasses as we had done well.

The results were amazing yet again. Not only did we win the **GRAND CHAMPION STEER but we also took out CHAMPION MIDDLEWEIGHT CARCASE AND THEN GRAND CHAMPION CARCASE** – with TSS Woody, a Limousin steer prepared by Georgie Simcock, Stephanie Ferguson and Ned Dawson. He came out on top with 90.5 points. To take out both grand Champions is a very rare event and another very proud moment for TSS cattle team. Further to this we also took out **CHAMPION SCHOOL GROUP OF STEERS and CHAMPION BREEDERS GROUP** (Jordenssprings Limousins).

Our other steers did extremely well winning and placing in may classes:

TSS Milo, prepared by Brooke Andrew and Jonty Boshier went onto win his class and narrowly missed out Reserve Champion Middleweight Steer.

TSS Pumbar (prepared by Rebecca George and Rachel Hibbons) – 3rd in the live judging and 1st in carcass class 8

TSS Simba (prepard by Annabel Shepard and Bronte Doyle) – 6th in the live judging in class 10

TSS Woody (prepared by Georgie Simcock, Stephanie Ferguson and Ned Dawson) – 6th in the live judging in class 9

We also took out 5 **BRONZE MEDALS** and 1 **SILVER MEDAL**

Stan Hill Trophy – we had 2 selected in the team (out of 3) – TSS Curly (Michelle Fairall, Lily Ross and Kanja LeRoux) and TSS Rocky – team came 2nd!

So yet another successful year.

Special thanks must go to:

Terry Denniss and Jordenssprings Limousins for yet again supplying us with such superior genetics to work with.

Llandillo Poll Herefords for supplying us with 2 fabulous steers

Miss Dianna George – Dianna did prac work with us and she is going to make an amazing Ag teacher one day!! Thanks Dianna for all the hard work and laughs!!!!!!

The Parents – you are amazing people to work with. Your support of everything we do in this team is endless and I can't thank you enough.

A special thank you to Trevor George – Trevor travelled down to Sydney from Nevertire to help out due to my father's illness and he will never understand the strength and support he gave me!

And last but definitely not least the wonderful team members: Emma Boland, Laura Pollard, Jess McGrath, Nathan Warton (inhouse photographer!), Georgie Simcock, Annabel Shepard, Edith Lennon, Kanja LeRoux, Kristen McAndrew, Maddie Miller, Laura Wright, Natalie Bowles, Sam Pateman, Rebecca George, Brooke Andrew, Robbie Hayward, Jonty Boshier, Hugh Lennon, Bronte Doyle, Hamish Andrew, Ben McGrath, Stephanie Ferguson, Michelle Fairall, Henry Quant.

Mrs Libby Dawes

Past students visited at the Royal Show -- Angus Lennon, Tom Hughes and Jessica Spence here with Mrs Dawes

Mr David Crofts, former head of Science and Agriculture at Scots, took a few minutes away from his stewarding duties to visit the Scots Cattle Team.

Sydney Royal Easter Show Cattle Team-- a very successful show!

Junior School News . . .

Mothers' Day

We are looking forward to a morning of fun and entertainment on Thursday as we host our annual Mothers' Day morning tea and concert in the dining hall on Thursday commencing at 9am for a 9:15 start. If you have not already returned your RSVP we would like it as soon as possible for catering purposes.

Speeches

All children in K to 6 delivered their second speech in classes today. Once again the standards were very high and we thank parents for supporting their children in this worthwhile endeavour.

Bathurst Show

We were very successful in the art works divisions at the Bathurst Show once again this year. Stage 2 received the Champion Exhibitor's ribbon for their entries and many children across the school received certificates and ribbons to acknowledge their achievements. A full list of prize winners will be included in next week's Highlander.

Instrumentalists

Students learning an instrument through the school attended an excellent concert in the Performing Arts Centre on Friday afternoon along with Music students from the Senior School. From all reports they came away inspired, and we thank Mrs Garland for organising this opportunity for our children.

NAPLAN

Years 3 and 5 students will sit the NAPLAN tests next week on Tuesday through to Thursday. It is very important that children are well rested, hydrated and nourished during this time to ensure they are able to perform at their best. The following week all classes will be involved in assessment tasks and the same applies during this time.

