## To Ponder ...

*Q'n 6.* How many persons are there in the Godhead?

*A* There are three persons in the Godhead; the Father, the Son, and the Holy Spirit; and these three are one God, the same in substance, equal in power and glory.

When we look at the life and work of Jesus we see God's life and work. When we experience the encouragement of the Holy Spirit we know God's presence.

*"But when the time was right, God sent his Son, and a woman gave birth to him. His Son obeyed the Law, so he could set us free from the Law, and we could become God's children. Now that we are his children, God has sent the Spirit of his Son into our hearts. And his Spirit tells us that God is our Father."*

Galatians 4:4-6

What staggers me is that we are called to take part in this eternal and divine relationship. I think we will never be satisfied until we do.

**Mrs Betty Ives celebrated her birthday recently and was delighted to receive a visit from Ives House representatives Emma Clark and Ben Riley. Happy Birthday Mrs Ives!!!**

## From the Headmaster . . .

The Class of 2004 held a very successful five year reunion on Saturday night. The evening was very well attended and organised. It was very encouraging to meet so many ex-students who are contributing so much and making their way successfully in the world. There were many good times relived and the affection this group of students have for the School was palpable. Thank you to the eight members of staff who attended, your presence was very much appreciated by all concerned.

A number of tertiary and training organisations will have people visiting the School this week to enable Year 12 students opportunities to investigate and learn about career pathways to assist them in considering their options for the future. Thank you Mrs Fleming for mentoring our students in this very important process

I look forward to Tuesday's Morning Tea and Assembly when we acknowledge the achievements of students who completed the Cadet Leadership Training last July holidays. They will have important roles in assisting our Cadet Unit to become even better. It will greatly assist the Unit become a student led group.

Good luck to the ISA team at Tuesday's Carnival at Homebush Olympic Park. It is a great experience and I am looking forward to their performances, particularly given their determined approach evident at the recent WAS Carnival.

It is with sadness that I pass on the news from Mrs Kerry Robinson that she is resigning from the position as Head of the Preparatory School, effective from the beginning of next year, a position she has held since 1999. Throughout this time she has worked tirelessly to build this part of the School to the highest standard. The outstanding report from the Board of Studies Accreditation reflected the leadership and influence she has had on the Preparatory School. The greatest tribute to her service is the happy and contented nature of our Prep students and the excellent quality all of our students achieve both in and out of the classroom. Mrs Robinson, fortunately, will remain in the Prep School next year as a classroom teacher.

Welcome back and congratulations to Angelique Kelly who has returned from performing at the Edinburgh Military Tattoo with Nikki Butler (Nikki is returning in a few weeks time) and other members of the Ozscot dancing team, a great experience performing at this event in front of thousands of people over a four week period.

## ***Blue, Black & Gold Ball***

Tickets will go on sale next week, so watch the *Highlander* for full information on how to purchase your tickets for this fantastic event.

**Congratulations .... to Meg Eisenhauer** (Year 11) who was been accepted to attend the Sydney Symphony's Playerlink Workshop in Orange over the weekend. Meg plays the flute (quite adeptly) and it is an honour to be chosen from a huge range of applicants for this workshop. Meg also learned earlier in the week that she has been awarded a scholarship at the Mitchell Conservatorium of Music for her continuing flute tuition next year. Well done, Meg.

## **Friends of the Pipes & Drums Annual General Meeting**

The AGM for the Friends of the Pipes & Drums will be held on Tuesday, 22nd September beginning at 5:00 pm in the School Library. All are welcome. All positions will be declared vacant.

*Cheryl Gilbert  
(Outgoing Secretary)*

**Vaccination forms to be back for Hepatitis B (2<sup>nd</sup> dose)  
which takes place on 15 September 2009.  
No form no vaccination!**

## **Legacy Day Badge Representatives**

One of the traditions of the school has been participation in the annual Legacy Week Badge Day. It has been usual for Year 10 to spend some time in town selling Legacy badges to raise funds for this organization. Last Friday, 21 of our Year 10 students made the trip into the local shopping centre to continue this tradition.

