To Ponder...

For every kind of beast and bird, of reptile and sea creature, can be tamed and has been tamed by mankind, but no human being can tame the tongue. It is a restless evil, full of deadly poison. With it we bless our Lord and Father, and with it we curse people who are made in the likeness of God. From the same mouth come blessing and cursing. My brothers, these things ought not to be so ... James 3:7-10 (ESV)

Our first family pet is a border collie. She was hard to train... for the first three months she would not submit, wouldn't look for instruction or accept correction until the relentless setting of boundaries and enforcement convinced her she should no longer assume the alpha pack position. It's hard enough to tame a pet bread for instruction... but our tongues? It seems to have a tap that bypasses our politeness filters, past our etiquette filters, past our self preservation coding and outflows whatever happens to be in our heart. So often – when it really counts – our words let us down.

Where to begin? Probably the best place to start is... “Lord, please help me build up, not destroy with my words...”

Lost Items

Hugh Lennon has lost a black iPod. If anyone has seen one around school, can you please bring to lost property. Cameron Chew's blazer is missing and Cam would appreciate everyone keeping an eye out for it.

Lots of blue jumpers in lost property!
Thanks to all the mums who actually put their child's name on items! It really helps!

From the Headmaster . . .

Thank you to the parents and grandparents who have volunteered their time for the WAS and HICES Junior School Cross-Country Carnivals hosted by Scots. The Western Associated Schools Cross-Country was held last Wednesday on a beautiful autumn day. This Thursday we host the much bigger HICES Cross-Country with 15 schools from Sydney, Central Coast, Southern Highlands and the Central West with close to 600 competitors. Without the support of the Friends of Junior School and parents and grandparents we simply could not do it. Thank you also to Mr Travers, Mrs Weal and our Junior School staff for all the work you do for events such as these.

On Friday 1 June we are hosting a special assembly – **70th Anniversary Scots Beginnings**. It commemorates the submarine attack on Sydney Harbour in June 1942 and the beginnings of junior students from Scots College Sydney staying at the Karalee Country Homestead to keep them safe.

We have invited the students from these first few years to the Commemorative Assembly, for a tour of Scots and a special luncheon. Two of them will speak to the students at the assembly and Andrew Maher has prepared a power point presentation focusing on the broader historical situation at the time and archival photos of Scots in 1942. Andrew has also prepared work sheets for history classes to study in class this week. Parents are most welcome to attend this special assembly from 10.55-11.45am on Friday 1 June.

The following is a brief excerpt from the History of the Scots College Branch School, 1942-45 courtesy of Mr Maher, to provide some background for your interest.

People thought that there was a danger of major cities on Australia's east coast being attacked by the Japanese, and many people began evacuating to inland areas.

People began taking their children out of city schools. Scots College saw its enrolment drop from 720 students at the beginning of 1942, to 580 students by the end of February. The Headmaster, Rev. A. K. Anderson, and the School Council decided that immediate steps had to be taken to relocate younger members of the school to a safer location. Early in March, Rev. Anderson and members of the School Council began visiting possible sites to set up branch schools away from Sydney. Possible locations in Bowral, Penrith and Bathurst were investigated. Eventually, a number of branch schools were set up in different locations away from Sydney. Only one, Bathurst, was to achieve any degree of permanence after the war.

The Presbyterian minister in Bathurst in 1942 was Rev. Alan Dougan (1909-1982). It was he who suggested to Rev. Anderson that Karalee on the O'Connell Road would be suitable premises for a branch school.

The school sent Mr. H. Z. Palmer to Bathurst as the teacher in charge of the branch school. Palmer was accompanied by Miss Norman and Sister Rivers. Scots College approved of Karalee as the site of their branch school, and a lease on the premises was taken out. There has been some confusion over the years about the date that the move occurred. Roger Milton's history states that nineteen boys moved in on 27 April 1942.

As a result of the war, the grounds of Karalee were somewhat run down in mid-1942. Photographs show long grass and a general unkempt appearance. The house provided accommodation for the boys and staff. The Headmaster and his family lived in the room that now houses the school archives. Miss Norman and Sister Rivers had the rooms opposite that are now the Headmaster's Secretary's office and the Registrar and Publicity Officer's room. The present Headmaster's office was the secondary dormitory. It is to be presumed that such a large number of boys were accommodated in there by the use of double-bunk beds.

