NAIDOC Week Celebrations Saturday, 26th September 2009

Bathurst City Council, in partnership with the Bathurst Local Aboriginal Consultative Committee, is planning to host NAIDOC activities on Saturday, 26th September 2009. Celebrations will be held at the Macquarie River Bicentennial Park commencing at 11:00am and concluding at approximately 3:00pm. All activities will be free and will include a flag raising ceremony, family barbecue, drinks, ice cream stall, face painting, bungy trampoline, flying fox, entertainment by Johnny Huckle, dancers and much more. This is an alcohol free event. The Council would like to invite you and your whole family to this great day out.

From the Headmaster . . .

Congratulations to the Hockey and Netball teams who made it to the finals of their respective competitions last weekend. The 11 year old Hockey team were successful in making their way to the Grand Final which is next Friday. The other teams were eliminated but certainly played with a great deal of enthusiasm and determination. I know there is always disappointment when teams are eliminated but players and their coaches should feel a sense of accomplishment and pride in being involved in these exciting games. The participation of students and the level of achievement of all our winter sports teams have been excellent this year.

Likewise, the Athletics season has progressed very well this year. The attitude and achievement of the Secondary School athletes at the ISA Carnival at Homebush on Tuesday was outstanding. A number of them will be participating in the CIS Carnival on Tuesday, 22 September. Similarly several of our Prep School athletes will be participating in the Primary Schools CIS Carnival on Wednesday. Good luck to all these athletes.

Last week we had visits from several organisations who gave presentations to interested Year 12 students. This week representatives from the Defence Forces will be visiting to talk to students who may be interested in the career opportunities they provide. Their presentations are part of the process for assisting Year 12 students have a pathway to pursue when their schooling ends. Thank you to Mrs Fleming for assisting students in this vital process.

Thank you to the members of the Pipes and Drums who played at the Edgell Jog yesterday and congratulations to over 20 students who participated in the 8 km run and performed very well. The extra k's will be handy for the students and staff who are participating in the Nike Challenge which has kindly been organised by Mr Adams.

Scholarship Opportunity:

Country Women's Association of Bathurst Branch Diamond Jubilee Scholarship

Open to a **Bathurst Day Student currently in Year 10**

A male or female student will be awarded a scholarship in the amount of \$500 and this will continue in Year 12 with a further \$500 if the student continues to meet the criteria. Financial circumstances will be taken into consideration in awarding the scholarship. Applications can be obtained from Mrs Fleming.

From the Deputy . . .

EARLY ENTRY APPLICATIONS:

- *University of Wollongong -
18th September 2009
- *UNE closes on 25th September 2009

Uniform

Sadly I must report significant disquiet, not just amongst staff, but in the entire school community, centred around our **female** students and the proper wearing of The Scots School uniform. I feel I must address this situation because I believe it is affecting our school's reputation. Students and parents, please note the following:

- ***Hair tied back neatly - stray hair pinned back**
- ***Natural Colour of hair**
- ***No hair extensions**
- ***No make-up**
- ***Blue, black, gold ribbons only**

Scots students have always been recognised for their excellent presentation. These rules apply any time a student is in uniform, including town leave. All staff will be speaking to any students who appear to be having difficulty meeting our uniform requirements.

Year 11 Examinations

It is vital that Year 11 be fully involved in their preparation for the examinations which begin next Monday, 21st September. Students will have received examination notifications from their subject teachers and should use the time before their examinations to thoroughly review the course topics. Making a study plan will help in the preparation. Remember to get plenty of rest and keep up your water consumption as the weather gets hotter ... and best wishes for your exams!

SPORTS

Thank you and congratulations to all students who have represented Scots in sports finals over the weekend. All our students are to be congratulated for their commitment over the Winter to their chosen sports. You make us all very proud of your dedication to your sport and to your school.

A reminder from Mr Maher that the Winter sports reports are due by Friday, 18th September for The Lion.

*Mrs Lynne Fleming

THE BOOKWORM COLUMN

Mrs Murphy

Our indomitable and much valued Library Assistant, Mrs. Pam Murphy is taking long service leave. Mrs Murphy begins her leave today, and will be away until the beginning of First Term next year. In her absence, Mrs. Margaret Mackay will be looking after the Library during the morning, and Mrs. Amanda Richards will supervise it after school.