The students were assigned various spots in the shops bounded by Russell, George, Durham and Bentinck Streets. At the end of the two hours, they returned to the Legacy base at the Bathurst Senior Citizens Club to return their money. Many had sold out of badges, and a couple had even managed to sell \$50 badges. Legacy provided some sandwiches for lunch, and something to drink before the students were returned to school in time for Geography.

The school would like to thank Year 10 for their efforts in supporting an important community activity. I was in town with them, and many people, many with no association to the school, commented to me on their good manners and there were favourable comparisons made about the way they presented themselves in their uniforms. One lady even proposed enrolling her son here if we could guarantee that he would turn out like one particularly impressive Year 10 student!

The highlight of the day for Millaine Longmore, Jack Saunders, Andrew McPhee and Lachlan Perry was the discovery that Bathurst Music had kazoos on sale for \$2.00. Herr Klaus Zauner who plays the kazoo in the Vienna Philharmonic (yes, a couple of contemporary compositions have a part for one), however, need not fear his position—there was a recital on the bus coming back to school so we know this.

Mr. A, Maher

It is appropriate that this level of staff contribution is recognised here.

I took great pleasure in attending the 2004 5-year reunion on Saturday evening. It was again affirmed for me that Scots students are very special. They are grounded, capable, compassionate, good humoured and ambitious people who maintain an interest in and loyalty to their school.

# The Scots Preparatory School

## Congratulations

To the students from Year 10 and the Prep students who were involved in a sporting program of indigenous games last week. The session was an integral part of the PDHPE studies of Year 10 requiring them to research and teach an indigenous game to a group of younger students. Both Mr Adams and the Prep staff involved commented on the skill and level of preparation of Year 10 and also the high level of cooperative participation of the Prep students.

To the Under 11 Hockey team who came away with a convincing victory at the Cooke Complex on Friday night to put them into the Grand Final on Friday the 18<sup>th</sup> September. Unfortunately due to After School care commitments I am unable to attend the matches but I know they are well supported by Mrs Vance and a happy band of parents who love nothing better than the buzz of Friday night hockey.

## Fathers' Day

I sincerely hope that our fathers enjoyed time with their families over the weekend and made the most of the glorious spring sunshine. The children were very proud of the cards they had made for their Dads and I know their heartfelt comments and wishes will have brightened your day.

Our bi annual Fathers Day breakfast and Tug-o-War will feature again next year as it runs alternately with the Creative Arts concert.

## Concert Update

Only 3 weeks before the big event which is beginning to generate a lot of excitement as items are pulled together and polished. A reminder of important details is set out below.

**Date:** Friday 25<sup>th</sup> September commencing at 7pm. The concert will conclude by 9pm.

**Venue:** The Aikman Hall

**DVD:** The concert will be filmed professionally by Revolutionary Productions and therefore parents will not be able to film individually. This allows you to enjoy the concert and to also have a long living memory of the night to share with friends and family. I know it will be a source of joy and amusement for many years to come. The school does not make any profit from this venture and we need to pre sell enough DVDs to go ahead with the project. Please place orders as soon as possible to secure your

copies. Don't forget the grandparents- what a wonderful Christmas gift!

**Finale: All children are required to stay until the end of the concert to participate in the final item which we are practising with Mrs Garland.** I appreciate that this will be a late night for little ones but please consider all the effort and hard work put into the concert by the children and the staff and to leave before the finale would be disappointing. It is a time to celebrate and enjoy the reward of team effort and hard work. We have deliberately not offered supper or built in an intermission which lengthens the evening considerably, as we are aware of the rest needs of our students.

## K/1/2 Item

Without giving too much away about the item there seems to be a lot of waddling going on and lots of guitars and seaside items appearing. Children have been asked via previous notes to bring in long white pants and white skivvy as well as black socks and black gloves. All other accessories are being made at school. There is still need for child sized fishing rods which can be left with Mrs Inglis or Mrs Hallahan as soon as possible.