Downstairs, the rooms where the Bursar's staff now work were the Dining Room and the junior dormitory. The present Bursar's office was the Headmaster's office. The neighbouring secretary's room was the linen and clothing store. The kitchen for the old house was located in the separate room at the back of the building.

There were no common rooms or recreation rooms. Boys spent their leisure time in games outside, or tending the vegetable gardens that provided extra food to supplement wartime rations.

This is just a little bit of background for Friday. I am sure there will be many interesting stories of life in the early days at Scots as retold to us by our visiting speakers. I will also provide a little more history next week.

“One day towards the end of April 1942, nineteen young boys from the Prep School of Scots College, Sydney excitedly clamber on to the train waiting at Central Station that was to carry them over the Blue Mountains to an unknown destination where they were to begin a new life in a country environment that was quite foreign to them.”

R. Milton, *The Scots School 1942-1980* (unpublished, copy held in The Scots School Archives)

No caption for this photo has so far been found in the archives. It shows the first nineteen boys and the staff from Scots College, Sydney, who traveled to Bathurst in April 1942.

Have a good week...

From the Deputy Head . . .

This week I wish to look forward to the principal remaining activities in what is a very busy Term 2.

Exeat Weekend

Classes conclude for the Exeat Weekend Friday, 8th June at 3:20 p.m. Departures during the course of Friday will **only** be approved for Western boarders requiring extensive travel beyond Dubbo. All other students will be expected to schedule their departures after 3:20 p.m. Boarding students will return after 4:00 p.m. on Tuesday, 12th June. The aim of an exeat weekend is to provide day and boarding students with a home break in a very busy and cold Term 2.

Year 12 Parent/Teacher Interviews and Information Session

Friday, 15th June commencing at 3:30 p.m. Students will be issued with their Parent/Teacher booking sheets next week, Week 7, and they will be collected at the end of the week.

The information session to be held in Room 25 commencing at 6:00 p.m. is very important as it concerns the final steps in the process of University applications, EAS Applications and Scholarship Applications. Most students and parents will have completed their interviews with myself and will be well placed to participate in this session.

Years 9/10 Adventure Camp

Mr Dawes is working very hard to coordinate this worthwhile adventure activity. I urge all participating students to consult equipment lists and to commence their planning early so that they are able to gain maximum satisfaction from this camp. I thank the staff involved for their commitment to outdoor education at this school.

22 May 2012

Dear Principal,

It has been brought to our attention that currently, some students travelling on CountryLink services (associated with the School Student Transport Scheme) are exceeding the allowable luggage limit. Some coach companies have advised that they have exceeded RTA weight restrictions which were identified at RTA weigh stations due to excess luggage in both coach luggage bins and the trailer.

Therefore, it would be appreciated if you would remind the parents of students travelling on CountryLink services that the baggage allowance is:

- Each student is to carry **not more than 2 items for stowage in luggage bins on coach services. These are not to exceed 60cm high, 70cm long, 50cm wide** (ie. length, depth and width not exceeding 180cm) and **not exceed the total of 20 kg per item in weight.**
- Each student can also **carry on 1 item of hand luggage** for stowage under the seat which does not exceed 38cm high, 23 wide and 53cm long and **not exceed 5kg in weight.**

The above baggage allowance information can also be found at the bottom of each ticket.

Please be advised that Coaches will decline to accept luggage that exceeds the baggage allowance and CountryLink will not accept responsibility for the transportation of the excessive luggage to the relevant destination.

If you have any enquiries, please do not hesitate to contact the School Travel Officers on 9379 4517 or 9379 2877.

Yours sincerely,

Week 5

Last week was a very busy one with assessments undertaken in class, the hosting of the WAS Cross Country Carnival, culminating in an excellent assembly and Peer Support session on Friday.

The assembly was lots of fun with Speech and Drama students presenting poems, Stage 2 performing a series of amusing mimes they had created with Mr Christie in Drama, as well as a French version of 'Simon Says' from Kindergarten and Mr Lee. A representative from each class gave their speeches to round off assembly and the week.