HICES Debating

We wish our Stage 3 students the very best as they travel to Blue Mountains for another round of debating. Their topic is that 'School Hours Should be More Flexible,' which has raised some interesting suggestions. Thank you to Mr Lee for working with the team and escorting them to the competition.

WAS and HICES Cross Country Carnivals

The staff is busy preparing for these major events in the school calendar as are the Friends of the Junior School who will be running a fundraising canteen to feed the visitors. We will be sending a note seeking assistance on these days and I encourage you to be involved if at all possible, so that the events are successful. The HICES

Carnival in particular will see us hosting 15 schools from across NSW. We need parents to assist us in escorting teams around the course and to help on one of the 16 checkpoints to monitor runners and ensure their safety during the event.

Senior School Musical

The Junior School will attend a matinee performance on Friday 18th May. A cost of \$5 will be charged to school accounts.

Assembly

Stage 2 entertained us with an item featuring their learning in French and this week Stage 3 will organise the French Feature. Also at assembly this week we will see some Drama from K to 2 and some individual poetry recitals from the Speech and Drama group. A reminder that parents are welcome to attend the assembly each week at 11am.

Fresh Fruit Friday

Thank you to the parents who provided some fresh fruit and vegetables to snack on for recess on Friday. The children really look forward to these days and it is a great way to encourage healthy eating.

Congratulations

To Lisa and Andrew Knox who completed the 10 kilometre run in Bathurst over the weekend to raise money for Breast Cancer Research and support. Andrew reported at assembly that they had raised in excess of \$500! Well done.

Peer Support Groups

We commenced the Peer Support program on Friday after assembly. The Year 6 leaders were very well prepared and ran their sessions with confidence and genuine interest and concern for the members of their group. This term we are focussing on Friendship and the first lesson had lots of activities to get to know each other better and establish some group agreements to set the scene for the remainder of the sessions. Class teachers debriefed the children following the lesson and received very positive feedback from the students across all grades.

WEEK 2

During Peer Support this week the children will look at qualities their friends may have and the concept that we choose friends based on the qualities we admire in them. They will also explore the skills of friendship, specifically those of cooperating and listening. During the week encourage your child to show they are interested in the person they are talking to by being an active listener.

K-12 CHAPEL -- Sunday, 20th May -- 9:30

The King!

On Sunday the 20th of May, 9:30-10:45am, our school community is having a K12 Family Chapel Service and morning tea as part of the Parent Weekend. It will be a showcase of our regular Chapel Services each Thursday with a little extra! Because this service involves all of the Junior students the talk will be modified and the Junior students will be leading two groups of songs... which, by the way, the secondary students have been learning recently so they can join in.☺ If (K6) students would please arrive 15min early in full school uniform and sit together up the front I would really appreciate it!

Mr Gittins

Cubs first day of Netball.

Peer Support group led by Jorjana Micalos

Pre-Kindergarten News . . . Bathurst

Bathurst Pre Kindergarten Highlander

Term 2 Week 3.

Sounds Program.

This week Pre-Kinder will learn all about the letter “r”. In Letterland we will meet Red Robot and our Ants in the Apple rhyme for this week is “Rabbits Reading r,r,r.”. During our craft times we will be making rockets, robots, rainbows, rabbits, rhinosorous, roosters and lots more!

Mother’s Day Morning Tea

This Thursday 10th, May Pre-Kinder along with the Junior School are hosting a special Morning Tea for our Mums in the school dining hall. The invitations have been sent home for all students, so please ensure that you return the RSVP to your child’s teacher asap for catering purposes.

Bathurst City Library Visit

Our next visit to the Town Library for Term 2 will be on Thursday 14th, June. Travel will be via the Scots School bus.

Book Club

Book Club notes went out last week. Please ensure you return this note to your classroom teacher by Tuesday 8th May. Every order we place earns rewards which means we can select some new resources for your child’s class. Thank you for your support of Book Club!

