## *To Ponder . . .*

*I praise you, for I am fearfully and wonderfully made.*

*Wonderful are your works; my soul knows it very well.*

*My frame was not hidden from you, when I was being made in secret,  
intricately woven in the depths of the earth.*

*Your eyes saw my unformed substance; in your book were written, every  
one of them, the days that were formed for me, when as yet there was none  
of them.*

... Psalm 139:14-16

Can you think of some wonderful works? Slow down, think of some and then give thanks to our good Father in Heaven who knows us and delights in us.

## *From the Headmaster . . .*

The recent weekend has seen some very positive sporting results for The Scots School with eight out of nine Senior School Netball teams winning their matches, the 13s and 15s Rugby teams enjoying strong wins and the 1sts Hockey performing very well whilst trying a few different things and giving some less experienced players a go in the 1sts. The Open Girls' Soccer enjoyed a strong win and are improving all the time and the 16s Girls' Soccer played well for a close loss. Good results are also being reported from the Equestrian in Coonabarabran with full results available following their return later in the week.

Year 10 will undertake their mandatory Geography Field Trip, as part of their curriculum in studying Australian environments and changing communities, later this week. They will undertake field work study in urban growth, decline and renewal in the Pyrmont area; complete a case study of Leichhardt with a focus on the Italian community; and also focus on urban development of the Pittwater coastal area. I would like to thank the HSIE Department for organising this excellent opportunity for Year 10.

The Bathurst Preparatory School students are really looking forward to their Disco on Thursday this week. It has been organised by the Parents of Prep group with a small committee of parents very busy making sure it is a great night. This is a fundraising event for the Preparatory School P & F and will be wonderful fun for the students.

The Scots School has been very committed to joining with our local community to raise funds for Bathurst's sister city, Okuma, following the March earthquake and Tsunami. The special collection taken up at the Parent Weekend Chapel Service raised \$788 and this was followed by the Senior School SRC hosting a disco with 'red and white' theme to raise more money following the Half-Yearly Examinations last Wednesday. It was an excellent night with good attendance and a fun time was had by all. Another \$858 was raised for the Okuma Appeal and a mufti day towards the end of term should take The Scots School contribution to somewhere near \$2,500. This is a great effort and special thanks must go to Mr Dawes who has been the key person behind this effort at Scots.

Have a great week.

*David Gates*

Iori Hashida and Angus Dunn -- red & white even to the hair! Well done boys! The Okuma fundraiser was a great success.

# Public Speaking . . .

## Lithgow Festival of Speech

On Tuesday 17<sup>th</sup> May, a group of keen Scots debaters and public speakers headed down to Lithgow High School to take part in the annual Festival of Speech. The event is designed to provide new and experienced speakers with the opportunity to flex their rhetorical muscle in a full day of competition with speakers from around the region. Scots fielded four debating teams and three public speakers.

The Year 7 team consisting of Tegan Brunton, Nastasia Reynolds, Samuel Flude and Emma Martin gained confidence in every round and finished the day with a well-deserved victory in the final round. The Year 8 debaters; Alice Gates, Rachel Hibbins and Putri Moran valiantly battled through three rounds without the aid of a thinker and were unlucky to come away without a win, notching up a series of very close losses.

The Year 9 team of Sophie Ireland, Meredith Spence, Jack Bird and Cameron Chew rose creditably to the challenge of competing against some formidable opposition and learned much from the experience. Caitlin McDermid, Jessica McGrath, Hugo Newell and Milann Henderson acquitted themselves well in the senior division, showcasing their vast general knowledge. The public speakers also performed well, presenting both a prepared and impromptu speech. Charlotte Inwood was awarded first place in the senior division, Robbie Hayward gained second place in the junior division and Benjamin McGrath spoke with aplomb.

I would like to take this opportunity to thank all the students for their impeccable behaviour and stellar efforts on the day.

*Mrs Angela Davis*

## HICES Debating

The last few weeks have been busy ones for Scots debaters with Rounds Two and Three of HICES debating held at Blue Mountains Grammar School and Kinross Wolaroi School respectively. The competition involves students from a variety of age groups with Scots fielding teams from the Prep School right up to Year 12.

The Junior squad consisting of Jorjana Micalos, Jack Morrison, Aiden Telfser and Madison Smith continued to grow in confidence throughout both rounds as they edge ever closer to a win. The Middle team of Jesse Wells, Stephanie Ferguson, Putri Moran, Michelle Fairall and Benjamin McGrath claimed their second victory of the competition in Round Two and notched up a closely fought tie in Round Three to preserve their unblemished record.

The Senior squad consisting of Jonty Boshier, Meredith Spence, Zoe Behrendt and Kanja Le Roux rallied after a defeat in Round Two to come within one point of victory in Round Three. The Open team of Millaine Longmore, Saranne Weekes, Sarah McKay, Georgia Brancourt, Jessica McGrath and Caitlin McDermid were also unlucky to miss out on a win in Round Three after an impressive performance.