As from Monday, Mrs Richards will also handle the school's attendance records. Students who need to sign in late or sign out early should see her in the Reception Office.

A handover process took place late week as Mrs. Mackay and Mrs Richards learned how to use the circulation software, and where to find important items in the Library.

Everyone wishes Mrs. Murphy all the best for her long service leave. We all hope she enjoys herself and has a good time.

Mr. A. Maher
Librarian

Public Speaking

This Friday Kaitlyn Nott will be representing the school in the State Semi Finals of the Legacy Junior Public Speaking Competition at State Parliament House. This is a considerable achievement for Kaitlyn and we wish her all the best.

2008 EDITION OF *THE LION*

It is a pleasure to report that the 2008 edition of the school magazine *The Lion* has arrived from the printer and distribution has begun. The magazine is issued on the basis of one copy per family. In most cases the family copy goes to the oldest student to take home. I have been going around the school trying to issue every family with a copy. If any family has missed out, a member thereof should come and see me in the Library to pick up a copy. Members of last year's Year 12 class have had their copies posted out to them at the contact address that they left with Mrs. McFawn before their exeat interviews. Any members of last year's Year 12 who do not receive at copy at that address should contact me.

I would like to thank all the students and staff who contributed material for the magazine. Special thanks go to Ms Kerry Braye, mother of Kory Smith from Year 12 last year, who has again laid out the magazine and oversaw its delivery to the printer in Lithgow. The Lithgow printer has done a particularly fine job, and the magazine has presented very well.

COPIES OF 2005, 2006 and 2007 EDITIONS

There are still many copies available of the three editions of *The Lion* 2005-2007. Any family that has not received copies of these magazines should send a representative to see me in the Library, and they will receive a copy forthwith. Any former students from those years who have not received their copy should also contact me.

2009 EDITION

Production of the school magazine is a continuous operation that goes on all year. Summer sports reports were collected at the end of the last season and have been prepared for publication. Captains of Winter sports teams have already been asked to provide reports for their teams. Except with teams where finals are still to be played, the Winter sports reports need to be emailed to me by this Friday 17 September. They will be prepared for publication over the coming holidays.

The Scots Preparatory School

Concert

Preparations have been happening all through the Prep and Pre-Prep classes and the children are getting more and more excited. Costuming should be almost finished if not already, please remember to communicate with your class teacher over any issue to avoid last minute problems.

Remember the date of the concert is Friday 25th of September starting at 6.30 pm.

Notes have been sent home regarding interest in a professionally recorded and edited DVD . Please remember to return your order form to enable this to proceed.

CIS

This week we send our best wishes with Luke Newman and William Brancourt who travel to Homebush Bay to represent HICES at the Combined Independent Schools Athletics Carnival . We are very proud of their achievements to date and wish them luck on the day.

Year 6 Morning Tea

The final morning tea fundraiser for our Year 6 students will be held at recess on Wednesday 16th September. Treats will again be sold at the bargain price of 50cents or \$1.00. Again the funds raised go toward a gift for the whole Prep School at the end of the year. We thank you for your support.

Under 11s Hockey Team

Students from years 3 to 6 have played in the Under 11s hockey team all season. Last week they won the Semi Final which sees them go straight through to the Grand Final. It will be held this Friday at the Cooke Hockey Complex. We invite any interested spectators to join our enthusiastic cheer squad in helping our Scots Team in the Grand Final Battle.

Student Led Conferences

Teachers have reported on student development two times this year to date – once in a face to face interview with parents, once in the formal half year report . It's time for students to have a say! **Monday 21st September** is the

date set for the Student Led Conferences (as advised in the Term planner). These conferences are about having students reflect upon their learning at school as part of the assessment and reporting process. The feedback from last year's event was positive and students really became empowered and very excited about showing their learning to parents. Preparations are now in swing for this year's conferences which are held after school to allow all parents to attend. Look out for the note to book your times for next Monday evening.

