*"No servant can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money."*

... Luke 16:13 (ESV)

In working through Jesus' words about our relationship with wealth I struggle. I find it hard to become a refugee of my native consumerism... May God give us a heart of compassion and generosity as we recognise how much God has given to us.

Dear Parents,

The Executive of the P&F have began the process of reviewing the **P&F's Constitution**. We have developed an interim document to meet the needs of the Association for the next 12 months whilst further consultation is held on the development of the new constitution. This Interim Constitution will be presented at the AGM on the 23<sup>rd</sup> of October for adoption. If you would like to view a copy of the document prior to the meeting you can either email Gillian Shannon [skdags@hotmail.com](mailto:skdags@hotmail.com) or collect a copy from the School's front office from Monday.

Comments can be forwarded to Gillian on the above address prior to the meeting.

## *From the Headmaster . . .*

The term is well under way with a great first week for our students. The beginning of the Summer Sport Season reminds us how quickly the year is passing by and the beautiful weather invigorates and brings a really positive feel to everyone's demeanor.

I would like to wish Year 12 all the best as they begin the HSC Examinations this week. My prayer is that you will feel confident and self-assured because of the work you have put in consistently over the last year in particular. My advice is that you ensure you keep everything in balance during the next few weeks as you do your exams. Undoubtedly, you will be studying hard but you must ensure you sleep well, eat healthy food and drink water more than anything else. You should also take time for some light exercise and recreation like going for a walk or bike ride or listening to music. Use your recreational time to clear the head rather than fill it with recreational pursuits which involve high concentration. If you are doing lots of computer work as part of your study, try to avoid the computer in your recreational time. Above all, stay calm and relaxed, confident in the fact that your intention is to do your best.

Year 10 begin the Trial Examinations this week and this is very important preparation for the School Certificate Examinations in a few weeks. The advice provided for Year 12 in terms of balance and approach for exams would also be worth consideration for Year 10.

I encourage all students and parents to be actively involved in the Parent Weekend coming up next weekend. Please make an extra effort to watch your child play sport and meet some of our boarding parents who are not here every weekend. On Saturday afternoon the Boarders' P & F Meeting will be at the earlier time of 3pm to allow for a social time afterwards before the P & F Barbecue and Trivia Night. Please be involved in what should be a very enjoyable social evening.

On Sunday morning we have our Parent Weekend Chapel Service which includes the Prefects' Induction. This is a very important time for our new School Captains and Prefects as they take their pledge of office. The task of the school community is to support them in their roles over the next year and this Service is the beginning of doing so.

Following the Chapel Service and Prefects' Induction we will share in morning tea before the Parents and Friends Association AGM. I would strongly encourage your support and attendance at the AGM. There are a number of significant matters to address and report on at this meeting.

Have a good week.

*David Gates*

## *From the Deputy . . .*

This week the Higher School Certificate commences. Examination will be held in the Mathematics Centre with disability provisions candidates accommodated in the Library seminar rooms. I ask that all students respect the movement corridors which have been established to protect the quiet environment around the examination rooms.

May I take this opportunity of extending my best wishes to each and every Year 12 candidate. I remind them to contact me immediately should they become ill or experience misadventure in the examination period.

Year 10 students are also completing their final examinations this week. I urge them to practice their examination skills in preparation for the School Certificate to be held Monday, 7th November through to Friday the 11th of November.

Preparation for House Drama begins this week. I urge all students to participate in this very worthwhile activity. I encourage Year 11 students not to stand back, but to profile themselves as house leaders and contributors.

### **Parent Weekend**

Friday 21st through Sunday 23rd October is our Term 4 Parent Weekend. All students are expected to attend the **Prefect Induction Chapel Service** on Sunday, 23rd October. Parents and students are reminded that any requests for leave must be submitted in writing to the Headmaster in advance. This is an important event in our school calendar and leave will only be granted in urgent situations.

Friday afternoon 21st October the Years 9 & 10 performing arts afternoon will be held at 3:00 p.m.

The Boarder P&F will meet on Saturday afternoon at 3:00 p.m. (change of time). The usual meeting will be followed by a social time before everyone goes off to the Trivia Night.

The Scots P&F will be holding their annual Trivia Night on Saturday, 22nd starting at 7:00 p.m. Parents and students are invited to organise tables. A BBQ tea will be available from 5:30 p.m.

The P&F Annual General Meeting will follow the Prefect Induction Chapel Service on Sunday morning.

Secondary School Sports Bulletin Week 2 Term 4

## Great start to Summer Sports season

It was a huge relief to begin our summer sports season with dry weather allowing almost every team to start their summer season. We thank all the students who were properly attired in the various schools' sports uniforms and encourage them to continue this behaviour.