Wednesday Link Program

This term in our Pre-Kinder and Kindergarten afternoon link program we will be focusing on Gross Motor skills. The children will be placed into groups and will participate in a rotation of station activities that will include skipping, balancing beanbags, dribbling a soccer ball and bouncing and catching skills.

Sport . . .

Secondary School Sports Bulletin Week 3 Term 2

School Sports Representatives

Congratulations to Zachery Telfer who swam in the ISA team at the NSWCIS swimming championships last Monday evening and Tuesday. Zachery had a large number of events, some of which were Intermediate races meaning that he was competing against boys a year older than he. Zachery swam personal bests in the 200 m individual medley and the 50 metres butterfly. He also achieved commendable results in the 400m free, 200m free, 100m backstroke, 100m free, 100m fly and the 200m back. Congratulations Zachery on another great swimming season!

Congratulations also to Meghan Booth who trialled with the NSWCIS Under16s girl's hockey team for a place in the NSW All Schools team on Sunday. Meg had a gruelling day of very high quality hockey in a much less experienced CIS team compared to the other CHS and CCC teams. Whilst disappointingly missing out on a sport in the NSW team Meg has done extremely well considering that she is a year younger than most of the girls trialling for a place in the team. Her experience this year will hold her in good stead for future years. Well done Meg!

Friends of Rugby Fundraising

The Friends of Rugby ran a BBQ at Mount Panorama as part of the Blayney to Bathurst cycling weekend on the 21st and 22nd of April. This was a fantastic fundraising activity for the Friends of Rugby and on behalf of the School and all the Scots Rugby players we would like to thank Frank and Shevahn Telfser, Ross and Julie Gibson, Helen Conyers and all the boys that helped out on the Saturday and Sunday. It was a very busy two days with a constant stream of people after either cold drinks or a BBQ lunch. The Friends of Rugby also donated some of the money raised to Head Space to help with the invaluable work they do in the Bathurst Community.

Richard Mottram, Justin Adams

WAS Cross Country

On Monday the 14th of May the WAS cross country is being held at Scots. The Scots team is listed on the noticeboard near the library. The result of the house cross country was announced at last weeks summer sports assembly. We congratulate Ives on their one point win over Lang, with Flynn in third place and Browning in fourth place.

2BS Junior Sport Report

We encourage everyone to tune in their radios to 1503 on the AM bandwidth at 7.30am each Saturday morning to listen to the junior sport report. Jessica McGrath has been doing an outstanding job reporting Scots students in sport and other co-curricula activities. We thank Jess for the great job she does and for the early mornings.

Rugby . . .

UNDER 14'S RUGBY REPORT

Another determined and courageous effort from the Under 14's -v- SSC last Saturday. In a high scoring, torrid and entertaining match we eventually succumbed to Stannies greater numbers, losing 38 – 29 after holding the lead at half time. The match began badly as we conceded an early try, but we fought back well. After half time a stunned Stannies team included several new faces, a luxury not afforded our team. Once again several of our Under 13's had to "back up" for a second match after their own gruelling fixture, which they did with distinction.

In the second half several of our players were "feeling the pinch", this led to lapses of concentration resulting in easy tries for our opponents. Generally we struck back with tries of our own, but could not get our noses back in front. When compiling this report I found it impossible to single out players as "stand outs". The Under 13's had a huge impact on the game, despite being physically smaller than our opponents and having already played. Will Brancourt turned in his best performance of the season, and Brad Corliss was incisive in attack and resolute in defence. If Ned Dawson was a V8 Supercar he would be lucky to have two drops of fuel "left in the tank" at the end, he is relentless in attack and defence. However, as I noted earlier, this was a terrific TEAM effort, with many players "turning in" terrific performances.

Next weekend we will face an extremely difficult match -v- Central Coast Grammar, on top of the long bus journey. The way the team are developing their skills and self belief is most encouraging, further hard work at training will ensure continued improvement !!!!

B.J.Mair.