Next week there will be **no** K-6 assembly, instead students from Years 3 to 6 will be involved in a special assembly marking the 70th anniversary of students coming from Scots College during the war. We will welcome some of those original students to the school at this time. Parents are welcome to attend this assembly.

The **WAS Cross Country** was held in beautiful weather and was an outstanding success. A huge thank you to all the parents and grandparents who provided food for the canteen through baking, working on the barbecue or in the canteen, and to those who helped as officials on the course, it was a tremendous team effort and sees us well prepared to host the HICES carnival on Thursday which will see over 600 competitors participating. The organisation of both carnivals is enormous and Mrs Weal and Mr Travers are to be thanked for their efforts and attention to detail.

Week 6

This week we see representatives participating in the CWA Public Speaking Competition at All Saints and the HICES Debating team come up against Blue Mountains Grammar. We wish all these students well in their endeavours, along with our athletes competing in the cross country.

Indoor Soccer

Unfortunately the draw was incorrect on the website which resulted in all but 3 of our Scots Blue team arrive just in time for the finishing bell. Sarah Knox had a fabulous game making lots of shots at goal and receiving Player of the Week. Charlie Bennett and Lachie Micalos were like bees, all over the court defending and attacking, having a great time despite being outnumbered.

Scots Black had the bye.

Parent information workshop about the Peer Support program which was to be held this Wednesday, 30th May, has had to be cancelled.

Mrs Kerry Robinson

WAS Cross Country

On Wednesday we had the WAS cross country at Scots. We had 170 children from, KWS, ASC, OAG and BMG competing in 4 age groups, 8/9 and 10's had to run a 2Km course which went from the main oval up around the livestock paddocks and back. The 11 and 12/13 group had to add an extra 1Km which was a lap of the Lee Street oval to make a 3km course. A special mention has to go to Angus Crozier who got a first in the 10yr boys race. Also big thanks to the Junior School P & F for putting on the canteen and also to Mrs. Kathy Weal for helping organize the event.

Next Thursday we do it all over again with the HICES Cross Country where we have 14 schools coming to Scots stretching from the Snowy Mountains to the Central Coast.

Year 9/10 PASS Relaxation Exercises

This term the Year 9/10 PASS class have been participating in a range of relaxation exercises. Fortunately we were lucky to have Mrs Bev Walker (mother of Felicity) lead the class through a Tai Chi class. The students were given a taste of five different forms including using fans. The class was very enjoyable and assisted the students to gain experience of some of the movements used in Tai Chi and an understanding of how having an awareness of your body, balance and control of body can assist with preventing falls. Students learn moves such as the ‘Grasshopper leaps over the moon’ and also go to learn how to use fans (pictured below).

We thank Mrs Walker and Mr Walker for giving up their time to teach the class.

Under 14's.

Unfortunately, the U14's match was called off after an injury to an All Saints player. The ambulance took some time to arrive due to a road accident near O'Connell. By the time the ambulance arrived it was too late to resume play. Fortunately, the injured player was later given the 'all clear'.

Thanks to all our players who turned up to have a go and for your consideration in the circumstances.

Mr B.J. Mair, Coach

13's Rugby

TSS 36 VS ASC 5

The 13's continued to improve and were finally rewarded with a much deserved win on the weekend versus ASC. Our forward pack was outstanding with some exceptional work by Jack Morrisson, Aidan Telsfer and Ryan Gordon. Wes Standfield and Oliver Simpson were outstanding getting to every breakdown and adding some promising attack from the forwards. The backline continued to impress with Patrick Harris (3 tries) starting the scoring early with a try using his speed on the outside wing. Andrew Owens (2 conversions) led the forwards around the paddock and was ably assisted by the improved play of Joshua Woods. Hamish Andrews again captained the team well and added two tries from number 8. Zane Rowlandson added a final conversion to round out the scoring. Outstanding performances by Pat Harris and Jason Corliss. Jason Corliss once again led the team with steals and was exceptional in attack setting up several tries. A great game by all the boys. This week we will continue to work on our pick and drive and setting up our backline. Well done.