I would like to thank all the debaters for their continued commitment to the competition and wish them well in the final round which will take place on home turf on June 21<sup>st</sup>. Special mention to Daisy Hibbert, Patrick Harris and Emma Harley who offered their assistance as officials at Blue Mountains Grammar School.

Over the weekend we had some outstanding sport results. All of our eight of our nine netball teams had a win, all the rugby teams that played had a win, our 1<sup>st</sup> XI hockey had a good win and the 4<sup>th</sup> grade women's soccer team had a great win. Well done! It is important to remember that no matter what the result, that each and every student tries their absolute best, is supportive of their team mates, is gracious in victory and defeat and tries to have fun. Great work kids, you all deserve a break this weekend. Enjoy the exeat weekend.

## Indoor Soccer . . .

### Indoor Soccer Scots Lion Vs Blue bandits

This was an exciting match which showed that we are going from strength to strength in every match. It was highlighted by Jorja's very first goal for which she was selected as player of the match!

Claire had a great first half with some excellent saves, clearing kicks and defensive tackles before volunteering to help The Bandits in the second half. Ally passed the ball well and withstood enormous pressure in goals saving some very powerful attempts. Austin was strong as usual in defence, continually kicking away from the opposition and reducing their scoring opportunities. Sophie was outstanding in goals and Belinda took an excellent pass to then fire it into the net.

Next week's game is at 5:45pm.

### Indoor Soccer Scots Strikers Vs Blue Dragons

The Dragons players were late to the game which forced them to forfeit, however 10 minutes into a friendly match they were at full strength. The first half can only be described as a 'shot fest' as we attacked the opposition goal relentlessly and at times getting into each others way! The ball went wide in every direction; hit the posts and crossbar, everywhere but into the net! The second half saw a more settled and tactical game which resulted in 5 goals. Andrew Knox scored 2, Reilly Mitchell 1 and Angus Druitt in his new speedster shoes scoring 2 goals, one from a free kick which went straight through the wall of opposition. Reilly's goal came after Bethany's penalty shot rebounded. Bethany and Evan had fantastic second halves, passing and spreading out effectively. Gabby and Jake were very solid in defence and always there to save

the day. It was enjoyable second half following the frustrations of the first and a resounding win to the Strikers.

*Mrs Kerry Robinson (Coach)*

## Soccer . . .

### Scots C Grade vs. All Saints (5/6/11)

This week's game was a great success, resulting in a 5-0 win against our rivals, All Saints College. The girls displayed their improved skills and teamwork throughout the match. In the first half our girls were able to pocket 4 goals, giving us a strong lead over our opposition. In the second half All Saints put up a fight, enabling us to only score one more goal. Our scorers throughout the match were Alayne White, Alexandra Bird, Megan White and Bec Norris. Our defence throughout the game was strong and our forwards worked well together, with the help of our strong midfield players.

*Nikki Butler/Ellen Mackenzie*

### Scots Spirit v. Pandas

A good game played in very cold conditions. Our team generated some very exciting play and lots of great chances. Unfortunately our composure failed us under pressure meaning we were not able to convert pressure to goals, but much improved and great spirit with the Spirit!

Final score Scots 0 to Pandas 1

Best players this week to: Tash Ryan, Ruby Hackfath, Alyssa Weekes.

*Mr Adrian Lee (Coach)*

# Hockey . . .

## **Scots 1st XI**

With the 15's not playing this gave us the opportunity to give a number of younger players a run at this level. Well done. Against a slightly weakened third placed team, we were also able to try various combinations. Goals to Cameron Chew, Andrew McPhee (two), Elliott Chew, Isaac Watt and Stef Schultz in a strong win 6-1.

Big game tonight (Monday, 6th June) against St Pat's, the frontrunners.

*Coaches I. Doney/H. Taylor*

## **Under 11's Hockey Report 1.**

After quickly dividing into 2 teams in 60 seconds we ran onto the field with 8 players a side. We placed Jack in goal and he did a great job and made many saves. Morgan and Hannah led the team with enthusiasm and Angus, Gabbie M and Allie moved about the field well making up for a few less players. Amber survived a hit on the knuckles and bravely went back on to help her team. We were fortunate in the second half to have Connor arrive and he played many great defensive shots – stopping quite a few goals. We didn't win but we played well and now know we have 2 teams in the comp.!

Players of the week for this team were Hannah and Jack.

*Mrs Jennie White*

## **Under 11s Hockey report 2.**

Last Friday night Scots Played St Pats in a very entertaining game of hockey. The team played very well together and fought for the win till the very end. Many shots were taken at the goal by Jaidyn, Aiden, Paris and Angus, but unluckily none were successful. John made a very courageous run up the middle of the field and only just missed getting a goal. Josh Chew also had a blinder of a game in goal, keeping the opposite team on their toes for the whole match. Josh Rosin and Jay-Jay did an extremely good job at holding up their position in the backs with Josh continuously clearing the ball. All players played very well and with a lot of sprit. Unfortunately 3 goals were scored against them in the last 15 minutes. A big thank you to Hannah (a senior player from the school) for coaching the team and helping with positioning.

Thank you to Zac Telfser for writing this report!