Speeches

We were again very pleased with the standard of achievement in our speeches from the Prep School Students today. The hard task of selecting three finalists from each grade to present a speech in Term 4 now begins. A letter will be sent home to the selected finalists. The date for the finals is set down in the School Calendar as Thursday 12th November.

Mrs Fran Weal

As you may be aware, our Assistant from the Pre-Prep Room, Mrs Fran Weal, is on long service leave. She has been sending postcards and wishes to convey her good wishes to all as she has been having an enjoyable holiday.

The Prep School Teachers

Parents remember: every *Highlander* can be viewed in colour on the Scots website www.scots.nsw.edu.au or you can have your Highlander emailed to you.

Parents, Grandparents, and Friends ... you are invited!

Pre-Prep and K-6

CONCERT

‘What a Wonderful World’

Friday, 25th September - 6:30 pm

until approximately 9:00 pm

All children are required to stay for the finale
which involves every student
Pre-Prep through to Year 6

Bathurst Pre-Prep Term 3 Week 7.

Sounds Programme

This week Pre-Prep will continue to learn about the letter “p”. In Letterland we will meet Peter Puppy and for our “Ants in the Apple” Program we will learn the song Possums Peeping p,p,p... For craft expect to see pandas, peacocks, peanuts, pigs, parachutes, possums, my little pony, platypus, parrots, popcorn, and penguins and lots more!

Pirate Day Dress Up

Next Friday, 18th September Pre-Prep can come dressed up as a Pirate. Keep it simple jeans, a stripey top, a belt, and an eye patch. We will do Pirate craft, stories, songs and even make pirate biscuits for morning tea.

Steps Program

There is a free Eye Screening Test available for children before they start school. Scots Pre-Prep are fortunate enough to have Sandy Ford from Orange co-ordinate the Eye Test here at school. The date scheduled for Pre-Prep is Tuesday 15th

September TOMORROW between 10am and 2pm. Parents simply need to fill in the permission note and your child will be tested. The results are posted directly to parents who can follow up with an Optometrist Appointment if necessary. If your child does not attend on this day and you would like them to be screened you may bring them in just for your scheduled appointment. Please return notes now!

Pre-Prep and Prep School Concert

The concert that you may have heard your children talking about is to be held at the Aikman Hall on Friday evening 25th September, at 6.30pm! Parents and extended family are all welcome. On Thursday, 24th September we are having a full dress rehearsal so ALL CHILDREN are welcome to attend on this day!

Yellow Submarine hats have been made at school. Masks for the Penguins have been made by Leanne Lane, Nick’s mum. Thank you! Jellyfish are covered they just need sunglasses. Face painting can be done at home before they come or arrive at 6.00pm and Staff will do it in Pre-

Prep rooms. Any questions please ask your child's teacher now!

Concert DVDs

A note went home about purchasing a DVD of the School Concert. This DVD is of a high quality in both sound and close up footage of the children. It has all their names on the credits and is done very professionally. It is a lovely keepsake to show family and friends and revisit over the years. If you would like to see a copy of the last Pre-Prep and Prep School Concert made by the same Company I would be happy to put it on in the Classroom for you to see.

Pre-Prep School Photos

On Tuesday 29th September Local well known Photographer Frank Colzato will come and take Class and Individual Photos. The photos are always of an excellent standard and a note and envelope will come home with your child this week. We would appreciate it if those children that don't normally come on Tuesday can come at 9am so they can be included in the Class Photos.

Art Work Calendars

Pre-Prep are busy doing drawings for a 2010 Art Calendar. A detailed note and Order Form will come home this week. These calendars make wonderful Christmas presents for grandparents and friends. They will be back before the end of Term 4, in time for Christmas!

Survey

Letitia Ackary from Western Institute of TAFE is undertaking a research activity via a survey "The Benefits of Literacy in Early Childhood". If you would please collect a survey near the sign in sheet, completing it and putting it in the collection box before the 25th of September.

Sports Bulletin Week 8 Term 3

ISA Athletics

Last Tuesday the ISA Athletics carnival was held at the Sydney Olympic Athletics Centre in Homebush. Our team of 46 athletes competed to the best of their abilities. We had many students collect place ribbons in many events and had a competitor in almost every event. Our students were a real credit to our school and behaved excellently.