## Stage 2 Item

Thank you to the parents who met last week to discuss costuming. All students need long black leggings or tights or track pants along with long sleeved black skivvy type tops. These can be brought in as soon as possible in a labelled plastic bag. The children will perform with bare feet so some attention may need to be paid to anchoring tights under the foot and still leaving most of the feet bare. Other requirements will be sent home via the diary, this may include a set of paws for some animals or stitching up a pre cut head piece.

## Friday Sport

Primary students are enjoying their current sport program which includes Rugby for boys and swimming at the Aquatic Centre for girls. Rugby will continue for the next two weeks.

## Experience Days

A number of students will be having experience days in the Prep School this week as they anticipate enrolment in 2010. This is an excellent opportunity for students to meet prospective class mates and to allay any worries or fears they may have about the school. Our students are always particularly welcoming and friendly making it a most valuable exercise for all concerned.

Parents, Grandparents, and Friends ... you are invited!

Pre-Prep and K-6

The final speech for the year is set for homework in Week 7. Notes were sent home on Friday to allow two weekends for preparation of the speech. Finalists will be selected on the basis of all three speeches and they will participate in the Public Speaking Finals held in Term 4.

### Indoor Soccer

Mr John Rush from Indoor Soccer will visit the school on Wednesday this week to make a presentation to the school in recognition of our support of Indoor Soccer through the participation of our two teams from Stage 1. They are having a wonderful time in the current season and look forward to their hard and fast match each Tuesday afternoon. We look forward to a match report every Wednesday morning which last week began with ‘We lost nil to zero! ‘Without fail though there is an amazing sense of enjoyment and pride evident in every game. The matches are usually hard fought and the ‘Scots’ are often coming out on top! Mrs White and Mrs Hallahan are doing a wonderful job managing the teams. The season will conclude at the end of the term.

**Parents remember: every *Highlander* can be viewed in colour on the Scots website [www.scots.nsw.edu.au](http://www.scots.nsw.edu.au) or you can have your *Highlander* emailed to you.**

### Indoor Soccer Report Tuesday 1<sup>st</sup> September, 2009.

Well done Little Scots for your hard work this week. Everyone is staying focused and trying their very best. The ball is constantly moving around the court and all players are working really well as a team. Keep up the super effort!!

Congratulations to Player of the week Belinda Kidd for her enthusiasm this week.

Next Tuesday 8<sup>th</sup> September Little Scots have a bye. Scots Lion will kick off at 6pm.

The date scheduled for Pre-Prep is Tuesday 15<sup>th</sup> September between 10am and 2pm. Parents simply need to fill in the permission note and your child will be tested. The results are posted directly to parents who can follow up with an Optometrist Appointment if necessary. If your child does not attend on this day and you would like them to be screened you may bring them in just for your scheduled appointment. Please return notes now!

### Pre-Prep and Prep School Concert

The concert that you may have heard your children talking about is to be held at the Aikman Hall on Friday evening 25<sup>th</sup> September. Parents and extended family are all welcome so please set aside the date. The children have started practicing lots of songs and are already getting

very excited. You should have received your note about costume requirements. Please check with with your child’s teacher if you are experiencing any difficulties.

### Concert DVDs

A note went home about purchasing a DVD of the School Concert. This DVD is of a high quality in both sound and close up footage of the children. It has all their names on the credits and is done very professionally. It is a lovely keepsake to show family and friends and revisit over the years. If you would like to see a copy of the last Pre-Prep and Prep School Concert made by the same Company I would be happy to put it on in the Classroom for you to see.

### Pre-Prep School Photos

On Tuesday 29<sup>th</sup> September Local well known Photographer Frank Colzato will come and take Class and Individual Photos. The photos are always of an excellent standard and a note and envelope will come home with your child this week. We would appreciate it if those children that don’t normally come on Tuesday can come at 9am so they can be included in the Class Photos.