## Basketball training

All basketball players need to attend training sessions on Thursday afternoons. This is extremely important for those students who play in two summer sports teams. We also encourage all players to bring a water bottle to training and games.

## Hats and Sunscreen

We remind all students who play and train outside that they need to protect themselves from the sun with hats and sunscreen.

## **SCOTS MEERKATS v. Mini-Miners**

Our Scots Meerkats met the Mini-Miners for our season opener on Friday October 14. We fought hard and played with great enthusiasm. Michelle Fairall and Tegan Brunton were eager to play and kept the teams spirits up with their positive re-enforcement. Phillippa Shepherd's tall reach won us the jump ball and many rebounds. Daisy Hibbert's speed and accuracy was able to score her first basket of the season. Jessica Morrison was also quick to the ball and scored her first basket for the team as well. There was great hustle in defence from Putri Moran, India Toole and Alice Gates who played with great focus and hard work. Emma Harley was our fastest player of the game, constantly winning possession of the ball and racing to the basket. Natalie Bowles was our aggressive player of the game, always fighting hard for the ball and giving it her all.

The team played well as a whole but the MVP of the game goes to Ellie Flicker with her tremendous speed and excellent control she was able to score two basket's for the Meerkats and worked her hardest through the whole game. The score board showed a loss of 10-61 but the girls were not woeful, only determined and eager to work hard and improve for the next game. We look forward to another exciting game. GOOO MEERKATS! MEOW!

### Scots Lions and Cobras v. Smidgets

Friday night was a grading game to ensure teams are playing in the correct division. Both teams played well, if not a little rusty. The enthusiasm and effort was fantastic and it was great to see experienced players cheering on newcomers and help direct them on the court.

This Friday is also a grading game.

*Mr Geoff Hayward*

### Jaguars vs. ASC Firsts

Last Friday night the Jaguars began their season with a trial game against the ASC Firsts. The girls worked well together as a team, experimenting with combinations and testing their skills. Kerrie Kwok and Laura Pollard displayed determination and drive on the court, while Ashleigh Fenton was relentless in defense. Melanie Hudson made good in attack as did Anne Christie and Jamarra Newman. Arianna Wood impressed, chalking up points for the team while Megan White and Sally Nicholls proved formidable in support. Although ASC Firsts walked away from the match convincing victors, there was much in the Jaguars' first hit out that promises a solid season for the Scots girls.

*Mrs Angela Davis (Coach)*

### Scots Turnips versus Alokongongia

#### 24-18 Loss

*Exciting start to an exciting season!*

The Turnips took the court with vigour and played a solid game of ball on Friday night. The Alokongongia boys put an early lead and dominated the first half. However, with some level-headed plays from all team members, they drew within two points in the second half. This was mostly because they used man-on-man defence effectively. In the last quarter, the opponents regathered strength and cut through the Scots defence with some fast passing. Hikari Haskida and Ben Druitt both played a strong defensive game. Nick Thompson made several steals and fast breaks. Luke Newman and Eric Kristensen were very strong in attack and at times found good position in the offensive half. Ben Nunan played his first game of basketball and by the end of the match demonstrated a good understanding of the game, as well as intercepting a pass. Brad Corliss played an excellent game, making some remarkable saves and field goals.

With some work on completing fast breaks, the Turnips promise to be a strong side this season.

*Mr Christie (Coach)*

### Lionesses vs. GB Hotshots

The new look Lionesses returned to the Basketball Stadium for their first outing of the season on Friday night to face up to the GB Hotshots. Jessica McGrath pocketed some points while Caitlin McDermid took the match to the opposition. Lucy Blackmore demonstrated some very promising skills when driving towards the basket while Brooke Andrew and Ruby Hackfath delivered points. Alyssa Weekes and Mollie Harley provided continuity on court and Ellie Craft and Jasmine Kanavas displayed some intelligent defensive manoeuvres. The match was closely contested throughout and although the GB Hotshots ran away with it in the end, the Lionesses promise to be a team to watch again this season.

*Mrs Angela Davis (Coach)*

## **TENNIS . . .**

Tennis October 15 2011

A successful start with a new format to the new season of tennis. The WAS tennis competition now has three age divisions, Junior, Intermediates and Seniors, replacing the five age divisions of previous seasons. It also means that both Kinross and Stannies with field two teams with All Saints and Scots one team each.

In the Senior Division Kal Manning had a good singles win 5 sets to 3 and Tim Burrey managed a draw with his opponent. Lachlan Conyers and Jacob Mason were not so successful in their matches.