13's Rugby -- TSS 27 VS STANNIES 17

The direction this year with the 13's is paying off with a considerable amount of training and work being practiced with the ruck and the breakdown. The boys were dominant in getting over the ball and securing possession for the majority of the game. Our tackling and defence is improving and our attack was lethal once again. Strong performances in attack came from Zane Rowlandson (2 tries), Patrick Harris (1 try) and Andrew Owens (penalty). Jason Corliss also added 2 conversions and John Oh had his first try of the year with a stellar kick and chase from the 22. In defence Ryan Gordon, Luke Im, Jack Morrisson and Hamish Andrews were solid and Wesley Standfield was once again a standout. Well done boys. This week we will keep working on 'cleaning out' and our backline setup in defence and attack. A great team effort boys. We look forward to meeting CCGS this weekend on the Central Coast.

Mr. Bailey and Mr. Mair

U15's v. Stannies 15 C's

Scots controlled the ball extremely well throughout the game and their support play was much improved. It was particularly pleasing that the team put in a 60 minute disciplined effort. This was great preparation for what will be a much tougher game against Central Coast this weekend.

Mr Dawes

Rugby . . .

First XV vs Stannies

It is always somewhat daunting playing Stannies at Stannies because you know that you will be up against a well prepared team, particularly when it comes to the opens squads and last Saturday was no exception. The game opened with Scots kicking a penalty goal. This was quickly answered by Stannies with them scoring a try. This tested our confidence as to date we hadn't had any points against us, plus the try really lifted the Stannies team.

Fortunately for us we managed to maintain composure and went about the business of getting back in front.

On the flipside, there are a number of matters which we must address. Firstly we must learn to accept the referee's decision and secondly we need to ensure that we keep our tackles below the armpits.

This Saturday's game against CCG will be our acid test and the boys' discipline, composure and maturity will be put to the test.

Overall, well done boys!

Scoring: Jock Sinclair scored 1 try, 1 conversion and 2 penalty goals.

Mr Mottram/Mr Marshall

Action from the First XV

Netball . . .

Lionesses

3:30 (Loss)

On Saturday morning the Scots Lionesses played Netball against the Eglinton Tigers.

Isabella, Genevieve and Jorjana demonstrated some good shooting. The girls all did well this week positioning themselves on the court and not crowding too much. We also had some strong passes and intercepts.

The player of the week was Faith for great defending.

Cubs

On Saturday the Scots Cubs played Netta against the All Saints Jellybeans.

There was huge improvement from last week. The girls did really well remembering to stand still with the ball. The player of the week was Sarah Knox for consistently chasing the ball.

Mrs Sarah Milligan (Coach)

Scots Lomonds

It was a great game by Milly, Georgia, and Kate. We had some great defence, but unfortunately we lost 16 to 11.

Scots C Black v. Collegians Acers

We started srgon in both attack and defence, giving us a good lead. We held our ground up until the 3rd and 4th quarters where we placed players into unfamiliar territory, which allowed the opposition to take the lead. A hugh thanks to Emma Fricker and Putri Moran for playing up with us and allowing us to have a sub.

Final result: TSS 18 to Collegians 20

Scoring for Scots: Georgie Simcock, Mel Hudson and Emma Fricker.

by Mr Cameron

Scots Gold v. Collegians Jellybeans

We lost marginally and played a good game. Our defence was strong and we had a lot of fun.

Scoring for Scots Gold: Mem, Brooke, Alice

Best players this match: Brooke, Maddie, Nastasia and Nicole

by Nastasia Reynolds

Scots Ness v. Waratahs

It was a tough game with aggressive offence. Everyone player really well and were consistent in their positions. It was an energetic game and we showed determination and team spirit throughout the match.

Unfortunately it was a 9-26 loss

Best Players: Nastasia, Bronte, Putri

Scoring by Nastasia, Michelle, Alice

Mrs Simcock

First VII v. Collegians Catastrophes

The girls had a fantastic game on the weekend with a vistory of 64-10. Anne Christie and Maddy Miller were the key to our success with their amazing defensive skills in the goal circle. The centre court Laura Pollard, Caitlin McDermid and Charlotte Inwood worked well together allowing the ball to fly down the court to the shooters, both Elyse Owens and Ellie Fricker played spendidly and dominated the goal circle.

Well done to all girls on a fantastic win!!!