Mr. Bailey

U15's v. All Saints

Careless errors and poor application of set plays cost the team dearly. All Saints maintained possession of the ball and was able to capitalise on their disciplined play and patience. At the moment Scots are not willing to play disciplined rugby and are attempting to compete with possession of the ball! A lot to work on this week in preparation for Redfield.

Final Score: a 19-0 loss

Best performances: S. Pateman, T. Fitzsimmons, J. DeBoos

Mr Nick Dawes (Coach)

RUGBY CANTEEN HELP NEEDED!

This Saturday, 2nd June, is a home game for our Rugby boys. The Canteen and Barbeque will be operating and assistance from parents will once again be greatly appreciated. The generous contributions of cakes, slices, muffins and biscuits would be gratefully received. Please ring Maryanne Sinclair 0423479741 if able to help, or just arrive. Thankyou.

Maryanne Sinclair Canteen Co-ordinator

A big THANK YOU . . .

"Thank you to the wonderful Friends of Rugby parents who assisted in the canteen and on the barbeque at our recent home game,. A special thank you to the ladies for the delicious and spectacular array of cakes, slices, and biscuits. With everyone's willing help the day was a very happy social occasion and financial success.

Maryanne Sinclair. Canteen Co-ordinator

1st XV v. All Saints College

We were so impressed with our boys last Saturday. They were determined from the beginning to the end of the game to give ASC a solid game and make them work hard for points. They were able to frustrate the ASC players by being aggressive at the breakdown and forcing errors and by taking advantages of the numerous penalties that went in our favour. Having said that, ASC backs were particularly fast and difficult to stop. The second half saw our boys tire somewhat which ASC was able to capitalise upon. If we continue to work on our defence and other aspects of the game, we will continue to improve. Unfortunately, we had one injury this week. Isaac Watt broke his elbow early in the game, though he did not realise it and continue to play for some time. His efforts will be missed over the coming weeks.

Overall, this was a very good result when compared to last year.

Final result: TSS 6 to ASC 50

Best performances: the entire TEAM

Scoring for TSS: Jock Sinclair (2 penalty goals)

Netball . . .

Scots 1st VII (make up match played on 17th May)

Our 1st VII had a very close and exciting evening match against OOT Kestrels in the Hunter Sports Centre. The margin for most of the match was two goals with both teams demonstrating great skill and accurate shooting. The girls probably were finishing the stronger of the teams but fundamental skill errors through centre court due to nerves allowed the opposition to take a lead late in the final quarter which they held to the siren. The girls will need to learn from this experience and try to control their anxieties and nerves when they know that the match is close and when they can see the score on the scoreboard.

Scots Lomond vs Collegian Thunderbirds

A cold day of netball for the girls, but held together with a fun and enthusiastic game. The girls went down by only a few, with Tilly greatly improving on her shooting in the second half and our great defence team, Sarah, Kate, Gwen and Georgia performing some great intercepts. With improved umpiring and a few more training sessions working on the girls passing, they are sure to come out on top with a great win in the weeks to come. Great game, with a destined win next time the girls meet.

Miss Belinda Crain (coach)

Scots Black v. Collegians Kids

A game well played by the whole team. Mel and Georgie were exceptional in the goal circle, and Emma Fricker, Alyssa, Sam and Emily played well in the centre court. Kanja improved her defensive skills throughout the game and stopped many goals. A great win for the team. Keep it up girls!

Scoring: Scots Black 55 to Collegians 28

Best performances this match: Georgie Simcock, Alyssa Weekes, Emma Fricker

Emma Boland

Scots 2nd VII v. Bushranger Bush Gems

The girls faced tough competition this weekend playing the team that won the division last year. All the girls worked well as a team this week, although with a few small mistakes. This enabled the Bushrangers to pull in front and win the match.

Final score: a 38-20 loss

by Ashleigh Fenton

Scots Ness vs. OOT Swifts

Great defence by Scots Ness, with many great intercepts. Unfortunately, we went down to a 14-39 loss.

Best players: Daisy Hibber and Mackenzie Passeri.