*by Zac Telfser*

## **Under 13s vs. Kelso Souths**

**Result: Loss 0:5**

Our opposition was down quite a few players on Friday afternoon and in the interest of having a game we supplied a couple of our team members to even the numbers a bit. However playing an under strength team is always difficult as it is hard not to be complacent and our team struggled to deal with a few strong players from their centres and the striking power of one of our own playing in the opposite direction! We regathered our minds in the second half and played a much more thoughtful game and while we didn't add to our score certainly added to our match performance! If not for an occasion of rather bad advice from some mysterious black and grey clad team manager from the sideline our team had almost an even second half. Sam Flude playing at Left Half was instructive to the rest of the team on how to attack the ball in defence and Hannah Crozier had a much better second half as she began to run for the ball and stand firm in her tackles. Well done U13's, looking forward to our Monday night game!

*Mr Gittins*

# Netball . . .

## **Scots vs. Calare**

As for the last game of the season, it was well played and great teamwork was achieved. Our team was greater prepared as we had recently played Calare and were aware of their tactics. Everyone worked well together, making intercepts, rebounds and drives, regardless of size and aggressiveness, the team never gave up. We kept positive and had an enjoyable time. Although Calare managed to overcome a win over us this week, we continued to improve. It was a great game to finish the season. Special thanks to Emily Zell for playing up this week. She was a terrific help and is an excellent player.

Final Score: Calare 43 to Scots 39.

*Stacey Callan*

## **Scots Celtics v. Firecrackers (B Grade)**

We played the bottom placed team from B grade this week. The girls played very well both in attack and defence. It was a close game throughout, but our superior defence -- Jess and Georgia -- were outstanding and caused a lot of turnovers which gave our attack the opportunities they needed. All girls -- Eleanore, Laura, Sarah, Saranne, Gabby, Jess and Georgia showed great teamwork and excellent play throughout the game. Well done!

A Win -- 26 to 21

Scoring for Scots Celtics: Sarah McKay and Saranne Weekes.

*Mr Paul Cameron (Coach)*

## **Scots Cubs**

On Saturday the Scots Cubs played the Collegians Chipets in arguably the most exciting game of the season. A fantastic defence from Genevieve and Aly saw the first quarter end with a score of 0:0. In the second quarter Isabella scored two goals and Jess scored one. Bethany did a brilliant job positioning herself on the court. Lizzy demonstrated strong passes. Faith and Emma provided a wonderful defence. The girls showed great improvement with their placement on the court and not crowding around the ball.

The final score was 3:0 (win). The Chocolate Ball Award went to all of the girls for their fantastic effort and achievement.

*Mrs Sarah Milligan (Coach)*

## **Scots Lionesses**

The Scots Lionesses had a challenging game on Saturday against the Out Of Touch Maggies. The first quarter finished with the Lionesses two points behind the Maggies with a score of 2:4. The Maggies' lead increased in the second quarter. The Lionesses fought back hard in the third quarter to gain the lead (15:10). The girls continued to play well in the final quarter and maintained their lead, finishing the game with a score of 19:14 (win). The Lionesses have finished the main rounds on top of the ladder and will go on to play in the semis in two weeks time.

The Chocolate Ball Award went to all of the girls this week.

*Mrs Sarah Milligan (Coach)*

## **Scots 14s 7 V Oberon Snow Devils 3**

This week Scots 14s played their first final and scored a convincing win against Oberon. The standard of play was high, with our girls passing with precision and skill. The goal shooting was shared this week with excellent results. As usual our team continues to improve game by game.

Congratulations to the girls for their dedicated team spirit and high level of sportsmanship.

Players of the Week: Mackenzie Passeri and Putri Moran

*Mrs Michelle Simcock*

## **Scots Rangers vs ASC3**

**Score: 24-22 WIN**

The cold conditions of Saturday produced an unfavourable environment for the girls to play in but did not deter them from giving their all in the game. Tough, rough competition was our biggest obstacles in the game; along with the opposition close on our heels the entire game. In centre court Libby, Arianna and Lucy were great in gaining the ball and directing it down to our teams goal end where we had Ellie and Mollie working the best together, communication and all, in getting in our goals.

On the other side of the court we had Jasmine and Flick working well on intercepting the balls and gaining the rebounds and getting the possession back for our team. Big thanks to all the girls this week for playing hard and good luck for the next round.

Player of the match: Jasmine Kanavas

*By Mel Hudson*

# Rugby . . .

## **TSS 15's**

The team was very pleased that they were able to get a game this week against KWS 15B's, as we did not have a game last week. Overall the game was played in good spirits with Scots ending up winning. Although KWS' defence was a little weak. I thought their structured play was much better than ours, particularly at the line out and scrum. This I believe will be helpful for us as it has identified areas where we need to improve.

On another positive note, many of our players put in fine individual performances. A win to Scots.

A special thanks to all the 14's players who played for us allowing the 15's to field a full team. Well done to all the boys and thanks to the parents who came and supported.

*Mr Richard Mottram (Coach)*

## **U13's v. St Pat's Strathfield**