# Lithgow School

Welcome to Week 7

## Lithgow Library Book Week Competition

A Big congratulations to everyone involved in this. Mrs. Lang's Pre-Prep had three award recipients, Lucy O'Brien and Isabella Tesoriero both received a win, and Miller Mendham received a Highly Commended for the Pre-School colouring competition and Mrs. Pringle's Prep Class was a winner of the Small Schools poster competition. All were all awarded a prize pack from the library. Thank you to those families who attended this celebration at the town library on Friday afternoon last week. (Lucy O'Brien and Miller Mendham pictured below)

## Healthy Lunch Boxes

To help promote learning in our students, we ask that **all** children please bring in at least one piece of fruit to have at morning tea time. Fruit is a terrific source of necessary vitamins and minerals that help keep our brains focused through the day. Additional Information will be sent home with the Highlander this week about healthy eating from the 'Munch and Move' program.

## School Photos

We had our school photos last week with Pixi Fotos. The day, although somewhat disrupted, went smoothly. Thank you to all those families that bought their children in for this and then stayed for the hour that it took to get through everything. Liam informs us that the photos should be returned to the school within six to eight weeks and I will keep you informed on this matter. The children all looked well groomed and sparkley.

## Book Club

Issue 6 orders are due back this week.

## Community News- PCYC Disco

The PCYC is holding a spring fun disco on Friday 18<sup>th</sup> September from 7-9pm. Children can come dressed as their favourite flower or something they love about spring. Children from 4-13 are welcome to attend at a cost of \$5 each. While fully supervised parents are welcome to stay.

## Lithgow Prep School News

We have been busy working on some special surprises for Father's Day over the past few weeks and hope that all of our Dad's had a wonderful Father's Day last Sunday.

Infants students have produced some wonderful projects on different animal homes, and we have researched a variety of others in class. Along with the pre-prep students on Friday we also had fun making and painting a cubby house out of cardboard boxes, making sure that we included all of the finer details to make the boxes a home!!

Primary students have been busy too; presenting projects on gold in ancient civilizations. Many students tried using power point presentations for the first time which worked very well.

## Lithgow Pre-Prep News

### Sounds Programme

Last week we talked about the letter V. In our Ants in the Apple song we learnt about Vampires Vacuuming. We made Vultures, Vines, Vegemite Sandwiches and Vans full of Vegies. This week we are looking at the Letter E. Things to look out for are elephants, eggs, and lots of eight.

### Police Visit

Don't panic if you happen to pass by on Friday this week and see the local Police patrolling the premises. We are having a visit from the boys in blue. We thought this would be a great way of introducing people in our community who help us, to the children and a fun way of learning about the letter P. Please ask your child what they have learnt from this experience.

### School Reports

All families should have received their child's reports by now. If you would like an interview with Mrs. Lang then please add your name to the list on the sign in table and I will get back to you with the details as soon as possible. If you have any questions they can be answered at this time.

### **Hand Towels & Pillows**

Could each child please remember to bring in their own hand towels. We do have paper towels for the children to use when they forget their own, however, it is not a very environmentally friendly practice to encourage, as children tend to use more than they need. Each child also needs to have their own pillow for quiet time which we have each day. Sharing of these pillows is not very appropriate as head lice can be spread in this manner.

*Take Care

## Netball . . .

### **Scots Edinburgh (A Reserve) v. CSU Yellow - WIN 27-25**

A tough semi-final match against an aggressive yet fast team. We managed to get an early lead through excellent goal shooting from Mary-Ann and outstanding defence from Kaitlin, Brooke and Monique. We held the lead until 3rd quarter time when CSU began a comeback. A spirited effort by Hilary and a cool head with Monique in the shooters role allowed us to finish off a tense final quarter with a 2-goal advantage. Scoring by: Rachel Fenton, Mary-Ann Porter, Monique Kellond. Best performances from Mary-Ann Porter, Kaitlin Wright and Hilary Stevens.