The Intermediate team of Jasmine Kanavas, Jack Bird, Hayden Callan and new team member Ben Allen all had convincing wins in their doubles and singles sets, total of 39 to 9.

All Saints was a player short in the Junior Division which meant our reserve Daisy Hibbert was able to fill in for the absent All Saints player, giving our three Year 7 girls (Emma Harley, Zari Newell and Daisy) a more gentle introduction to WAS tennis. Meg Booth and Eliza Crozier won their doubles 7:1, Eliza had an 8:0 win over her opponent. The All Saints boy proved too strong for Meg in her singles.

Well done all.

Peter Matus

**Please be sure your name  
is in your hat!**

## **CHESS . . .**

On Friday the school chess team went to Wellington to play St Marys Central School in another round of the Chess Competition.

This was always going to be a tough round for our players as we no longer have the Year 12 combination of Elliott Chew and Milaine Longmore on boards one and two. This meant that our other players had to set up two positions. With Ben Spence and Hayden Calhan now on boards one and two, Zac Gates took board 3 and Koby Wilson filled in on board 4.

We won only two of our games however the efforts of Ben and Zac secured a victory for us. Overall I would like to congratulate the team on their efforts. Well done!

# CRICKET . . .

## UNDER 14 CRICKET REPORT

A very promising start to the season for the Under 14's, despite a first innings loss to last year's premiers Rugby Union. Bowling first, we restricted our opponents to 9 for 88 at the end of their allocated initial 25 overs. All the bowlers bowled well, with Jono Gates (3-12) and Luke Newman (2-12) the major wicket takers. Jono had all batsmen bewildered with his unorthodox spin. Coming out of retirement, Nick Thompson also claimed a wicket as did Henry Quant in his first match for the team.

Whilst our bowling was very pleasing the teams' effort in the field was outstanding. The ground fielding of all players especially Henry Quant, Hugh Lennon and Nick Thompson kept constant pressure on our opponents, with Henry taking a great catch at fine leg.

With only a moderate total to chase we felt confident of securing the required runs. Unfortunately, once again "chasing" a total and early season jitters brought us undone. Jono Gates with 23 led the way with the bat. Lachie Marshall, Hugh Lennon, Luke Newman all looked good at the crease and with more practise should score plenty of runs during the season. At the end of the innings Nick Thompson provided determined resistance, showing a solid technique indicating a promotion in the order.

All in all the first day of the season provided many positives on which to build. My thanks again to Bill Marshall for scoring for the team, Bill's meticulous approach to this task is greatly appreciated!

*B.J.MAIR (Coach)*

### **First XI v. Stannies 2nd XI**

A great performance by a new and inexperienced team. A great effort in the field and some excellent bowling. We need to work on our batting and catching. A good start to the season with plenty to build on and plenty to work with. The upcoming season looks positive if we keep our heads down and continue our hard work at training.

#### **Scoring for Scots 1st XI:**

Kieran Ball (1 for 17 off 5); Michael Hubbard (1 for 11 off 4); Jock Sinclair (2 for 18 off 8); Zac Gates (0 for 11 off 4); Cameron Chew with an unbeaten 32.

Best player this match: Cameron Chew (32 runs and an out).

Final results: Stannies won by 4 wickets.

*Mr Adams and Mr Les Lovell*

### **Scots 13's v. St Pat's (day 1 of two-day match)**

St Pat's batted first and scored 9-52 off 20 overs. We then went into bat and after 20 overs are 0-94, with Ned Dawson and Patrick Harris being retired. In the first game of cricket for many of the boys it appears that we are in a strong position. All the boys bowled at least one over. Anthony DiGregorio and John Ou were strong in the outfield, with Anthony taking a catch. Next week a result will be determined, hopefully in our favour.

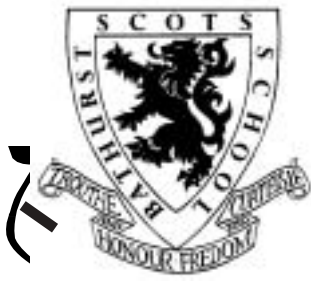

#### **Scoring for Scots 13's:**

Ned Dawson (16 not out); Patrick Harris (30 not out); Aiden Telfser (3 not out); Sam Flude (10 not out);

Bowling:  
Ned Dawson 2 for 3; Aiden Telfser 1-0; Patrick Harris 2-3; Jason Corliss 1-8; Will Brancourt 1-5; Connor Behrendt 2-5;

Player of the day: Patrick Harris - 30 runs - retired; 2 wickets for 3 runs bowling; 1 catch.