Scoring for Scots Ness: Nastasia Reynolds and Alice Gates

Mrs M. Simcock (Coach)

Scots Blacks v OOT (44 to 25 Win) Played 19.5.12

Scores made by: Melanie Hudson, Georgina Simcock

Best Players: The Team

The team played extremely well. Attack and defence was at its best. Mel and Georgie had a great game in attack dominating the OOT defence. Emily gave her all playing the line in attack. Alyssa was outstanding at Centre directing the play. Emma Fricker was inspirational in playing in defence for the first time for a whole match dominating her much taller opponents. Sam and Emma were excellent in defending our goal, cutting off their attack and rebounding strongly.

Daisy was fantastic playing on wing attack to give the other players a break – she linked well with the other players in her first game for our team.

Well done everyone, a great team effort.

Scots 2nd VII vs Oberon Blizzards Played 19.5.12

48 to 22 Win

Best Players: Annabel Shephard and Laura Wright

A huge effort was put in by the whole team this week with the first and second quarter being close in score, the girls managed to pull away in the third. With the strong defence of Annabel Shephard and Felicity Walker and a solid mid court consisting of Lucy Woods and Bronte Doyle. The girls continually fed the ball down the court and into the circle, where Laura Wright and Ellie Craft kept up our score. Leading to a win of 48-22.

Well done girls.

Ashleigh Fenton

Scots Lionesses (5:26 Loss)

On Saturday the Scots Lionesses braved the cold weather to play Netball against the Eglinton Diamonds. This was a very challenging game for the girls, but they tried hard and played well. All of the girls demonstrated good sportsmanship and a positive attitude.

The Player of the week went to Emma Bond for effort and improvement.

Scots Cubs

On Saturday morning the Scots Cubs played Netta against the Bulldogs Pearls. The girls' skills and understanding of the game improves considerably each week. They are throwing stronger passes and positioning themselves on the court better.

Laura Scott was the player of the week for being an awesome little netball player!

Scots SPIRIT (Senior Girls)

Last week the girls played 2 matches. It was a challenging week for the girls as many of the team were also in an exam week. This team is called the Scots Spirit and that is exactly what they represented. They all gave all they had and demonstrated both their growing skills and their inclusiveness of all team members.

On Thursday night they played on a cold and rainy evening against Kinross. It was a very close match that ended with Kinross the victors by 1 goal.

On Saturday they kept the Panda Foxes at bay for most of the match, but unfortunately went down by 1 goal.

Congratulations to all the girls for both their skill and sportsmanship on the field.

Mrs Anne Denmead

Scots v. Churches United Rebels

Zari Newell and Emma Harley traded goal scoring in the first half to jump to a 4-0 lead. Teamwork was the critical difference in this game. Pip Shephard and Giamia Radice scored one each on top of one additional goal from both Emma and Zari. Thanks to parents (mums) for looking after the jerseys.

Scoring for Scots: Zari Newell (3); Emma Harley (3)
Pip Shephard (1); Giamia Radice (1)

Best performances this match: Pip Shephard, Emma Harley and Jorgia Hibbins in goals

Coaches: Dan Cousins, Will Hudson, Mr John Garretty, Mr Simon Dundon

Hockey . . .

Scots 1st XI v. South

Played well even though the opposition was short. Some good passing set up some goals. We started to get tired towards the end, so Souths put in 2 goals, but overall this was a good performance.

Final Result: A 4-2 Win!

Scoring for Scots 1st XI: Hayden Callan, Kieran Ball, Cam Chew, Gulliver Newell.

Under 11's Hockey

Scots Under 11's v Kelso/Souths Under 13's.

This week Scots Under 11's had an abundance of **players**. It was a freezing, sleeting night and players had to move around the Turf just to remain warm. The team played well and it is encouraging to see our new players Jack Kiernan and Belinda Kidd putting in such a great effort. Paris scored 2 great goals, Hannah scored 2 well deserved goals, Morgan, who had a great game, scored 1 goal and Angus Crozier scored 1 goal. It was great to be rewarded with so many goals on such a cold night. Gab Morrison was in goal and managed to stay warm and only allowed 1 goal to pass her –Well done Gab!

Player of the week went to Morgan Bennett this week for a great game!

Parents also deserve a special thank you for supporting their children on such a freezing night!

Score Scots: 6 Kelso/Souths:1 A great win!

Jennie White.