Our day started with a 5.00am departure to which I heard no complaints from the students as they were all eager to compete. Our distance runners again got our school off to a strong start with victories to Jessica McKenzie and Jock Sinclair in the junior division 2 3000 metre events. Our hurdlers followed this up with strong races run by Felicity Walker, Kieran Ball, Caitlin McDermid and Brenton Gibson.

Other strong performances were put in by Chloe Kitchingman, Peter Deacon, Robbie Hayward, Georgina Simcock, Tom Sharp, Meg Eisenhauer, Alexandra Gillett, Dylan Brown, Jessica McGrath, Alice Godwin, Mo Casti, Gulliver Newell and Lucy Woods.

The highlight for the day was victory in the intermediate girls' relay race. We had a third place finish in the junior boys division and an equal third finish in the overall division two girls competition.

We have nine students who have gained selection into the ISA athletics team to compete at the NSW CIS athletics carnival on the 22nd of September. Congratulations to Felicity Walker, Peter Deacon, Lucy Woods, Jessica McKenzie, Jock Sinclair, Caitlin McDermid, Chloe Kitchingman, Brenton Gibson and Thomas Sharp.

Netball Finals

Last Saturday our two netball teams Scots Inverness (16s) and Edinburgh (A Res 2) played their elimination finals. Unfortunately both teams went down but they put up a good fight. Considering that the 16s team finished at the bottom of their competition last year the team has demonstrated that sticking together, training hard and perseverance pays off in the end. The girls have already requested to play in the same age division next year as all the girls are only 15 or younger this year. On the day the OOT Hawks were to good even though we started strongly and held the lead at quarter time.

The Scots Edinburgh had an emotional ending to their season. With an injury cloud hanging over the heads of a few of our players we had to shuffle the players around the court. Mary-Ann Porter began the match at the unusual position of centre but played outstandingly and with Hilary Stevens demonstrating her true fighting spirit the girls along with great goal keeping from Kaitlin Wright guided the team to a healthy first quarter lead. The All Saints team fought back strongly in the second quarter and held a 6 goal lead at half time. Accurate and long range shooting from Rachel Fenton in the third quarter and with Mary-Ann moving back to GA we fought back to be only one goal behind at three quarter time. The momentum of the match swayed to and fro in a tense final quarter with the All Saints team playing with all their might to keep a two goal advantage for most of the quarter. With only minutes remaining we missed a few crucial opportunities to draw close to our opponents who capitalised on their chances and eventually took the match by five goals 32-27. We farewell our year 12 players Kiera Pollard, Hilary Stevens and Georgina Townsend and wish them all the best in the HSC and the future.

Nike Challenge 2009

The Nike Challenge finishes on Monday 14th a midnight. All runs must be uploaded before this time. At the time of writing our team was in 95th position with over 1500 km's recorded. However, there are still a few runners who have to upload their runs (including the Edgell Jog). The program has been a huge success and encouraged a lot of additional exercise to be completed. A big thank you must go to all of the students who take part in this years challenge. We look forward doing it again next year.

Bathurst Edgell Jog

A team of over 20 Scots students, parents and staff competed in yesterdays Bathurst Edgell Jog. The temperature was perfect for running however the strong head wind for the first two kilometres was as real challenge before the Esrom Street Hill really took your breath away. Good results were recorded by Thomas Sharp, Aidan Telsfar, Lachlan Conyers, Peter Deacon and Kieran Ball who all beat Mr. Adams over the line and have earned bragging rights (one week only please!) Thank you to all the students who made the effort to compete in a fantastic Bathurst community event.

Summer Sports Trials and Training

This week we formally kick off summer sport trials and training. However with a few staff away on Tuesday there will only be Boys Basketball trials, Girls touch football training, and cricket training on Tuesday. All other sports (Girls basketball trials, WAS tennis trials and waterpolo) will begin on Thursday and continue next Tuesday and Thursday (Week 9). Please note that water polo training will begin with fitness training and touch football on the Old Boys oval this term before hitting the water at the beginning of next term at the Bathurst Aquatic Centre.