Jess McGrath

2nd VII v. Firecrackers

A great start for the 2nds who combined very well for a pleasing win. Our shooters Mollie and Ellie Craft were a little inaccurate to start but once they found their range they rarely missed. Our centre court combination of Lucy Woods, Laura Wright, Bronte Doyle and Ashleigh Fenton were solid in defence and caused a lot of turnovers. Felicity and Annabel Shephard formed a tight defensive unit and limited the scoring opportunities of our opponents.

A win == 32 to 26.

Best Players this match: Mollie Harley, Felicity Walker
Mr Adams, Mrs Inwood

Hockey . . .

Hockey Report...Under 11's

Last Friday afternoon the Under 11's Hockey team had a great game. We were playing St Pats Swifts. We started strongly in the first half and Hannah had a few great attempts at goal, Gabby Boshier defended well, and Paris and Angus were passing the ball well. The whole team played with enthusiasm and I am sure as the season continues we will see great improvement.

This week **player of the week** went to Joshua Chew for entertaining the crowd while in the goal. He has some great moves that we didn't know existed! Another big thank you to Mr Scott Crozier for coaching on the field on Friday Evening. It is also great to have so many parents supporting on the side line.

Training will continue at 3.30pm on **Wednesdays** and the game will be held at **4.20pm each Friday**. It would be appreciated if all players could be at the hockey fields by **4:00pm each Friday**. This week we had to start the game with 7 players as 5 were late! If for any reason you are unable to attend, please let Mrs White know by the Friday, as we rely on each player to make the team each week.

Well done on a great effort by all!
Score : Scots – 0 St Pats Swifts – 4

Mrs Jennie White.

U15's v. Orange Rebels

Despite the score, a close and exciting match enjoyed by players and crowd. Sam Flude excelled in goal, Nick Thomson player very strongly through the middle, Eliza Crozier, John Baxter and Jess Morrison were strong in defence. The whole team lifted and are to be congratulated on the spirit and skills shown.

Mr Doney

Soccer . . .

Under 14's Macquarie

Much of the first half in Scots goal and 1/2 area. Pip Shephard busy fending off goal attempts with good defence support by Rachel. Macquarie still managed to put 2 into the net, then Emma made a good break to pick up a goal. Sophia, Tega, Jorgia Hibbins and Steph Ferguson played more confidently the longer the game progressed.

Final score: TSS 2 to Macquarie 4. Unfortunately Emma is out with an injured tow after some aggressive defence.

Special thanks to Mrs Ferguson for her assistance. Scoring for Scots: Emma Harley (2), and Emma gets the nod as best player this week.

Mr S. Dundon + Will Hudson and Dan Cousins

Mrs Rianna Deacon provided the soccer photos this week. Thanks Mrs Deacon!

PLEASE ENCLOSE THE CORRECT MONEY AS NO CHANGE WILL BE GIVEN

Please make cheques payable to advancedlife Drawers name and address on the back of cheque.

Return to Mrs Shillabeer with correct cash or cheque. Cheques payable to Advanced Life.

DEATH OF MR. JAMIE SABA

The school was saddened to learn during the last week of the death of Mr. Jamie Saba, a former student of the school, who was well-known to many former and current students because of his enthusiastic participation on the annual Old Boys and Girls cricket matches.

Mr. Saba started at Scots in 1964 in 4th Year, as Year was called then. His family, at that time were living in Canberra. He was a school prefect in 1966 when he completed 6th Year. His name appears on the honour board in the Dining Hall as the Cross-country champion for each of the three years he was at Scots.

After leaving Scots, Mr. Saba was one of a number of former students from the mid-1960s who kept in touch with the school. He was a regular participant in the Old Boys cricket matches, and a few years ago made a generous donation towards equipping the First XI with new cricket shirts to wear at their matches. Unfortunately, serious illness prevented his travelling to Bathurst for this year's match.

The trademark baggy shorts will be missed at future Old Boys and Girls cricket matches.

Mr. A. Maher
Manager, First XI Cricket

PREFECTS 1966

(Back row) D. Ringland, D. Pratley, Jamie Saba, M. Hill.

(Front row) Stanley Pitkin, Mr. A. M. H. Aikman, Phillip Wythes.