Next week we play All Saints at a time to be announced.

*Mr Justin Adams (Coach)*

### **Scots Inverness v. ASC White -- WIN 30-15**

The team was expecting a very close encounter in this match against All Saints College who are very competitive and play with great sportsmanship. Our girls came out of the blocks quickly and by the end of the first quarter they had an 8 point lead. They were never headed after this and continued to extend our lead each quarter. Our defence was excellent and the back three had a super game restricting the ASC attack to very few goal scoring opportunities. All the team put in a whole hearted performance.

Scoring for Scots: Jess McGrath and Georgie Porter.

Final Score 30-15. A great Semi-Final Win!

*Mr Paul Cameron*

## Hockey . . .

### **HOCKEY this Wednesday night**

**See Noticeboard for  
boarder's details.**

**Bus times: 13's at 5:30**

**17's at 6:40**

#### **U17's v. Kelso/Tahs**

This match was celebrated by lightning, thunder, torrential rain, hail and flooded fields. Despite this excellent match entertainment, the flooded fields were a bit over the top, I thought!

This game will be played Wednesday after school. All players be organised.

*Mr I Doney*

#### **U15's v. Kelso/Tahs**

An exciting and even match. Scots played this semi-final but have declined to progress in the competition because of our over age squad. Nonetheless, Thomas Sharp continued his successes with both goals. This was a good season's end match with our last two games being possibly our best of the season. Well done to this mixed squad of overage players, 1sts and 13's. Very pleasing progress.

Final score: 2-0 Win.

*Mr Doney/Mr Taylor*

#### **U13's v. St Pat's Army -- Major Semi-Final**

Result: 5 – 0 loss

Coach: N. Dawes

Report: St Pats played very good semi-final hockey and unfortunately Scots were not in the zone or in the game for most of the match. Lack of urgency and commitment to the ball saw St Pats post a convincing win. I am confident we can bounce back for this week's games. The loss sees us playing a match versus the winner of St Pats Warriors and Kelso/Souths on Wednesday at 5:00 pm. If we are successful on Wednesday we will play a match on Friday evening to qualify for the grand final.

#### **U11s vs St Pat's Builders 3-1 Win**

There was one point that separated the first and second place team on the ladder so we knew we were in for a fairly matched game. The mid field saw heavy competition for the ball, our players finding it difficult to cut through but once we did, we managed to get up to the goals well, with many lost opportunities that had the spectators chewing their nails!. Pat Bower was wonderful as our Goalie being very effective coming out to meet the opposition's attempts. The player of the match went to Hannah Crozier for her positioning and wonder goal – sticking to her position gave her a textbook example of the opportunity that she took. We are straight through to the Grand final now, but stay tuned for training opportunities if they can be organised.

## Soccer . . .

At last we come to the end of a long and very enjoyable soccer season. The girls final game at Proctor Park was memorable and their most awesome performance to date. Another defeat could not dampen the spirits of this fabulous team. Georgina Simcock received Player of the Match for a great performance as centre forward and for scoring 2 excellent goals. But realistically this award could have gone to any of the 14 girls that played today. We were strong all over the park and everyone played their hearts out and tried their best.

This season has been marked by the positive attitude displayed by all the players, the obvious joy they get from playing together and the incredible improvement they have shown both individually and as a team. So despite not actually winning a game everyone involved felt like this season was a huge success. And it was.

So a BIG thank you to the girls for their efforts through the year and for making my coaching job so fun and easy. Thanks also to all the Mums, Dads and other fans for your ongoing support and jersey washing; to Luke Twaits for your generous sponsorship; to Holly Kristensen for her excellent captaincy; and to Isaac Hole for his expert advice and "excitement". We bid farewell to Holly, Emma Clark and Emma Butler who have played their final game for the school and wish them success in the HSC and beyond.