U13's v. Kelso/Souths

A much improved performance this week in a must win game. The scores changes throughout the game and we were locked into a 3-3 draw at full time. The first half of extra time saw scores level but unfortunately Souths/Kelso scored early in the second half of extra time to win the game. Well done all! Scoring for Scots: M. Booth, G. Newell, A. Weekes.
Final Score: a 4-3 loss.

Mr N. Dawes

U17's v. St Pat's

Many thanks to staff, parents and supporters who came along. A cliffhanger of a game and of excellent quality. Either team could have taken this game and Scots was coming home the stronger at 3-3. However, experience tells and that's what secured a good goal in the last four minutes to progress to the Grand Final. A terrific game where all players rose to the occasion and treated the spectators to an exciting and (almost) satisfying, game of hockey.

Goal scorers: Thomas Curran, Andrew McPhee (penalty), Rebecca Lee. Final Score: TSS 3 to St Pat's 4.

This match was also the last game for Ben Riley (6 years), Charles Mackenzie (6 years), Eugenie Hendriksen (3 years) and Rebecca Lee (2 years), as departing Year 12 students. Our thanks and best wishes to each of them.

NOTICE:

Preliminary date for HOCKEY BBQ - Thursday, 24th September. See Mr Doney if any major clashes.

Scots Lions played the Superstars this week. Congratulations to all players this week. This was notably your best game of the season. The attack and the defence were of a high standard. The goal keepers were focused and didn't let the other team score for the whole game! It is great to see the children having fun each week.

Player of the week for **Scots Lions** went to Andrew Knox for his excellent foot work.

Next Tuesday is our last game for the season. Scots Lions kick off first at 5.30pm followed by Little Scots at 6pm.

Scots Inverness v. OOT Hawks (Finals)

The girls tried to the bitter end in a game where we made too many mistakes. The girls should be proud of themselves going from last place last year to reaching the finals this year. Well done!

CRICKET First XI TRIAL GAME WITH ST STANISLAUS COLLEGE

Scots has a First XI again. The new squad had its first game last Saturday when they played St Stanislaus in a trial match. The average age of Saturday's team was a bit over 15 years, and that of the other team rather older, so in the end the more experienced team had a substantial win. However, the Scots boys showed keenness and enthusiasm, and enjoyed their game.

Our two most senior players had good games. Captain Angus Lennon was our best run-scorer. Cameron Beer took 1 wicket for 38, and had our second best runs score.

Scots bowled first, and Elliot Chew ended up with the best bowling figures of 3-42, followed by Isaac Watt 3-48. Ben Spence, Cameron Beer and Stuart Marshall also took wickets. Iori Hashida also took a wicket and took two catches. Who says that the Japanese can't play cricket? The Stannies innings began with them losing 4 wickets in five overs, but the middle order proved hard to move. It took a while, but they were eventually all out for 219.

When it was Scots' turn to bat, the older St Stanislaus boys had few problems making short work of our batsmen. Angus Lennon's 12 runs were followed by 8 from Cameron Beer, 7 from Isaac Watt who was not out, 5 from Ben Vance, 4 from Lachlan Perry and 1 from Ben

Kroone. The other players would prefer I did not publish their figures!

Pictured above: Iori Hashida batting

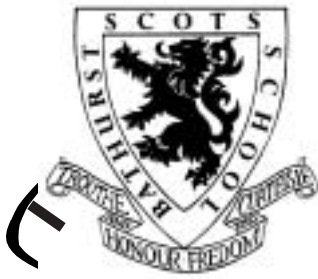

Our thanks go to former Scots parent Mr. Les Lovell who is coaching the First XI this season, and to Mr Bill Marshall who was the Scots scorer. Many other parents also turned up to support the team, and this was much appreciated.

THE SEASON

The First XI will have a game **EVERY SATURDAY** in Term 4. There are eight teams in our division including Central Coast Grammar, Chevalier College, St Andrew's Cathedral School, St Patrick's Strathfield, St Stanislaus, Oakhill College and Oxley College.
